Notwithstanding anything to the contrary in this Section 5.4(f), if the Blackstone Representative or PK provides an Unqualified 355(e) Opinion with respect to a purported Reallocation Event to HLT, such purported Reallocation Event shall not constitute a Reallocation Event.

(g) During the Restricted Period, if a proposed PK Issuance is a redemption or repurchase, then, immediately before such PK Issuance, (i) the Blackstone-PK Percentage Shift Limit shall be increased or decreased (but not below the Blackstone-PK Applicable Percentage as of immediately before such PK Issuance) such that the number of shares permitted to be Disposed of under Section 2.2(a)(ii) of the Stockholders Agreement remains unchanged immediately after such PK Issuance (other than to reflect shares of PK actually redeemed or repurchased from the Blackstone Entities pursuant to such PK Issuance), and (ii) the PK Percentage Shift Limit shall be decreased (in the case of an increase in clause (i), but not below the PK Applicable Percentage as of immediately before such PK Issuance) or increased (in the case of a decrease in clause (i)) by the amount set forth in clause (i). If clause (ii) calls for a reduction in the PK Percentage Shift Limit and the amount of such reduction would be limited by the parenthetical therein, then, notwithstanding any other provision of this Agreement (including Section 5.4(d)), PK shall not undertake such PK Issuance without the written consent of the Blackstone Representative; provided that in the event the Blackstone Representative so consents, the amount of the increase set forth in (i) shall not exceed the amount of the decrease set forth in (ii). For the avoidance of doubt, a PK Issuance that satisfies the requirements of this Section 5.4(g) remains subject to the provisions of this Agreement, including, without limitation, this Section 5.4. For the avoidance of doubt, if a proposed PK Issuance is not consummated, the Blackstone-PK Percentage Shift Limit and PK Percentage Shift Limit shall not be adjusted pursuant to this Section 5.4(g) as a result of such proposed PK Issuance.

(h) For purposes of computing the (a) PK Applicable Percentage, (b) Blackstone-PK Applicable Percentage or (c) Reallocation Event Reduction, any calculation of the shift of ownership of PK under Section 355(e) shall take into account (i) any IRS private letter ruling received by one or more of HLT, PK, HGV and/or the Blackstone Entities and (ii) any unqualified “will” opinion of a Qualified Tax Advisor (or, with respect to an opinion delivered by HLT, “should” opinion) addressed to HLT and in form and substance reasonably satisfactory to HLT, without substantive qualifications, in each case addressing the manner in which the calculation of such shift is performed.

(i) The provisions of this Section 5.4 are intended for the benefit of, and shall be enforceable by, each of the Blackstone Entities.

Section 5.5 IRS Ruling, Tax Representation Letters, and Tax Opinions; Consistency. Each Party represents that the information and representations furnished with respect to such Party or its Subsidiaries in or in connection with the IRS Ruling, the Tax Representation Letters, or the Tax Opinions are accurate and complete as of the Effective Time. Each Party covenants that if, after the Effective Time, it or any of its Affiliates obtains information indicating, or otherwise becomes aware, that any such information or representations is or may be inaccurate or incomplete, to promptly inform the other Parties.

Section 5.6 Timing of Payment of Taxes. All Distribution Taxes required to be paid or caused to be paid by a Party to a Taxing Authority under applicable Law shall be paid or caused to be paid by such Party on or prior to the Due Date of such Distribution Taxes. All amounts required to be paid by one Party to another Party (including obligations arising under Article VI) pursuant to this Article V shall be paid or caused to be paid by such first Party to such other Party in accordance with Article VII.

Section 5.7 Protective Section 336(e) Elections.

(a) PK, on the one hand, and each of OpCo and HGV, on the other, shall make a protective election under Section 336(e) of the Code (and any similar election under state or local law) with respect to the applicable Internal Distribution in accordance with Treasury Regulation Section 1.336-2(h) and (j) (and any applicable provisions under state and local law), and the Parties shall cooperate in the timely completion and/or filings of such elections and any related filings or procedures (including filing or amending any Tax Returns to implement an election that becomes effective). This Section 5.7(a) is intended to constitute binding, written agreements to make elections under Section 336(e) of the Code with respect to the Internal Distributions. If an election under Section 336(e) of the Code is unavailable to PK, on the one hand, and OpCo or HGV, on the other, in connection with the applicable Internal Distribution, PK and HLT shall (and shall cause their Affiliates to) cooperate in making an effective election under Section 338(h)(10) of the Code (and any similar election under state or local law) with respect to such applicable Internal Distribution and cooperate with respect to any related filings or procedures (including having PK and HLT file an election under Section 338(h)(10) of the Code under the relief provisions of Treasury Regulation Sections 301.9100-1, et. seq. and filing or amending any Tax Returns to implement an election that becomes effective).

(b) HLT and HGV shall make a protective election under Section 336(e) of the Code (and any similar election under state or local law) with respect to the HGV Distribution in accordance with Treasury Regulation Section 1.336-2(h) and (j) (and any applicable provisions under state and local law) and shall cooperate in the timely completion and/or filings of such elections and any related filings or procedures (including filing or amending any Tax Returns to implement an election that becomes effective). This Section 5.7(b) is intended to constitute a binding, written agreement to make an election under Section 336(e) of the Code with respect to the HGV Distribution.

(c) HLT shall, within six (6) months of the Distribution Date, determine in its good faith discretion whether HLT and PK and/or any additional applicable parent and subsidiary entities shall make a protective election under Section 336(e) of the Code (and any similar election under state or local law) in accordance with Treasury Regulation Section 1.336-2(h) and (j) (and any applicable provisions under state and local law) with respect to the PK or the Subsidiaries of HLT immediately before the first of the External Distributions. If HLT so determines that HLT and PK and/or an applicable parent and subsidiary entity shall make a protective election under Section 336(e), the relevant Parties shall cooperate (and shall cause their respective Affiliates to cooperate) in the timely completion and/or filings of such elections and any related filings or procedures and any similar procedures or relief provisions with respect to Section 338(h)(10) of the Code in the event a protective election under Section 336(e) is not available with respect to an Internal Distribution. The Parties shall cooperate (and shall cause their respective Affiliates to cooperate) in causing HLT and PK and/or the applicable parent and subsidiary entities to enter into binding agreements to make such elections under Section 336(e) of the Code within twenty (20) days following such determination.

(d) Notwithstanding anything to the contrary herein, in the event that an election contemplated in Section 5.7 is made and becomes effective, then the Parties shall share in the Tax Benefit Actually Realized as a result of such election in accordance with the Parties' relative responsibility for such Taxes under this Article V, and payments shall be made between the Parties, if necessary.

ARTICLE VI

INDEMNIFICATION

Section 6.1 Indemnification Obligations of HLT. HLT and OpCo shall jointly and severally indemnify PK and its Affiliates and HGV and its Affiliates and hold the indemnified party harmless from and against (without duplication):

- (a) all Taxes and other amounts for which the HLT Group is responsible under this Agreement and any related Losses; and
- (b) all Taxes and Losses attributable to a breach of any representation, covenant, or obligation of HLT or OpCo under this Agreement.

Section 6.2 Indemnification Obligations of PK. PK shall indemnify OpCo and its Affiliates and HGV and its Affiliates and hold them harmless from and against (without duplication):

- (a) all Taxes and other amounts for which the PK Group is responsible under this Agreement and any related Losses; and
- (b) all Taxes and Losses attributable to a breach of any representation, covenant, or obligation of PK under this Agreement.

Section 6.3 Indemnification Obligations of HGV. HGV shall indemnify HLT and its Affiliates and PK and its Affiliates and hold them harmless from and against (without duplication):

- (a) all Taxes and other amounts for which the HGV Group is responsible under this Agreement and any related Losses; and
- (b) all Taxes and Losses attributable to a breach of any representation, covenant or obligation of HGV under this Agreement.

Section 6.4 Protected REITs. Notwithstanding anything to the contrary in this Agreement, in the event that counsel or independent accountants for a Protected REIT determine that there exists a material risk that any indemnification payments due under this Agreement would be treated as Nonqualifying Income upon the payment of such amounts to the relevant Indemnified Party, the amount paid to the Indemnified Party pursuant to this Agreement in any tax year shall not exceed the maximum amount that can be paid to the Indemnified Party in such year without causing the Protected REIT to fail to meet the REIT Requirements for any tax year, determined as if the payment of such amount were Nonqualifying Income as determined by such counsel or independent accountants to the Protected REIT. If the amount payable for any tax year pursuant to the preceding sentence is less than the amount which the relevant Indemnifying Party would otherwise be obligated to pay to the relevant Indemnified Party pursuant to this Agreement (the “Expense Amount”), then: (1) the Indemnifying Party shall place the Expense Amount into an escrow account (the “Escrow Account”) using an escrow agent and agreement reasonably acceptable to the Indemnified Party (which shall include that (y) the amount in the Escrow Account shall be treated as the property of the Indemnifying Party, unless it is released from such Escrow Account to the Indemnified Party, and (z) all income earned upon the amount in the Escrow Account shall be treated as the property of the Indemnifying Party and reported, as and to the extent required by applicable Law, by the escrow agent to the IRS, or any other taxing authority, on IRS Form 1099 or 1042S (or other appropriate form) as income earned by the Indemnifying Party whether or not said income has been distributed during such taxable year) and shall not release any portion thereof to the Indemnified Party, and the Indemnified Party shall not be entitled to any such amount, unless and until the Indemnified Party delivers to the Indemnifying Party, at the sole option of the relevant Protected REIT, (i) an opinion (an “Expense Amount Tax Opinion”) of the Protected REIT’s tax counsel to the effect that such amount, if and to the extent paid, would not constitute Nonqualifying Income, (ii) a letter (an “Expense Amount Accountant’s Letter”) from the Protected REIT’s independent accountants indicating the maximum portion of the Expense Amount that can be paid at that time to the Indemnified Party without causing the Protected REIT to fail to meet the REIT Requirements for any relevant taxable year, or (iii) a private letter ruling issued by the IRS to the Protected REIT indicating that the receipt of any Expense Amount hereunder will not cause the Protected REIT to fail to satisfy the REIT Requirements (a “REIT Qualification Ruling” and, collectively with an Expense Amount Tax Opinion and an Expense Amount Accountant’s Letter, a “Release Document”); (2) pending the delivery of a Release Document by the Indemnified Party to the Indemnifying Party, the Indemnified Party shall have the right, but not the obligation, to borrow the Expense Amount from the Escrow Account pursuant to a loan agreement reasonably acceptable to the Indemnified Party that (i) requires the Indemnifying Party to lend the Indemnified Party immediately available cash proceeds in an amount equal to the Expense

Amount, and (ii) provides for (A) a commercially reasonable interest rate and commercially reasonable covenants, taking into account the credit standing and profile of the Indemnified Party or any guarantor of the Indemnified Party, including the Protected REIT, at the time of such loan, and (B) a fifteen (15) year maturity with no periodic amortization; and (3) the Indemnified Party shall bear all costs and expenses with respect to the escrow as contemplated by clauses (1) and (2) in this Section 6.4.

ARTICLE VII PAYMENTS

Section 7.1 Payments.

(a) General. In the event that an Indemnifying Party is required to make a payment to an Indemnified Party pursuant to this Agreement, such payment shall be made to the Indemnified Party within the time prescribed for payment in this Agreement, or if no period is prescribed, within twenty (20) days after delivery of written notice of payment owing together with a computation of the amounts due. If the Indemnifying Party fails to make a payment to the Indemnified Party within the time period set forth in this Section 7.1 or as otherwise provided in this Agreement, such Indemnifying Party shall pay to the Indemnified Party interest that accrues (at a rate equal to LIBOR) on the amount of such payment from the time that such payment was due to the Indemnified Party until the date that payment is actually made to the Indemnified Party; provided, however, that this provision for interest shall not be construed to give the Indemnifying Party the right to defer payment beyond the due date hereunder.

(b) Right of Setoff. It is expressly understood that an Indemnifying Party is hereby authorized to set off and apply any and all amounts required to be paid to an Indemnified Party pursuant to this Section 7.1 against any and all of the obligations of the Indemnified Party to the Indemnifying Party arising under Section 7.1 of this Agreement that are then either due and payable or past due, irrespective of whether such Indemnifying Party has made any demand for payment with respect to such obligations.

Section 7.2 Treatment of Payments made Pursuant to Tax Matters Agreement. Unless otherwise required by a Final Determination or this Agreement or otherwise agreed to among the Parties, for U.S. federal Tax purposes, any payment (other than payments of interest pursuant to Section 7.1(a)) made pursuant to this Agreement by:

(a) PK to OpCo shall be treated for all Tax purposes as a tax-free contribution by PK to OpCo with respect to its stock occurring immediately before the Internal Distribution of OpCo common stock;

(b) HGV to HLT shall be treated for all Tax purposes as a distribution by HGV to HLT with respect to its stock occurring after HGV is directly owned by HLT and immediately before the HGV Distribution;

(c) OpCo to PK shall be treated for all Tax purposes as a distribution by OpCo to PK with respect to stock of OpCo occurring immediately before the Internal Distribution of OpCo common stock;

(d) HLT to PK shall be treated for all Tax purposes as a tax-free contribution by HLT to PK with respect to its stock occurring immediately before the PK Distribution;

(e) HLT to HGV shall be treated for all Tax purposes as a tax-free contribution by HLT to HGV with respect to its stock occurring after HGV is directly owned by HLT and immediately before the HGV Distribution;

(f) PK to HGV shall be treated for all Tax purposes as a tax-free contribution by PK to HGV with respect to its stock occurring immediately before the Internal Distribution of HGV Common Stock;

(g) HGV to PK shall be treated for all Tax purposes as a distribution by HGV to PK with respect to its stock occurring immediately before the Internal Distribution of HGV Common Stock; and

(h) in each case, none of the Parties shall take any position inconsistent with such treatment. In the event that a Taxing Authority asserts that a Party's treatment of a payment pursuant to this Agreement should be other than as required pursuant to this Agreement (ignoring any potential inconsistent or adverse Final Determination), such Party shall use its commercially reasonable efforts to contest such challenge.

Section 7.3 Payments Net of Tax Benefit Actually Realized and Tax Cost. Subject to Section 5.7(d), all amounts required to be paid by one Party to another pursuant to this Agreement or the Distribution Agreement shall be reduced by the Tax Benefit Actually Realized by the Indemnified Party or its Affiliates in the taxable year the payment is made or any prior taxable year as a result of the claim giving rise to the payment. If the receipt or accrual of any such payment (other than payments of interest pursuant Section 11.11 of the Distribution Agreement or Section 7.1(a)) results in taxable income to the Indemnified Party or its Affiliates, such payment shall be increased so that, after the payment of any Taxes with respect to the payment, the Indemnified Party or its Affiliates shall have realized the same net amount it would have realized had the payment not resulted in taxable income.

ARTICLE VIII

AUDITS

Section 8.1 Notice. Within twenty (20) Business Days after a Party or any of its Affiliates receives a written notice from a Taxing Authority of the existence of an Audit that may require indemnification pursuant to this Agreement, that Party shall notify the other Parties of such receipt and send such notice to the other Parties via overnight mail. The failure of one Party to notify the other Parties of an Audit shall not relieve such other Party of any liability and/or obligation that it may have under this Agreement, except to the extent that the Indemnifying Party's rights under this Agreement are materially prejudiced by such failure.

Section 8.2 Audits.

(a) Determination of Administering Party.

(i) Subject to Sections 8.2(b) and 8.2(c), HLT and its Subsidiaries shall administer and control all Audits of Pre-Distribution Income Tax Returns.

(ii) Audits of PK Straddle Income Tax Returns, HGV Straddle Income Tax Returns, Post-Distribution Income Tax Returns, and Non-Income Tax Returns shall be administered and controlled by the Party and its Subsidiaries that would be primarily liable under applicable Law to pay to the applicable Taxing Authority the Taxes resulting from such Audits. Audits of Post-Distribution Income Tax Returns and Non-Income Tax Returns for taxable periods beginning after the Distribution Date shall not be subject to Sections 8.2(b) and 8.2(c).

(b) Administration and Control; Cooperation.

(i) Subject to Sections 8.2(b)(ii) and 8.2(c), the Audit Management Party shall have absolute authority to make all decisions (determined in its sole discretion) with respect to the administration and control of such Audit, including the selection of all external advisors. In that regard, the Audit Management Party (a) may in its sole discretion settle or otherwise determine not to continue to contest any issue related to such Audit without the consent of the other Parties, and (b) shall, as soon as reasonably practicable and prior to settlement of an issue that could cause one or more other Parties to become responsible for Taxes under Section 8.3, notify the Audit Representatives of such other Parties of such settlement. The other Parties shall (and shall cause their Affiliates to) undertake all actions and execute all documents (including an extension of the applicable statute of limitations) that are determined in the sole discretion of the Audit Management Party to be necessary to effectuate such administration and control. The Parties shall act in good faith and use their reasonable best efforts to cooperate fully with each other Party (and their Affiliates) in connection with such Audit and shall provide or cause their Subsidiaries to provide such information to each other as may be necessary or useful with respect to such Audit in a timely manner, identify and provide access to potential witnesses, and other persons with knowledge and other information within its control and reasonably necessary to the resolution of the Audit.

(ii) In the case of any Audit in respect of Distribution Taxes for which a Party could be liable pursuant to Section 5.1(b), such Party shall have the rights of a Participating Party described in Section 8.2(c); provided, however, that the relevant Audit Management Party shall not settle such Audit without the prior written consent of such Party that could be liable for Distribution Taxes pursuant to Section 5.1(b). In the event more than one Party would be liable under Section 5.1(b), such Parties shall each have the rights described in this Section 8.2(b)(ii) with respect to such Audit.

(c) Participation Rights of Parties and Information Sharing with respect to Audits

(i) Each Party that would be responsible under Section 8.3 for Taxes resulting from an Audit (other than the Audit Management Party) (a "Participating Party") shall have the rights as set forth in this Section 8.2(c) with respect to such Audit. Upon the reasonable request of a Participating Party, the Audit Management Party shall make available relevant personnel and external advisors to meet with the Participating Party and its independent auditor in order to review the status of the Audits. The Participating Parties shall provide the Audit Management Party with reasonable notice of such requested meetings or information.

(ii) Each Participating Party shall have access to any written documentation in the possession of the Audit Management Party that pertains to the Audit (including any written summaries of issues that the Audit Management Party has developed in the context of evaluating the financial reporting of the Audit); provided, however, that if documentation was prepared solely by or on behalf of a Party, then the documentation must relate to the joint defense of the Audit. Copies of the documentation will be made available to the Participating Parties at their sole cost and expense.

(iii) Upon becoming aware of any scheduled meeting or scheduled phone call with an Audit agent, the Audit Management Party shall use commercially reasonable efforts to inform each Participating Party of the time, location and/or expected subject matter of such meeting or phone call. Such Participating Party shall be entitled to designate a representative to attend such meeting or phone call (it being understood that the Audit Management Party shall not have any obligation to reschedule any such meeting or phone call to facilitate such representative's attendance); provided, however, that such Participating Party (and its representative) may not actively participate in such meeting or phone call.

(iv) The Participating Parties are encouraged to provide consultation to the Audit Management Party in regards to Audit strategy and shall, upon request of the Audit Management Party, provide such consultation. The Participating Party may elect to employ separate counsel to advise the Participating Party as additional counsel in or in connection with an Audit, but in that event, the fees and expenses of the separate counsel shall be paid solely by the Participating Party. The Audit Management Party shall in good faith consider all advice and other input received from the Participating Parties in connection with their consultations with respect to an Audit. However, the Audit Management Party shall retain the sole authority to make all Audit decisions. In that regard, the Participating Parties and their separate counsels shall not be allowed to participate in any Audit-related meetings other than those described in (i), (ii) or (iii) above, respond directly to a Taxing Authority conducting the Audit, or in any manner control resolution of the Audit.

(d) Power of Attorney/Officer Signature. Each Party hereby appoints (and shall cause its Subsidiaries to appoint) the Audit Management Party (and its designated representatives) as its agent and attorney-in-fact to take the actions the Audit Management Party deems necessary or appropriate to implement the responsibilities of the Audit Management Party under this Agreement. Each Party also shall (or shall cause its Subsidiaries to) execute and deliver to the Audit Management Party a power of attorney, and such other documents as are reasonably requested from time to time by the Audit Management Party (or its designee).

Section 8.3 Payment of Audit Amounts.

(a) Except as set forth in Section 8.3(b) or (c), in connection with any Audit of any Income Tax Return or Non-Income Tax Return, in each case for a Pre-Distribution Tax Period or a Straddle Tax Period:

(i) A member of the HLT Group shall be liable for and shall pay or cause to be paid to the applicable Taxing Authority, PK or HGV (as the case may be) the HLT Allocable Audit Portion owed as a result of such Audit;

(ii) PK shall be liable for and shall pay or cause to be paid to the applicable Taxing Authority, a member of the HLT Group or HGV (as the case may be) the PK Allocable Audit Portion owed as a result of such Audit;

(iii) HGV shall be liable for and shall pay or cause to be paid to the applicable Taxing Authority, a member of the HLT Group or PK (as the case may be) the HGV Allocable Audit Portion owed as a result of such Audit.

(b) All additional U.S. federal, state or local Income Taxes for a Pre-Distribution Tax Period or a Straddle Tax Period due and payable as a result of an Audit of an Income Tax Return for a Pre-Distribution Tax Period or a Straddle Tax Period relating to an item listed on Schedule 8.3(b) (including any corresponding or correlative adjustments for U.S. federal, state or local Income Tax purposes) ("Specified Audit Taxes") shall be allocated *first*, to a member of the HLT Group up to an aggregate amount equal to ninety million dollars (\$90,000,000), and *second*, among the Parties in accordance with their respective Sharing Percentages. All additional Taxes that are Restructuring Taxes and are due and payable as a result of an Audit shall be allocated among the Parties in accordance with their respective Sharing Percentages. Each Party shall be liable for any shall pay or cause to be paid to the applicable Taxing Authority all such Taxes so allocated to it.

(c) Third Party Indemnity Payments. Any benefit or liability resulting from any Tax sharing, contractual indemnity agreements or similar agreements, written or unwritten, as between any of the Parties or their respective Subsidiaries, on the one hand, and any other third party, on the other hand (other than the Distribution Agreement, this Agreement or any other Ancillary Agreement) ("Tax Sharing Agreements"), shall remain the benefit or liability of such Party or its respective Subsidiary; provided, however, that the Party responsible under this Agreement for any Taxes shall be responsible for any related liability in respect of such Taxes under any Tax Sharing Agreement, and be entitled to any related benefit in respect of such Taxes under any Tax Sharing Agreement. No Party shall be entitled to indemnification under this Agreement in respect of Taxes to the extent such Party or one of its Subsidiaries is indemnified under any Tax Sharing Agreement, and the Parties shall (and shall cause their Subsidiaries to) use commercially reasonable efforts to pursue any indemnification rights under any Tax Sharing Agreement if such indemnification would reduce the other Party's responsibility for such Taxes under this Agreement.

ARTICLE IX

COOPERATION AND EXCHANGE OF INFORMATION

Section 9.1 Cooperation and Exchange of Information. The Parties shall each cooperate fully (and each shall cause its respective Subsidiaries to cooperate fully) and in a timely manner (considering the other Party's normal internal processing or reporting requirements) with all reasonable requests in writing from another Party hereto, or from an agent,

representative, or advisor to such Party, in connection with the preparation and filing of Tax Returns, claims for refund, Audits, determinations of Tax Attributes and the calculation of Taxes or other amounts required to be paid hereunder, and any applicable financial reporting requirements of a Party or its Affiliates, in each case, related or attributable to or arising in connection with Taxes or Tax Attributes of any of the Parties or their respective Subsidiaries covered by this Agreement. Such cooperation shall include, without limitation:

(a) the retention until the expiration of the applicable statute of limitations or, if later, until the expiration of all relevant Tax Attributes (in each case taking into account all waivers and extensions), and the provision upon request, of Tax Returns of the Parties and their respective Subsidiaries for periods up to and including the Distribution Date, books, records (including information regarding ownership and Tax basis of property), documentation, and other information relating to such Tax Returns, including accompanying schedules, related work papers, and documents relating to rulings or other determinations by Taxing Authorities;

(b) the execution of any document that may be necessary or reasonably helpful in connection with any Audit of any of the Parties or their respective Subsidiaries, or the filing of a Tax Return or refund claim of the Parties or any of their respective Subsidiaries (including the signature of an officer of a Party or its Subsidiary);

(c) the use of the Party's reasonable efforts to obtain any documentation and provide additional facts, insights or views as requested by another Party that may be necessary or reasonably helpful in connection with any of the foregoing (including without limitation any information contained in Tax or other financial information databases); and

(d) the use of the Party's reasonable efforts to obtain any Tax Returns (including accompanying schedules, related work papers, and documents), documents, books, records, or other information that may be necessary or helpful in connection with any Tax Returns of any of the Parties or their Affiliates.

Each Party shall make its and its Subsidiaries' employees and facilities available on a reasonable and mutually convenient basis in connection with the foregoing matters. Except for costs and expenses otherwise allocated among the Parties pursuant to this Agreement, including costs incurred under Article II and Article VIII, no reimbursement shall be made for costs and expenses incurred by the Parties as a result of cooperating pursuant to this Section 9.1.

Section 9.2 Retention of Records. Subject to Section 9.1, if any of the Parties or their respective Subsidiaries intends to dispose of any documentation relating to the Taxes of the Parties or their respective Subsidiaries for which another Party to this Agreement may be responsible pursuant to the terms of this Agreement (including, without limitation, Tax Returns, books, records, documentation, and other information, accompanying schedules, related work papers, and documents relating to rulings or other determinations by Taxing Authorities), such Party shall or shall cause written notice to the other Parties describing the documentation to be destroyed or disposed of sixty (60) Business Days prior to taking such action. The other Parties may arrange to take delivery of the documentation described in the notice at their expense during the succeeding sixty (60) day period.

Section 9.3 Tax Opinions. The Parties shall reasonably cooperate (and cause the members of the relevant Group to reasonably cooperate) in obtaining any Unqualified Tax Opinion, Unqualified 355(e) Opinion or, in the case of PK, any “Unqualified 355(e) Opinion” or “Unqualified Device Opinion” each as defined in the Stockholders Agreement (including making reasonable representations required in connection with any such opinion), including by maintaining and making available to each other all records necessary in connection with such opinions and making employees available on a mutually convenient basis to provide additional information or explanation of any material provided hereunder.

ARTICLE X
ALLOCATION OF TAX ATTRIBUTES
AND OTHER TAX MATTERS

Section 10.1 Allocation of Tax Attributes. HLT shall in good faith advise each of PK and HGV in writing of the portion, if any, of any Tax Attributes, earnings and profits, or other consolidated, combined or unitary attribute that HLT determines shall be allocated or apportioned to each Group under applicable Law; provided, however, that such determination shall be made in a manner that is: (a) reasonably consistent with the past practices of the Parties; (b) in accordance with the rules prescribed by applicable Law, including the Code and the Treasury Regulations; and (c) consistent with the IRS Ruling, the Tax Representation Letters, and the Tax Opinions. HLT agrees to provide the other Parties with all of the information supporting the Tax Attribute and other determinations made by HLT pursuant to this Section 10.1. In the case of an Audit of Pre-Distribution Income Tax Returns that results in an increase in the earnings and profits allocated to PK, PK may be required to pay a “deficiency dividend,” in accordance with Section 860 of the Code, within ninety (90) days after the “determination,” as defined in Section 860 of the Code. To provide PK with sufficient notice so that PK can make arrangements to pay such a deficiency dividend within ninety (90) days after the determination, notwithstanding anything to the contrary in this Agreement, HLT agrees to keep PK informed of any Audit of Pre-Distribution Income Tax Returns that could result in an increase in the earnings and profits allocated to PK, and HLT agrees to notify PK of a determination with respect to such Audit within five (5) Business Days after such determination.

Section 10.2 Allocation of Tax Items. All determinations for purposes of this Agreement regarding the allocation of Income Tax items (other than Tax items arising on the Distribution Date but after the applicable Distribution that are outside the ordinary course of business) between the portion of a Straddle Tax Period that ends on the Distribution Date and the portion that begins the day after the Distribution Date shall be made based on a closing of the books method under the principles of Treasury Regulation 1.1502-76 (and any similar rule under U.S. state, local or non-U.S. Law) as determined by HLT on any HLT Combined Income Tax Return, unless in each case the Parties unanimously agree otherwise; provided, however, any Taxes in respect of actions taken outside the ordinary course of business on the date of an External Distribution but after such External Distribution shall be deemed to arise the day after such External Distribution. Any such allocation of Tax items shall initially be made by HLT. To the extent that HGV or PK disagrees with such determination, the dispute shall be resolved by an Big Four Accounting Firm mutually agreed upon by the Parties for a final binding resolution. For purposes of preparing any Income Tax Returns for the year of the Distributions that require

an allocation of Tax items between a Pre-Distribution Tax Period and a Post-Distribution Tax Period, Tax items shall be allocated based on a closing of the books method under Treasury Regulation 1.1502-76 (and any similar rule under U.S. state, local or non-U.S. Law) as determined by HLT on any HLT Combined Income Tax Return, unless the Parties unanimously agree otherwise. Except for the transactions contemplated in the Reorganization Slide Deck or any Implementing Agreement, HGV and PK shall not (and shall not permit any member of their respective Groups to) take any action outside the ordinary course of business on the date of an External Distribution but after such External Distribution.

ARTICLE XI

DEFAULTED AMOUNTS

Section 11.1 General. In the event that one or more Parties defaults on its obligation to pay Distribution Taxes for which it is liable pursuant to Article V to another Party, then each non-defaulting Party shall be required to fund a portion of such Distribution Taxes in accordance with the Sharing Percentages of the non-defaulting Parties; provided, however, that no payment obligation shall exist under this Section 11.1 with respect to Distribution Taxes that are attributable to the Fault for Distribution Purposes of one or more Parties; provided, further, that any payment of Distribution Taxes by a non-defaulting Party pursuant to this Section 11.1 shall in no way release the defaulting Party from its obligations to pay such Distribution Taxes and any non-defaulting Party may exercise any available legal remedies available against such defaulting Party; provided, further, that interest shall accrue on any such payment by a non-defaulting Party at a rate per annum equal to the then applicable LIBOR. In connection with the foregoing, it is expressly understood that any defaulting Party's rights to any amounts to be received by such defaulting Party hereunder may be used via a right of offset to satisfy, in whole or in part, the obligations of such defaulting Party to pay the Distribution Taxes that are borne by the non-defaulting Parties; such rights of offset shall be applied in favor of the non-defaulting Party or Parties in proportion to the additional amounts paid by any such non-defaulting Party or Parties.

ARTICLE XII

DISPUTE RESOLUTION

Section 12.1 Negotiation. In the event of a dispute arising out of or in connection with this Agreement (including its interpretation, performance or validity) (collectively, "Agreement Disputes"), the senior tax officers of the relevant Parties (or such other individuals designated thereby) shall negotiate for a maximum of 21 days (or a mutually-agreed extension) (such period of days, the "Negotiation Period") from the time of receipt by a Party of written notice of such Agreement Dispute. The relevant Parties shall not assert the defenses of statute of limitations and laches for any delays arising due to the procedures in Sections 12.1 or 12.2.

Section 12.2 Mediation. If the Parties have not timely resolved the Agreement Dispute under Section 12.1, the Parties agree to submit the Agreement Dispute to mediation no later than 10 days following the end of the Negotiation Period, with such mediation to be

conducted in accordance with the Mediation Procedure of the International Institute for Conflict Prevention and Resolution (“CPR”). The Parties to the Agreement Dispute agree to bear equally the CPR and mediator’s costs for same. The Parties agree to participate in good faith in the mediation for a maximum of 14 days (or a mutually agreed extension). If the Parties have not timely resolved the Agreement Dispute pursuant to this Section 12.2, either Party may then bring an action in accordance with Sections 13.15 and 13.16 herein.

Section 12.3 Confidentiality. All information and communications between the Parties relating to an Agreement Dispute and/or under the procedures in Sections 12.1 and 12.2 shall be considered “Confidential Information” for which the provisions of Section 8.6 of the Distribution Agreement shall apply herein, mutatis mutandis.

Section 12.4 Continuity of Performance. Unless otherwise agreed in writing, the Parties shall continue to perform under this Agreement during the course of dispute resolution under this Article XII with respect to all matters not subject thereto.

ARTICLE XIII MISCELLANEOUS

Except as otherwise contemplated by this Agreement or the Distribution Agreement, all covenants and agreements of the Parties contained in this Agreement shall survive the Distribution Date and remain in full force and effect in accordance with their applicable terms; provided, however, that all indemnification for Taxes shall survive until ninety (90) days following the expiration of the applicable statute of limitations (taking into account all extensions thereof), if any, of the Tax that gave rise to the indemnification; provided, further, that, in the event that notice for indemnification has been given within the applicable survival period, such indemnification shall survive until such time as such claim is finally resolved.

Section 13.5 Assignment. This Agreement may not be assigned without the express prior written consent of the other Parties, and any attempted assignment, without such consents, will be null and void; provided, however, that this Agreement shall be assignable in whole in connection with a merger or consolidation or the sale of all or substantially all the assets of a Party hereto so long as the resulting, surviving or transferee entity assumes all the obligations of the relevant Party hereto by operation of law or pursuant to an agreement in form and substance reasonably satisfactory to the other Parties to this Agreement.

Section 13.6 Successors and Assigns. The provisions of this Agreement and the obligations and rights hereunder shall be binding upon, inure to the benefit of and be enforceable by (and against) the Parties and their respective successors and permitted transferees and assigns.

Section 13.7 Termination and Amendment. This Agreement (including indemnification obligations hereunder) may be terminated, modified or amended and each Distribution may be amended, modified or abandoned at any time prior to the Effective Time by and in the sole discretion of HLT without the approval of PK or HGV or the stockholders of HLT. In the event of such termination, no Party shall have any liability of any kind to any other Party or any other Person. After the Effective Time, this Agreement may not be terminated except by an agreement in writing signed by a duly authorized representative of each of HLT, PK, and HGV.

Section 13.8 No Circumvention. The Parties agree not to directly or indirectly take any actions, act in concert with any Person who takes an action, or cause or allow any member of any such Party's Group to take any actions (including the failure to take a reasonable action) such that the resulting effect is to materially undermine the effectiveness of any of the provisions of this Agreement, the Distribution Agreement or any other Ancillary Agreement.

Section 13.9 Subsidiaries. Each of the Parties shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth herein to be performed by any Subsidiary of such Party or by any entity that becomes a Subsidiary of such Party on and after the Effective Time, to the extent such Subsidiary remains a Subsidiary of the applicable Party.

Section 13.10 Third Party Beneficiaries. Except as provided in Section 5.4 relating to each of the Blackstone Entities, this Agreement is solely for the benefit of the Parties and should not be deemed to confer upon third parties any remedy, claim, liability, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

Section 13.11 Title and Headings. Titles and headings to sections herein are inserted for the convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

Section 13.12 Schedules. The Schedules shall be construed with and as an integral part of this Agreement to the same extent as if the same had been set forth verbatim herein.

Section 13.13 Specific Performance. In the event of any actual or threatened default in, or breach of, any of the terms, conditions and provisions of this Agreement, the Party who is or is to be thereby aggrieved shall have the right to specific performance and injunctive or other equitable relief of its rights under this Agreement, in addition to any and all other rights and remedies at law or in equity, and all such rights and remedies shall be cumulative. The Parties agree that the remedies at law for any breach or threatened breach, including monetary damages, may be inadequate compensation for any loss and that the Parties may be irreparably harmed as a result. Accordingly, any defense in any action for specific performance that a remedy at law would be adequate is waived. Any requirements for the securing or posting of any bond with such remedy are waived by the Parties to this Agreement.

Section 13.14 Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware without reference to any choice-of-law or conflicts of law principles that would result in the application of the laws of a different jurisdiction.

Section 13.15 Consent to Jurisdiction. Each Party irrevocably submits to the exclusive jurisdiction of (a) the Court of Chancery of the State of Delaware or (b) if such court does not have subject matter jurisdiction, any other state or federal court located within the County of New Castle in the State of Delaware, to resolve any Agreement Dispute that is not resolved pursuant to Sections 12.1 or 12.2. Any judgment of such court may be enforced by any court of competent jurisdiction. Further, notwithstanding Sections 12.1 and 12.2, either Party may apply to the above courts set forth in Section 13.15(a) and 13.15(b) above for a temporary restraining order or similar emergency relief during the process set forth in Sections 12.1 and

12.2. Each of the Parties agrees that service by U.S. registered mail to such Party's respective address set forth above shall be effective service of process for any of the above Actions and irrevocably and unconditionally waives any objection to the laying of venue of any Action in accordance with this Section 13.15. Nothing in this Section 13.15 shall limit or restrict the Parties from agreeing to arbitrate any Agreement Dispute pursuant to mutually-agreed procedures.

Section 13.16 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, INCLUDING ANY AGREEMENT DISPUTE.

Section 13.17 Force Majeure. No Party (or any Person acting on its behalf) shall have any liability or responsibility for failure to fulfill any obligation (other than a payment obligation) under this Agreement so long as and to the extent to which the fulfillment of such obligation is prevented, frustrated, hindered, or delayed as a consequence of circumstances of Force Majeure (as defined in the Distribution Agreement). A Party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event: (a) notify the other applicable Parties of the nature and extent of any such Force Majeure condition and (b) use due diligence to remove any such causes and resume performance under this Agreement as soon as feasible.

Section 13.18 Interpretation. The Parties have participated jointly in the negotiation and drafting of this Agreement. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

Section 13.19 Changes in Law.

(a) Any reference to a provision of the Code, Treasury Regulations, or a Law of another jurisdiction shall include a reference to any applicable successor provision or Law.

(b) If, due to any change in applicable Law or regulations or their interpretation by any court of Law or other governing body having jurisdiction subsequent to the date hereof, performance of any provision of this Agreement or any transaction contemplated hereby shall become impracticable or impossible, the Parties hereto shall use their commercially reasonable best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such provision.

Section 13.20 Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 13.21 Tax Sharing Agreements. All Tax sharing, indemnification and similar agreements, written or unwritten, as between any of the Parties or their respective Subsidiaries, on the one hand, and any other Party or its respective Subsidiaries, on the other hand (other than this Agreement, any other Ancillary Agreement or any agreement solely between any of HLT, OpCo and/or any of their Subsidiaries), shall be or shall have been terminated as of the Distribution Date and, after the Distribution Date, none of such Parties (or their Subsidiaries) to any such Tax sharing, indemnification or similar agreement shall have any further rights or obligations under any such agreement.

Section 13.22 Exclusivity. Except as specifically set forth herein or in the Distribution Agreement or any other Ancillary Agreement, all matters related to Taxes or Tax Returns of the Parties and their respective Subsidiaries shall be governed exclusively by this Agreement. In the event of a conflict between this Agreement, the Distribution Agreement or any Ancillary Agreement with respect to such matters, this Agreement shall govern and control.

Section 13.23 No Waiver. No failure to exercise and no delay in exercising, on the part of any Party, any right, remedy, power or privilege hereunder shall operate as a waiver hereof or thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No waiver shall be effective unless it is in writing and is signed by the Party asserted to have granted such waiver.

Section 13.24 No Duplication; No Double Recovery. Nothing in this Agreement is intended to confer to or impose upon any Party a duplicative right, entitlement, obligation, or recovery with respect to any matter arising out of the same facts and circumstances.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed the day and year first above written.

Schedule 2.3

1. HLT is the Paying Party of amounts shown on Non-Income Tax Returns with respect to HLT Retained Assets (determined on a “with and without” basis, as determined by HLT in its good faith discretion).
2. PK is the Paying Party of amounts shown on Non-Income Tax Returns with respect to Ownership Assets (determined on a “with and without” basis, as determined by HLT in its good faith discretion).
3. HGV is the Paying Party of amounts shown on Non-Income Tax Returns with respect to Timeshare Assets (determined on a “with and without” basis, as determined by HLT in its good faith discretion).

Schedule 8.3(b)

- The IRS has asserted that certain foreign currency denominated intercompany loans, from HLT's foreign subsidiaries to certain U.S. subsidiaries, should be recharacterized as equity for U.S. federal income tax purposes and should constitute deemed dividends from such foreign subsidiaries to the U.S. subsidiaries as described in Note 12 of HLT's financial statements included in its Form 10Q filing for the quarterly period ending September 30, 2016.
- In calculating the amount of U.S. taxable income resulting from the Hilton HHonors guest loyalty program, the IRS has taken a position that Hilton HHonors Worldwide, L.L.C. should not reduce gross income by the estimated costs of future redemptions, but rather such costs would be deductible only at the time the points are redeemed as described in Note 12 of HLT's financial statements included in its Form 10Q filing for the quarterly period ending September 30, 2016.
- The IRS has asserted that foreign currency denominated loans entered into by one of HLT's Luxembourg subsidiaries whose functional currency is the U.S. Dollar, should instead be treated as entered into by one of HLT's Belgian subsidiaries whose functional currency is the Euro, and thus foreign currency gains and losses with respect to such loans should have been measured in Euros, instead of the U.S. Dollar as described in Note 12 of HLT's financial statements included in its Form 10Q filing for the quarterly period ending September 30, 2016.
- In the fourth quarter of 2015, certain of HLT's U.S. subsidiary corporations were converted to limited liability companies and certain of HLT's subsidiary controlled foreign corporations elected to be disregarded for U.S. federal income tax purposes. These transactions were treated as tax-free liquidations for federal tax purposes.
