Each milestone fee shall be deemed earned as of the achievement of the related milestone event and, except for (a) and (b), shall be paid by ZenRx within sixty (60) days after the achievement of each milestone event. Upon Regulatory Approval of either Oraxol or Oratecan in Australia and listing on the Pharmaceutical Benefits Scheme, ZenRx will be deemed to have achieved all earlier milestones with respect to the applicable Licensed Product, and any payment for earlier milestones applicable to such Licensed Product shall be due and payable to the extent they have not already been paid.

To provide incentive to ZenRx to achieve the milestone events set forth above, Kinex shall pay the following incentives ("Milestone Incentives") to ZenRx if Licensed Product is approved by the Regulatory Authority of New Zealand(including provisional approval) prior to Regulatory Approval in the United States or South Korea and on or before the dates set forth below:

Kinex shall be entitled to withhold from the cash portion of the Milestone Incentives or Free Sell Incentive all amounts necessary to make all US withholding payments required with respect to the Milestone Incentives or Free Sell Incentive.

ZenRx and Kinex agree to comply with all US securities laws in connection with the issuance of the Equity Payment. ZenRx understands that any securities included in the Equity Payment may be restricted securities under US securities laws and regulations unless registered under US securities law, and it may be required to retain ownership of such securities until such securities have been registered with the SEC or an exemption from such registration is available. ZenRx is familiar with Regulation S and Rule 144 promulgated under the US Securities Act of 1933, as amended, and conditions on resale imposed thereby. ZenRx agrees to comply with all US securities laws in connection with the resale of any securities received as part of the Equity Payment, and Kinex will cooperate and assist ZenRx in connection with any such resale.

Kinex's obligation to pay the Equity Payment and issue the Kinex Stock shall be contingent upon ZenRx (1) executing such agreements, documents, forms, representations and restrictive covenants as may be required by (i) the Kinex governing documents, (ii) the SEC or comparable national securities agency, and (iii) the applicable taxing authorities ("Equity Documentation"). ZenRx shall have 12 months from the date of the applicable milestone event to complete the Equity Documentation. #### 4.2 Royalties.

(a) During each Calendar Quarter that royalties are due and payable to Kinex, ZenRx shall, pursuant to Section 4.3(a), pay to Kinex a royalty on annual (Calendar Year) aggregate Net Sales of Licensed Product by ZenRx and its Affiliates and sublicensees based upon the following tiered royalty rates (annual Net Sales is the aggregated total of all Net Sales in the Territory) ("Royalties") as follows:

- |       |   |       |
|-------|---|-------|
| (i)   | For the first AU\$20M of Calendar Year Net Sales                                      | ***0% |
| (ii)  | For Calendar Year Net Sales of greater than AU\$20M but equal to or less than AU\$40M | ***0% |
| (iii) | For Calendar Year Net Sales greater than AU\$40M                                      | ***0% |

(b) The royalty rate set forth above shall be reduced by forty percent (40%) for a Licensed Product sold in any country in the Territory in which Generic Competition exists for such Licensed Product; provided, however, that if Substantial Level Generic Competition exists for such Licensed Product in a country, no further Royalties shall be payable by ZenRx to Kinex with respect to such Licensed Product in the subject country. Market share for the purposes of determining Generic Competition or Substantial Level Generic Competition shall be established based on information provided by IMS Healthcare Incorporated or other recognized provider of market information to the healthcare industry acceptable to both ZenRx and Kinex. ZenRx shall pay of the cost of any such determination of market share.

(c) If ZenRx does not manufacture the Licensed Product in the Territory and the cost for such Licensed Product as invoiced to ZenRx by the manufacturer (excluding shipping costs, taxes and insurance) exceeds 15% of the formulary price for the Licensed Product as published by the Pharmaceutical Benefits Scheme of Australia or exceeds 10% of the formulary price for the Licensed Product as published by the New Zealand Medicines Formulary, the parties agree to meet and negotiate, in good faith, a reduction in the royalties payable to Kinex under this Section 4.2 of this Agreement.

Any conversion to United States Dollars shall be calculated in accordance with Section 4.4(c). In the event of any royalty reduction during any Calendar Quarter due to Generic Competition in any country in the Territory, the report for such Calendar Quarter shall also show the basis for the determination of such Generic Competition. Royalties shown to have accrued by each report shall be due and payable on the date such report is due.

(b) Following the expiration of all Royalties payable to Kinex on any Licensed Product in a country, ZenRx shall continue to furnish Kinex a written report on a country-by-country basis for the next four Calendar Quarters following expiration of all royalties and payments with respect to such Licensed Product, and shall state the basis for Net Sales then being free of royalty obligations hereunder. ZenRx shall thereafter have no further obligation to include in a report the Net Sales of such Licensed Product in such country for purposes of the royalty calculation for any Calendar Quarter. This obligation shall survive the termination or expiration of this Agreement in any country.

(c) Each Party shall keep and shall require its Affiliates and sublicensees to keep complete and accurate records in sufficient detail to permit accurate determination of all amounts necessary for calculation and verification of all payment obligations set forth in this Article 4 for a period of 36 months from the end of the relevant Calendar Quarter.

other proceedings and to furnish ZenRx, per its request, with copies of office actions received by Kinex from any Regulatory Authority within the Territory concerning Kinex Patent Rights. Kinex shall also have the first right to file, prosecute and maintain all Jointly Owned Intellectual Property in all countries outside the Territory. ZenRx may request that Kinex make additional patent application filings within the Territory for the Kinex Intellectual Property. If Kinex elects not to make such filings within a period of thirty (30) days from the date of such request, ZenRx shall have the right to make the filing and prosecute the application in the name of and as agent for Kinex. In such event, ZenRx shall be responsible for the payment of all costs and fees relating to patent filing, prosecution and maintenance.

(b) ZenRx Patent Rights. ZenRx shall have the sole right to file, prosecute and maintain the ZenRx Patent Rights in ZenRx's name, by retaining patent counsel selected by ZenRx and shall be responsible for the payment of all costs and fees relating to patent prosecution and maintenance. ZenRx agrees to keep Kinex informed of the course of patent prosecution, application or other proceedings and to furnish Kinex, per its request, with copies of office actions received by ZenRx from any Regulatory Authority outside the Territory concerning ZenRx Patent Rights. ZenRx shall also have the first right to file, prosecute and maintain all Jointly Owned Intellectual Property in all countries in the Territory. ZenRx hereby grants a right of first refusal to Kinex for any ZenRx Patent Rights for which ZenRx intends to grant any right or license outside the Territory. ZenRx shall provide Kinex with written notice of the terms on which ZenRx proposes to license such ZenRx Patent Rights outside the Territory, and Kinex shall have ninety (90) days from the date of receipt of such written notice to send a written reply to ZenRx indicating its desire to license such ZenRx Patent Rights on the terms contained in ZenRx's written notice. If Kinex does not respond within the ninety (90) days, ZenRx shall be free to license such ZenRx Patent Rights to third parties outside the Territory on the terms and conditions contained in the written notice sent to Kinex.

(c) The responsible Party under this Section 6.2 shall solicit the other Party's review of the nature and text of any patent applications within the Territory and important prosecution matters related thereto in reasonably sufficient time prior to the filing thereof, and the responsible Party shall take into account the other Party's reasonable comments related thereto. Each Party shall execute all documents and take all actions as are reasonably requested by the other Party with respect to any filings and registrations.

### 6.3 Third Party Infringement.

(a) Each Party shall promptly give the other Party notice of any actual or suspected infringement by a Third Party in the Territory of any patent included in the Kinex Patent Rights relating to the Licensed Products or Jointly Owned Intellectual Property (collectively, the "Parties' Patent Rights"), which comes to such Party's attention. In addition, ZenRx shall give Kinex notice of any actual or suspected infringement which comes to its attention by a Third Party outside the Territory of any patent included in the Kinex Patent Rights relating to the Licensed Products or the Jointly Owned Intellectual Property. The Parties shall thereafter consult and cooperate to determine a course of action, including the commencement of legal action.

(b) Kinex shall have the first right to initiate and prosecute such legal action in the Territory at its own expense and in the name of Kinex and/or ZenRx, or to control the defense of any declaratory judgment action in the Territory relating to the Parties' Patent Rights, and Kinex shall provide ZenRx with reasonable notice of any such action it commences and keep ZenRx reasonably informed of any significant developments in such action. ZenRx shall render all assistance reasonably requested in connection with any action taken by Kinex or to prevent such infringement. Any costs incurred by ZenRx shall be reimbursed by Kinex if approved in advance in writing. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall be under the control of Kinex; provided that Kinex shall not settle any such claim or proceeding in a manner that adversely affects ZenRx's rights under this Agreement or which results in any monetary payment by or financial loss to ZenRx, without ZenRx's prior written consent, which consent shall not be unreasonably withheld.

\*\*\* = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

---

(c) If Kinex elects not to initiate and prosecute an infringement or defend a declaratory judgment action in any country in the Territory as provided in Section 6.3(b) within sixty (60) days after having become aware of such potential infringement, then ZenRx may elect, which election shall be subject to the prior written consent of Kinex to take such action that is reasonably necessary and appropriate to terminate or prevent such infringement, including instituting an infringement proceeding, provided, however, that ZenRx shall not enter into any settlement or compromise of any claim relating to the Parties' Patent Rights licensed hereunder or which results in any material monetary payment by or financial loss to Kinex, without Kinex's prior written consent, which consent shall not be unreasonably withheld.

(d) Kinex shall have the sole right to initiate and prosecute any legal action outside the Territory with respect to the Kinex Patent Rights relating to the Licensed Products, or the Jointly Owned Intellectual Property at its own expense and in the name of Kinex and/or ZenRx, or to control the defense of any declaratory judgment action outside the Territory relating to such Patent Rights. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of Kinex.

(e) For any legal action or defense contemplated by this Section 6.3, in the event that any Party is unable to initiate, prosecute, or defend such action solely in its own name, the other Party will join such action voluntarily and will execute all documents necessary for the Party to prosecute, defend and maintain such action. In connection with any such action, the Parties will cooperate fully and will provide each other with any information or assistance that either reasonably may request. Any recovery or award obtained by either Party as a result of any such action or settlement shall be shared as follows:

- (i) the Party that initiated and prosecuted, or maintained the defense of, the action shall recoup all of its costs and expenses (including reasonable attorneys' fees) incurred in connection with the action, whether the recovery is by settlement or otherwise;
- (ii) the other Party then shall, to the extent possible, recover its reasonably documented costs and expenses (including reasonable outside attorneys' fees) incurred in connection with the action; and
- (iii) regardless of the Party initiating the action, each Party shall be entitled to fifty percent (50%) of the remaining recovery amount attributable to the Territory.

#### 6.4 Third Party Intellectual Property.

(a) In the event that a Party becomes aware of any claim that the practice by either Party of Know-How or Patent Rights or manufacture, import, use or sale of any Licensed Product hereunder infringes the intellectual property rights of any Third Party in the Territory, such Party shall promptly notify the other Party. The Parties shall thereafter discuss the situation, and to the extent reasonably necessary, attempt to agree on a course of action.

(b) If within ten (10) Business Days the Parties fail to agree upon an appropriate course of action in the Territory, ZenRx shall have the first right, but not the obligation, to defend any action in the Territory related to the intellectual property rights of any Third Party or to initiate and prosecute legal action in the Territory related to the intellectual property rights of any Third Party in the name of ZenRx and/or Kinex. ZenRx shall keep Kinex reasonably informed as to the progress of any such action. Kinex shall render, all assistance reasonably requested in connection with any action taken by ZenRx. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of ZenRx; provided that ZenRx shall not settle any such claim or proceeding in a manner that materially adversely affects Kinex's rights under this

Agreement or which results in any material monetary payment by or financial loss to Kinex, without Kinex's written consent, which consent shall not be unreasonably withheld. Kinex shall pay for all costs and expenses incurred by ZenRx in such defense. In addition, Kinex shall pay all damages awarded or settlement payments made (including future royalty or similar payments) to such Third Party.

(c) If ZenRx elects not to defend an infringement action in any country in the Territory as provided in Section 6.4(b), and Kinex elects to do so, the cost of any agreed-upon course of action, including the costs of any legal action commenced or any infringement action defended, shall be borne solely by Kinex, provided, however, that Kinex shall not enter into any settlement or compromise of any claim which results in any financial loss to ZenRx without the prior written consent of ZenRx, which consent shall not be unreasonably withheld, and Kinex shall pay all damages awarded or settlement payments made (including future royalty or similar payments) to such Third Party. For any such legal action or defense, in the event that any Party is unable to initiate, prosecute, or defend such action solely in its own name, the other Party will join such action voluntarily and will execute all documents necessary for the Party to prosecute, defend and maintain such action. In connection with any such action, the Parties will cooperate fully and will provide each other with any information or assistance that either reasonably may request and all costs incurred in relation to such action shall be borne solely by Kinex.

(d) Kinex shall have the sole right, but not the obligation to defend any action related to the intellectual property rights outside the Territory of any Third Party or to initiate and prosecute legal action outside the Territory related to the intellectual property rights of any Third Party in the name of ZenRx and/or Kinex. ZenRx shall render, at Kinex's expense, all assistance reasonably requested in connection with any action taken by Kinex. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of Kinex.

(e) If ZenRx has reasonable grounds to believe that the marketing or sale of any Licensed Product hereunder infringes the intellectual property rights of any Third Party in the Territory,

ZenRx may refrain from any further marketing or sale of the Licensed Product which is the basis of such reasonable belief. ZenRx shall notify Kinex of its intent prior to the discontinuation of any such marketing or sale efforts. If ZenRx fails to commence marketing the Licensed Product within a period of one year after termination of its marketing efforts, ZenRx shall have materially defaulted in the performance of a material obligations hereunder and this Agreement shall be subject to termination by Kinex under Section 8.2(c) unless such failure to commence marketing is (i) pursuant to an effective order of a Regulatory Authority or court of competent jurisdiction or (ii) by mutual agreement of the Parties.

6.5 Patent Term Extensions. The Parties shall cooperate with each other in obtaining patent term extensions or restorations or supplemental protection certificates or their equivalents in any country in the Territory where applicable and where desired by ZenRx. Elections with respect to obtaining such extension or supplemental protection certificates shall be made in the same manner and with the same relative priorities between the Parties as is applicable to the prosecution and maintenance of Patent Rights pursuant to Section 6.2.

6.6 Patent Marking. ZenRx shall mark, and shall require its Affiliates and sublicensees to mark, all Licensed Products sold or distributed pursuant to this Agreement in accordance with the applicable patent statutes or regulations in the country or countries of manufacture and/or sale thereof.

ARTICLE 7

CONFIDENTIALITY AND PUBLICITY

7.1 Non-Disclosure and Non-Use Obligations. All Proprietary Information disclosed by one Party to the other Party hereunder shall be maintained in confidence and shall not be disclosed to any Third Party or used for any purpose except as expressly permitted herein without the prior written consent of the Party that disclosed the Proprietary Information to the other Party during the term of this Agreement and for a period often (10) years thereafter. The foregoing non-disclosure and non-use obligations shall not apply to the extent that such Proprietary Information:

- (a) is known by the receiving Party at the time of its receipt, and not through a prior disclosure by the disclosing Party, as documented by records;
- (b) is or becomes properly in the public domain or knowledge without breach by either Party;
- (c) is subsequently disclosed to a receiving Party by a Third Party who may lawfully do so and is not under an obligation of confidentiality to the disclosing Party; or
- (d) is developed by the receiving Party independently of Proprietary Information received from the disclosing Party, as documented by contemporary written records.

7.2 Permitted Disclosure of Proprietary Information. Notwithstanding Section 7.1, a Party receiving Proprietary Information of another Party may disclose such Proprietary Information:

- (a) to governmental or other regulatory agencies in order to obtain patents pursuant to this Agreement, or to gain approval to conduct Clinical Studies or to market Licensed Product, but such disclosure may be only to the extent reasonably necessary to obtain such patents or authorizations and in accordance with the terms of this Agreement or as otherwise requested by the Regulatory Authorities;
- (b) by either Party to its agents, consultants, shareholders, sublicensees or Affiliates on the condition that such entities agree to be bound by confidentiality obligations consistent with this Agreement; or
- (c) if required to be disclosed by law or court order, provided that notice is promptly delivered to the non-disclosing Party in order to provide an opportunity to challenge or limit the disclosure obligations.

---

(d) Certain Disclosures. Except as set forth in this Agreement or as required by law, neither Party shall make any press release or other public announcement or other public disclosure to a Third Party concerning the existence of or terms of this Agreement, the subject matter of this Agreement or the activities contemplated hereunder, without the prior written consent of the other Party, which consent shall include agreement upon the nature and text of such release, announcement or other disclosure and shall not be unreasonably withheld or delayed. Each Party agrees to provide to the other Party a copy of any such press release or other public announcement or disclosure as soon as reasonably practicable under the circumstances prior to its scheduled release. Each Party shall have the right to expeditiously (but in any event within forty-eight (48) hours) review and recommend changes to any such press release or other public announcement or disclosure; provided, however, that such right of review and recommendation shall only apply for the first time that specific information is to be disclosed, and shall not apply to the subsequent disclosure of substantially similar information that has previously been disclosed unless there have been material developments relating to Licensed Product since the date of the previous disclosure; provided, further, that each Party shall provide to the other Party reasonable advance notice of any such subsequent disclosure. Without limiting the generality of any of the foregoing, it is understood that the Parties or their Affiliates may make disclosure of this Agreement and the terms hereof in accordance with the rules and regulations of the SEC, other governmental authority, or securities exchange and may use this Agreement as an exhibit to any filing with the SEC, other governmental authority, or securities exchange, and may distribute any such filing in the ordinary course of its business, provided, further, that to the maximum extent allowable by the rules and regulations of the SEC, other governmental authority, or securities exchange, and except as required by applicable Laws, Kinex and ZenRx shall seek to redact any confidential information set forth in such filings, and each Party shall provide a draft of the redacted version of this Agreement to the other Party no less than five (5) Business Days prior to filing with the SEC, other governmental authority, or securities exchange, and give reasonable consideration to the other Party's comments regarding any proposed redaction.

7.3 Publications. ZenRx shall not submit for written or oral publication any manuscript, abstract or the like relating to the Compound or Licensed Products, without the prior approval or written request of Kinex. If ZenRx desires to submit such publication, it shall first deliver to Kinex, for Kinex's prior written consent, the proposed publication or an outline of the oral disclosure at least sixty (60) days prior to planned submission or presentation.

7.4 Publicity. Except as otherwise provided in this Agreement or required by law or regulation, no Party will originate any news release or other public announcement, written or oral, whether in the public press, stockholders' reports or otherwise, relating to this Agreement or to any sublicense under this Agreement, or to the performance under this Agreement or under any sublicense under this Agreement, without the prior written approval of the other Party, which approval will not be unreasonably withheld or delayed; provided that the foregoing shall not restrict disclosures made in connection with any filing of information or materials with a stock exchange or the U.S. Securities and Exchange Commission or any stockholders' letter to private investors.

## ARTICLE 8

### TERM AND TERMINATION

8.1 Term and Expiration. This Agreement shall be binding on the Parties as of the Effective Date. Thereafter, unless terminated earlier pursuant to Section 8.2 below, this Agreement shall extend for a period which may expire on a country by country basis upon the earliest to occur of either (i) the expiration of the Kinex Patent Rights or (ii) invalidation of the Kinex Patent Rights (the "Agreement Term"). Notwithstanding the foregoing, after the occurrence of (i) or (ii) above, the Agreement Term shall automatically be extended for consecutive one (1) year periods subject to the same terms and conditions set forth herein (unless agreed otherwise) unless either Party gives written notice of its intention not to extend the Agreement Term: (i) at least ninety (90) days prior to the expiration date of the Kinex Patent Rights; or (ii) as soon as practically possible in the case of an invalidation claim; and (iii) thereafter, at least ninety (90) days prior to the then current annual expiration date of the Agreement.

## 8.2 Early Termination of Agreement Term.

(a) This Agreement may be terminated upon mutual agreement of the Parties.

(b) Termination by ZenRx.

ZenRx may terminate this Agreement in its sole discretion upon not less than three (3) months prior written notice of termination provided any time after the Effective Date (provided, however, that no such termination shall be effective until the completion of any then Ongoing Clinical Studies). In addition, if any milestone event is met ZenRx prior to the termination date, ZenRx will also be responsible for the milestone payment.

(c) Termination by Either Party.

Either Party may, without prejudice to any other remedies available to it under this Agreement or at law or in equity, terminate this Agreement prior to expiration of the Agreement Term in the event that the other Party (as used in this subsection, the “Breaching Party”) shall have materially breached or defaulted in the performance of any of its material obligations hereunder, and has not cured such breach within (i) thirty (30) days after notice of such breach is provided to the Breaching Party in case the breach is a non-payment of any amount due under this Agreement that is not being disputed in good faith (which shall be deemed a material breach of a material obligation) and (ii) sixty (60) days after notice of such breach is provided to the Breaching Party for other cases of breach (or, if such default cannot be cured within such 60-day period, if the Breaching Party does not commence and diligently continue actions to cure such default during such 60-day period). The termination shall become effective at the end of the (i) 30-day period in case the breach is a non-payment of any amount due under this Agreement that is not being disputed in good faith if the Breaching Party has not cured such breach by such date, or (ii) for

---

other cases of breach, 60-day period unless (a) the Breaching Party cures such breach during such 60-day period, or (b) if such breach is not susceptible to cure within such 60-day period, the Breaching Party has commenced and is diligently pursuing a cure (unless such breach, by its nature, is incurable, in which case the Agreement may not be terminated unless the Breaching Party fails to use its best commercially reasonable efforts to prevent a similar subsequent breach). The right of either Kinex or ZenRx to terminate this Agreement as provided in this Section 8.2(c) shall not be affected in any way by such Party's waiver or failure to take action with respect to any previous breach or default.

### 8.3 Effect of Expiration or Termination; Survival.

(a) Expiration or termination of this Agreement shall not relieve the Parties of any obligation accruing prior to such expiration or termination, including all accrued payment obligations arising under Article 4 hereof. In addition to any other provisions of this Agreement which by their terms continue after the expiration of this Agreement, the provisions of Article 3.2(f), 4.2(b), 7 and 9 shall survive the expiration or termination of this Agreement and shall continue in effect after the date of expiration or termination for the longer of (i) five (5) years after the last sale of Licensed Product in the Territory, or (ii) the respective periods specified therein. In addition, any other provisions required interpreting and enforcing the Parties' rights and obligations under this Agreement shall also survive, but only to the extent required for the full observation and performance of this Agreement. Any expiration or early termination of this Agreement shall be without prejudice to the rights of any Party against the other accrued or accruing under this Agreement prior to termination. Except as expressly set forth herein, the rights to terminate as set forth herein shall be in addition to all other rights and remedies available under this Agreement, at law, or in equity, or otherwise.

(b) Payments of amounts owing to Kinex under this Agreement as of its expiration or termination shall be due and payable either (i) to the extent such amounts can be calculated and a fixed sum determined at the time of expiration or termination of this Agreement, thirty (30) days after the date

\*\*\* = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

---

of such expiration or termination, or (ii) to the extent such amounts cannot be calculated and a fixed sum determined at the time of expiration or termination of this Agreement, thirty (30) days after the date at which such amounts can be calculated and a fixed sum determined.

(c) Subject to the payment of all amounts required hereunder, ZenRx and its Affiliates shall have the right to sell or otherwise dispose of the stock of any Licensed Product subject to this Agreement on hand or in process of manufacture as of the expiration or termination of this Agreement. Within thirty (30) days after the effective date of termination or expiration of this Agreement, ZenRx shall notify Kinex of the amount of Licensed Product ZenRx, its Affiliates and sublicensees then have on hand or in the process of manufacture and shall have the right to sell in the Territory (except with respect to any country in the Territory in which Licensed Product has been withdrawn or there is no Regulatory Approval), its remaining stock of Licensed Product for a period ending upon the earlier of: (i) ZenRx's, its Affiliates' and sublicensees' sale of all such remaining Licensed Product, or (ii) six (6) months after such termination or expiration, and terms and conditions of this Agreement shall apply to such Licensed Product so sold. Kinex hereby grants a non-exclusive license under the Kinex Intellectual Property to ZenRx solely to sell such Licensed Product in the Territory, subject to payment of all related amounts due under this Agreement. Any remaining quantities of Licensed Product not sold during this period shall, at Kinex's election, either be destroyed by ZenRx at ZenRx's cost or sold to Kinex at ZenRx's procurement cost for such Licensed Product.

(d) Upon the termination or expiration of this Agreement, the following shall also be applicable: (i) at Kinex's request, ZenRx shall promptly transfer and return to Kinex copies of all Data, reports, records and materials in ZenRx's possession or control that relate to Compound or Licensed Products and return to Kinex all relevant records and materials in ZenRx's possession or control containing Proprietary Information of Kinex (provided that ZenRx may keep one copy of such Proprietary Information of Kinex for archival purposes only); (ii) Kinex has the first right of purchase (at cost) of all

right, title and interest in and Control over all Intellectual Property owned and Controlled of ZenRx and arising from inventions during the Agreement Term as described in Section 6.1(a) (ii) of this Agreement, (iii) Kinex has the first right of purchase (at cost) of any and all INDs, Regulatory Approvals, Drug Approval Applications and any other regulatory filings or submissions made or filed for Licensed Product by ZenRx or its designees; and (iv) Kinex shall promptly return to ZenRx all relevant records and materials in Kinex's possession or control containing Proprietary Information of ZenRx (provided that Kinex may keep one copy of such Proprietary Information of ZenRx for archival purposes only).

## ARTICLE 9

### INDEMNIFICATION AND INSURANCE

9.1 Indemnity. For purposes of this Article 9, "Kinex Indemnified Parties" refers to Kinex, its Affiliates and the officers, directors, employees, shareholders, agents and successors and assigns of Kinex and its Affiliates, and "ZenRx Indemnified Parties" refers to ZenRx, its Affiliates and officers, directors, employees, shareholders, agents and successors and assigns of ZenRx and its Affiliates.

9.2 ZenRx Indemnification. ZenRx shall defend the Kinex Indemnified Parties from and against all Third Party suits, claims, actions, demands, complaints, lawsuits or other proceedings (collectively, "Claims") and shall indemnify and hold harmless to the fullest extent permitted by law the Kinex Indemnified Parties from and against any and all Losses, if such Claims or Losses arise out of or are attributable to, (i) ZenRx's negligence, recklessness or willful misconduct in exercising or performing any of its rights or obligations under this Agreement; or (ii) a material breach by ZenRx of any of its obligations, representations, warranties or covenants under this Agreement; provided, however, that ZenRx shall not be obligated under this Section 9.2, to the extent it is shown by evidence acceptable in a court of law having jurisdiction over the subject matter and meeting the appropriate degree of proof for such Claim that the Claim arose out of the negligence or wrongdoing on the part of Kinex.

\*\*\* = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

---

9.3 Kinex Indemnification. Kinex shall defend the ZenRx Indemnified Parties from and against all Claims and shall indemnify and hold harmless to the fullest extent permitted by law the ZenRx Indemnified Parties from and against any and all Losses in the Territory, if such Claims or Losses arise solely out of, (i) Kinex's negligence, recklessness or willful misconduct in exercising or performing any of its rights or obligations under this Agreement; or (ii) a material breach by Kinex of any of its obligations, representations, warranties or covenants under this Agreement; provided, however, that Kinex shall not be obligated under this Section 9.3, to the extent it is shown by evidence acceptable in a court of law having jurisdiction over the subject matter and meeting the appropriate degree of proof for such Claim that the Claim arose out of the negligence or wrongdoing on the part of ZenRx.

9.4 Indemnification Procedure.

(a) Each Party shall promptly notify the other Party in writing of any Claim. Concurrent with the provision of notice pursuant to this Section 9.4(a), the Indemnified Party shall provide to the other Party copies of any complaint, summons, subpoena or other court filings or correspondence related to such Claim and will give such other information with respect thereto as the other Party shall reasonably request. The Indemnifying Party and Indemnified Party shall meet to discuss how to respond to such Claim. Failure to provide prompt notice shall not relieve any Party of the duty to defend or indemnify unless such failure materially prejudices the defense of any matter. Each Party agrees that it will take reasonable steps to minimize the burdens of the litigation on witnesses and on the ongoing business of the Indemnified Parties including making reasonable accommodations to witnesses' schedules when possible and seeking appropriate protective orders limiting the duration and/or location of depositions.

(b) Should either Party dispute that any Claim or portion of a Claim ("Disputed Claim") of which it receives notice pursuant to Section 9.4(a), is an indemnified Claim, it shall so notify the other Party providing written notice in sufficient time to permit such other Party to retain counsel and

---

timely appear, answer and/or move in any such action. In such event, such other Party shall defend against such Claim; provided, however, that such other Party shall not settle any Claim which it contends is an indemnified Claim without providing the Indemnifying Party ten (10) Business Days' notice prior to any such settlement and an opportunity to assume the defense and indemnification of such Claim pursuant to this Agreement. If it is determined that a Disputed Claim is subject to indemnification, the Indemnifying Party will reimburse the costs and expenses, including reasonable attorneys' fees, of the Indemnified Party.

9.5 Settlement of Indemnified Claims. The Indemnifying Party under Sections 9.2 or 9.3, as applicable, shall have the sole authority to settle any Indemnified Claim without the consent of the other Party, provided, however, that an Indemnifying Party shall not, without the written consent of the other Party, as part of any settlement or compromise (i) admit to liability on the part of the other Party; (ii) agree to an injunction against the other Party; or (iii) settle any matter in a manner that separately apportions fault to the other Party. The Parties further agree that as part of the settlement of any Indemnified Claim, an Indemnifying Party shall obtain a full, complete and unconditional release from the claimant on behalf of the Indemnified Parties.

9.6 Insurance.

(a) Kinex shall obtain and shall maintain, at its cost, commencing as of the Effective Date, commercial general liability insurance (including coverage for No Fault Insurance for Clinical Trials, product liability, contractual liability, bodily injury, property damage and personal injury) on behalf, and insuring the activities, of both Kinex and ZenRx relating to this Agreement with minimum limits of \$5,000,000 per occurrence or, in case of Clinical Studies, \$5,000,000 per occurrence during the period when such Clinical Studies are being conducted (the "Insurance").

\*\*\* = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

---

(b) Such Insurance shall insure against all liability arising out of the manufacture, use, sale, distribution, or marketing of Licensed Product in and for the Territory.

(c) Except as expressly stated herein, a Party's liability to the other is in no way limited to the extent of the Party's insurance coverage.

(d) The Insurance shall be primary to any other insurance maintained by each Party and each Party hereby waives any claim or demand as to participation in any such other insurance.

(e) The Insurance shall be valid in any location worldwide regarding the activities performed by each Party hereunder (including worldwide jurisdictions) for any destination or lawsuit which will be served against the other Party.

9.7 Limitation of Liability. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER OR ANY OF ITS AFFILIATES FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING LOST PROFITS, BUSINESS OR GOODWILL) SUFFERED OR INCURRED BY SUCH OTHER PARTY OR ITS AFFILIATES, WHETHER BASED UPON A CLAIM OR ACTION OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER TORT, OR OTHERWISE, ARISING OUT OF THIS AGREEMENT. THE FOREGOING SENTENCE SHALL NOT LIMIT THE OBLIGATIONS OF EITHER PARTY TO INDEMNIFY THE OTHER PARTY FROM AND AGAINST THIRD PARTY CLAIMS UNDER THIS ARTICLE

## ARTICLE 10

### MISCELLANEOUS

10.1 Force Majeure. Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached the Agreement for failure or delay in fulfilling or performing any term of the Agreement during the period of time when such failure or delay is caused by or results

from events beyond the reasonable control of a Party, including fire, flood, earthquake, explosion, storm, blockage, embargo, war, acts of war (whether war be declared or not), terrorism, insurrection, riot, civil commotion, strike, lockout or other labor disturbance, failure of public utilities or common carriers, act of God or act, omission or delay in acting by any governmental authority or the other Party. The affected Party shall notify the other Party of such force majeure circumstances as soon as reasonably practicable.

10.2 Assignment. The Agreement may not be assigned or otherwise transferred without the prior written consent of the other Party; provided, however, that either Party may assign this Agreement to an Affiliate or in connection with the transfer or sale of its business or all or substantially all of its assets or in the event of a merger, consolidation, change in control or similar corporate transaction or by Kinex to Hanmi Pharmaceuticals Ltd., without such consent; provided further, that such assignment shall not relieve the Party of its responsibilities for performance of its obligations under this Agreement. This Agreement shall be binding upon and inure to the benefit of the successors and permitted assigns of the Parties. Any assignment not in accordance with this Agreement shall be void.

10.3 Severability. In the event that any of the provisions contained in this Agreement are held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the absence of the invalidated provision(s) adversely affects the substantive rights of the Parties. In such event, the Parties covenant and agree to renegotiate any such term, covenant or application thereof in good faith in order to provide a reasonably acceptable alternative to the term, covenant or condition of this Agreement or the application thereof that is invalid or unenforceable, it being the intent of the Parties that the basic purposes of this Agreement are to be effectuated.
