ARTICLE II

THE LOANS

Section 2.01 Commitments. (a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth, the Lender agrees to make one or more Term Loans to the Borrower (i) on the Effective Date and (ii) prior to the Term Loan Commitment Termination Date, proceeds of which shall be used by the Borrower in accordance with the provisions of Section 6.01(r) hereof, in an aggregate principal amount not to exceed the amount of the Lender’s Total Term Loan Commitment.

(b) Notwithstanding the foregoing, (i) the aggregate principal amount of any Tranche made on any borrowing date shall not be less than Two Hundred and Fifty Thousand Dollars (\$250,000), and shall not exceed the lesser of the undrawn Total Term Loan Commitment at such time and the Maximum Tranche Amount with respect to any applicable Insurance Premium Loans being acquired by the Borrower with the proceeds of such Tranche, and (ii) the aggregate principal amount of all Tranches made at any time pursuant to this Agreement shall not exceed the lesser of (x) the Total Term Loan Commitment then in effect and (y) an amount which will not result in any Borrowing Base Deficit existing at such time, provided, that, for purposes of this Section 2.01(b), the related PIK Interest Amount shall not be included in the principal amount of such Tranche. Any amounts paid directly or indirectly by the Agents and the Lender to the Collateral Value Insurer or the Contingent Collateral Value Insurer for coverage under the Collateral Value Policy or the Contingent Collateral Value Policy shall be deemed to be, and shall for all purposes of this Agreement be treated as, Term Loans made to the Borrower hereunder. Any principal amount of the Loan which is repaid or prepaid may not be reborrowed. The Total Term Loan Commitment shall be permanently reduced immediately and without further action on the date of funding of each Term Loan in an amount equal to such funded Term Loan. In the event there is more than one Lender hereunder, each Lender’s Term Loan Commitment shall be permanently reduced immediately and without further action on the date of funding of each Term Loan in an amount equal to such Lender’s Pro Rata Share of such funded Term Loan. Each Lender’s Term Loan Commitment shall terminate immediately and without further action on the Term Loan Commitment Termination Date after giving effect to the funding of such Lender’s Term Loan Commitment, if any, on such date.

Section 2.02 Making the Loans. (a) The Borrower shall give the Administrative Agent prior telephonic notice (immediately confirmed in writing, in substantially the form of Exhibit B hereto (a “Notice of Borrowing”)), not later than 12:00 noon (New York City time) on the date which is three (3) Business Days prior to the date of the proposed Loan (or such shorter period as the Administrative Agent is willing to accommodate from time to time, but in no event

later than 12:00 noon (New York City time) on the borrowing date of the proposed Loan). Such Notice of Borrowing shall (i) be irrevocable, (ii) specify (A) the principal amount of the proposed Loan, (B) the use of the proceeds of such proposed Loan, and (C) the proposed borrowing date, which must be a Business Day and (iii) be delivered to the Administrative Agent together with the documents required by Section 5.02(e). The Administrative Agent and the Lender may act without liability upon the basis of written, telecopied or telephonic notice believed by the Administrative Agent in good faith to be from the Borrower (or from any Authorized Officer thereof designated in writing purportedly from the Borrower to the Administrative Agent). The Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic Notice of Borrowing. The Administrative Agent and the Lender shall be entitled to rely conclusively on any Authorized Officer's authority to request a Loan on behalf of the Borrower until the Administrative Agent receives written notice to the contrary. The Administrative Agent and the Lender shall have no duty to verify the authenticity of the signature appearing on any written Notice of Borrowing.

(b) Each Notice of Borrowing pursuant to this Section 2.02 shall be irrevocable and the Borrower shall be bound to make a borrowing in accordance therewith.

(c) Except as otherwise provided in this subsection 2.02(c), to the extent there is more than one Lender hereunder, all Loans under this Agreement shall be made by the Lenders simultaneously and proportionately to their Pro Rata Shares of the Total Term Loan Commitment, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligations to make a Loan requested hereunder, nor shall the Commitment of any Lender be increased or decreased as a result of the default by any other Lender in that other Lender's obligation to make a Loan requested hereunder, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender.

(d) All Loans shall be made in same day available funds and sent by wire transfer to the Operating Account.

Section 2.03 Repayment of Loans; Evidence of Debt (a) The outstanding principal of the Loan (including the PIK Interest Amount payable with respect to each Tranche) shall be due and payable on the Final Maturity Date.

(b) Each Lender (in the event there is more than one Lender hereunder) shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from the Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of the Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to the Lender hereunder (including PIK Interest Amounts), (iii) the aggregate amount of each Tranche and the amount of, and the Applicable Interest Rate for, each Sub-Tranche making up the Tranche and (iv) the amount of

any sum received by the Administrative Agent hereunder for the account of the Lender (and, in the event there is more than one Lender hereunder, each Lender's share thereof).

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loan in accordance with the terms of this Agreement.

(e) Any Lender may request that the Loan made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in a form furnished by the Collateral Agent and reasonably acceptable to the Borrower. Thereafter, the Loan evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 12.07) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(f) Prior to or contemporaneously with the funding of each Tranche, the Lender or the Administrative Agent shall send written notice to the Borrower designating the amounts, Applicable Interest Rate and designation of each Sub-Tranche making up the Tranche. The Lender and the Administrative Agent agree that they shall base such designation solely upon its cost of funds, with the intent and understanding that the interest rate for each Sub-Tranche shall match the Lender's cost of funds rate. In the event that the Lender's cost of funds for the monies funded or to be funded in the relevant advance is at more than one of the Applicable Interest Rates, the parties hereto agree to split the Tranche into two or more Sub-Tranches, as appropriate, so that each Sub-Tranche bears a 14%, 15% or 16% rate of interest and the Tranche bears a rate of interest equal to the Weighted Average Interest Rate based on the amounts and the Applicable Interest Rates for the Sub-Tranches. Unless the Lender or the Administrative Agent shall send written notice to the Borrower on or before the date of funding a Tranche that it is designating the types of Sub-Tranches comprising the Tranche, such Tranche shall be deemed to have been funded entirely with a 14% Sub-Tranche. The parties agree to cooperate in setting these rates and administering Notices of Borrowings to take into account these varying rates and the mechanics required to administer them, including permitting amendments to Notices of Borrowings to accommodate the designation of rates different than anticipated.

Section 2.04 Interest. (a) Each Tranche of a Term Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of such Tranche until such principal amount becomes due, at a rate per annum equal to the Weighted Average Interest Rate for the Tranche based on the Applicable Interest Rates for the Sub-Tranches; provided, that, subject to paragraph (c) of this Section 2.04, all of such interest (the "PIK Interest Amount") shall be paid-in-kind by being added to the outstanding principal balance of such Tranche. Any interest shall be capitalized on each annual anniversary date of the Tranche and added to the then outstanding principal amount of such Tranche and, thereafter, shall bear interest as provided hereunder as if it had originally been part of the outstanding principal of such Tranche.

(b) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Term Loans, fees, indemnities or any other Obligations of the Borrower under this Agreement and the other Loan Documents, shall bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to 18%.

(c) Interest Payment. Notwithstanding paragraph (a) of this Section 2.04, interest on each Term Loan shall be payable, without duplication:

(i) on each date Collections are received if sufficient Collections or other funds are available hereunder for the payment of interest pursuant to Section 2.05(d); and

(ii) on the Final Maturity Date;

provided, that interest payable pursuant to paragraph (b) of this Section 2.04 shall be payable on demand. The Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account pursuant to Section 4.02 with the amount of any interest payment due hereunder.

(d) General. All interest payable hereunder shall be computed on the basis of a year of 360 days for the actual number of days, including the first day but excluding the last day elapsed and shall compound annually.

(e) It is intended by the parties hereto that all interest paid pursuant to this Agreement shall constitute "portfolio interest" within the meaning of Sections 871(h) and 881(c) of the Internal Revenue Code of 1986, as amended (the "Code"), and the Treasury Regulations promulgated thereunder.

Section 2.05 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments. The Total Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the Term Loan Commitment Termination Date. In addition, the Total Term Loan Commitment (and the Term Loan Commitment of each Lender if there is more than one Lender hereunder) shall be reduced in accordance with Section 2.01(b).

(b) Reserved.

(c) Mandatory Prepayment. (i) On each date on which Collections are received by the Originator, the Borrower, the Servicer or the Insurance Collateral Agent or any other Person on their behalf in respect of any Insurance Premium Loan (or related Life Insurance Policy) acquired by the Borrower (actually or beneficially through a participation) with proceeds from a Tranche or the Collateral Value Policy or the Contingent Collateral Value Policy, Borrower shall repay the principal amount and the interest then due and payable thereon of the

related Tranche of the Term Loan, to the extent of Collections available therefor in accordance with Section 2.05(d) hereof.

(ii) If on any day a Borrowing Base Deficit exists, on such date Borrower shall make a prepayment of the principal amount of the related Tranche in an amount equal to such Borrowing Base Deficit.

(d) Application of Payments. On each day that Collections (other than Salvage Collections, but including all payments made by the Collateral Value Insurer or the Contingent Collateral Value Insurer to the Borrower under the Collateral Value Policy or the Contingent Collateral Value Policy) are received by the Servicer, the Originator, the Borrower, or the Insurance Collateral Agent or any other Person on their behalf in respect of any Insurance Premium Loan (or related Life Insurance Policy) financed hereunder or the Collateral Value Policy or the Contingent Collateral Value Policy, the Borrower shall (or shall cause such other Person to) on the Business Day of such receipt, transfer such amounts to the Collection Account for distribution in accordance with this Section 2.05(d). On each such date, as long as no Default or Event of Default has occurred and is continuing, the Borrower shall distribute (from such amounts so deposited in the Collection Account with respect thereto) such Collections with respect to the Covered Portion of an Insurance Premium Loan (other than Salvage Collections) in the following order of priority:

(i) first, to pay interest then due and payable in respect of the related Tranche until paid in full,

(ii) second, to pay principal of the related Tranche until paid in full,

(iii) third, to replace in the Reserve Account any funds used for Reserve Payments on the related Tranche ("Replacement Funds"), to the extent the funds used for such Reserve Payments were originally deposited less than eighteen (18) months earlier than the date such Collections are being distributed (it being understood that the date(s) of deposit of such Replacement Funds shall be deemed to be the original date(s) of deposit of the funds used for such Reserve Payments), and

(iv) fourth, any remaining Collections with respect to the Covered Portion of an Insurance Premium Loan on such date shall be paid to the Borrower, for its own account.

On each such date, after giving effect to the application of Collections with respect to the Covered Portion of an Insurance Premium Loan set forth above, as long as no Default or Event of Default has occurred and is continuing, the Borrower shall transfer (from such amounts so deposited in the Collection Account with respect thereto) such Collections with respect to the Uncovered Portion of an Insurance Premium Loan (other than Salvage Collections) into the Reserve Account. Amounts placed in a Reserve Account shall be used (on a first in, first out basis), first, to pay any amounts due on the related Tranche on or after the due date thereof to the extent such Tranche is not otherwise satisfied from Collections with respect to the Covered Portion of Insurance Premium Loans financed by such Tranche and, second, to pay, pro rata, any

amounts due on other Tranches on or after the due date thereof to the extent such Tranches are not otherwise satisfied from Collections with respect to the Covered Portion of Insurance Premium Loans financed by such Tranches (in either case, a "Reserve Payment"). Any amounts remaining in the Reserve Account more than eighteen (18) months after they are deposited therein or if earlier, the repayment of all amounts due and owing by the Borrower hereunder, shall be released by to the Borrower, for its own account.

At any time a Default or Event of Default has occurred and is continuing, all Collections shall be distributed and applied pursuant to Section 4.04(b).

(e) Salvage Collections. Notwithstanding the provisions of Section 2.05(d), Section 4.04(b) or any other provision of this Agreement, on each date which Collections are received with respect to any Insurance Premium Loan for which there are Salvage Collections, the Borrower, the Lenders or the Agents shall, to the extent received by them, distribute such Salvage Collections on such date to the Collateral Value Insurer or the Contingent Collateral Value Insurer, as applicable, that paid the claim to the Borrower.

(f) Interest and Fees. Any prepayment made pursuant to this Section 2.05 shall be accompanied by accrued interest on the principal amount being prepaid to the date of prepayment, the Applicable Prepayment Premium, if any, payable in connection with such prepayment and if such prepayment would reduce the amount of the outstanding Loan to zero, such prepayment shall be accompanied by the payment of all fees accrued to such date pursuant to Section 2.06.

(g) Cumulative Prepayments. Except as otherwise expressly provided in this Section 2.05, payments with respect to any subsection of this Section 2.05 are in addition to payments made or required to be made under any other subsection of this Section 2.05.

Section 2.06 Applicable Prepayment Premium. In the event of the termination of this Agreement and repayment of the Obligations at any time prior to the second anniversary of the Effective Date, for any reason, including (i) termination upon the election of the Lender to terminate after the occurrence and during the continuation of an Event of Default, (ii) foreclosure and sale of Collateral, (iii) sale of the Collateral in any Insolvency Proceeding, or (iv) restructure, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructure, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Agents and the Lender or profits lost by the Agents and the Lender as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrower shall pay to the Administrative Agent, for the account of the Lender (or in the event there is more than one Lender, in accordance with such Lender's Pro Rata Share), the Applicable Prepayment Premium, measured as of the date of such termination.

Section 2.07 Securitization. The Borrower hereby acknowledges that the Lender and its Affiliates may sell or securitize the Loan (a "Securitization") through the pledge of the Loan as collateral security for loans to the Lenders or their Affiliates or through the sale of the Loan or the issuance of direct or indirect interests in the Loan or through obligations of the

Lender secured by the Loan or portions thereof, which loans to the Lenders or their Affiliates or direct or indirect interests or obligations of the Lender may be rated by Moody's Investors Service, Inc., Standard & Poor's Investors Rating Services or Fitch Rating's (each, a "Rating Agency" and collectively, the "Rating Agencies"). The Borrower shall cooperate with the Lender and its Affiliates to effect the Securitization including, without limitation, by (a) amending this Agreement and the other Loan Documents, and executing such additional documents, as reasonably requested by the Lender in connection with the Securitization, provided that (i) any such amendment or additional documentation does not impose material additional costs on the Borrower and (ii) any such amendment or additional documentation does not materially adversely affect the rights, or materially increase the obligations, of the Borrower under the Loan Documents or change or affect in a manner adverse to the Borrower the financial terms of the Loan and (b) providing such information as may be reasonably requested by the Lender in connection with the rating of the Loan or the Securitization.

Section 2.08 Taxes. (a) Any and all payments by the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding taxes imposed on the net income of any Agent, any Lender (or any transferee or assignee thereof, including a participation holder (any such entity, a "Transferee")) by the jurisdiction in which such Person is organized or has its principal lending office (all such nonexcluded taxes, levies, imposts, deductions, charges withholdings and liabilities, collectively or individually, "Taxes"). If the Borrower shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Agent, any Lender (or any Transferee), (i) the sum payable shall be increased by the amount (an "Additional Amount") necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.08) such Agent, such Lender (or such Transferee) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrower agrees to pay to the relevant Governmental Authority in accordance with applicable law any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document ("Other Taxes"). The Borrower shall deliver to each Agent and each Lender official receipts in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(c) The Borrower hereby indemnifies and agrees to hold each Agent and each Lender harmless from and against Taxes and Other Taxes (including, without limitation, Taxes and Other Taxes imposed on any amounts payable under this Section 2.08) paid by such Person, whether or not such Taxes or Other Taxes were correctly or legally asserted. Such indemnification shall be paid within 10 days from the date on which any such Person makes written demand therefore specifying in reasonable detail the nature and amount of such Taxes or Other Taxes.

(d) Each Lender (or Transferee) that is organized under the laws of a jurisdiction outside the United States (a "Non-U.S. Lender") agrees that it shall, no later than the Effective Date (or, in the case of a Lender which becomes a party hereto pursuant to Section 12.07 hereof after the Effective Date, promptly after the date upon which such Lender becomes a party hereto) deliver to the Agents one properly completed and duly executed copy of either U.S. Internal Revenue Service Form W-8BEN, W-8ECI or W-8IMY or any subsequent versions thereof or successors thereto, in each case claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax and payments of interest hereunder. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code, such Non-U.S. Lender hereby represents to the Agents and the Borrower that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Internal Revenue Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Internal Revenue Code), and such Non-U.S. Lender agrees that it shall promptly notify the Agents in the event any such representation is no longer accurate. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such Non-U.S. Lender changes its applicable lending office by designating a different lending office (a "New Lending Office"). In addition, such Non-U.S. Lender shall deliver such forms within 20 days after receipt of a written request therefor from any Agent, the assigning Lender or the Lender granting a participation, as applicable. Notwithstanding any other provision of this Section 2.08, a Non-U.S. Lender shall not be required to deliver any form pursuant to this Section 2.08(d) that such Non-U.S. Lender is not legally able to deliver.

(e) The Borrower shall not be required to indemnify any Non-U.S. Lender, or pay any Additional Amounts to any Non-U.S. Lender, in respect of United States Federal withholding tax pursuant to this Section 2.08 to the extent that (i) the obligation to withhold amounts with respect to United States Federal withholding tax existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non-U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to the extent the indemnity payment or Additional Amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or Additional Amounts that the Person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation, or (ii) the obligation to pay such Additional Amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of clause (d) above.

(f) Any Agent or any Lender (or Transferee) claiming any indemnity payment or additional payment amounts payable pursuant to this Section 2.08 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its

applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amount that may thereafter accrue, would not require such Agent or such Lender (or Transferee) to disclose any information such Agent or such Lender (or Transferee) deems confidential and would not, in the sole determination of such Agent or such Lender (or Transferee), be otherwise disadvantageous to such Agent or such Lender (or Transferee).

(g) The obligations of the Borrower under this Section 2.08 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.09 Increase in Term Loan Commitment; Extension of Term Loan Commitment Termination Date

Provided no Default or Event of Default then exists or would arise therefrom, upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Borrower may, from time to time, request an increase in the Term Loan Commitment by an amount not exceeding Two Hundred Thirty Five Million Dollars (\$235,000,000) in the aggregate (the "Commitment Increase") and, if necessary, a suggested extension of the Term Loan Commitment Termination Date; provided that any such request for a Commitment Increase shall be in a minimum amount of One Million Dollars (\$1,000,000). Following the delivery by the Borrower of the request, the Administrative Agent and the Lenders shall, by notice to the Borrower given not more than thirty (30) Business Days after the date of receipt of such notice, either accept the request or reject the request, provided that, the Lenders shall have no obligation to accept any request.

(b) Lender Elections to Increase. Each Lender shall notify the Administrative Agent within such time period whether or not it agrees to increase its Term Loan Commitment and, if so, whether by an amount equal to, greater than, or less than its Pro Rata Share of such requested Commitment Increase. Any Lender not responding within such time period shall be deemed to have declined to increase its Term Loan Commitment.

(c) Effective Date and Allocations. If the Term Loan Commitment is increased in accordance with this Section 2.09, the Administrative Agent shall determine the effective date (the "Increase Effective Date"), the period of time by which the Term Loan Commitment Termination Date is extended and the final allocation of such Commitment Increase. The Administrative Agent shall promptly notify the Borrower and the Lenders of the first allocation of such Commitment Increase, the period of time by which the Term Loan Commitment Termination Date is extended and the Increase Effective Date and, on the Increase Effective Date, (i) the Term Loan Commitment under, and for all purposes of, this Agreement shall be increased by the aggregate amount of such Commitment Increase, (ii) clause (iii) of the definition of Term Loan Commitment Termination Date shall be extended by the period of time as notified by the Administrative Agent and (iii) Schedule 1.01(A) shall be deemed modified, without further action, to reflect the revised Term Loan Commitment of the Lenders.

(d) Conditions to Effectiveness of Commitment Increase. As a condition precedent to such Commitment Increase: (i) the Borrower shall have delivered to the

Administrative Agent a certificate of each Credit Party dated as of the Increase Effective Date (in sufficient copies for each Lender) signed by an Authorized Officer of such Credit Party (A) certifying and attaching the resolutions adopted by such Credit Party approving or consenting to such Commitment Increase, and (B) in the case of the Borrower, certifying that, before and after giving effect so such Commitment Increase, the representations and warranties contained in Article VI and the other Loan Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date, in which case they are true and correct in all material respects as of such earlier date, and except that for purposes of this Section 2.09, the representations and warranties contained in subsections (g)(i) and (g)(ii) of Section 6.01 shall be deemed to refer to the most recent statements furnished pursuant to subsections (a)(i) and (a)(ii), respectively, of Section 7.01; (ii) the Borrower shall have paid such fees and other compensation to the Agents and Lenders as they require; (iii) the borrower shall have delivered to the Administrative Agent and the lenders an opinion or opinions substantially similar to the opinions delivered on the Effective Date from counsel to the Credit Parties reasonably satisfactory to the Administrative Agent and dated such date; (iv) the Borrower shall have delivered such other instruments, documents and agreements as the Administrative Agent may reasonably have requested including, without limitation, an amendment to this Agreement and the other Loan Documents, if required by the Administrative Agent; and (v) no Default or Event of Default shall have occurred and be continuing.

Within thirty (30) days of the Effective Date or if earlier, the date that the Indemnity Escrow Agreement is executed and effective, the Borrower shall deposit into the escrow account held under the Indemnity Escrow Agreement (the "Indemnity Escrow") an amount equal to two percent (2%) of all Term Loans under this Agreement. The amounts held under the Indemnity Escrow Agreement shall at all times be under the exclusive dominion and control of the Escrow Agent and neither the Borrower nor the Agents shall have any access thereto or right to make any withdrawal therefrom, except that the Agents shall be permitted to have funds distributed to them out of the Indemnity Escrow to the extent that any Indemnitee is entitled to any indemnification under Section 12.15 hereof from the Borrower which is not timely paid, in which case the Agents shall cause such distributions to be paid to such Indemnities. In connection with any Term Loans made prior to the execution and effectiveness of the Indemnity Escrow Agreement, the Agent may withhold two percent (2%) of any Term Loans until the Indemnity Escrow Agreement is executed and effective, at which time the Agents shall deposit such withheld funds with the Escrow Agent to be held under such agreement (with such deposit credited against the Borrower's obligations under the first sentence of this Section 2.10). When all outstanding Obligations under this Agreement have been fully satisfied, any remaining funds held under the Indemnity Escrow Agreement shall be distributed to the Borrower, for its own account.

INTENTIONALLY OMITTED

ARTICLE IV

FEES, PAYMENTS AND OTHER COMPENSATION

Section 4.01 Audit and Collateral Monitoring Fees. The Borrower acknowledges that pursuant to Section 7.01, representatives of the Agents may visit the Borrower and/or conduct audits, inspections, valuations and/or field examinations of the Borrower at any time and from time to time in a manner so as to not unduly disrupt the business of the Borrower. The Borrower agrees to pay (i) \$1,500 per day per examiner plus the examiner's out-of-pocket costs and reasonable expenses incurred in connection with all such visits, audits, inspections, appraisals, valuations and field examinations and (ii) the cost of all visits, audits, inspections, appraisals, valuations and field examinations conducted by a third party on behalf of the Agents.

Section 4.02 Payments; Computations and Statements. (a) The Borrower will make each payment under this Agreement not later than 12:00 noon (New York City time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Collection Account. All payments received by the Administrative Agent after 12:00 noon (New York City time) on any Business Day will be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrower without set-off, counterclaim, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal to the Lender (or if there is more than one Lender hereunder, ratably to the Lenders in accordance with their Pro Rata Shares) and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement, provided that the Administrative Agent will cause to be distributed all interest and fees received from or for the account of the Borrower not less than once each month and in any event promptly after receipt thereof. The Lender and the Borrower hereby authorize the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account of the Borrower with any amount due and payable by the Borrower under any Loan Document. Each of the Lender and the Borrower agrees that the Administrative Agent shall have the right to make such charges whether or not any Default or Event of Default shall have occurred and be continuing or whether any of the conditions precedent in Section 5.02 have been satisfied. Any amount charged to the Loan Account of the Borrower shall be deemed an Obligation hereunder, which shall bear interest at the rate applicable to Term Loans. The Lender and the Borrower confirm that any charges which the Administrative Agent may so make to the Loan Account of the Borrower as herein provided will be made as an accommodation to the Borrower and solely at the Administrative Agent's discretion, provided that the Administrative Agent shall from time to time upon the request of the Collateral Agent, charge the Loan Account of the Borrower with any amount due and payable under any Loan Document. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administrative Agent of

an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) The Administrative Agent shall provide the Borrower, promptly after the end of each calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrower during such month, the amounts and dates of all Term Loans made to the Borrower during such month, the amounts and dates of all payments on account of the Term Loans to the Borrower during such month and the Term Loans to which such payments were applied, the amount of interest accrued on the Term Loans to the Borrower during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, thirty (30) days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.03 Sharing of Payments, Etc. In the event there is more than one Lender hereunder, except as provided in Section 2.02 hereof, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 4.03 may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 4.04 Apportionment of Payments. Subject to Section 2.02 hereof:

(a) all payments of principal and interest in respect of outstanding Term Loans, all payments of fees (other than the audit and collateral monitoring fee provided for in Section 4.01) and all other payments in respect of any other Obligations, shall be paid to the Lender (or in the event there is more than one Lender hereunder, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Term Loans, as designated by the Person making payment when the payment is made).

(b) After the occurrence and during the continuance of a Default or an Event of Default, the Administrative Agent may, and upon the direction of the Lender (or in the

event there is more than one Lender hereunder, upon the direction of the Required Lenders) shall, apply all proceeds of the Collateral (including all Collections other than Salvage Collections), subject to the provisions of this Agreement, (i) first, to pay the Servicer (other than the Initial Servicer) an amount equal to the accrued and unpaid Servicing Fees then due and payable in accordance with the Transaction Documents until paid in full (to the extent not covered by the Indemnity Escrow or otherwise); (ii) second, to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (iii) third, to pay the Insurance Collateral Agent an amount equal to any fees, expense reimbursements, indemnities and other amounts then due and payable to the Insurance Collateral Agent in accordance with the Transaction Documents until paid in full (to the extent not covered by the Indemnity Escrow or otherwise); (iv) fourth, to pay the Obligations in respect of any fees (including the Applicable Prepayment Premium), expense reimbursements, indemnities and other amounts then due and payable to the Lender (or Lenders if there is more than one Lender hereunder) until paid in full; (v) fifth, to pay interest then due and payable in respect of the Collateral Agent Advances until paid in full (to the extent not covered by the Indemnity Escrow or otherwise); (vi) sixth, to pay principal of the Collateral Agent Advances until paid in full (to the extent not covered by the Indemnity Escrow or otherwise); (vii) seventh, to pay interest then due and payable in respect of the related Tranche until paid in full, (viii) eighth, to pay principal of the related Tranche until paid in full, (ix) ninth, to pay interest then due and payable in respect of all other Tranches until paid in full, (x) tenth, to pay principal of all other Tranches until paid in full, (xi) eleventh, to pay the Servicer if the Servicer is the Initial Servicer an amount equal to the accrued and unpaid Servicing Fees then due and payable in accordance with the Transaction Documents until paid in full (to the extent not covered by the Indemnity Escrow or otherwise), (xii) twelfth, the payment of all other Obligations then due and payable (to the extent not covered by the Indemnity Escrow or otherwise), and (xiii) thirteenth, any remaining proceeds from the Collateral on such date shall be paid to the Borrower, for its own account.

(c) In each instance, so long as no Event of Default has occurred and is continuing, Section 4.04(b) shall not be deemed to apply to any payment by the Borrower specified by the Borrower to the Administrative Agent to be for the payment of the Obligations then due and payable under any provision of this Agreement or the prepayment of all or part of the principal of a Tranche in accordance with the terms and conditions of Section 2.05.

(d) For purposes of Section 4.04(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents and the Transaction Documents according to the terms thereof, including loan fees, servicing fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 4.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 4.04 shall control and govern.

Section 4.05 Increased Costs and Reduced Return. (a) If any Lender or any Agent shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty or regulation, or any policy, guideline or directive of, or any change in, the interpretation or administration thereof by, any court, central bank or other administrative or Governmental Authority, or compliance by any Lender or any Agent or any Person controlling any such Agent or any such Lender with any directive of, or guideline from, any central bank or other Governmental Authority or the introduction of, or change in, any accounting principles applicable to any Lender or any Agent or any Person controlling any such Agent or any such Lender (in each case, whether or not having the force of law) (each a "Change in Law"), shall (i) subject such Agent or any Lender, or any Person controlling such Agent or any Lender to any tax, duty or other charge with respect to this Agreement or any Loan made by such Agent or any Lender, or change the basis of taxation of payments to such Agent or any Lender or any Person controlling such Agent or any Lender of any amounts payable hereunder (except for taxes on the overall net income of such Agent or any Lender or any Person controlling such Agent or any Lender), (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Agent or any Lender or any Person controlling such Agent or such Lender or (iii) impose on such Agent or such Lender or any Person controlling such Agent or any Lender any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Agent or the Lender of making any Loan or agreeing to make any Loan or to reduce any amount received or receivable by such Agent or any Lender hereunder, then, upon demand by such Agent or the Lender, the Borrower shall pay to such Agent or such Lender such additional amounts as will compensate such Agent or such Lender for such increased costs or reductions in amount.

(b) If any Agent or any Lender shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Agent or the Lender or any Person controlling such Agent or such Lender, and such Agent or such Lender determines that the amount of such capital is increased as a direct or indirect consequence of any Term Loans made or maintained, such Agent's or the Lender's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Agent's or such Lender's such other controlling Person's capital to a level below that which such Agent or such Lender or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained or any agreement to make Term Loans or such Agent's or such Lender's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Agent's or the Lender's or such other controlling Person's policies with respect to capital adequacy), then, upon demand by such Agent or the Lender, the Borrower shall pay to such Agent or such Lender from time to time such additional amounts as will compensate such Agent or such Lender for such cost of maintaining such increased capital or such reduction in the rate of return on such Agent's or such Lender's or such other controlling Person's capital.

(c) All amounts payable under this Section 4.05 shall bear interest from the date that is ten (10) days after the date of demand by any Agent or any Lender until payment in full to such Agent or such Lender at an annual interest rate of 15%. A certificate of such Agent or the Lender claiming compensation under this Section 4.05, specifying the event herein above described and the nature of such event shall be submitted by such Agent or such

Lender to the Borrower, setting forth the additional amount due and an explanation of the calculation thereof, and such Agent's or such Lender's reasons for invoking the provisions of this Section 4.05, and shall be final and conclusive absent manifest error.

(a) The Borrower shall (i) establish and maintain cash management services of a type and on terms reasonably satisfactory to the Agents at the bank set forth on Schedule 8.01, the "Cash Management Bank", and shall take such reasonable steps to enforce, collect and receive all amounts owing on the Insurance Premium Loans of the Borrower, and (ii) deposit or cause to be deposited promptly, and in any event no later than the next Business Day after the date of receipt thereof, all proceeds in respect of any Collateral and all Collections (of a nature susceptible to a deposit in a bank account) and other amounts received by the Borrower (including payments made by any Premium Finance Borrower directly to the Borrower) into the Collection Account.

(b) On or prior to the Effective Date, the Borrower shall, with respect to each of the Operating Account, the Reserve Account and the Collection Account, deliver to the Collateral Agent a Cash Management Agreement.

(c) All amounts received in the Collection Account shall at the Administrative Agent's direction be wired each Business Day into the Administrative Agent's Account to be applied pursuant to Section 2.05(d) or Section 4.04(b), as applicable.

(d) So long as no Default or Event of Default has occurred and is continuing, the Borrowers may amend Schedule 8.01 to add or replace the Cash Management

Bank, the Collection Account, the Reserve Account or the Operating Account; provided, however, that (i) such prospective Cash Management Bank shall be reasonably satisfactory to the Collateral Agent and the Collateral Agent shall have consented in writing in advance to the opening of such Collection Account, Reserve Account and the Operating Account with the prospective Cash Management Bank, and (ii) prior to the time of the opening of such Collection Account, such Reserve Account and such Operating Account, the Borrower and such prospective Cash Management Bank shall have executed and delivered to the Collateral Agent a Cash Management Agreement with respect to each of the Collection Account, the Reserve Account and the Operating Account. The Borrower shall close its Collection Account, its Reserve Account and its Operating Account (and establish replacement cash management accounts in accordance with the foregoing sentence) promptly and in any event within 30 days of notice from the Collateral Agent that the creditworthiness of any Cash Management Bank is no longer acceptable in the Collateral Agent's reasonable judgment, or that the operating performance, funds transfer, or availability procedures or performance of such Cash Management Bank with respect to the Collection Account, the Reserve Account or the Operating Account or the Collateral Agent's liability under any Cash Management Agreement with such Cash Management Bank is no longer acceptable in the Collateral Agent's reasonable judgment.

(e) The Collection Account and the Reserve Account shall each be a cash collateral account, with all cash, checks and similar items of payment in such accounts securing payment of the Obligations, and in which the Borrower is hereby deemed to have granted a Lien to Collateral Agent for the benefit of the Agents and the Lenders. All checks, drafts, notes, money orders, acceptances, cash and other evidences of Indebtedness received directly by the Borrower from any of the Premium Finance Borrowers or any other Person, as proceeds from the Insurance Premium Loans acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan or as proceeds of any other Collateral shall be held by the Borrower in trust for the Agents and the Lenders and if of a nature susceptible to a deposit in a bank account, upon receipt be deposited by the Borrower in original form and no later than the next Business Day after receipt thereof into the Collection Account; provided, however, all Collections received directly by the Borrower shall be held by the Borrower in trust for the Agents and the Lenders and upon receipt be deposited by the Borrower in original form and no later than the next Business Day after receipt thereof into the Administrative Agent's Account. The Borrower shall not commingle such collections with the proceeds of any assets not included in the Collateral. No checks, drafts or other instrument received by the Administrative Agent shall constitute final payment to the Administrative Agent unless and until such instruments have actually been collected.

(f) After the occurrence and during the continuance of an Event of Default, the Collateral Agent may send a notice of assignment and/or notice of the Lenders' security interest to any and all Insurance Premium Borrowers, the Collateral Value Insurer, the Contingent Collateral Value Insurer or third parties holding or otherwise concerned with any of the Collateral, and thereafter the Collateral Agent or its designee shall have the sole right to collect the Insurance Premium Loans acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan and/or take possession of the Collateral and the books and records relating thereto. The Borrower shall not, without prior written consent of the Collateral Agent, grant any extension of time of payment of any such Insurance Premium Loan or payments under the Collateral Value Policy or the Contingent Collateral Value Policy,

compromise or settle any such Insurance Premium Loan for less than the full amount thereof, release, in whole or in part, any Person or property liable for the payment thereof, or allow any credit or discount whatsoever thereon.

(g) The Borrower hereby appoints each Agent or its designee on behalf of such Agent as the Borrower's attorney-in-fact with power exercisable during the continuance of an Event of Default to endorse the Borrower's name upon any notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Insurance Premium Loans acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan, the Collateral Value Policy and the Contingent Collateral Value Policy, to sign the Borrower's name on any invoice or bill of lading relating to any of such Insurance Premium Loans and the Collateral Value Policy and the Contingent Collateral Value Policy, drafts against Insurance Premium Borrowers with respect to such Insurance Premium Loans, the Collateral Value Policy and the Contingent Collateral Value Policy, assignments and verifications of the such Insurance Premium Loans, the Collateral Value Policy and the Contingent Collateral Value Policy and notices to Insurance Premium Borrowers with respect to such Insurance Premium Loans, the Collateral Value Insurer with respect to the Collateral Value Policy and the Contingent Collateral Value Insurer with respect to the Contingent Collateral Value Policy, to send verification of such Insurance Premium Loans, the Collateral Value Policy and the Contingent Collateral Value Policy, and to notify the Postal Service authorities to change the address for delivery of mail addressed to the Borrower to such address as such Agent or its designee may designate and to do all other acts and things necessary to carry out this Agreement. All acts of said attorney or designee are hereby ratified and approved, and said attorney or designee shall not be liable for any acts of omission or commission (other than acts of omission or commission constituting gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction), or for any error of judgment or mistake of fact or law; this power being coupled with an interest is irrevocable until all of the Loans and other Obligations under the Loan Documents are paid in full and all of the Loan Documents are terminated.

(h) Nothing herein contained shall be construed to constitute any Agent as agent of the Borrower for any purpose whatsoever, and the Agents shall not be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof (other than from acts of omission or commission constituting gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction). The Agents shall not, under any circumstance or in any event whatsoever, have any liability for any error or omission or delay of any kind occurring in the settlement, collection or payment of any of the Insurance Premium Loans acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan or any instrument received in payment thereof or for any damage resulting therefrom (other than acts of omission or commission constituting gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction). The Agents, by anything herein or in any assignment or otherwise, do not assume any of the obligations under any contract or agreement assigned to any Agent and shall not be responsible in any way for the performance by the Borrower of any of the terms and conditions thereof.

(i) If any Insurance Premium Loan acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan includes a charge for any tax payable to any Governmental Authority, each Agent is hereby authorized (but in no event obligated) in its discretion to pay the amount thereof to the proper taxing authority for the Borrower's account and to charge the Borrower therefor. The Borrower shall notify the Agents if any Insurance Premium Loan acquired by the Borrower (actually or beneficially through a participation) with proceeds from the Loan includes any taxes due to any such Governmental Authority and, in the absence of such notice, the Agents shall have the right to retain the full proceeds of such Insurance Premium Loan and shall not be liable for any taxes that may be due by reason of the sale and delivery creating such Insurance Premium Loan.

(j) Notwithstanding any other terms set forth in the Loan Documents, the rights and remedies of the Agents and the Lenders herein provided, and the obligations of the Borrower set forth herein, are cumulative of, may be exercised singly or concurrently with, and are not exclusive of, any other rights, remedies or obligations set forth in any other Loan Document or as provided by law.

Section 8.02 Collateral Custodian. Upon the occurrence and during the continuance of any Default or Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of the Borrower a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. The Borrower hereby agrees to cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrower and charged to the Loan Account.

consents, approvals and instructions and the power to make or to refuse to make determinations and calculations) together with such powers as are reasonably incidental thereto to carry out the purposes hereof and thereof. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Lender (or if at the time there is more than one Lender hereunder, the Required Lenders), and such instructions of the Lender (or the Required Lenders) shall be binding upon all Lenders and all makers of Loans.

Section 10.02 Nature of Duties. The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of the Lender. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. The Lender shall make its own independent investigation of the financial condition and affairs of the Borrower in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Borrower and the value of the Collateral, and the Agents shall have no duty or responsibility, either initially or on a continuing basis, to provide the Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to the Lender any documents or reports delivered to such Agent by the Borrower pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Lender (or the Required Lenders, as applicable) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to the Lender (or all Lenders, as applicable). Each Agent shall promptly notify the Lender any time that the Lender has instructed such Agent to act or refrain from acting pursuant hereto.

Section 10.03 Rights, Exculpation, Etc. The Agents and their directors, officers, agents or employees shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Term Loan as the owner thereof until the Collateral Agent receives written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form satisfactory to the Collateral Agent; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Borrower), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the

existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to the Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectibility of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by the Borrower in connection therewith, nor shall the Agents be responsible or liable to the Lender for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.04, and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lender with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Lender (or if at such time there is more than one Lender hereunder, the Required Lenders). Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Lender (or if at such time there is more than one Lender hereunder, the Required Lenders).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent is not reimbursed and indemnified by the Borrower, the Lender will reimburse and indemnify such Agent from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent under this Agreement or any of the other Loan Documents, (in proportion to each Lender's Pro Rata Share if at such time there is more than one Lender hereunder), including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final judicial determination that such liability resulted from such Agent's gross negligence or willful misconduct. The obligation of the Lender under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other

business with the Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the Lender.

Section 10.07 Successor Agent. (a) Each Agent may resign from the performance of all its functions and duties hereunder and under the other Loan Documents at any time by giving at least thirty (30) Business Days' prior written notice to the Borrower and the Lender. Such resignation shall take effect upon the acceptance by a successor Agent of appointment pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation, the Lender (or if at such time there is more than one Lender hereunder, the Required Lenders) shall appoint a successor Agent. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. After any Agent's resignation hereunder as an Agent, the provisions of this ARTICLE X shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement and the other Loan Documents.

(c) If a successor Agent shall not have been so appointed within said thirty (30) Business Day period, the retiring Agent, with the consent of the other Agent shall then appoint a successor Agent who shall serve as an Agent until such time, if any, as the Lender (or if at such time there are more than one Lender party hereto, Required Lenders) with the consent of the other Agent, appoint a successor Agent as provided above.

Section 10.08 Collateral Matters.

(a) The Collateral Agent may from time to time make such disbursements and advances ("Collateral Agent Advances") which the Collateral Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrower of the Loans and other Obligations or to pay any other amount chargeable to the Borrower pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 12.04. Without limiting the foregoing, the Collateral Agent shall be permitted at anytime to make Collateral Agent Advances to pay insurance premiums due under the Life Insurance Policies. The Collateral Agent Advances shall be repayable on demand and be secured by the Collateral. The Collateral Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.02. The Collateral Agent shall notify the Lender and the Borrower in writing of each such Collateral Agent Advance, which notice shall include a description of the purpose of such Collateral Agent Advance. Without limitation to its obligations pursuant to Section 10.05, the Lender agrees that it shall make available to the Collateral Agent, upon the Collateral Agent's demand, in Dollars in immediately available funds, the amount of each such Collateral Agent Advance (or if there is more than one Lender hereunder, such Lender's Pro Rata Share). If such funds are not made available to the Collateral Agent by the Lender, the Collateral Agent shall be entitled to recover such funds on demand from the Lender, together with interest thereon for each day from the date such payment was due until the date such

amount is paid to the Collateral Agent, at the Federal Funds Rate for three Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral upon termination of the Total Commitment and payment and satisfaction of all Loans, Reimbursement Obligations, Letter of Credit Obligations, and all other Obligations in accordance with the terms hereof; or constituting property being sold or disposed of in the ordinary course of the Borrower's business or otherwise in compliance with the terms of this Agreement and the other Loan Documents; or constituting property in which the Borrower owned no interest at the time the Lien was granted or at any time thereafter; or if approved, authorized or ratified in writing by the Lender. Upon request by the Collateral Agent at any time, the Lender will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lender (as set forth in Section 10.08(b)), the Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lender of its authority to release any particular item or types of Collateral, and upon prior written request by the Borrower, the Collateral Agent shall (and is hereby irrevocably authorized by the Lender to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lender upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of the Borrower in respect of) all interests in the Collateral retained by the Borrower.

(d) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Borrower or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document.

Section 10.09 Agency for Perfection Each Agent and the Lender hereby appoints each other Agent as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lender as secured party.

Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. The Borrower by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. The Lender acknowledges and agrees that neither the Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out the Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with the Borrower, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or such other laws. The Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 12.02 Amendments, Etc. (a) No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Lender (or in the event at the time there is more than one Lender hereunder, the Required Lenders) or by the Collateral Agent with the consent of the Lender (or in the event at the time there is more than one Lender hereunder, the Required Lenders), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver or consent shall (i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Term Loans payable to any Lender, reduce the amount of any fee payable for the account of the Lender, or postpone or extend any scheduled date fixed for any payment of principal of, or interest or fees on, the Term Loans payable to any Lender, in each case without the written consent of any Lender affected thereby, (ii) increase the Total Term Loan Commitment without the written consent of each Lender, (iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Term Loans that is required for the Lenders (if at such time there is more than one Lender hereunder) or any of them to take any action hereunder without the written consent of each Lender, (iv) amend the definition of "Required Lenders" or "Pro Rata Share" without the written consent of each Lender, (v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Agents and the Lenders, or release the Borrower or any Guarantor without the written consent of each Lender, (vi) amend, modify or waive Section 4.04 or this Section 12.02 of this Agreement without the written consent of each Lender then party hereto, or (vii) amend the definition of "Borrowing Base", "Borrowing Base Deficit", "Collateral Value Policy", "Contingent Collateral Value Policy", "Collateral Value Insurer", "Contingent Collateral Value Insurer", "Collections", "Coverage Certificate", "Covered Loan Amount" or "Eligible Insurance Premium Loan", in each case, without the written consent of each Lender then party hereto. Notwithstanding the foregoing, no

amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent under this Agreement or the other Loan Documents. Notwithstanding the foregoing, the parties hereto hereby agree that any amendment, modification or waiver of, or consent with respect to the definitions of "Collateral Value Insurer", "Collateral Value Policy", "Collections", "Coverage Certificate", "Person" and "Salvage Collections" in Section 1.01, Section 2.05(e), Section 12.19 and the last three sentences in this Section 12.02(a) shall require the written consent of the Collateral Value Insurer (prior to the occurrence of a Credit Event or the written consent of the Contingent Collateral Value Insurer (following the occurrence of a Credit Event) to be effective. In all events, copies of any amendments to this Agreement, any other Loan Document or any Transaction Document shall be promptly provided by the Borrower to the Collateral Value Insurer following execution thereof. Each of the parties hereto agrees that the Collateral Value Insurer (prior to the occurrence of a Credit Event) or the Contingent Collateral Value Insurer (following the occurrence of a Credit Event) is a third party beneficiary solely with respect to Section 2.05(e), Section 12.19 and the last three sentences in Section 12.02(a) of this Agreement.

(b) In the event there is more than one Lender, if any action to be taken by the Lenders requires the unanimous consent, authorization, or agreement of all of the Lenders, and a Lender (the "Holdout Lender") fails to give its consent, authorization, or agreement, then the Collateral Agent, upon at least 5 Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute Lenders (each, a "Replacement Lender"), and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07(b). Until such time as the Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or the Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lender provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lender under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lender to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Taxes; Attorneys' Fees. The Borrower will pay on demand, all costs and expenses incurred by or on behalf of each Agent (and, in the case of clauses (b) through (m) below, each Lender at such time party hereto), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable fees, costs, client charges and expenses of counsel for each Agent (and, in the case of clauses (b) through (m) below, each Lender), accounting, due diligence, periodic field audits, physical counts, valuations, investigations, searches and filings, monitoring of assets, appraisals of Collateral and title searches, miscellaneous disbursements, examination, travel, lodging and meals, arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(0), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against the Borrower, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral or other security, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral or other security in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral or other security in connection with this Agreement or any other Loan Document, (i) any attempt to collect from the Borrower, or (i) the receipt by any Agent or any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrower agrees to pay all stamp, document, transfer, recording or filing taxes or fees and similar impositions now or hereafter determined by any Agent or any Lender to be payable in connection with this Agreement or any other Loan Document, and the Borrower agrees to save each Agent and each Lender harmless from and against any and all present or future claims, liabilities or losses with respect to or resulting from any omission to pay or delay in paying any such taxes, fees or impositions, (y) the Borrower agrees to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents, and (z) if the Borrower fails to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrower.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to the Borrower (any such notice being expressly waived by the Borrower) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender to or for the credit or the account of the

Borrower against any and all obligations of the Borrower either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. Each Agent and each Lender agrees to notify the Borrower promptly after any such set-off and application made by such Agent or such Lender provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the Borrower and each Agent and the Lender and its respective successors and assigns; provided, however, that Borrower may not assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender then party hereto and any such assignment without such Lenders' prior written consent shall be null and void.

(b) Any Lender may with the written consent of the Collateral Agent, assign to one or more other lenders or other entities all or a portion of its rights and obligations under this Agreement with respect to all or a portion of its Term Loan Commitment and any Term Loan made by it, and (ii) the parties to each such assignment shall execute and deliver to the Collateral Agent, for its acceptance, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Collateral Agent, a processing and recordation fee of \$3,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and (iii) no written consent of the Collateral Agent shall be required if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance and recordation on the Register, which effective date shall be at least 3 Business Days after the delivery thereof to the Collateral Agent (or such shorter period as shall be agreed to by the Collateral Agent and the parties to such assignment), (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an

assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall, acting solely for this purpose as an agent of the Borrower, maintain, or cause to be maintained at the Payment Office, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon) (the "Registered Loans"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Collateral Agent pursuant to Section 12.07(b) (which consent of the Collateral Agent must be evidenced by the Collateral Agent's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment and record the information contained therein in the Register.

(f) A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale

on the Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agents shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered on the Register as the owner thereof for the purpose of receiving all payments thereon, notwithstanding notice to the contrary.

(g) In the event that any Lender sells participations in a Registered Loan, such Lender shall, acting for this purpose as an agent on behalf of the Borrower, maintain, or cause to be maintained, a register on which it enters the name of all participants in the Registered Loans held by it and the principal amount (and stated interest thereon) of the portion of the Registered Loan that is the subject of the participation (the "Participant Register"). A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Any Non-U.S. Lender who purchases or is assigned or participates in any portion of such Registered Loan shall comply with Section 2.08(d).

(i) Any Lender may sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments, the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitment hereunder) and the other Loan Documents shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrower and the Agents and any other Lenders shall continue to deal solely and directly with such Lender in connection with the Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or the Borrower (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Borrower agrees that each participant shall be entitled to the benefits of Section 2.08 and Section 4.05 of this Agreement with respect to its participation in any portion of the Total Term Loan Commitment and the Loans as if it was a Lender.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or electronic mail also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. THE BORROWER HEREBY IRREVOCABLY APPOINTS THE SECRETARY OF STATE OF THE STATE OF NEW YORK AS ITS AGENT FOR SERVICE OF PROCESS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING AND FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01 AND TO THE SECRETARY OF STATE OF THE STATE OF NEW YORK, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. THE BORROWER AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION. THE BORROWER HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT

THAT THE BORROWER HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, THE BORROWER HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 12.11 WAIVER OF JURY TRIAL, ETC. THE BORROWER, EACH AGENT AND THE LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE BORROWER CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR THE LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. THE BORROWER HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDER ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lender. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which the Borrower is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender, in its sole discretion, with or without any reason, and without being subject to question or challenge on the grounds that such Action was not taken in good faith.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Agent or any Lender for repayment or recovery of any amount or amounts received by such Agent or such Lender in payment or on account of any of the Obligations, such Agent or such Lender shall give prompt notice of such claim to each other Agent and the Borrower, and if such Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Agent or such Lender or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Agent or such Lender with any such claimant, then and in such event the Borrower agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it

notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Agent or such Lender.

Section 12.15 Indemnification.

(a) General Indemnity. In addition to the Borrower's other Obligations under this Agreement, the Borrower agrees to defend, protect, indemnify and hold harmless each Agent, each Lender and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrower for the account of the Borrower under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans, (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that Borrower shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final judgment of a court of competent jurisdiction.

(b) To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, the Borrower shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.16 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.06 hereof, including, without limitation, the Applicable Prepayment Premium, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, each Agent and the Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents,

and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender, and their respective successors and assigns, except that the Borrower shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and the Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.18 Interest. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or the Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrower); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or the Lender to the Borrower). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.18 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such

Lender if the total amount of interest had been computed without giving effect to this Section 12.18.

For purposes of this Section 12.18, the term “applicable law” shall mean that law in effect from time to time and applicable to the loan transaction between the Borrower, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.19 Confidentiality. Each Agent and the Lender agrees (on behalf of itself and each of its affiliates, directors, officers, employees and representatives) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Borrower pursuant to this Agreement or the other Loan Documents which is identified in writing by the Borrower as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure of any such information (i) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority, (ii) to counsel for any Agent or any Lender, (iii) to examiners, auditors, accountants or Securitization parties; provided, that the Agents and the Lenders shall not be entitled to disclose the identity of the Collateral Value Insurer or the Contingent Collateral Value Insurer to the Rating Agencies or, except as provided below, provide a copy of the Collateral Value Policy to the Rating Agencies, in each case, without the prior written consent of the Collateral Value Insurer or the Contingent Collateral Value Insurer, as applicable; provided, further, that the Agents and the Lenders shall be permitted to disclose a copy of the Collateral Value Policy and the Contingent Collateral Value Policy to the Rating Agencies and to investors (or prospective investors) and their counsel or other advisors of any indebtedness issued by the Lender that relates to this Financing Agreement and the Eligible Insurance Premium Loans financed hereunder so long as the identity of the Collateral Value Insurer and the Contingent Collateral Value Insurer is redacted, (iv) in connection with any litigation to which any Agent or the Lender is a party or (v) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first agrees, in writing, to be bound by confidentiality provisions similar in substance to this Section 12.19.

Section 12.20 Public Disclosure. The Borrower agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, the Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that the Borrower or such Affiliate is required to do so under applicable law (in which event, the Borrower or such Affiliate will consult with such Agent or the Lender

before issuing such press release or other public disclosure). The Borrower hereby authorizes each Agent and the Lender, after consultation with the Borrower, to advertise the closing of the transactions contemplated by this Agreement, and to make appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or the Lender shall deem appropriate, including, without limitation, announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or the Lender shall deem appropriate.

Section 12.21 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.22 USA PATRIOT Act. The Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title 111 of Pub. L. 107-56 (signed into law October 26, 2001)) (as amended, the “USA PATRIOT Act”), a Lender may be required to obtain, verify and record information that identifies the entities composing the Borrower, which information includes the name and address of each such entity and other information that will allow the Lender to identify the entities composing the Borrower in accordance with the USA PATRIOT Act. The Borrower agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

The Pledge Amendment shall from and after delivery thereof constitute part of Schedules VII and VIII hereto. The Grantor hereby authorizes the Collateral Agent to attach each Pledge Amendment to this Agreement and agrees that all promissory notes, certificates or Instruments listed on any Pledge Amendment delivered to the Collateral Agent shall for all purposes hereunder constitute Pledged Interests and the Grantor shall be deemed upon delivery thereof to have made the representations and warranties set forth in Section 5 hereof with respect to such Additional Collateral.

(b) If the Grantor shall receive, by virtue of the Grantor’s being or having been an owner of any Pledged Interests, any (i) stock certificate (including, without limitation, any certificate representing a stock dividend or distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares, stock split, spin-off or split-off), promissory note or other Instrument, (ii) option or right, whether as an addition to, substitution for, or in exchange for, any Pledged Interests, or otherwise, (iii) dividends payable in cash (except such dividends permitted to be retained by the Grantor pursuant to Section 7 hereof) or in securities or other property or (iv) dividends, distributions, cash, Instruments, Investment Property and other property in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in surplus, the Grantor shall receive such stock certificate, promissory note, Instrument, option, right, payment or distribution in trust for the benefit of the Collateral Agent, shall segregate it from the Grantor’s other property and shall deliver it forthwith to the Collateral Agent, in the exact form received, with any necessary indorsement and/or appropriate stock powers duly executed in blank, to be held by the Collateral Agent as Pledged Interests and as further collateral security for the Secured Obligations.

Notwithstanding anything contained

herein to the contrary, but subject to the provisions of the Financing Agreement that limit the right of the Grantor to dispose of its property and Section 6(g) hereof, so long as no Event of Default shall have occurred and be continuing, the Grantor may exploit, use, enjoy, protect, license, sublicense, assign, sell, dispose of or take other actions with respect to the Intellectual Property in the ordinary course of its business. In furtherance of the foregoing, unless an Event of Default shall have occurred and be continuing, the Collateral Agent shall from time to time, upon the request of the Grantor, execute and deliver any instruments, certificates or other documents, in the form so requested, which the Grantor shall have certified are appropriate (in the Grantor's judgment) to allow it to take any action permitted above (including relinquishment of the license provided pursuant to this clause (c) as to any Intellectual Property). Further, upon the date on which all of the Secured Obligations have been indefeasibly paid in full in cash after the termination of each Lender's Commitment and each of the Loan Documents, the Collateral Agent (subject to Section 13(e) hereof) shall release and reassign to the Grantor all of the Collateral Agent's right, title and interest in and to the Intellectual Property, all without recourse, representation or warranty whatsoever and at the Grantor's sole expense. The exercise of rights and remedies hereunder by the Collateral Agent shall not terminate the rights of the holders of any licenses or sublicenses theretofore granted by the Grantor in accordance with the second sentence of this clause (c). The Grantor hereby releases the Collateral Agent from any claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Collateral Agent under the powers of attorney granted herein other than actions taken or omitted to be taken through the Collateral Agent's gross negligence or willful misconduct, as determined by a final determination of a court of competent jurisdiction.

(d) If the Grantor fails to perform any agreement or obligation contained herein, the Collateral Agent may itself perform, or cause performance of, such agreement or obligation, in the name of the Grantor or the Collateral Agent, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by the Grantor pursuant to Section 10 hereof and shall be secured by the Collateral.

(e) The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Other than the exercise of reasonable care to assure the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral and shall be relieved of all responsibility for any Collateral in its possession upon surrendering it or tendering surrender of it to the Grantor (or whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct). The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property, it being understood that the Collateral Agent shall not have responsibility for ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not the Collateral Agent has or is deemed to have knowledge of such matters. The Collateral Agent shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other agent or bailee selected by the Collateral Agent in good faith.

(f) The Collateral Agent may at any time in its discretion (i) without notice to the Grantor, transfer or register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Interests, subject only to the revocable rights of the Grantor under Section 7(a) hereof, and (ii) exchange certificates or Instruments constituting Pledged Interests for certificates or Instruments of smaller or larger denominations.

SECTION 9. Remedies Upon Default. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to any other rights and remedies provided for herein or otherwise available to it, all of the rights and remedies of a secured party upon default under the Code (whether or not the Code applies to the affected Collateral), and also may (i) take absolute control of the Collateral, including, without limitation, transfer into the Collateral Agent's name or into the name of its nominee or nominees (to the extent the Collateral Agent has not theretofore done so) and thereafter receive, for the benefit of the Collateral Agent and the Lenders, all payments made thereon, give all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof, (ii) require the Grantor to, and the Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place or places to be designated by the Collateral Agent that is reasonably convenient to both parties, and the Collateral Agent may enter into and occupy any premises owned or leased by the Grantor where the Collateral or any part thereof is located or assembled for a reasonable period in order to effectuate the Collateral Agent's rights and remedies hereunder or under law, without obligation to the Grantor in respect of such occupation, and (iii) without notice except as specified below and without any obligation to prepare or process the Collateral for sale, (A) sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices, at any exchange or broker's board or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable and/or (B) lease, license or otherwise dispose of the Collateral or any part thereof upon such terms as the Collateral Agent may deem commercially reasonable. The Grantor agrees that, to the extent notice of sale or any other disposition of the Collateral shall be required by law, at least five (5) Business Days' prior written notice to the Grantor of the time and place of any public sale or the time after which any private sale or other disposition of the Collateral is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale or other disposition of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Grantor hereby waives any claims against the Collateral Agent and the Lenders arising by reason of the fact that the price at which the Collateral may have been sold at a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Secured Obligations, even if the Collateral Agent accepts the first offer received and does not offer the Collateral to more than one offeree, and waives all rights that the Grantor may have to require that all or any part of the Collateral be marshaled upon any sale (public or private) thereof. The Grantor hereby acknowledges that (i) any such sale of the Collateral by the Collateral Agent shall be made without warranty, (ii) the

Collateral Agent may specifically disclaim any warranties of title, possession, quiet enjoyment or the like, (iii) the Collateral Agent may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness), if permitted by law, for the purchase, lease, license or other disposition of the Collateral or any portion thereof for the account of the Collateral Agent (on behalf of itself and the Lenders) and (iv) such actions set forth in clauses (i), (ii) and (iii) above shall not adversely affect the commercial reasonableness of any such sale of the Collateral. In addition to the foregoing, (i) upon written notice to the Grantor from the Collateral Agent, the Grantor shall cease any use of the Intellectual Property or any trademark, patent or copyright similar thereto for any purpose described in such notice; (ii) the Collateral Agent may, at any time and from time to time, upon five (5) Business Days' prior written notice to the Grantor, license, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any of the Intellectual Property, throughout the universe for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and (iii) the Collateral Agent may, at any time, pursuant to the authority granted in Section 8 hereof (such authority being effective upon the occurrence and during the continuance of an Event of Default), execute and deliver on behalf of the Grantor, one or more instruments of assignment of the Intellectual Property (or any application or registration thereof), in form suitable for filing, recording or registration in any country.

(b) In the event that the Collateral Agent determines to exercise its right to sell all or any part of the Pledged Interests pursuant to Section 9(a) hereof, the Grantor will, at the Grantor's expense and upon request by the Collateral Agent: (i) execute and deliver, and cause each issuer of such Pledged Interests and the directors and officers thereof to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts and things, as may be necessary or, in the reasonable opinion of the Collateral Agent, advisable to register such Pledged Interests under the provisions of the Securities Act, and to cause the registration statement relating thereto to become effective and to remain effective for such period as prospectuses are required by law to be furnished, and to make all amendments and supplements thereto and to the related prospectus which, in the reasonable opinion of the Collateral Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the SEC applicable thereto, (ii) cause each issuer of such Pledged Interests to qualify such Pledged Interests under the state securities or "Blue Sky" laws of each jurisdiction, and to obtain all necessary governmental approvals for the sale of the Pledged Interests, as requested by the Collateral Agent, (iii) cause each Pledged Issuer to make available to its securityholders, as soon as practicable, an earnings statement which will satisfy the provisions of Section 11(a) of the Securities Act, and (iv) do or cause to be done all such other acts and things as may be necessary to make such sale of such Pledged Interests valid and binding and in compliance with applicable law. The Grantor acknowledges the impossibility of ascertaining the amount of damages which would be suffered by the Collateral Agent by reason of the failure by the Grantor to perform any of the covenants contained in this Section 9(b) and, consequently, agrees that, if the Grantor fails to perform any of such covenants, it shall pay, as liquidated damages and not as a penalty, an amount equal to the value of the Pledged Interests on the date the Collateral Agent demands compliance with this Section 9(b); provided, however, that the payment of such amount shall not release the Grantor from any of its obligations under any of the other Loan Documents.

(c) Notwithstanding the provisions of Section 9(b) hereof, the Grantor recognizes that the Collateral Agent may deem it impracticable to effect a public sale of all or any part of the Pledged Shares or any other securities constituting Pledged Interests and that the Collateral Agent may, therefore, determine to make one or more private sales of any such securities to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. The Grantor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sales shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to delay the sale of any such securities for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the Securities Act. The Grantor further acknowledges and agrees that any offer to sell such securities which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such an offer may be so advertised without prior registration under the Securities Act) or (ii) made privately in the manner described above to not less than fifteen bona fide offerees shall be deemed to involve a "public disposition" for the purposes of Section 9-610(c) of the Code (or any successor or similar, applicable statutory provision) as then in effect in the State of New York, notwithstanding that such sale may not constitute a "public offering" under the Securities Act, and that the Collateral Agent may, in such event, bid for the purchase of such securities.

(d) Any cash held by the Collateral Agent (or its agent or designee) as Collateral and all Cash Proceeds received by the Collateral Agent (or its agent or designee) in respect of any sale of or collection from, or other realization upon, all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent (or its agent or designee) as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 10 hereof) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations in such order as the Collateral Agent shall elect, consistent with the provisions of the Financing Agreement. Any surplus of such cash or Cash Proceeds held by the Collateral Agent (or its agent or designee) and remaining after the date on which all of the Secured Obligations have been indefeasibly paid in full in cash after the termination of each Lender's Commitment and each of the Loan Documents, shall be paid over to whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct.

(e) In the event that the proceeds of any such sale, collection or realization are insufficient to pay all amounts to which the Collateral Agent and the Lenders are legally entitled, the Grantor shall be liable for the deficiency, together with interest thereon at the highest rate specified in any applicable Loan Document for interest on overdue principal thereof or such other rate as shall be fixed by applicable law, together with the costs of collection and the reasonable fees, costs, expenses and other client charges of any attorneys employed by the Collateral Agent to collect such deficiency.

(f) The Grantor hereby acknowledges that if the Collateral Agent complies with any applicable requirements of law in connection with a disposition of the

Collateral, such compliance will not adversely affect the commercial reasonableness of any sale or other disposition of the Collateral.

(g) The Collateral Agent shall not be required to marshal any present or future collateral security (including, but not limited to, this Agreement and the Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of the Collateral Agent's rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that the Grantor lawfully may, the Grantor hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Collateral Agent's rights under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Grantor hereby irrevocably waives the benefits of all such laws.

SECTION 10. Indemnity and Expenses.

(a) The Grantor agrees to defend, protect, indemnify and hold harmless each Agent and each other Indemnitee from and against any and all claims, losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by such Agent or such Indemnitee to the extent that they arise out of or otherwise result from or relate to or are in connection with this Agreement (including, without limitation, enforcement of this Agreement), except claims, losses or liabilities resulting solely and directly from such Agent's or any such Indemnitee's gross negligence or willful misconduct, as determined by a final judgment of a court of competent jurisdiction.

(b) The Grantor agrees to pay to the Agents upon demand the amount of any and all costs and expenses, including the reasonable fees, costs, expenses and disbursements of counsel for the Agents and of any experts and agents (including, without limitation, any collateral trustee which may act as agent of the Agents), which the Agents may incur in connection with (i) the preparation, negotiation, execution, delivery, recordation, administration, amendment, waiver or other modification or termination of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any Collateral, (iii) the exercise or enforcement of any of the rights of the Agents hereunder, or (iv) the failure by the Grantor to perform or observe any of the provisions hereof.

SECTION 11. Notices, Etc. All notices and other communications provided for hereunder shall be given in accordance with the notice provision of the Financing Agreement.

SECTION 12. Security Interest Absolute; Joint and Several Obligations.

(a) All rights of the Secured Parties, all Liens and all obligations of the Grantor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity or enforceability of the Financing Agreement or any other Loan Document, (ii) any change in the

time, manner or place of payment of, or in any other term in respect of, all or any of the Secured Obligations, or any other amendment or waiver of or consent to any departure from the Financing Agreement or any other Loan Document, (iii) any exchange or release of, or non-perfection of any Lien on any Collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Obligations, or (iv) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Grantor in respect of the Secured Obligations. All authorizations and agencies contained herein with respect to any of the Collateral are irrevocable and powers coupled with an interest.

(b) The Grantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and notice of the incurrence of any Obligation by any Borrower, (iii) notice of any actions taken by any Agent, any Lender, any Guarantor or any other Person under any Loan Document or any other agreement, document or instrument relating thereto, (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, the omission of or delay in which, but for the provisions of this subsection (b), might constitute grounds for relieving the Grantor of any of Grantor's obligations hereunder and (v) any requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or other lien on any property subject thereto or exhaust any right or take any action against the Grantor or any other Person or any collateral.

SECTION 13. Miscellaneous.

(a) No amendment of any provision of this Agreement (including any Schedule attached hereto) shall be effective unless it is in writing and signed by the Grantor affected thereby and the Collateral Agent, and no waiver of any provision of this Agreement, and no consent to any departure by the Grantor therefrom, shall be effective unless it is in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No failure on the part of the Secured Parties to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Secured Parties provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Secured Parties under any Loan Document against any party thereto are not conditional or contingent on any attempt by such Person to exercise any of its rights under any other Loan Document against such party or against any other Person, including but not limited to, the Grantor.

(c) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect, subject to paragraph (e) below, until the date on which all of the Secured Obligations have been indefeasibly paid in full in cash after the termination of each Lender's Commitment and each of the Loan Documents and (ii) be binding on the Grantor all other Persons who become bound as debtor to this Agreement in accordance with Section 9-203(d) of the Code, and shall inure, together with all rights and remedies of the Secured Parties hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of clause (ii) of the immediately

preceding sentence, the Secured Parties may assign or otherwise transfer their respective rights and obligations under this Agreement and any other Loan Document to any other Person pursuant to the terms of the Financing Agreement, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Secured Parties and herein or otherwise. Upon any such assignment or transfer, all references in this Agreement to any Secured Party shall mean the assignee of any such Secured Party. None of the rights or obligations of the Grantor hereunder may be assigned or otherwise transferred without the prior written consent of the Collateral Agent, and any such assignment or transfer shall be null and void.

(d) Upon the date on which all of the Secured Obligations have been indefeasibly paid in full in cash after the termination of each Lender's Commitment and each of the Loan Documents, (i) subject to paragraph (e) below, this Agreement and the security interests and licenses created hereby shall terminate and all rights to the Collateral shall revert to the Grantor and (ii) the Collateral Agent will, upon the Grantor's request and at the Grantor's expense, without any representation, warranty or recourse whatsoever, (A) return to the Grantor (or whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct) such of the Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof and (B) execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

(e) This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against the Grantor for liquidation or reorganization, should the Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of the Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment or performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(f) THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO THE EXTENT THAT THE VALIDITY AND PERFECTION OR THE PERFECTION AND THE EFFECT OF PERFECTION OR NON-PERFECTION OF THE SECURITY INTEREST CREATED HEREBY, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAW OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

(g) In addition to and without limitation of any of the foregoing, this Agreement shall be deemed to be a Loan Document and shall otherwise be subject to all of terms and conditions contained in Sections 12.10 and 12.11 of the Financing Agreement, mutatis mutandi.

(h) The Grantor irrevocably and unconditionally waives any right it may have to claim or recover in any legal action, suit or proceeding with respect to this Agreement any special, exemplary, punitive or consequential damages.

(i) Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(j) Section headings herein are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

(k) This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be deemed an original, but all of such counterparts taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

FORM OF ASSIGNMENT AND ACCEPTANCE AGREEMENT

This ASSIGNMENT AND ACCEPTANCE AGREEMENT ("Assignment Agreement") is entered into as of _____, 20__ between _____ ("Assignor") and _____ ("Assignee"). Reference is made to the agreement described in Item 2 of Annex I annexed hereto (as amended, restated, modified or otherwise supplemented from time to time, the "Financing Agreement"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Financing Agreement.

1. In accordance with the terms and conditions of Section 12.07 of the Financing Agreement, the Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, that interest in and to the Assignor's rights and obligations under the Loan Documents as of the date hereof and the Commitments with respect to the Obligations owing to the Assignor, and the Assignor's portion of the Loans as specified on Annex I.

2. The Assignor (a) represents and warrants that (i) it is the legal and beneficial owner of the interest being assigned by it hereunder and that such interest is free and clear of any adverse claim and (ii) it has full power and authority, and has taken all action necessary, to execute and deliver this Assignment Agreement and to consummate the transactions contemplated hereby; (b) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with the Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Loan Documents or any other instrument or document furnished pursuant thereto; and (c) makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under the Loan Documents or any other instrument or document furnished pursuant thereto.

3. The Assignee (a) confirms that it has received copies of the Financing Agreement and the other Loan Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment Agreement; (b) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, the Assignor, or any other Lender, based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents; (c) appoints and authorizes each of the Administrative Agent and the Collateral Agent to take such action as the Administrative Agent or the Collateral Agent (as the case may be) on its behalf and to exercise such powers under the Loan Documents as are delegated to the Administrative Agent or the Collateral Agent (as the case may be) by the terms thereof, together with such powers as are reasonably incidental thereto; (d) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender; and (e) attaches the forms prescribed by the Internal Revenue Service of the United States certifying as to the Assignee's status for

purposes of determining exemption from United States withholding taxes with respect to all payments to be made to the Assignee under the Financing Agreement or such other documents as are necessary to indicate that all such payments are subject to such rates at a rate reduced by an applicable tax treaty.

4. Following the execution of this Assignment Agreement by the Assignor and the Assignee, it will be delivered by the Assignor to the Collateral Agent for recording by the Administrative Agent. The effective date of this Assignment Agreement (the "Settlement Date") shall be the latest of (a) the date of the execution hereof by the Assignor and the Assignee, (b) the date this Assignment Agreement has been accepted by the Collateral Agent and recorded in the Register, (c) the date of receipt by the Collateral Agent of a processing and recordation fee in the amount of \$5,000³, (d) the settlement date specified on Annex I, and (e) the receipt by Assignor of the Purchase Price specified in Annex I.

5. 6. Upon recording by the Administrative Agent, from and after the Settlement Date, the Administrative Agent shall make all payments under the Financing Agreement and the other Loan Documents in respect of the interest assigned hereby (including, without limitation, all payments of principal, interest and commitment fees (if applicable) with respect thereto) to the Assignee. The Assignor and the Assignee shall make all appropriate adjustments in payments under the Financing Agreement and the other Loan Documents for periods prior to the Settlement Date directly between themselves on the Settlement Date.

7. THIS ASSIGNMENT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REFERENCE TO ITS CONFLICTS OF LAWS PROVISION (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

EXHIBIT D

FORM OF INDIVIDUAL GUARANTY

INDIVIDUAL GUARANTY, dated as of _____, 2009, made by [Jonathan Neuman] [Antony Mitchell], an individual with a principal address at _____ (the "Guarantor"), in favor of each of the Lenders (as hereinafter defined) and LoIC LLC, a Delaware limited liability company ("LoIC"), as Collateral Agent for the Lenders (in such capacity, the "Collateral Agent") pursuant to the Financing Agreement referred to below.

W I T N E S S E T H

WHEREAS, Imperial PFC Financing II, LLC, a Georgia limited liability company (the "Borrower"), the lenders from time to time party thereto (each a "Lender" and collectively, the "Lenders"), the Collateral Agent, and LoIC, as administrative agent for the Lenders (in such capacity, the "Administrative Agent" and together with the Collateral Agent, each an "Agent" and collectively, the "Agents") are parties to a Financing Agreement, dated as of _____, 2009 (such agreement, as amended, restated or otherwise modified from time to time, being hereinafter referred to as the "Financing Agreement");

WHEREAS, pursuant to the Financing Agreement, the Lenders have agreed to make term loans (each a "Loan" and collectively, the "Loans") to the Borrower;

WHEREAS, pursuant to Section 5.01(d) of the Financing Agreement, the Guarantor is required to execute and deliver to the Agents a guaranty guaranteeing the Loans and all other Obligations under the Financing Agreement under certain limited circumstances set forth in this Guaranty; and

WHEREAS, the Guarantor has determined that his execution, delivery and performance of this Guaranty directly benefit, and are within the purposes and in the best interests of, the Guarantor;

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Lenders to enter into the Financing Agreement and to make the Loans pursuant thereto, the Guarantor hereby agrees with the Lenders and the Agents as follows:

SECTION 1. Definitions. Reference is hereby made to the Financing Agreement for a statement of the terms thereof. All terms used in this Guaranty which are defined in the Financing Agreement and not otherwise defined herein shall have the same meanings herein as set forth therein.

SECTION 2. Guaranty. (a) The Guarantor hereby (i) irrevocably, absolutely and unconditionally guarantees (A) the prompt payment by the Borrower, as and when due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), of all Obligations from time to time owing in respect of the Financing Agreement or any other Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding with respect to the Borrower, whether or not a claim for post-filing interest is allowed in such proceeding), fees,

commissions, expense reimbursements, indemnifications or otherwise, and whether accruing before or subsequent to the commencement of any Insolvency Proceeding with respect to the Borrower (notwithstanding the operation of the automatic stay under Section 362(a) of the U.S. Bankruptcy Code), and the due performance and observance by the Borrower of its other obligations now or hereafter existing in respect of the Loan Documents, and (B) the full and completion performance by Imperial Premium Finance, LLC of all of its obligations and duties under the Initial Servicing Agreement (collectively, the “Guaranteed Obligations”), and (ii) agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Agents and the Lenders in enforcing any rights under this Guaranty. Without limiting the generality of the foregoing, the Guarantor’s liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrower to the Agents and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any Credit Party.

(b) Notwithstanding anything contained in this Guaranty, except as provided in clause (ii) of this Section 2(b) and Section 2(c), (x) the Guarantor shall not have any liability under this Guaranty for the payment or performance of the Guaranteed Obligations, (y) the Guarantor shall not have any obligation to expend its own funds in the performance of any provision of any Loan Document, and (z) no Agent nor any Lender shall obtain any deficiency judgment against the Guarantor with respect to any of the foregoing; provided, however, that:

(i) nothing contained herein shall limit or otherwise restrict (A) any Agent’s or any Lender’s rights and remedies against any of the Collateral under any other Loan Document, either at law or equity, including, without limitation, any rights or remedies with respect to the Equity Interests of the Borrower owned by the Guarantor, (B) the Agent or any Lender from bringing any action, suit or proceeding for specific performance against the Guarantor to perform any obligation imposed on the Guarantor hereunder, (C) recourse to or liability of the Guarantor for any fraud committed by the Guarantor or material misrepresentation by the Guarantor in any Loan Document to which the Guarantor is a party, or (D) the obligations of the Guarantor under any Loan Document which obligations are either directly in favor of any Agent or any Lender or have been assigned to any Agent or any Lender, each of which may be enforced by and for the benefit of the Agents and Lenders, and

(ii) the Guarantor shall have (A) full liability and responsibility for the Guaranteed Obligations and other obligations hereunder if (x) any act (or omission to act) constituting fraud or willful misconduct on the part of the Guarantor or any Non-Corporate Trustee that impairs the Agents’ and the Lenders’ ability to be repaid under the Loan Documents occurs, or (y) the Guarantor or any Non-Corporate Trustee authorizes, approves, participates in or assists the Borrower or the Originator in commencing a voluntary or involuntary case under the Bankruptcy Code or any other Insolvency Proceeding, and (B) liability and responsibility for the Guaranteed Obligations and other obligations hereunder if (x) any Collections are not promptly deposited directly into the Collection Account or (ii) inadvertently deposited into an account of the Originator or any Affiliate and promptly removed from such account and deposited into the Collection Account); provided, that in the case of this clause (B)(x), such liability and responsibility of the Guarantor shall not exceed the aggregate amount of the Collections not promptly deposited directly into the Collection Account, or (y) the Borrower,

Guarantor and/or an agent of Imperial and/or its Subsidiaries or any Person appointed by the Borrower to perform any duties on behalf of the Borrower in connection with the Collateral Value Policy or the Contingent Collateral Value Policy shall refer any claim to the Collateral Value Insurer or the Contingent Collateral Value Insurer knowing the same to be fraudulent; provided, that in the case of this clause (B)(y), such liability and responsibility of the Guarantor shall not exceed the aggregate amount of the loss relating to the applicable Coverage Certificate related to such fraudulent claim or (z) the applicable Premium Finance Borrower, the Originator or the Borrower ceases to be the legal owner of a Covered Policy (as defined in the Collateral Value Policy or the Contingent Collateral Value Policy) and any Non-Corporate Trustee, the Guarantor and/or an employee of Imperial and/or its Subsidiaries (collectively, the "Guarantor Responsible Parties"), directly or indirectly, caused, or assisted another Person in, the transfer of legal title of such Covered Policy from the applicable Premium Finance Borrower, the Originator or the Borrower to another Person other than the Collateral Value Insurer or the Contingent Collateral Value Insurer (or a designee of the Collateral Value Insurer or of the Contingent Collateral Value Insurer) in accordance with the provisions of the Collateral Value Policy or the Contingent Collateral Value Policy; provided, that in the case of this clause (B)(z), such liability and responsibility of the Guarantor shall not exceed the aggregate amount of the loss relating to the applicable Coverage Certificate related to such Covered Policy; provided further, and for greater clarity, in the case of this clause (B)(z), any transfer or change in legal ownership caused solely by a Person other than a Guarantor Responsible Party that is permitted by the Transaction Documents shall not result in liability or responsibility hereunder for the Guarantor.

(c) Nothing in subsection (b) of this Section 2 shall limit or otherwise restrict in any manner the rights, powers and privileges of any Agent against the Guarantor under any other Loan Document to which the Guarantor is a party.

SECTION 3. Guaranty Absolute; Continuing Guaranty; Assignments

(a) Subject to Sections 2(b) and 2(c) of this Agreement, the Guarantor hereby guarantees that the Guaranteed Obligations will be paid or performed, as applicable, strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect thereto. The Guarantor agrees that, subject to Sections 2(b) and 2(c) of this Agreement, this guarantee constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by the Agents or the Lenders to any Collateral. The obligations of the Guarantor under this Guaranty are independent of the obligations under the Financing Agreement and the other Loan Documents, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against any Credit Party or whether any Credit Party is joined in any such action or actions. Subject to Sections 2(b) and 2(c) of this Agreement, the liability of the Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and the Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

- (i) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(ii) any change in the time, manner or place of payment or performance of, or in any other term in respect of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Credit Party or otherwise;

(iii) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(iv) the existence of any claim, set-off, defense or other right that the Guarantor may have against any Person, including, without limitation, any Agent or any Lender;

(v) any change, restructuring or termination of the limited liability company structure or existence of the Borrower; or

(vi) any other circumstance (including any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Credit Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agents, the Lenders or any other Person upon the insolvency, bankruptcy or reorganization of any Credit Party or otherwise, all as though such payment had not been made.

(b) This Guaranty is a continuing guaranty and shall (i) remain in full force and effect until the later of (x) the cash payment in full of the Guaranteed Obligations and all other amounts payable under this Guaranty and (y) the Final Maturity Date, (ii) be binding upon the Guarantor, his heirs, executors, administrators, legal representatives, successors and assigns and (iii) inure to the benefit of and be enforceable by the Agents, the Lenders and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (iii), any Lender may pledge, assign or otherwise transfer all or any portion of his rights and obligations under any Loan Document to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in the Financing Agreement.

SECTION 4. Waivers. The Guarantor hereby waives, to the full extent permitted by applicable law, (i) promptness and diligence; (ii) notice of acceptance and notice of the incurrence of any Obligation by the Borrower; (iii) notice of any actions taken by any Agent, the Borrower, any Credit Party or any Lender under any Loan Document or any other agreement or instrument related thereto; (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations or of the obligations of the Guarantor hereunder, the omission of or delay in which, but for the provisions of this Section 4, might constitute grounds for relieving the Guarantor of his obligations hereunder; (v) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this Guaranty from any one particular fund or source; (vi) any requirement that any Agent

or any Lender protect, secure, perfect or insure any security interest or Lien or any property subject thereto or exhaust any right or take any action against the Borrower, any other Credit Party or any other Person or any Collateral; and (vii) any other defense available to the Guarantor. The Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 4 is knowingly made in contemplation of such benefits. The Guarantor hereby waives any right to revoke this Guaranty, and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

SECTION 5. Subrogation. (a) Until the final payment in cash and performance in full of all of the Obligations, the Guarantor shall not exercise any rights against the Borrower or any other guarantor arising as a result of payment by the Borrower or such guarantor hereunder, by way of subrogation, reimbursement, restitution, contribution or otherwise, and will not prove any claim in competition with any Agent or any Lender in respect of any payment hereunder in any Insolvency Proceedings; the Guarantor will not claim any setoff, recoupment or counterclaim against the Borrower or any other guarantor in respect of any liability of the Guarantor to the Borrower or guarantor; and the Guarantor, the Borrower and each guarantor waives any benefit of and any right to participate in any collateral security which may be held by any Agent or any Lender. Anything to the contrary contained in the foregoing notwithstanding, the Guarantor shall not exercise any such rights against the Borrower (including after payment in full of the Obligations) if all or any portion of the Obligations shall have been satisfied in connection with an exercise of remedies by the Collateral Agent in respect of the Equity Interests of the Borrower whether pursuant to the Individual Guarantor Security Agreement or otherwise.

(b) The payment of any amounts due with respect to any Indebtedness of the Borrower or the Guarantor for money borrowed or credit received now or hereafter owed to the Guarantor is hereby subordinated to the prior payment in full of all of the Obligations. The Guarantor agrees that, after the occurrence of any default in the payment or performance of any of the Obligations, the Guarantor will not demand, sue for or otherwise attempt to collect any such indebtedness of the Borrower or other guarantor to the Guarantor until all of the Obligations shall have been paid in full. If, notwithstanding the foregoing sentence, the Guarantor shall collect, enforce or receive any amounts in respect of such indebtedness while any Obligations are still outstanding, such amounts shall be collected, enforced and received by the Guarantor as trustee for the Agents and the Lenders and be paid over to the Collateral Agent, for the benefit of the Agents and the Lenders, on account of the Obligations without affecting in any manner the liability of the Guarantor under the other provisions of this Guaranty.

SECTION 6. Representations, Warranties. The Guarantor hereby represents and warrants as follows:

(a) The Guarantor has the legal capacity and right to execute, deliver and perform this Guaranty and each other Loan Document to which the Guarantor is a party.

(b) The execution, delivery and performance by the Guarantor of this Guaranty and each other Loan Document to which the Guarantor is a party (i) do not and will not contravene any Requirements of Law or any contractual restriction binding on or otherwise affecting the Guarantor or his properties, (ii) do not and will not result in or require the creation

of any Lien (other than pursuant to any Loan Document) upon or with respect to any of his properties, and (iii) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to any of his properties.

(c) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by the Guarantor of this Guaranty or any of the other Loan Documents to which the Guarantor is a party, except for the filing of any UCC financing statement or such other registrations, filings or recordings as may be necessary to perfect the Lien purported to be created by any Loan Documents to which the Guarantor is a party.

(d) Each of this Guaranty and the other Loan Documents to which the Guarantor is or will be a party, when delivered, will be, a legal, valid and binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws.

(e) There are no pending or written notices threatening any action, suit or proceeding affecting the Guarantor before any court or other Governmental Authority or any arbitrator that (x) if adversely determined could reasonably be expected to have a material adverse effect to the Guarantor's financial condition or (y) relates to this Guaranty or any of the other Loan Documents to which the Guarantor is a party or any transaction contemplated hereby or thereby.

(f) The Guarantor is not in violation of any Requirements of Law or any material term of any agreement or instrument (including, without limitation, any contract) binding on or otherwise affecting him or any of his properties.

(g) The Guarantor is not a party to any agreement or instrument, or subject to any restriction or any judgment, order, regulation, ruling or other requirement of a court or other Governmental Authority, which has, or in the future could have, a material adverse effect to the Guarantor's financial condition.

(h) The Guarantor has filed or caused to be filed all tax returns which he is required to file and has paid all taxes shown to be due and payable on such returns or on any assessments made against the Guarantor or any of his property by any Governmental Authority except to the extent any such taxes are being contested in good faith. No tax Lien has been filed with respect to any material tax liability against the Guarantor, and, to the knowledge of the Guarantor, no tax assessment is pending against the Guarantor.

(i) The Guarantor (i) has read and understands the terms and conditions of the Financing Agreement and the other Loan Documents, and (ii) now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Borrower and the other Credit Parties, and has no need of, or right to obtain from any Agent or any Lender, any credit or other information concerning the affairs, financial condition or business of the Borrower or the other Credit Parties that may come under the control of any Agent or any Lender.

(j) All representations and warranties set forth in this Guaranty are true and correct in all respects at the time as of which such representations were made and on the Effective Date.

SECTION 7. Covenants. The Guarantor hereby covenants and agrees that, until full and final payment of the Obligations in cash and the termination of the Total Term Loan Commitment, the Guarantor will:

(a) Not accept or retain any distribution or other payment from the Borrower if the making of such distribution or other payment by the Borrower violates, or may reasonably be expected to result in a violation of, the Financing Agreement or any other Loan Document.

(b) Comply in all material respects with all Requirements of Law (including any settlement of any claim that, if breached, could give rise to any of the foregoing).

(c) Promptly notify the Agents of:

(i) (A) any breach or non-performance of, or any default under, any Contractual Obligation of such Guarantor which could reasonably be expected to have a material adverse effect to the Guarantor's financial condition, and (B) any action, suit, litigation or proceeding which may exist at any time which could reasonably be expected to have a material adverse effect to the Guarantor's financial condition; and

(ii) the occurrence of any event or development that could have a material adverse effect to the Guarantor's financial condition;

provided that (A) each notice pursuant to this Section 7(c) shall be accompanied by a written statement signed by such Guarantor, setting forth details of the occurrence referred to therein, and stating what action the Guarantors propose to take with respect thereto and at what time. Each notice under Section 7(c)(i) shall describe with particularity the provisions of this Guaranty or other Loan Document that have been breached.

(d) Pay all taxes, assessments, governmental charges and other obligations when due, except as may be contested in good faith or those as to which a bona fide dispute may exist.

(e) Execute and deliver to the Agents such further instruments and do such other further acts as the Agent may reasonably request to carry out more effectively the purposes of this Guaranty, the other Loan Documents and any agreements and instruments referred to herein.

(f) Not knowingly commit, and not knowingly permit any of its Affiliates, including the Borrower, to knowingly commit, a Prohibited Act (as defined in the Collateral Value Policy) or any other act that results in the liability of the Collateral Value Insurer under the Collateral Value Policy being reduced or terminated.

(g) On the Effective Date, deliver to the Agents, for the benefit of the Lenders, a personal financial statement of the Guarantor, in form and substance reasonably

satisfactory to the Agents, accompanied by a signed representation by the Guarantor that such personal financial statement is complete and accurate in all material respects and fairly presents the financial condition of the Guarantor as of the Effective Date and that the Guarantor has no contingent obligations or liabilities (for taxes or otherwise) or any unusual long term commitment except as set forth in such financial statement or the notes thereto.

SECTION 8. Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, and subject to Sections 2(b) and 2(c) of this Agreement, the Agents and the Lenders may, and are hereby authorized to, at any time and from time to time, without notice to the Guarantor (any such notice being expressly waived by the Guarantor) and to the fullest extent permitted by law, set-off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by any Agent or any Lender to or for the credit or the account of the Guarantor against any and all obligations of the Guarantor either now or hereafter existing under this Guaranty or any other Loan Document, irrespective of whether or not any Agent or any Lender shall have made any demand under this Guaranty or any other Loan Document and although such obligations may be contingent or unmatured. Each of the Agents and Lenders agrees to notify the Guarantor promptly after any such set-off and application made by such Agent or Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 8 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Agents and the Lenders may have under this Guaranty or any other Loan Document in law or otherwise.

SECTION 9. Notices, Etc. All notices and other communications provided for hereunder shall be in writing and shall be mailed (by certified mail, postage prepaid and return receipt requested), telecopied or delivered, if to the Guarantor, to it at his address set forth on the signature page hereto, or if to the Collateral Agent, to it at its address set forth in the Financing Agreement; or as to either such Person at such other address as shall be designated by such Person in a written notice to such other Person complying as to delivery with the terms of this Section 9. All such notices and other communications shall be effective (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or 3 days after deposited in the mails, whichever occurs first, (ii) if telecopied, when transmitted and confirmation received, or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery.

SECTION 10. CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE GUARANTOR HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF HIS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. THE GUARANTOR HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT ITS ADDRESS SET FORTH ON THE SIGNATURE PAGE HERETO, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS

AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY AGENT AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE GUARANTOR IN ANY OTHER JURISDICTION. THE GUARANTOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT THE GUARANTOR HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO HIM OR HIS PROPERTY, THE GUARANTOR HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF HIS OBLIGATIONS UNDER THIS GUARANTY AND THE OTHER LOAN DOCUMENTS.

SECTION 11. WAIVER OF JURY TRIAL, ETC. THE GUARANTOR HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS GUARANTY OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION HERewith OR THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS GUARANTY OR THE OTHER LOAN DOCUMENTS, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE GUARANTOR CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. THE GUARANTOR HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

SECTION 12. Miscellaneous.

(a) The Guarantor will make each payment hereunder in lawful money of the United States of America and in immediately available funds to the Collateral Agent, for the benefit of the Lenders, at such address specified by the Collateral Agent from time to time by notice to the Guarantor.

(b) No amendment of any provision of this Guaranty shall be effective unless it is in writing and signed by the Guarantor and the Collateral Agent, and no waiver of any provision of this Guaranty, and no consent to any departure by the Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Guarantor and the

Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(c) No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

(d) Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(e) This Guaranty shall (i) be binding on the Guarantor and his heirs, executors, administrators, legal representatives, successors and assigns, and (ii) inure, together with all rights and remedies of the Agents and the Lenders hereunder, to the benefit of the Agents and the Lenders and their respective successors, transferees and assigns. Without limiting the generality of clause (ii) of the immediately preceding sentence, to the extent permitted by Section 12.07 of the Financing Agreement, any Lender may assign or otherwise transfer its rights under the Financing Agreement or any other Loan Document to any other Person, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Lenders herein or otherwise. The Guarantor agrees that each participant shall be entitled to the benefits of Section 8 with respect to its participation in any portion of the Loans as if it was a Lender. None of the rights or obligations of the Guarantor hereunder may be assigned or otherwise transferred without the prior written consent of the Collateral Agent.

(f) This Guaranty and the other Loan Documents reflect the entire understanding of the transactions contemplated hereby and thereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

(g) Section headings herein are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

(h) Delivery of an executed counterpart of this Guaranty by telefacsimile or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Guaranty. Any party delivering an executed counterpart of this Guaranty by telefacsimile or electronic mail also shall deliver an original executed counterpart of this Guaranty but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Guaranty.

(i) This Guaranty and the other Loan Documents (unless expressly provided to the contrary in another Loan Document in respect of such other Loan Document) shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts made and to be performed in the State of New York.

EXHIBIT E

FORM OF GUARANTOR SECURITY AGREEMENT

PLEDGE AND SECURITY AGREEMENT, dated as of _____, 2009 (this "Agreement"), made by Imperial Premium Finance, LLC, a Florida limited liability company (the "Pledgor"), in favor of LoIC LLC, a Delaware limited liability company ("LoIC"), in its capacity as collateral agent (in such capacity, together with any successors or assigns in such capacity, if any, the "Collateral Agent") on behalf of the Lenders referred to below.

WITNESSETH

WHEREAS, Imperial PFC Financing II, LLC, a Georgia limited liability company (the "Borrower"), the lenders from time to time party thereto (each a "Lender" and collectively, the "Lenders"), the Collateral Agent, and LoIC, as administrative agent for the Lenders (in such capacity, the "Administrative Agent" and together with the Collateral Agent, each an "Agent" and collectively, the "Agents") are parties to a Financing Agreement, dated as of _____, 2009 (such agreement, as amended, restated or otherwise modified from time to time, being hereinafter referred to as the "Financing Agreement");

WHEREAS, pursuant to the Financing Agreement the Lenders have agreed to make term loans (each a "Loan" and collectively, the "Loans") to the Borrower in an aggregate principal amount at any one time outstanding not to exceed the Total Term Loan Commitment (as defined in the Financing Agreement);

WHEREAS, the Pledgor owns 100% of the Equity Interests (as defined in the Financing Agreement) of the Borrower, as set forth in Schedule I hereto;

WHEREAS, it is a condition precedent to the Lenders making any Loan to the Borrower pursuant to the Financing Agreement that the Pledgor shall have executed and delivered to the Collateral Agent a pledge and security agreement providing for the pledge to the Collateral Agent, for the benefit of the Agents and the Lenders, and the grant to the Collateral Agent, for the benefit of the Agents and the Lenders, of a security interest in and Lien on the outstanding shares of the Equity Interests (as defined in the Financing Agreement) owned by the Pledgor of the Borrower, and in which such Pledgor has any interest at any time;

WHEREAS, the Pledgor has determined that the execution, delivery and performance of this Agreement directly benefits, and is in the best interest of, the Pledgor.

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Lenders to make and maintain the Loans to the Borrower pursuant to the Financing Agreement, the Pledgor hereby agrees with the Collateral Agent, for the benefit of the Agents and the Lenders, as follows:

SECTION 1. Definitions. Reference is hereby made to the Financing Agreement for a statement of the terms thereof. All terms used in this Agreement which are defined in the

Financing Agreement or in Article 8 or Article 9 of the Uniform Commercial Code (the “Code”) as in effect from time to time in the State of New York and which are not otherwise defined herein shall have the same meanings herein as set forth therein; provided, that terms used herein which are defined in the Code as in effect in the State of New York on the date hereof shall continue to have the same meaning notwithstanding any replacement or amendment of such statute except as the Collateral Agent may otherwise determine.

SECTION 2. Pledge and Grant of Security Interest. As collateral security for all of the Obligations (as defined in Section 3 hereof), the Pledgor hereby pledges and assigns to the Collateral Agent, and grants to the Collateral Agent, for the benefit of the Agents and the Lenders, a continuing security interest in and Lien on the Pledgor’s right, title and interest in and to the following (collectively, the “Pledged Collateral”):

(a) the shares of stock, partnership interests, member interests and other equity interests described in Schedule I hereto (the “Pledged Shares”), whether or not evidenced or represented by any stock certificate, certificated security or other instrument, issued by the Borrower described in such Schedule I (the “Pledged Issuers”), the certificates representing the Pledged Shares, all options and other rights, contractual or otherwise, in respect thereof and all dividends, distributions, cash, instruments, investment property and other property (including but not limited to, any stock dividend and any distribution in connection with a stock split) from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Pledged Shares;

(b) all additional shares of stock, partnership interests, member interests or other equity interests from time to time acquired by the Pledgor, of the Pledged Issuers, the certificates representing such additional shares, all options and other rights, contractual or otherwise, in respect thereof and all dividends, distributions, cash, instruments, investment property and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such additional shares, interests or equity;

(c) all security entitlements of the Pledgor in any and all of the foregoing; and

(d) all proceeds (including proceeds of proceeds) of any and all of the foregoing;

in each case, whether now owned or hereafter acquired by the Pledgor and howsoever its interest therein may arise or appear (whether by ownership, security interest, Lien, claim or otherwise).

SECTION 3. Obligations. (a) The Pledgor hereby (i) irrevocably, absolutely and unconditionally guarantees the prompt payment by the Borrower, as and when due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), of all amounts from time to time owing in respect of the Financing Agreement or any other Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding with respect to the Borrower, whether or not a claim for post-filing interest is allowed in such proceeding), fees, commissions, expense

reimbursements, indemnifications or otherwise, and whether accruing before or subsequent to the commencement of any Insolvency Proceeding with respect to the Borrower (notwithstanding the operation of the automatic stay under Section 362(a) of the U.S. Bankruptcy Code), and the due performance and observance by the Borrower of its other obligations now or hereafter existing in respect of the Loan Documents (the "Obligations"), and (ii) agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Agents and the Lenders in enforcing any rights under this Agreement.

(b) The security interest created hereby in the Pledged Collateral constitutes continuing collateral security for (x) Obligations and (y) the due performance and observance by the Pledgor of all of its other obligations from time to time existing in respect of the Loan Documents.

(c) Notwithstanding anything to the contrary contained in this Agreement, the recourse of the Agent and the Lenders with respect to the liability of the Pledgor under this Agreement solely with respect to the Obligations shall be limited to the Pledged Collateral.

SECTION 4. Delivery of the Pledged Collateral.

(a) (i) All certificates currently representing the Pledged Shares shall be delivered to the Collateral Agent contemporaneously with or prior to the execution and delivery of this Agreement. All other certificates and instruments constituting Pledged Collateral from time to time or required to be pledged to the Collateral Agent, pursuant to the terms of this Agreement or the Financing Agreement (the "Additional Collateral"), shall be delivered to the Collateral Agent promptly upon receipt thereof by or on behalf of the Pledgor. All such certificates and instruments shall be held by or on behalf of the Collateral Agent pursuant hereto and shall be delivered in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment or undated stock powers executed in blank, all in form and substance reasonably satisfactory to the Collateral Agent. If any Pledged Collateral consists of uncertificated securities, unless the immediately following sentence is applicable thereto, the Pledgor shall cause the Collateral Agent (or its designated custodian or nominee) to become the registered holder thereof, or cause each issuer of such securities to agree that it will comply with instructions originated by the Collateral Agent with respect to such securities without further consent by the Pledgor. If any Pledged Collateral consists of security entitlements, the Pledgor shall transfer such security entitlements to the Collateral Agent (or its custodian, nominee or other designee), or cause the applicable securities intermediary to agree that it will comply with entitlement orders by the Collateral Agent without further consent by the Pledgor.

(ii) Within five (5) days of the receipt by the Pledgor of any Additional Collateral, a Pledge Amendment, duly executed by the Pledgor, in substantially the form of Annex I hereto (a "Pledge Amendment") shall be delivered to the Collateral Agent, in respect of the Additional Collateral which must be pledged pursuant to this Agreement and the Financing Agreement. The Pledge Amendment shall from and after delivery thereof constitute part of Schedule I hereto. The Pledgor hereby authorizes the Collateral Agent to attach each Pledge Amendment to this Agreement and agrees that all certificates or instruments listed on any Pledge

Amendment delivered to the Collateral Agent shall for all purposes hereunder constitute Pledged Collateral and such Pledgor shall be deemed upon delivery thereof to have made the representations and warranties set forth in Section 5 hereof with respect to such Additional Collateral.

(b) If the Pledgor shall receive, by virtue of the Pledgor's being or having been an owner of any Pledged Collateral, any (i) stock certificate (including, without limitation, any certificate representing a stock dividend or distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares, stock split, spin-off or split-off) or other instrument, (ii) option or right, whether as an addition to, substitution for, or in exchange for, any Pledged Collateral, or otherwise, (iii) dividends payable in cash (except such dividends permitted to be retained by any such Pledgor pursuant to Section 7 hereof) or in securities or other property or (iv) dividends or other distributions in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in surplus, the Pledgor shall receive such stock certificate, instrument, option, right, payment or distribution constituting certificated Pledged Collateral in trust for the benefit of the Collateral Agent, shall segregate it from such Pledgor's other property and shall deliver it forthwith to the Collateral Agent, in the exact form received, with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Collateral Agent as Pledged Collateral and as further collateral security for the Obligations.

SECTION 5. Representations and Warranties. The Pledgor represents and warrants as follows:

(a) The Pledgor is a limited liability company duly organized, validly existing and in good standing under the laws of the state of its organization as set forth on the first page hereof, and has all the requisite limited liability company power and authority to execute, deliver and perform this Agreement.

(b) The execution, delivery and performance by the Pledgor of this Agreement (i) have been duly authorized by all necessary limited liability company power and authority, (ii) do not and will not contravene its certificate of formation, operating agreement, any Requirements of Law or any contractual restriction binding on or affecting it or any of its properties, (ii) do not and will not result in or require the creation of any Lien upon or with respect to any of its properties other than pursuant to this Agreement, and (iii) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any material permit, license, authorization or approval applicable to any of its properties.

(c) Schedule II hereto sets forth (i) the exact legal name of the Pledgor and all other names used by the Pledgor at any time during the five years preceding the Effective Date, and (ii) the Pledgor's chief executive office and principal place of business and each place of business of the Pledgor during the five years preceding the Effective Date.

(d) The Pledged Shares have been duly authorized and validly issued and are fully paid and nonassessable and the holders thereof are not entitled to any preemptive,

Exh. E-4

first refusal or other similar rights (other than pursuant to a stock transfer agreement entered into with the prior written consent of the Collateral Agent). All other shares of stock constituting Pledged Collateral will be duly authorized and validly issued, fully paid and nonassessable.

(e) The Pledgor is and will be at all times the legal and beneficial owner of the Pledged Collateral free and clear of all Liens except for the Lien created by this Agreement.

(f) The exercise by the Collateral Agent of any of its rights and remedies hereunder will not contravene any law or any contractual restriction binding on or affecting the Pledgor or any of the properties of the Pledgor and will not result in or require the creation of any Lien upon or with respect to any of the properties of the Pledgor other than pursuant to this Agreement or the other Loan Documents.

(g) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required to be obtained or made by the Pledgor for (i) the due execution, delivery and performance by the Pledgor of this Agreement, (ii) the grant by the Pledgor, or the perfection, of the Lien created hereby in the Pledged Collateral, except for the filing in the office described in Schedule III hereto of a UCC financing statement naming the Pledgor as debtor, the Collateral Agent as secured party and describing the Pledged Collateral, to perfect the Collateral Agent's security interests in items of the Pledged Collateral in which such security interests are not susceptible to perfection by possession of certificates or instruments, which financing statement has been duly filed or (iii) the exercise by the Collateral Agent of any of its rights and remedies hereunder, except as may be required in connection with any sale of any Pledged Collateral by laws affecting the offering and sale of securities generally.

(h) This Agreement is a legal, valid and binding obligation of the Pledgor, enforceable against the Pledgor in accordance with its terms.

(i) This Agreement creates a valid Lien in favor of the Collateral Agent, for the benefit of the Agents and the Lenders, in the Pledged Collateral as security for the Obligations. The Collateral Agent's having possession of the certificates representing the Pledged Shares and all other certificates, instruments and cash constituting Pledged Collateral from time to time results in the perfection of such Lien. Such Lien is, or in the case of Pledged Collateral in which the Pledgor obtains rights after the date hereof, will be, a perfected, first priority Lien. All action necessary or desirable to perfect and protect such Lien has been duly taken, except for the Collateral Agent's having possession of certificates, instruments and cash constituting Pledged Collateral after the date hereof

(j) The partnership interests or membership interests of each Pledged Issuer are (i) securities for purposes of Article 8 of the UCC, (iii) investment company securities within the meaning of Section 8-103 of the UCC and (iii) evidenced by a certificate.

(k) The pledge of the Pledged Collateral pursuant to this Agreement does not violate Regulation T, U or X of the Board of Governors of the Federal Reserve System.

SECTION 6. Covenants as to the Pledged Collateral. So long as any of the Obligations shall remain outstanding or prior to the termination of all Commitments, the Pledgor will, unless the Collateral Agent shall otherwise consent in writing:

(a) keep adequate records concerning the Pledged Collateral and permit the Collateral Agent or any agents, designees or representatives thereof at any time or from time to time to examine and make copies of and abstracts from such records consistent with the terms of the Financing Agreement;

(b) at the Pledgor's expense, promptly deliver to the Collateral Agent a copy of each notice or other communication received by it in respect of the Pledged Collateral;

(c) at the Pledgor's expense, defend the Collateral Agent's right, title and security interest in and to the Pledged Collateral against the claims of any Person;

(d) at the Pledgor's expense, at any time and from time to time, promptly execute and deliver all further instruments and documents and take all further action that may be necessary or desirable or that the Collateral Agent may reasonably request in order to (i) perfect and protect, or maintain the perfection of, the security interest and Lien created hereby, (ii) enable the Collateral Agent to exercise and enforce its rights and remedies hereunder in respect of the Pledged Collateral or (iii) otherwise effect the purposes of this Agreement, including, without limitation, delivering to the Collateral Agent irrevocable proxies in respect of the Pledged Collateral;

(e) not sell, assign (by operation of law or otherwise), exchange or otherwise dispose of any Pledged Collateral or any interest therein except as expressly permitted by Section 7.02(c) of the Financing Agreement;

(f) not create or suffer to exist any Lien upon or with respect to any Pledged Collateral except for the Lien created hereby;

(g) not make or consent to any amendment or other modification or waiver with respect to any Pledged Collateral or enter into any agreement or permit to exist any restriction with respect to any Pledged Collateral other than pursuant to the Loan Documents;

(h) not vote in favor of the issuance of (i) any additional shares of any class of Equity Interests of each Pledged Issuer, (ii) any securities convertible voluntarily by the holder thereof or automatically upon the occurrence or non occurrence of any event or condition into, or exchangeable for, any such shares of Equity Interests or (iii) any warrants, options, contracts or other commitments entitling any Person to purchase or otherwise acquire any such shares of Equity Interests, except in the case of clauses (i), (ii) and (iii), to the extent any such issuance is expressly permitted by the Financing Agreement;

(i) not take or fail to take any action which would in any manner impair the value of or the enforceability of the Collateral Agent's security interest in and Lien on any Pledged Collateral; and

(j) cause each interest in each Pledged Issuer controlled by the Pledgor and pledged hereunder to be (i) represented by a certificate, (ii) deemed a “security” within the meaning of Article 8 of the UCC and (iii) governed by Article 8 of the UCC.

SECTION 7. Voting Rights, Dividends, Etc. in Respect of the Pledged Collateral.

(a) So long as no Event of Default shall have occurred and be continuing:

(i) the Pledgor may exercise any and all voting and other consensual rights pertaining to any Pledged Collateral for any purpose not inconsistent with the terms of this Agreement, the Financing Agreement or the other Loan Documents; provided, however, that (A) the Pledgor will not exercise or will refrain from exercising any such right, as the case may be, if the Collateral Agent gives the Pledgor notice that, in the Collateral Agent’s judgment, such action (or inaction) is reasonably likely to have a material adverse effect to the Pledgor’s financial condition and (B) the Pledgor will give the Collateral Agent at least five (5) Business Days’ notice of the manner in which it intends to exercise, or the reasons for refraining from exercising, any such right which is reasonably likely to have a material adverse effect to the Pledgor’s financial condition;

(ii) the Pledgor may receive and retain any and all dividends, interest or other distributions or payments in respect of the Pledged Collateral to the extent permitted by the Financing Agreement; provided, however, that any and all (A) dividends and interest paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of or in exchange for, any Pledged Collateral, (B) dividends and other distributions paid or payable in cash in respect of any Pledged Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in surplus, and (C) cash paid, payable or otherwise distributed in redemption of, or in exchange for, any Pledged Collateral, together with any dividend, interest or other distribution or payment which at the time of such payment was not permitted by the Financing Agreement, shall be, and shall forthwith be delivered to the Collateral Agent, if such Collateral constitutes certificated Pledged Collateral, to hold as, Pledged Collateral and shall, if received by the Pledgor, be received in trust for the benefit of the Collateral Agent, shall be segregated from the other property or funds of the Pledgor, and shall be forthwith delivered to the Collateral Agent in the exact form received with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Collateral Agent as Pledged Collateral and as further collateral security for the Obligations; and

(iii) the Collateral Agent will execute and deliver (or cause to be executed and delivered) to the Pledgor all such proxies and other instruments as the Pledgor may reasonably request for the purpose of enabling the Pledgor to exercise the voting and other rights which it is entitled to exercise pursuant to Section 7(a)(i) hereof and to receive the dividends, interest and/or other distributions which it is authorized to receive and retain pursuant to Section 7(a)(ii) hereof.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) all rights of the Pledgor to exercise the voting and other rights which it would otherwise be entitled to exercise pursuant to Section 7(a)(i) hereof, and to receive the dividends, distributions, interest and other payments which it would otherwise be authorized to receive and retain pursuant to Section 7(a)(ii) hereof, shall cease, and all such rights shall thereupon become vested in the Collateral Agent which shall thereupon have the sole right to exercise such voting and other consensual rights and to receive and hold as Pledged Collateral such dividends and interest payments;

(ii) without limiting the generality of the foregoing, the Collateral Agent may, at its option exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any of the Pledged Collateral as if it were the absolute owner thereof, including, without limitation, the right to exchange, in its discretion, any and all of the Pledged Collateral upon the merger, consolidation, reorganization, recapitalization or other adjustment of each Pledged Issuer, or upon the exercise by each Pledged Issuer of any right, privilege or option pertaining to any Pledged Collateral, and, in connection therewith, to deposit and deliver any and all of the Pledged Collateral with any committee, depository, transfer agent, registrar or other designated agent upon such terms and conditions as it may determine; and

(iii) all dividends, distributions, interest and other payments which are received by the Pledgor contrary to the provisions of Section 7(b)(i) hereof shall be received in trust for the benefit of the Collateral Agent shall be segregated from other funds of the Pledgor, and shall be forthwith paid over to the Collateral Agent as Pledged Collateral in the exact form received with any necessary endorsement and/or appropriate stock powers duly executed in blank, to be held by the Collateral Agent as Pledged Collateral and as further collateral security for the Obligations.

SECTION 8. Additional Provisions Concerning the Pledged Collateral.

(a) To the maximum extent permitted by applicable law, and for the purpose of taking any action which the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, the Pledgor (i) authorizes the Collateral Agent to execute any such agreements, instruments or other documents in the Pledgor's name and to file such agreements, instruments or other documents in the Pledgor's name and to file such agreements, instruments, or other documents in any appropriate filing office (ii) authorizes the Collateral Agent to file any financing statements required hereunder or under any other Loan Document, and any continuation statements or amendment with respect thereto, in any appropriate filing office without the signature of the Pledgor and (iii) ratifies the filing of any financing statement, and any continuation statement or amendment with respect thereto, filed without the signature of the Pledgor prior to the date hereof A photocopy or other reproduction of this Agreement or any financing statement covering the Pledged Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(b) The Pledgor hereby irrevocably appoints the Collateral Agent as the Pledgor's attorney-in-fact and proxy, with full authority in the place and stead of the Pledgor and in the name of the Pledgor or otherwise, from time to time in the Collateral Agent's discretion, to take any action and to execute any instrument which the Collateral Agent may deem necessary or advisable to accomplish the purposes of this Agreement (subject to the rights of the Pledgor under Section 7(a) hereof), including, without limitation, to receive, endorse and collect all instruments made payable to the Pledgor representing any dividend, interest, distribution or other payment in respect of any Pledged Collateral and to give full discharge for the same. This power is coupled with an interest and is irrevocable until all of the Obligations are indefeasibly paid in full after all Commitments have been terminated.

(c) If the Pledgor fails to perform any agreement or obligation contained herein, the Collateral Agent itself may perform, or cause performance of, such agreement or obligation, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by the Pledgor pursuant to Section 10 hereof and shall be secured by the Pledged Collateral.

(d) Other than the exercise of reasonable care to assure the safe custody of the Pledged Collateral while held hereunder, the Collateral Agent shall have no duty or liability to preserve rights pertaining thereto and shall be relieved of all responsibility for the Pledged Collateral upon surrendering it or tendering surrender of it to the Pledgor. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if the Pledged Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property, it being understood that the Collateral Agent shall not have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Pledged Collateral, whether or not the Collateral Agent has or is deemed to have knowledge of such matters, or (ii) taking any necessary steps to preserve rights against any parties with respect to any Pledged Collateral.

(e) The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Pledged Collateral and shall not impose any duty upon the Collateral Agent to exercise any such powers. Except for the safe custody of any Pledged Collateral in its possession and the accounting for monies actually received by it hereunder, the Collateral Agent shall have no duty as to any Pledged Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Pledged Collateral.

(f) The Collateral Agent may at any time in its discretion (i) without notice to the Pledgor, transfer or register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Collateral, subject only to the revocable rights of such Pledgor under Section 7(a) hereof, and (ii) exchange certificates or instruments constituting Pledged Collateral for certificates or instruments of smaller or larger denominations.

SECTION 9. Remedies Upon Default. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Pledged Collateral, in addition to any other rights and remedies provided for herein or otherwise available to it, all of the rights and remedies of a secured party upon default under the Code then in effect in the State of New York; and without limiting the generality of the foregoing and without notice except as specified below, sell the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange or broker's board or elsewhere, at such price or prices and on such other terms as the Collateral Agent may deem commercially reasonable. The Pledgor agrees that, to the extent notice of sale shall be required by law, at least five (5) days notice to the Pledgor of the time and place of any public sale of Pledged Collateral owned by the Pledgor or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Pledged Collateral regardless of whether or not notice of sale has been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) In the event that the Collateral Agent determines to exercise its right to sell all or any part of the Pledged Collateral pursuant to Section 9(a) hereof, the Pledgor will, upon request by the Collateral Agent: (i) execute and deliver, and vote in favor of causing the issuer of the Pledged Collateral and the directors and officers thereof to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts and things, as may be necessary or, in the opinion of the Collateral Agent, advisable to register the Pledged Collateral under the provisions of the Securities Act of 1933, as amended (the "Securities Act"), and to cause the registration statement relating thereto to become effective and to remain effective for such period as prospectuses are required by law to be furnished, and to make all amendments and supplements thereto and to the related prospectus which, in the opinion of the Collateral Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto, (ii) vote in favor of causing the issuer of the Pledged Collateral to qualify the Pledged Collateral under the state securities or "Blue Sky" laws of each jurisdiction, and to obtain all necessary governmental approvals for the sale of the Pledged Collateral, as requested by the Collateral Agent, (iii) vote in favor of causing each Pledged Issuer to make available to its securityholders, as soon as practicable, an earnings statement which will satisfy the provisions of Section 11(a) of the Securities Act, and (iv) do or cause to be done all such other acts and things within its power as may be necessary to make such sale of the Pledged Collateral valid and binding and in compliance with any applicable law.

(c) Notwithstanding the provisions of Section 9(b) hereof, the Pledgor recognizes that the Collateral Agent may deem it impracticable to effect a public sale of all or any part of the Pledged Shares or any other securities constituting Pledged Collateral and that the Collateral Agent may, therefore, determine to make one or more private sales of any such securities to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. The Pledgor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sales shall be deemed to have been made in a commercially reasonable manner and that the Collateral

Agent shall have no obligation to delay the sale of any such securities for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the Securities Act. The Pledgor further acknowledges and agrees that any offer to sell such securities which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such an offer may be so advertised without prior registration under the Securities Act) or (ii) made privately in the manner described above to not less than fifteen bona fide offerees shall be deemed to involve a "public disposition" for the purposes of Section 9-610(c) of the Code (or any successor or similar, applicable statutory provision) as then in effect in the State of New York, notwithstanding that such sale may not constitute a "public offering" under the Securities Act, and that the Collateral Agent may, in such event, bid for the purchase of such securities.

(d) Any cash held by the Collateral Agent as Pledged Collateral and all cash proceeds received by the Collateral Agent in respect of any sale of, collection from, or other realization upon, all or any part of the Pledged Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 10 hereof) in whole or in part by the Collateral Agent against, all or any part of the Obligations in such order as the Collateral Agent shall elect consistent with the provisions of the Financing Agreement. Any surplus of such cash or cash proceeds held by the Collateral Agent and remaining after indefeasible payment in full of all of the Obligations after all Commitments have been terminated shall be paid over to the Pledgor or to such Person as may be lawfully entitled to receive such surplus.

(e) In the event that the proceeds of any such sale, collection or realization are insufficient to pay all amounts to which the Agents and the Lenders are legally entitled, the Pledgor shall be liable for the deficiency, together with interest thereon at the highest rate specified in the Financing Agreement for interest on overdue principal thereof or such other rate as shall be fixed by applicable law, together with the costs of collection and the fees, costs and expenses and other client charges of any attorneys employed by the Collateral Agent to collect such deficiency.

SECTION 10. Indemnity and Expenses.

(a) The Pledgor agrees to defend, protect, indemnify and hold harmless each Agent and each Lender (and all of their respective officers, directors, employees, attorneys, consultants and agents) from and against any and all claims, damages, losses, liabilities obligations, penalties, fees, costs and expenses (including, without limitation, legal fees, costs and expenses of counsel) to the extent that they arise out of or otherwise result from the enforcement of this Agreement, except, as to any such indemnified Person, claims, losses or liabilities resulting solely and directly from such Person's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction.

(b) The Pledgor agrees to pay to the Collateral Agent upon demand the amount of any and all costs and expenses, including the fees, costs, expenses and disbursements of the Collateral Agent's counsel and of any experts and agents, which the Collateral Agent may

incur in connection with (i) the amendment, waiver or other modification or termination of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any Pledged Collateral, (iii) the exercise or enforcement of any of the rights of the Collateral Agent hereunder, or (iv) the failure by the Pledgor to perform or observe any of the provisions hereof.

SECTION 11. Notices, Etc. All notices and other communications provided for hereunder shall be in writing and shall be mailed (by certified mail, postage prepaid and return receipt requested), telecopied or delivered, if to the Pledgor, to the Pledgor as specified next to such Pledgor's signature below; if to the Borrower, at its address specified in Section 12.01 of the Financing Agreement; or if to the Collateral Agent, to it at its address specified in Section 12.01 of the Financing Agreement; or as to any such Person at such other address as shall be designated by such Person in a written notice to such other Person complying as to delivery with the terms of this Section 11. All such notices and other communications shall be effective (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after deposited in the mails, whichever occurs first, (ii) if telecopied, when transmitted and confirmation received, or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery.

SECTION 12. Security Interest Absolute. All rights of the Agents and the Lenders, all Liens and all obligations of the Pledgor hereunder shall be absolute and unconditional irrespective of: (i) any lack of validity or enforceability of the Financing Agreement or any other agreement or instrument relating thereto, (ii) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Obligations, or any other amendment or waiver of or consent to any departure from the Financing Agreement or any other Loan Document, (iii) any exchange or release of, or non-perfection of any Lien on any Collateral, or any release or amendment or waiver of or consent to departure from any Guaranty, for all or any of the Obligations, or (iv) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Pledgor in respect of the Obligations. All authorizations and agencies contained herein with respect to any of the Pledged Collateral are irrevocable and powers coupled with an interest.

SECTION 13. Miscellaneous.

(a) No amendment of any provision of this Agreement shall be effective unless it is in writing and signed by the Collateral Agent, and no waiver of any provision of this Agreement, and no consent to any departure the Pledgor therefrom, shall be effective unless it is in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the

Agents and the Lenders under the applicable Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents or the Lenders to exercise any of their rights under any other document against such party or against any other Person, including but not limited to, the Pledgor.

(c) Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(d) This Agreement shall create a continuing security interest in and Lien on the Pledged Collateral and shall (i) remain in full force and effect until the indefeasible payment in full or release of the Obligations after the termination of all of the Commitments and (ii) be binding on each Pledgor and, by its acceptance hereof, the Collateral Agent, and its respective successors and assigns, and shall inure, together with all rights and remedies of the Agents and the Lenders hereunder, to the benefit of each of the Agents and the Lenders and their respective successors, transferees and assigns. Without limiting the generality of clause (ii) of the immediately preceding sentence, without notice to the Pledgor, the Agents and the Lenders may assign or otherwise transfer their respective rights and obligations under this Agreement and any other Loan Document to any other Person, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Agents and the Lenders herein or otherwise. Upon any such assignment or transfer, all references in this Agreement to any such Agent or Lender shall mean the assignee of such Agent or Lender. None of the rights or obligations of the Pledgor hereunder may be assigned or otherwise transferred without the prior written consent of the Collateral Agent, and any such assignment or transfer shall be null and void.

(e) Upon the satisfaction in full of the Obligations after the termination of all of the Commitments (i) this Agreement and the security interest and Lien created hereby shall terminate and all rights to the Pledged Collateral shall revert to the Pledgor, and (ii) the Collateral Agent will, upon the Pledgor's request and at the Pledgor's expense, (A) return to the Pledgor such of the Pledged Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof, and (B) execute and deliver to the Pledgor, without recourse, representation or warranty, such documents as the Pledgor shall reasonably request to evidence such termination.

(f) This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or electronic mail also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

(g) This Agreement shall be governed by and construed in accordance with the law of the State of New York, except as required by mandatory provisions of law and

except to the extent that the validity and perfection or the perfection and the effect of perfection or non-perfection of the security interest and Lien created hereby, or remedies hereunder, in respect of any particular Pledged Collateral are governed by the law of a jurisdiction other than the State of New York.

(h) ANY LEGAL ACTION, SUIT OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY DOCUMENT RELATED THERETO MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND APPELLATE COURTS THEREOF, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE PLEDGOR HEREBY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. THE PLEDGOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION, SUIT OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY THE COURT.

(i) THE PLEDGOR AND (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS AGREEMENT) THE COLLATERAL AGENT WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR OTHER ACTION OF THE PARTIES HERETO.

ASSIGNMENT OF LIFE INSURANCE POLICY AS COLLATERAL

This ASSIGNMENT OF LIFE INSURANCE POLICY AS COLLATERAL (this "Assignment") is dated as of [DATE], and is made in favor of [COLLATERAL-AGENT], a _____, in its capacity as collateral agent (the "Collateral Agent") by [TRUST-NAME], a [JURISDICTION] life insurance trust (together with its successors and permitted assigns, the "Assignor").

WHEREAS, pursuant to a Loan Application and Agreement between [LENDER-NAME], a Florida limited liability company (including any application and assignees thereof, the "Lender") and Assignor dated [DATE] (the "Loan Agreement"), the Lender has made an initial loan in the amount of [FIRST-YEAR-PREMIUM] (the "Loan") to the Assignor as evidenced by a Promissory Note dated [DATE] (as amended, supplemented or modified from time to time, the "Promissory Note");

WHEREAS, the Assignor is the sole owner of the Life Policy (as defined below);

WHEREAS, as a condition precedent to the Lender's obligations under the Promissory Note and Loan Agreement to make the Loan to the Assignor, the Lender requires the Assignor to execute and deliver this Assignment to the Collateral Agent;

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereinafter contained, and for other good and valuable consideration, the adequacy and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **DEFINITIONS.** Capitalized terms used herein and not otherwise defined have the respective meanings specified in the Loan Agreement.
2. **COLLATERAL ASSIGNMENT.** For value received, the Assignor hereby assigns, transfers, pledges and grants all of the Assignor's claims, options, privileges, rights, title and interest in, to and under the life insurance policy described below to the Collateral Agent:

Policy No.: [POLICY-NUMBER]

Issued by: [INSURER] ("Insurer")

Insured: [INSURED] ("Insured")

and any and all applications, riders, endorsements, supplements, amendments, renewals and all other documents that modify or otherwise affect the terms and conditions of such policy issued in connection therewith, and any and all proceeds thereof (said policy, contracts, other documents and proceeds are hereinafter collectively referred to as the "Life Policy"), subject to

all the terms and conditions of this Assignment. This Assignment includes, without limitation, assignment of the following rights:

- (a) the sole right to collect from the Insurer the net proceeds of the Life Policy payable upon the death of the Insured or maturity of the Life Policy;
- (b) the sole right to surrender, in whole or in part, the Life Policy and receive the surrender value thereof at any time provided by the terms of such Life Policy and at such other times as the Insurer may allow, and the sole right to exercise any and all other rights permitted by the terms of the Life Policy or allowed by the Insurer and to receive all benefits and advantages derived therefrom;
- (c) the sole right to obtain any loans or advances on the Life Policy at any time, either from the Insurer or from other persons or entities, and to pledge or assign the Life Policy as security for such loans or advances;
- (d) the sole right to further assign the Collateral Agent's rights under the Life Policy to any person and for any purpose;
- (e) the sole right to collect and receive all distributions, credited earnings, any shares of surplus, dividend deposits or additions to and other proceeds of the Life Policy now or hereafter made or apportioned thereto, and to exercise any and all rights and options contained in the Life Policy with respect thereto and to determine the amount of premium or other amount paid with respect to any feature of the Life Policy permitting such a right or option;
- (f) the sole right to request that the Insurer amend the Life Policy;
- (g) the sole right to any and all contract rights, arising from or relating to the Life Policy, and any and all payment rights, and the other rights listed above, existing with respect thereto;
- (h) the sole right to exercise any and all amendment, voting, or nonforfeiture rights or privileges to the extent created or endowed by the Life Policy and the right to apply for and maintain waiver of premium or conversion of the Life Policy;
- (i) the sole right to return the Life Policy for cancellation or redemption; and
- (j) the sole right to do or cause to be done all things necessary, proper or advisable to maintain the Life Policy in force.

Notwithstanding the foregoing, the right to elect any optional mode of settlement permitted by the Life Policy or allowed by the Insurer is reserved and excluded from this Assignment and does not pass by virtue hereof, but the reservation of this right shall in no way impair the right of the Collateral Agent to surrender the Life Policy completely with all its incidents or impair any other right of the Collateral Agent hereunder, and any election of a mode of settlement shall be made subject to this Assignment and to the rights of the Collateral Agent hereunder.

It is expressly agreed that the following specific rights may not be exercised while this Assignment is in effect, except with the consent of the Assignor and Collateral Agent:

- (a) The right to change the death benefit option;
- (b) The right to change the face amount; or
- (c) The right to add or delete any riders or other policy benefits, which are permitted by the terms of the Life Policy.

It is further agreed that the Collateral Agent will not exercise either the right to surrender the Life Policy or request a partial withdrawal, or otherwise act under this Assignment, until there has been a default in any of the Obligations (as defined below), and the Collateral Agent has mailed, by first class mail to the Assignor to the address set forth in Section 10(f), notice of intention to exercise such right, and three days have elapsed after the date such notice has been mailed by the Collateral Agent.

3. **OBLIGATIONS SECURED.** This Assignment is made, and the Life Policy is to be held, as collateral security for all present and future obligations of the Assignor to the Lender under the Loan Agreement and Promissory Note (including, without limitation, all rights of the Lender to receive the outstanding principal amounts, accrued interest and other fees and charges due thereunder) and all liabilities, obligations, covenants, duties, and indebtedness owing by the Assignor to the Collateral Agent under this Assignment (all of which obligations of the Assignor to the Lender/Collateral Agent secured or to become secured hereby are herein called the "Obligations"). For purposes of this Assignment, the term "Obligations" shall also include, without limitation, interest accruing during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding.

4. **BENEFITS PAYMENT DIRECTIVE.** The Assignor hereby authorizes and directs the Insurer to pay any and all periodic payments and other amounts, including, without limitation, death benefits, due or that become due and payable under or on account of the Life Policy either to the Collateral Agent or as the Collateral Agent directs in writing; provided, however, that nothing in this paragraph entitles the Collateral Agent to retain more than the amount of the Obligations.

5. **REPRESENTATIONS AND WARRANTIES OF THE ASSIGNOR.** The Assignor hereby represents and warrants as follows:

- (a) it is validly existing as a life insurance trust under the laws of the State of [JURISDICTION];
- (b) the execution, delivery and performance by the Assignor of this Assignment (i) are within the Assignor's power, (ii) have been duly authorized by all necessary action, and (iii) do not contravene any provision of the Assignor's trust agreement ("Trust Documents"), any law, rule or regulation applicable to the Assignor or its

assets, or conflict with, violate, create a lien or default under, or require a consent under, the Life Policy or other document or agreement to which the Assignor is a party or by which it or its assets are bound;

- (c) this Assignment constitutes a legal, valid and binding obligation of the Assignor enforceable against the Assignor in accordance with the terms hereof (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally);
- (d) as of the date hereof:

- (i) it is the sole and recorded owner of, and the sole and duly designated beneficiary under, the Life Policy;

- (ii) the Assignor has an insurable interest in the life of the Insured under the Life Policy;

- (iii) the Life Policy is in full force and effect and constitutes the valid and binding obligation of the Insurer, enforceable in accordance with its terms;

- (iv) the Life Policy has not lapsed and/or been reinstated;

- (v) the information set forth in Section 2 hereof with respect to the Life Policy is true and correct in all respects;

- (vi) the Life Policy has not been sold to any person or entity, there are no outstanding loans on or encumbering the Life Policy, and the Life Policy is free and clear of any and all Liens other than the interests granted to the Lender and Collateral Agent under this Assignment, the Promissory Note, the Loan Agreement and the other Financing Documents. As used in this Assignment, "Liens" means any security interest, mortgage, pledge, hypothecation, assignment, deposit arrangement, encumbrance, lien (statutory or other), or preference, priority or other security agreement, option or preferential arrangement of any kind or nature whatsoever (including, without limitation, any conditional sale or other title retention agreement, any financing lease having substantially the same economic effect as any of the foregoing, and the filing of any financing statement executed by or on behalf of the debtor named therein under the Uniform Commercial Code or comparable law of any jurisdiction, and any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership);

- (vii) to the Assignor's actual knowledge, the Life Policy is not subject to any right of rescission, set-off, recoupment, counterclaim or defense, whether arising out of the transactions concerning such Life Policy between the Lender and the Assignor, the Insured or otherwise, and no such right has been asserted;

(viii) there is no default, breach or violation under the Life Policy, and no event has occurred that, with notice and/or the expiration of any grace or cure period, would constitute a default, breach or violation under the Life Policy;

(ix) the Assignor is not subject to any Internal Revenue Service, state or local governmental authority review, notice of deficiency, tax assessment, audit notice or equivalent review regarding the tax benefits or tax payable in connection with the purchase, holding or transfer of the Life Policy;

(x) there are no governmental orders and no proceedings or investigations pending or, to the actual knowledge of the Assignor, threatened, before any governmental authority asserting the invalidity of the Life Policy, seeking the payment under the Life Policy or seeking any governmental order that could reasonably be expected to adversely affect the validity or enforceability of the Life Policy, or reduce the death benefit or surrender value thereunder;

(xi) no proceedings in bankruptcy are pending or to the Assignor's knowledge threatened against the Assignor, its trustee or the Insured (and no grounds exist for such proceedings) and none of the Assignor's, its trustee's or the Insured's property is subject to any assignment for the benefit of creditors; and

(xii) the Assignor has delivered or caused to be delivered to the Collateral Agent true and correct copies of all necessary or appropriate consents executed by the appropriate persons (including, without limitation, the Insured) authorizing the Lender and each of its representatives to review the Life Policy, all applications, riders, endorsements, supplements, amendments and all other documents that modify or otherwise affect the terms and conditions of the Life Policy, and all medical, psychological and health and/or life expectancy related records regarding the Insured.

6. **ACKNOWLEDGEMENTS AND AGREEMENTS.** The Assignor hereby acknowledges and agrees as follows:

- (a) any balance of sums received hereunder from the Insurer remaining after payment of the then-existing Obligations, matured or unmatured, shall be paid in full by the Collateral Agent to the persons or entities entitled thereto under the terms of the Life Policy as if this Assignment had not been executed;
- (b) the Insurer is hereby authorized and directed to recognize the Collateral Agent's claims to rights hereunder without investigating the reason for any action taken by the Collateral Agent, or the validity or the amount of the Obligations or the existence of any default therein, or the giving of any notice hereunder, under applicable law or otherwise, or the application to be made by the Collateral Agent of any amounts to be paid to the Collateral Agent; the sole signature of the Collateral Agent shall be sufficient for the exercise of any rights under the Life Policy assigned hereby and the sole receipt by the Collateral Agent of any sums shall be a full discharge and release therefor to the Insurer; wire transfers or

checks for all or any part of the sums payable under the Life Policy and assigned herein shall be paid to the Collateral Agent or its designee if, when, and in such amounts as may be requested by the Collateral Agent;

- (c) neither the Lender nor the Collateral Agent shall be under any obligation to pay from their own funds any premium, or the principal of or interest on loans or advances on the Life Policy, if any, whether or not obtained by the Lender or the Collateral Agent, or any other charges on the Life Policy, but such amounts so paid by the Lender or Collateral Agent from their own funds shall become a part of the Obligations hereby secured, shall be due and payable immediately, and shall accrue interest at rate set forth in the Promissory Note;
- (d) the exercise of any right, option, privilege or power given to the Collateral Agent under this Assignment shall be at the option of the Collateral Agent, and the Collateral Agent may exercise any such right, option, privilege or power without notice to, or consent by, or affecting the liability of, or releasing any interest hereby assigned by the Assignor;
- (e) the Assignor shall do or cause to be done all things necessary to preserve and keep in full force and effect the Assignor's existence; the Assignor shall not distribute, sell, transfer, lease or otherwise dispose of (in one transaction or in a series of transactions) all or substantially all of its assets (in each case, whether now owned or hereafter acquired), or terminate, liquidate or dissolve while the Obligations remain outstanding;
- (f) the Assignor shall deliver to the Collateral Agent copies of any and all reports, financial statements, notices, illustrations, projections and other information received from the Insurer in any way related to the Life Policy, and the Assignor shall cooperate with the Collateral Agent in obtaining any additional information from the Insurer that the Collateral Agent may reasonably request from time to time in respect of the Life Policy;
- (g) the Assignor shall not surrender, cancel or otherwise terminate the Life Policy or allow the Life Policy to lapse or terminate and the Assignor shall, at its sole cost and expense, preserve and keep in full force the Life Policy until the Obligations have been satisfied in full pursuant to the terms of the Promissory Note;
- (h) the Assignor shall not take any action in contravention of the Collateral Agent's security interest in the Life Policy, or grant or permit to exist any Lien on the Life Policy other than the interests granted to the Lender and Collateral Agent under this Assignment, the Promissory Note, the Loan Agreement and the other Financing Documents.
- (i) the Assignor shall not, directly or indirectly, by operation of law or otherwise, merge, consolidate, or otherwise combine with, any person or entity, unless this Assignment and all obligations hereunder are assumed by such person or entity pursuant to such merger, consolidation or other combination;

- (j) the Assignor shall comply with and enforce all provisions of its Trust Documents;
- (k) Following an Event of Default (as defined in the Loan Agreement), the Assignor shall accept written instructions from the Collateral Agent regarding the disposition of the Life Policy and any other collateral or proceeds covered thereby, including instructions to assign ownership of the Life Policy to the Lender or any third party engaged to dispose of the collateral, or to dispose of the collateral in a commercially reasonable fashion or as otherwise directed in writing by the Collateral Agent; and
- (1) the Assignor shall not take any action under the Life Policy without the written consent of the Lender or Collateral Agent, and agrees to take such actions with respect to the Life Policy as the Lender or Collateral Agent may reasonably request in writing.

7. **TERMINATION.** Upon the final and irrevocable payment and satisfaction in full of all of the Obligations, this Assignment and the security interests created hereunder shall automatically terminate.

8. **LIMITED POWER OF ATTORNEY; STANDARD OF CARE.**

- (a) The Assignor hereby irrevocably constitutes and appoints the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Assignor and in the name of such Assignor or in its own name, from time to time at the Collateral Agent's discretion, for the limited purpose of carrying out the terms of this Assignment, to take any and all appropriate action and to execute and deliver any and all documents and instruments that the Collateral Agent may deem necessary or desirable to accomplish the purposes of this Assignment and to effectuate any right assigned to the Collateral Agent under this Assignment (including, without limitation, the right to transfer or direct the transfer of the Life Policy or the proceeds thereof to the Collateral Agent upon the sole signature of the Collateral Agent) or Lender under the Promissory Note, as the case may be; provided, however, that nothing in this Assignment shall obligate the Collateral Agent to protect the interests of the Assignor or any other person or entity in or under the Life Policy.
- (b) The Assignor hereby ratifies, to the extent permitted by law, all that any said attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted pursuant to this Assignment, being coupled with an interest, shall be irrevocable until the Obligations are indefeasibly paid in full (in the case of payment obligations) and otherwise satisfied and discharged.
- (c) The powers conferred on the Collateral Agent pursuant to this Section 8 are solely to protect the Collateral Agent's interests in the Life Policy and shall not impose any duty upon the Collateral Agent to exercise any such powers. For the avoidance of doubt, nothing herein shall obligate the Collateral Agent to take any

action with respect to the Life Policy, including, without limitation, selling, transferring or disposing of the Life Policy, and the Collateral Agent shall have the right to do or cause to be done all things necessary, proper or advisable to maintain the Life Policy in full force in accordance with its terms.

- (d) The Collateral Agent's sole duty with respect to the Life Policy shall be to use reasonable care in the custody and preservation of any documents or instruments in the Collateral Agent's possession evidencing such Life Policy in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall not be responsible to the Assignor except for the Collateral Agent's own gross negligence or willful misconduct.
- (e) The Collateral Agent shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Collateral Agent shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Agent in good faith. The Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein or for the payment of taxes, charges, assessments or liens upon the Collateral or otherwise as to the maintenance of the Collateral.

9. **NO WAIVER.** Any forbearance or failure or delay by the Collateral Agent in exercising any right, power or remedy hereunder shall not be deemed to be a waiver of such right, power or remedy, and any single or partial exercise of any right, power or remedy shall not preclude the further exercise thereof. The Collateral Agent may take or release other security, may release any party primarily or secondarily liable for any of the Obligations, may grant extensions, renewals or indulgences with respect to the Obligations, or may apply to the Obligations in such order as the Collateral Agent shall determine the proceeds of the Life Policy hereby assigned or any amount received on account of the Life Policy by the exercise of any right permitted under this Assignment, without resorting or regard to other security or any guaranty. No waiver of any provision hereof shall be effective unless it shall be in writing and signed by the Collateral Agent.

10. **MISCELLANEOUS.**

- (a) **Counterparts.** This Assignment may be executed in any number of counterparts, each of which shall constitute an original and together shall constitute one and the same instrument.

- (b) **Assignment.** This Assignment shall be binding upon the Assignor and its successors and assigns and shall inure to the benefit of the Collateral Agent and its successors and assigns.
- (c) **Arbitration.** Any claims, questions or controversies arising under or related to in any manner whatsoever this Assignment or the transactions contemplated hereunder including, but not limited to, any challenge by the Assignor, the Insured, or the Insured's estate or subrogees (each, a "Assignor Party") against the Collateral Agent, Lender or any other party with a participation in the loan evidenced under the Promissory Note (each, an "Interested Party", notwithstanding the fact such parties are not signatories hereto) (a "Dispute") shall be submitted to arbitration conducted before the American Arbitration Association (the "AAA"). Any Assignor Party or any Interested Party is hereby authorized to invoke this arbitration provision, and any judgment with respect to any award rendered pursuant to this arbitration provision may be entered in any court of competent jurisdiction. Such arbitration will be conducted under the rules of the AAA and the laws of the State of [JURISDICTION] and will be conducted in [TRUST-CITY-STATE]. Each Assignor Party understands that claims submitted to arbitration are not heard by a jury and are not subject to the rules governing the courts. Each Assignor Party further agrees that no claim may be brought as a class action, and that no Assignor Party has the right to act, nor shall they attempt to act, as a class representative or participate as a member of a class of claimants with respect to any claim related to or arising out of this Assignment. To the extent that this arbitration provision is held unenforceable, the Assignor Parties: (a) irrevocably submit to the exclusive jurisdiction of any federal or state court sitting in [TRUST-CITY-STATE] in respect of any action or proceeding arising under or related to in any manner whatsoever this Assignment, (b) agree that this Assignment and the transactions contemplated hereunder shall in all respects be governed by and construed in accordance with the laws of the State of [JURISDICTION] (without reference to conflicts of laws provisions); provided, however, that the rights, protections and immunities of the Collateral Agent shall be governed under the laws of the State of [JURISDICTION]; and (c) HEREBY WAIVE THE RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING OUT OF OR IN ANY WAY RELATED TO THIS ASSIGNMENT OR (II) IN ANY WAY IN CONNECTION WITH OR PERTAINING OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES TO THIS ASSIGNMENT IN CONNECTION WITH THIS ASSIGNMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS ASSIGNMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The Assignor Parties hereby agree and acknowledge that this provision is intended to encompass any Dispute between any Assignor Party and any Interested Party. The parties hereby expressly agree, and each Interested Party in receipt of this Assignment acknowledges that the arbitration

provision in this Section 10(c) shall not apply to the trustee of the Assignor in respect of its rights, duties, protections and immunities under the Trust Documents.

- (d) **Inconvenient Forum.** The Assignor hereby irrevocably waives, to the fullest extent that it may legally do so, the defense of an inconvenient forum to the maintenance of any action or proceeding arising out of or related to this Assignment or any other Financing Documents. The Assignor further agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.
- (e) **Disclaimers.** THE ASSIGNOR ACKNOWLEDGES AND AGREES THAT THE COLLATERAL AGENT HAS NOT AND WILL NOT PROVIDE ANY ADVICE OR RECOMMENDATIONS IN CONNECTION WITH THIS ASSIGNMENT, INCLUDING, WITHOUT LIMITATION, ADVICE OR RECOMMENDATIONS RELATING TO ESTATE OR FINANCIAL PLANNING, TAXES OR ACCOUNTING OR LEGAL MATTERS. THE ASSIGNOR HAS HAD THE OPPORTUNITY TO BE REPRESENTED BY ITS OWN COMPETENT COUNSEL IN CONNECTION WITH THE NEGOTIATION AND EXECUTION OF THIS ASSIGNMENT. THE UNDERSIGNED ACKNOWLEDGES THAT BEFORE SIGNING THIS ASSIGNMENT, THE ASSIGNOR HAS READ THIS ASSIGNMENT IN ITS ENTIRETY AND RECEIVED A LEGIBLE, COMPLETELY FILLED-IN COPY OF THIS ASSIGNMENT.
- (f) **Notices.** All demands, notices and communications hereunder will be in writing and will be deemed to have been duly given if personally delivered at, mailed by certified mail, return receipt requested, mailed by a nationally recognized overnight courier or sent via facsimile or email, to each applicable party at the address specified below or, as to any of such parties, at such other address or facsimile number as will be designated by such party in a written notice to the other party:

HOLD HARMLESS AGREEMENT
[TRUST-NAME]

The undersigned Grantor and each undersigned Beneficiary release and agree to hold harmless the Insurance Agent [AGENT], the Trustee of the [TRUST-NAME], (the "Trust"), for any and all actions, acts or inactions of the Insurance Agent and the Trustee in connection with the issuance and/or maintenance of any insurance policy(ies) acquired or held by the Trust, the administration of the Trust or any other matters related thereto, except for dishonesty or intentional fraud, and understand and agree that in the event the Trust assets are sold or liquidated on account of any default under any loan agreement or other indebtedness ("Policy Loan") there are no guarantees as to the amount of the net proceeds therefrom except that the Trust shall pay to the Beneficiaries the amounts, if any, in excess of full satisfaction under any loan agreement or indebtedness in the event of (a) the Grantor's death or (b) the termination of the Trust. NOTWITHSTANDING, THE GRANTOR AND EACH BENEFICIARY UNDERSTAND THAT THERE ARE NO REPRESENTATIONS OR GUARANTEES OF ANY KIND THAT THERE WILL BE ANY FUNDS TO DISTRIBUTE TO THE BENEFICIARIES AFTER THE PAYMENT OF ANY INDEBTEDNESS.

The Grantor and each Beneficiary understand that neither the Trustee nor the Insurance Agent nor any other person is rendering legal or tax advice by virtue of the Trust or acquisition or financing of the life insurance policy, and that the Grantor and each Beneficiary are urged to consult their own advisors, **AS THE TRUST IS NOT A COMPLETE ESTATE PLANNING DOCUMENT.**

The Grantor and each Beneficiary also represent that the only understanding, obligations and representations of any person in connection with the Trust and/or the acquisition and/or financing of the life insurance policy that are of any validity, force or effect are those in writing and that no oral statement or representation to the contrary is of any force or effect, and there are no other terms, conditions, or understandings whatsoever of any kind or nature concerning the purchase, financing, or acquisition of any life insurance policy, the subject matter of the Trust, and that any other such term, condition, or understanding is of no force or effect.

The Grantor and each Beneficiary also represent that the insurance applied for and owned or to be owned by the Trust was applied for and/or obtained not for investment but rather for estate preservation purposes and the ability to leverage the money of Lender will allow the Trust to purchase the Policy that will have a high death benefit option. This will (a) allow Grantor and the representative of Grantor's estate the ability to protect against significant estate tax consequences that Grantor's estate may face given the current state of the law, (b) will provide Grantor's estate with certain protection in the event estate tax liability should arise, and (c) permit Grantor to be able to protect the Beneficiaries from certain potential expenses that they would otherwise sustain without the liquidity that the Policy will offer.

GUARANTY

THIS GUARANTY is entered into as of [DATE] by the undersigned (the “**Guarantor**”), in favor of and for the benefit of [LENDER-NAME], a Florida limited liability company (which for all purposes of this Guaranty shall include any assignees, whether or not by operation of law, and successors thereto, the “**Lender**”).

RECITALS

Pursuant to a loan agreement between the Lender and [TRUST-NAME] (“Trust” or “Borrower”) dated [DATE] (the “Loan Agreement”), the Lender has made an initial loan in the amount of [FIRST-YEAR-PREMIUM] (the “Loan”) to the Trust as evidenced by the Promissory Note dated [DATE] (as amended, supplemented or modified from time to time, the “Note”). The proceeds of the Loan were used to pay or reimburse for the premiums due under life insurance policy number [POLICY-NUMBER] issued by [INSURER] (the “Insurer”) on the life of [INSURED] in the face amount of [NET-DEATH-BENEFIT] (the “Policy”).

The Guarantor, as grantor of the Borrower, acknowledges and agrees that the Guarantor has received and will receive direct and indirect benefits from the extension of the Loan made to the Borrower. Any capitalized terms used herein and not otherwise defined shall have the definitions accorded to such terms in the Loan Agreement.

1. **Conditions to Liability.** Notwithstanding anything herein to the contrary, this Guaranty shall result in liability to the Guarantor only in the event that any of the following shall occur (each of which shall be identified as a “Default”):

(a) Any act (or omission to act) of fraud or willful misconduct on the part of the Guarantor, or any other action or inaction by the Guarantor, that impairs the Lender’s ability to be repaid under the Note or otherwise under the Loan;

(b) Any act (or omission to act) of the Guarantor that directly or indirectly impairs the Lender’s rights to the Policy as collateral under the terms of the Loan, the Note, any Financing Document and/or the Collateral Assignment;

(c) Any failure of the Borrower to use the proceeds of the Loan exclusively as set forth in the Note, the Financing Documents or any other documents related to the Loan;

(d) Any act by the Borrower or the Guarantor to transfer, amend, change ownership of, cancel, convey, sell or assign the Policy or any interest therein without the express written consent of the Lender;

(e) Any failure to act by the Borrower or the Guarantor that results, directly or indirectly, in the transfer of the Policy or any interest therein or any amendment, change of ownership, cancellation, conveyance, sale or assignment thereof, except with the express written consent of the Lender;

(f) [Any default in payment of, or failure to pay any, interest, principal or other amounts which become due under the Note or Loan;] [OPTIONAL]

(g) The breach of any representation, warranty or covenant by the Guarantor contained in the Collateral Assignment or in any Financing Document; and

(h) Any failure of the Borrower, the Guarantor or any beneficiary of the Borrower who directly or indirectly receives any payment from the Insurer prior to the repayment of the Loan, to pay or cause to be paid to the Lender all or such portion of such payment necessary to repay the entire outstanding balance of the Loan and any other outstanding amounts under the Financing Documents, together with any accrued and unpaid interest thereon and any other charges and expenses payable to the Lender under the terms of the Note, the Financing Documents and any other documents related to the Loan.

Upon the occurrence of a Default, the Guarantor hereby irrevocably and unconditionally guarantees to the Lender, the due and punctual payment when due of all liabilities and all other amounts outstanding or due to be paid to the Lender under, in connection with or related to, the Loan and any other agreements entered into with respect thereto (including the Financing Documents), including but not limited to outstanding principal and accrued and unpaid interest under the Note, any early termination fees, costs and expenses payable to the Lender (including, but not limited to, reasonable attorneys' fees) in the event of an uncured default under the Loan or any Financing Document, as well as any and all costs and expenses of the Lender to enforce this Guaranty (including, but not limited to, reasonable attorneys' fees), whether or not (i) due or owing to, or in favor or for the benefit of, the Lender, or (ii) ARISING OR ACCRUING BEFORE OR AFTER THE FILING BY OR AGAINST THE GUARANTOR OF A PETITION UNDER THE BANKRUPTCY CODE OR ANY SIMILAR FILING BY OR AGAINST THE GUARANTOR, AS THE CASE MAY BE, UNDER THE LAWS OF ANY JURISDICTION OR (c) ALLOWABLE UNDER SECTION 502(b)(2) OF THE BANKRUPTCY CODE (collectively, the "Guaranteed Obligations").

Notwithstanding the foregoing, in the event liability under this Guaranty results solely as a result of a Default as described in Section 1(g), the Guarantor's liability shall be limited to 100% of the amount outstanding or due under the Guaranteed Obligations.

2. Waiver.

(a) The Guarantor unconditionally and irrevocably waives, to the fullest extent permitted by applicable law: (i) notice of any of the matters referred to in Section 1 hereof; (ii) all notices which may be required by statute, rule of law or otherwise to preserve any rights against the Guarantor hereunder, including, without limitation, notice of the acceptance of this Guaranty, or the creation, renewal, extension, modification or accrual of the Guaranteed Obligations or notice of any other matters relating thereto, any presentment, demand, notice of dishonor, protest, nonpayment of any damages or other amounts payable under any Financing Document; (iii) any requirement for the enforcement, assertion or exercise of any right, remedy, power or privilege under or in respect of any Financing Document, including, without limitation, diligence in collection or protection of or realization upon the Guaranteed Obligations or any part thereof or any collateral therefor; (iv) any requirement of diligence; (v) any requirement to

mitigate the damages resulting from a default by the Borrower under the Note or any Financing Document; (vi) the occurrence of every other condition precedent to which the Guarantor or the Borrower may otherwise be entitled; (vii) the right to require the Lender to proceed against the Borrower or any other person liable on the Guaranteed Obligations, to proceed against or exhaust any security held by the Borrower or any other person, or to pursue any other remedy in the Lender's power whatsoever; (viii) the right to have the property of the Borrower first applied to the discharge of the Guaranteed Obligations; (ix) any lack of validity or enforceability in the Note or any other Financing Document, (x) any exchange or release of, or non-perfection of any collateral securing, all or any of the Guaranteed Obligations; (xi) any release, amendment or waiver of or consent to departure from any other guaranty or any document relating to any security for or in respect of the Guaranteed Obligations; (xii) any other circumstances which might otherwise constitute a defense available to, or discharge of, the Guarantor; or (xiii) any and all rights it may now or hereafter have under any agreement or at law or in equity (including, without limitation, any law subrogating the Guarantor to the rights of the Lender) to assert any claim against or seek contribution, indemnification or any other form of reimbursement from the Borrower or any other party liable for payment of any or all of the Guaranteed Obligations for any payment made by the Guarantor under or in connection with this Guaranty or otherwise.

(b) The Lender may, at its election, exercise any right or remedy it may have against the Borrower without affecting or impairing in any way the liability of the Guarantor hereunder and the Guarantor waives, to the fullest extent permitted by applicable law, any defense arising out of the absence, impairment or loss of any right of reimbursement, contribution or subrogation or any other right or remedy of the Guarantor against the Borrower, whether resulting from such election by the Lender or otherwise. The Guarantor waives any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation for any cause whatsoever of the liability, either in whole or in part, of the Borrower to the Lender for the Guaranteed Obligations.

(c) The Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and agrees that the Lender shall not have any duty to advise the Guarantor of information regarding any condition or circumstance or any change in such condition or circumstance. The Guarantor acknowledges that the Lender has not made any representations to the Guarantor concerning the financial condition of the Borrower. The value of the consideration received and to be received by the Guarantor is reasonably worth at least as much as the liability and obligation of Guarantor incurred or arising under this Guaranty and all related papers and arrangements.

3. **Parties.** This Guaranty shall inure to the benefit of the Lender and its successors, assigns or transferees, and shall be binding upon the Guarantor and his or her respective heirs, successors and assigns; provided, that the Guarantor may not delegate or assign any of the Guarantor's duties or obligations under this Guaranty without the prior written consent of the Lender.

4. **Notices.** All notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by U.S. mail, certified with return receipt requested, or sent by telecopy (with confirmed receipt or followed by

overnight delivery) to the addresses (or telecopy numbers) set forth on the signature pages hereto. The Guarantor or the Lender may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given in accordance with the provisions of this Guaranty shall be deemed to have been given on the date of receipt or, if mailed, the fifth (5th) business day following the date so mailed, if earlier, or the next business day if sent by overnight courier.

5. **Right to Deal with the Borrower.** At any time and from time to time, without terminating, affecting or impairing the validity of this Guaranty or the obligations of the Guarantor hereunder, the Lender may deal with the Borrower in the same manner and as fully as if this Guaranty did not exist and shall be entitled, among other things, to grant the Borrower, without notice or demand and without affecting the Guarantor's liability hereunder, such extension or extensions of time to perform, renew, compromise, accelerate or otherwise change the time for payment of or otherwise change the terms of indebtedness or any part thereof contained in or arising under any Financing Document or any other document evidencing Obligations of the Borrower to the Lender, or to waive any obligation of the Borrower to perform, any act or acts as the Lender may deem advisable.

6. **Subrogation.** Notwithstanding anything to the contrary contained herein, any and all rights and claims of the Guarantor against the Borrower or any of its property or against any other person, arising by reason of any payment by the Guarantor to the Lender pursuant to the provisions, or in respect, of this Guaranty shall be subordinate, junior and subject in right of payment to the prior and indefeasible payment in full of the Guaranteed Obligations to the Lender, and until such time, the Guarantor shall have no right of subrogation, contribution or any similar right and hereby waive any right to enforce any remedy the Lender may now or hereafter have against the Borrower, any endorser or any other guarantor of all or any part of the Guaranteed Obligations and any right to participate in, or benefit from, any security given to the Lender to secure the Guaranteed Obligations. Any promissory note evidencing such liability of the Borrower to the Guarantor shall be non-negotiable, shall expressly state that it is subordinated pursuant to this Guaranty and shall be immediately assigned (with recourse) and delivered to the Lender. All liens and security interests of the Guarantor, whether now or hereafter arising and howsoever existing, in assets of the Borrower or any assets securing the Guaranteed Obligations shall be and hereby are subordinated to the rights and interests of the Lender in those assets until the prior and indefeasible final payment in full of all of the Guaranteed Obligations to the Lender and termination of all financing arrangements between the Borrower and the Lender. If any amount shall be paid to the Guarantor contrary to the provisions of this Section 6 at any time when all the Guaranteed Obligations shall not have been indefeasibly paid in full, such amount shall be held in trust for the benefit of the Lender and shall forthwith be turned over in kind in the form received to the Lender (duly endorsed if necessary) to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Financing Documents and this Guaranty.

7. **Survival of Representations, Warranties, and Agreements.** All representations, warranties, covenants and agreements made herein, including representations and warranties deemed made herein, shall survive any investigation or inspection made by or on behalf of the Lender and shall continue in full force and effect until all of the obligations of the

Guarantor under this Guaranty shall be fully performed in accordance with the terms hereof, and until the payment in full of the Guaranteed Obligations.

8. **GOVERNING LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL.** THIS GUARANTY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF [JURISDICTION-UC]. THE GUARANTOR HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR ANY DISTRICT OF [JURISDICTION-UC] AND ANY COURT IN THE STATE OF [JURISDICTION-IX] IN ANY ACTION, SUIT OR PROCEEDING BROUGHT AGAINST THE GUARANTOR AND RELATED TO OR IN CONNECTION WITH THIS GUARANTY OR THE TRANSACTIONS CONTEMPLATED HEREBY, AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE GUARANTOR HEREBY WAIVES AND AGREES NOT TO ASSERT BY WAY OF MOTION, AS A DEFENSE OR OTHERWISE IN ANY SUCH SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT THE GUARANTOR IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF SUCH COURTS, THAT THE SUIT, ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT THE VENUE OF THE SUIT, ACTION OR PROCEEDING IS IMPROPER, OR THAT THIS GUARANTY OR ANY DOCUMENT OR ANY INSTRUMENT REFERRED TO HEREIN OR THE SUBJECT MATTER THEREOF MAY NOT BE LITIGATED IN OR BY SUCH COURTS. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE GUARANTOR AGREES (I) NOT TO SEEK AND HEREBY WAIVES THE RIGHT TO ANY REVIEW OF THE JUDGMENT OF ANY SUCH COURT BY ANY COURT OF ANY OTHER NATION OR JURISDICTION WHICH MAY BE CALLED UPON TO GRANT AN ENFORCEMENT OF SUCH JUDGMENT AND (II) NOT TO ASSERT ANY COUNTERCLAIM, IN ANY SUCH SUIT, ACTION OR PROCEEDING UNLESS SUCH COUNTERCLAIM COULD NOT, BY REASON OF ANY APPLICABLE FEDERAL OR STATE PROCEDURAL LAWS, BE INTERPOSED, PLEADED OR ALLEGED IN ANY OTHER ACTION. THE GUARANTOR AGREES THAT SERVICE OF PROCESS MAY BE MADE UPON THE GUARANTOR BY CERTIFIED OR REGISTERED MAIL TO THE ADDRESS FOR NOTICES SET FORTH IN THIS GUARANTY OR ANY METHOD AUTHORIZED BY THE LAWS OF [JURISDICTION-UC]. THE GUARANTOR IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE FINANCING DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

9. **Expenses.** The Guarantor hereby agrees to pay on demand, and to hold the Lender harmless against liability for, any and all costs and expenses (including, without limitation, reasonable legal fees, costs and expenses of counsel and fees, costs and expenses incurred in connection with any bankruptcy proceeding) incurred or expended by the Lender in connection with the enforcement, amendment, modification or waiver of or preservation of any rights under this Guaranty, and the collection of amounts payable hereunder, and until so paid, such fees, costs, disbursements and expenses shall be added to, and constitute, Guaranteed Obligations.

10. **Further Assurances.** The Guarantor hereby covenants and agrees to execute and deliver to the Lender such additional agreements, instruments and documents as the Lender may reasonably request to give effect to the obligations of the Guarantor under this Guaranty.

11. **Miscellaneous.**

If any term of this Guaranty or any application hereof shall be invalid or unenforceable, the remainder of this Guaranty and any other application of such term shall not be affected thereby.

Any term of this Guaranty may be amended, waived, discharged or terminated only by an instrument in writing signed by the Guarantor and the Lender. No notice to or demand on the Guarantor shall be deemed to be a waiver of the obligations of the Guarantor or of the right of the Lender to take further action without notice or demand as provided in this Guaranty. No course of dealing between the Guarantor and the Lender shall change, modify or discharge, in whole or in part, this Guaranty or any obligations of the Guarantor hereunder. No waiver of any term, covenant or provision of this Guaranty shall be effective unless given in writing by the Lender and if so given shall only be effective in the specific instance in which given.

The headings in this Guaranty are for purposes of reference only and shall not limit or define the meaning hereof.

No delay or failure of the Lender in exercising any right, power or privilege hereunder or under the Financing Documents, shall affect such right, power or privilege nor shall any single or partial exercise thereof or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The Lender's rights and remedies hereunder are cumulative and not exclusive of any rights or remedies which it would otherwise have. Any waiver, permit, consent or approval of any kind or character of the Lender concerning any breach or default by the Guarantor under this Guaranty must be in writing and specifically described.

All payments made by the Guarantor hereunder to the Lender in respect of the Guaranteed Obligations shall be made to the Lender in U.S. dollars and immediately available funds at an account designated by the Lender, or to such other place as the Lender may hereafter specify in writing.

The execution and delivery of this Guaranty shall not supersede, terminate, modify or supplement in any manner any other guaranty previously executed and delivered to the Lender by the Guarantor and no release or termination of this Guaranty shall be construed to terminate or release any other guaranty unless such other guaranty is specifically referred to in any such termination.

The Guarantor's obligations hereunder shall be the personal obligations of such Guarantor.

This Guaranty is a continuing guaranty and shall remain in full force and effect without regard to any defenses or counterclaims that the Guarantor or the Borrower may assert on the debt underlying this Guaranty, including, but not limited to, failure of consideration,

breach of warranty, fraud, statute of frauds, bankruptcy, statute of limitations, lender liability, accord and satisfaction and usury until (A) all of the Guaranteed Obligations shall have been indefeasibly paid in full and (B) Borrower shall have indefeasibly satisfied all of its Obligations under the Note and the other Financing Documents and notice thereof has been provided by Lender to the Guarantor.

GRANTOR: [INSURED], [INSURED-ADDRESS], [INSURED-CITY-STATE]

LIFE INSURANCE TRUST: [TRUST-NAME], a [JURISDICTION] trust

TRUSTEE OR LIFE INSURANCE TRUSTEE: [TRUSTEE-NAME], [TRUST-ADDRESS], [TRUST-CITY-STATE] [TRUST-ZIP]

[LENDER-NAME] (the "Lender") is offering a life insurance premium financing arrangement (the "Financing Arrangement") which provides trusts settled by individuals, such as the Grantor, with financing to purchase and maintain a life insurance policy (the "Policy") on the life of certain qualifying individuals, such as the Insured. To obtain financing under the Financing Arrangement, the Insured or Grantor must settle (or have settled) a life insurance trust (the "Life Insurance Trust" or "Trust") under [JURISDICTION] law and the Insured must consent (or have consented) to the Life Insurance Trust's purchase of the Policy. The Grantor must have an insurable interest in the life of the Insured and all beneficiaries of the Life Insurance Trust must be individuals or tax-exempt charities with an insurable interest in the life of the Insured or an estate planning vehicle, all of the owners or beneficiaries of which have an insurable interest in the life of the Insured.

In order to participate in the Financing Arrangement, the Trust will be required to execute a Loan Application and Agreement (the "Loan Agreement") and a Promissory Note in favor of the Lender. Pursuant to the Loan Agreement, the Lender will, subject to the terms, provisions and conditions of the Loan Agreement, make an advance of funds to, or for the benefit of, the Trust for the purpose of funding premiums under the Policy. The obligations of the Trust under the Loan Agreement may be secured by a collateral assignment of the Life Insurance Trust's interest in the Policy under a collateral assignment agreement between the Trust and the Collateral Agent (the "Collateral Assignment Agreement"). The obligations under the Loan Agreement will bear periodic interest at a [FIXED-FLOATING] subject to a minimum interest rate of nine percent (9%) (in the case of a floating rate) and will be due and payable (i) one (1) Business Day after payment of any proceeds of the Policy, and (ii) any other date that the principal and interest shall become due and payable in full under the Loan Agreement, whether at the scheduled maturity under the Promissory Note, by acceleration, notice of prepayment, or otherwise. The Trust may

pre-pay the Loan (including any accrued interest), in full but not in part, without penalty other than the payment of the Yield Maintenance Premium in some circumstances, as provided under the Loan Agreement.

Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Loan Agreement.

Each of the following are events of default under the Loan Agreement and Financing Documents:

Payment Default. Trust fails to make any payment within three (3) Business Days after the same becomes due and payable under the Loan Agreement, the Promissory Note or any other Financing Document.

Other Defaults. Trust fails to comply with or to perform any other term, obligation, covenant or condition contained in the Promissory Note, the Loan Agreement or in any of the other Financing Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Trust or a default occurs under the Promissory Note, Loan Agreement, Security Agreement or any other Financing Document.

False Statements. Any warranty, representation or statement made or furnished to Lender by the Trust, the Insured or on Trust's behalf under the Promissory Note, the Loan Agreement or any other Financing Document is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Related Agreements. The Policy, Promissory Note, Loan Agreement, Security Agreement or any other Financing Document ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason; the Trust becomes a revocable trust, contests the validity or enforceability of any Financing Document or denies that it has any further liability under any Financing Document to which it is a party, or cancels or terminates, or attempts to cancel or terminate, the Policy; or the Insurer contests the Policy based on the Trust lacking an insurable interest in the life of the Insured.

Indebtedness, Creditor or Forfeiture Proceedings. Any garnishment of any of Trust's accounts, attachment, lien, levy, additional encumbrance or additional security interest being placed upon any of the Collateral, or any commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Trust or by any governmental agency against any Collateral, and which is not discharged in full within one (1) day of the placement thereof. However, this Event of Default shall not apply if there is a good faith dispute by the Trust as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if the Trust gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the

creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Insolvency or Default of Trust. The Trust is: (i) dissolved, liquidated or terminated; (ii) is unable to pay its debts as they mature; (iii) makes an assignment for the benefit of creditors; (iv) is bankrupt or insolvent; (v) seeks appointment of, or becomes the subject of an order appointing, a trustee, conservator, liquidator or receiver as to all or part of its assets; (vi) commences, approves or consents to, or is the debtor in, any case or proceeding under any bankruptcy, reorganization or similar law, and in the case of an involuntary case or proceeding, such case or proceeding is not dismissed thirty (30) days following its commencement; (vii) is the subject of an order for relief in an involuntary case under federal bankruptcy law; (viii) the Trust defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Trust's property or Trust's ability to repay the Promissory Note or perform Trust's Obligations under the Promissory Note, the Loan Agreement or any of other Financing Documents; or (ix) Trust violates any Law.

Insolvency or Default of Insured or Guarantor. (i) The Insured or any Guarantor makes an assignment for the benefit of creditors; (ii) The Insured or any Guarantor is adjudicated a bankrupt or insolvent; (iii) The Insured or any Guarantor seeks appointment of, or becomes the subject of an order appointing, a trustee, conservator, or receiver as to all or part of his assets; (iv) The Insured or any Guarantor commences, approves or consents to, or is the debtor in, any case or proceeding under any bankruptcy or similar law and, in the case of an involuntary case or proceeding, such case or proceeding is not dismissed thirty (30) days following its commencement; (v) The Insured or any Guarantor is the subject of an order for relief in an involuntary case under federal bankruptcy law; (vi) Trust defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Trust's property or Trust's ability to repay the Obligations; or (vii) any Guarantor defaults under the terms of the Personal Guaranty.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness under the Promissory Note or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by the Promissory Note; in the event of a death, Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure any Event of Default.

Adverse Change. A material adverse change occurs in Trust's financial condition, or Lender believes the prospect of payment or performance of the Obligations is materially impaired.

Cure Provisions. Other than as set forth in the preceding clauses of this Section, failure by the Trust or Beneficiary, as applicable, to perform in any material respect any of its

obligations under the Promissory Note, Loan Agreement, Security Agreement or any other Financing Document to which either is a party if such failure is not remedied on or prior to the fifteenth (15th) day after written notice of such failure is given to the Trust or the Beneficiary, respectively, by the Lender.

In connection with, and as a condition precedent to the Trust obtaining a loan from the Lender in connection with the Financing Arrangement, settlement of the Trust and the undersigned Grantor, Insured and, if as of the date hereof the Insured is lawfully married, the Insured's Spouse⁴, do each hereby acknowledge, represent, warrant, covenant and agree, jointly and severally, to the following:

1. The Grantor, the Insured and the Insured's Spouse with their advisors which they deem appropriate (including, for example, attorneys, tax advisors and accountants), have read and understand the terms of each Financing Arrangement Document, including, without limitation, this Insured Disclosure Statement, Representations and Warranties, and Consent ("Disclosure Statement"), any credit application, the Trust Agreement for the Life Insurance Trust, the Loan Agreement, the Promissory Note, the Collateral Assignment, the Authorization for Disclosure of Protected Health Information and the Authorization and Direction to Provide Death Certificate (collectively, the "Financing Arrangement Documents"). The Insured has specifically received appropriate legal and tax advice regarding the form, substance and drafting of the Trust Agreement for the Life Insurance Trust.
2. The terms of the Financing Arrangement Documents are fair and reasonable to the Life Insurance Trust, the Insured and the Insured's Spouse.
3. The initial contribution of the Insured, if any, to the Life Insurance Trust constitutes the Insured's separate property and does not constitute the community property or quasi-community property of the Insured and the Insured's Spouse. The Insured and the Insured's Spouse hereby agree to execute any additional documentation legally required to commute such property to the separate property of the Insured.
4. The Insured is financially sophisticated and, individually or together with the Insured's Spouse, has a net worth of at least[**NET-WORTH**]. The Insured formed and is the sole grantor of the Life Insurance Trust.
5. There may be federal, state or local income, gift or estate tax effects of participation in the Financing Arrangement to the Grantor, the Insured, the Insured's Spouse, the beneficiary(ies) of the Life Insurance Trust ("Beneficiary") and the Life Insurance Trust. Participation in the Financing Arrangement, and termination of participation, could increase the taxable income, taxable gifts or taxable estate of a participant including the Grantor and Beneficiary. The Grantor, the Insured and the Insured's Spouse recognize that if the Policy is not held to maturity and is instead surrendered to the issuer or sold on the secondary market, any amounts received in excess of the tax basis or possibly the fair market value, if lower, of the Policy will be taxable income to one or more of the

⁴ If the Insured is not married as of the date hereof, all references to "Spouse" in this Disclosure Statement and Consent are hereby rendered null and void.

participants. It is unclear under existing tax law whether this income will be treated as ordinary income or capital gain income. Some tax practitioners have suggested that if the surrender or sale proceeds exceed a policy's cash surrender value, the excess should be taxed as capital gains; and if the cash surrender value exceeds the basis of the policy, a conservative approach is to treat that excess as ordinary income. In addition, it is unclear under federal income tax law how to compute the tax basis in the Policy. Specifically, the Internal Revenue Service has taken the position that an owner's basis in a policy equals premiums paid minus any nontaxable dividends and minus the value of the life insurance protection the owner has enjoyed. While existing case law does not appear to support this position, there can be no assurances on the outcome of this issue if disputed. The Grantor, the Insured and the Insured's Spouse recognize that interest incurred on indebtedness the proceeds of which are used to pay premiums on the Policy cannot be deducted for tax purposes and it is unclear whether any non-deductible interest can be added to the tax basis in the Policy. In the event that the Lender forecloses upon the Policy following a default under the Financing Arrangement, the excess of the amount owed over the tax basis in, or possibly the fair market value, if lower, of, the Policy may be ordinary taxable income, unless an exception to recognition applies. In all cases, any income realized upon a sale, surrender, foreclosure upon or other transfer of the Policy may be taxable to the Grantor even through any proceeds may be receivable by the Trustee and be required to be used to satisfy any outstanding indebtedness and then be distributed to the Beneficiary. This will result in the Grantor recognizing income without any cash proceeds (so-called phantom income) from which to pay any related tax. The Grantor may also recognize phantom income annually based on the value of any insurance provided. The Grantor, the Insured, the Beneficiary and the Insured's Spouse have not relied upon any advice from the Lender, any life agent or other producer, any insurance company that has issued the Policy or any other person associated with the Financing Arrangement regarding any such tax effects. The Grantor, the Insured, the Beneficiary and the Insured's Spouse have consulted with their own legal, tax and accounting advisors to determine the tax effects of the Financing Arrangement on such party.

6. Insurance companies may only allow any person to purchase, in the aggregate, a limited amount of life insurance on the life of the Insured, and the Trust's purchase, and the maintenance in force, of the Policy may use all or a part of this limited insurance capacity. Therefore, in the future, the Insured, the Insured's Spouse, the Trust or any other family members of the Insured may be unable to purchase life insurance on the life of the Insured in the amounts desired as a consequence of the purchase, and the maintenance in force, of the Policy. In the event that the Lender forecloses upon the Policy following an Event of Default under the Loan Agreement and Financing Documents and resells or further assigns the Policy in order to recover on its loan, the Policy may be maintained in force and this could in the future limit or eliminate the ability of the Insured, the Insured's Spouse, the Trust or any other family members of the Insured to purchase future insurance on the Insured's life because there is a limit to how much coverage insurers will issue on one life.
7. Unless otherwise set forth in Schedule A hereto, the only beneficiaries of the Insurance Trust are the Insured, the Insured's Spouse and/or children or other issue of the Insured or an entity or trust [(a)] the beneficiaries of which are either the Insured's Spouse or a child

or other issue of the Insured [and/or (b) an entity which is qualified as tax-exempt under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended,] and the Grantor is either the Insured, the Insured's Spouse or a child of the Insured.

8. Neither the Insured nor the Insured's Spouse have been paid, directly or indirectly, any inducement (money, property or otherwise) in connection with the Financing Arrangement or to obtain the Policy.
9. None of the Grantor, the Insured, the Insured's Spouse or, to the knowledge of the foregoing persons, any beneficiary of the Trust has any present intention to surrender, sell or settle, directly or indirectly, the Policy or any interest therein.
10. Unless otherwise set forth in Schedule A hereto, no person or entity other than the Life Insurance Trust, the Life Insurance Trustee, the beneficiaries of the Life Insurance Trust, and the Lender has any direct or indirect interest in the Policy.
11. The Policy application has been completed accurately and there are no material omissions or misstatements in the application.
12. The Lender, or any subsequent owner of the Loan Agreement, may sell, or sell participations in, the Loan Agreement without the consent of, or prior notice to, the Grantor, the Insured, the Insured's Spouse or the Life Insurance Trust and the Insured and the Insured's Spouse agree to take all actions (but at no cost or expense to the Insured or the Insured's Spouse) requested by the Lender in connection with any such sale or participation.
13. The Insured agrees to provide certain medical and health information (collectively, "Private Health Information") as may be reasonably requested, from time to time, by the Life Insurance Trust, the Lender, life expectancy underwriters and any of their respective representatives, agents, designees, third party servicers and purchasers of the Policy following the occurrence of an event of default under the Loan Agreement, successors or assignees (collectively, the "Authorized Recipients"). To facilitate this provision of Private Health Information, the Insured agrees to execute such documents as are necessary to release such information to the relevant parties needing to review such information so as to allow the Life Insurance Trust to obtain a loan from the Lender in connection with the Financing Arrangement or to sell the Policy in connection with a foreclosure or otherwise. The Private Health Information may be used by the Authorized Recipients for the purposes of (i) valuing the Policy as collateral for the loan and (ii) assisting in any disposition of the Policy. The Private Health Information may be maintained and/or processed in any jurisdiction or country. The disclosure of Private Health Information to any of the Authorized Recipients may involve transfers to countries outside the United States which may not have laws comparable to those in the United States to protect personal data.
14. The Insured understands that the Trust's obligations under the Loan Agreement are secured or supported by, among other things, the Policy, and that the Lender can properly evaluate the value of the Policy as collateral for the Loan Agreement only by considering

the Private Health Information. Absent such information, the Lender would likely deny the Insured's application because the cash surrender value of the Policy would be inadequate to support the loan requested. Therefore, in order for the Lender to evaluate the collateral value of the Policy, the Insured directs and authorizes the Lender to obtain and consider the Private Health Information.

15. The Insured represents that all Private Health Information that has been provided by or on behalf of the Insured to the Lender and its designees or third party servicers, the issuer of the Policy and any life expectancy underwriters, at the time so provided, was true and complete in all material respects to the best of the Insured's knowledge.
16. The Insured agrees to inform the Trustee, or any designees or agents thereof, within thirty (30) days of any and all changes in contact information of the Insured and the Insured's Spouse, including home address or telephone number. The Insured and the Insured's Spouse acknowledge that the Trustee, on behalf of the Trust, the Lender and its designees or third party servicers and any subsequent owner of the Policy, or any of their respective representatives, servicers, agents or designees may, from time to time and at their own discretion, contact the Insured and the Insured's Spouse for confirmation and update of such information.
17. The Policy is being purchased as part of the Insured's estate planning and for retirement purposes.
18. To the knowledge of the Insured, the Life Insurance Trust has not entered into any contracts or agreements, other than the Policy and the relevant Financing Arrangement Documents.
19. If the Insurer of the Policy cancels the Policy prior to the repayment of the obligations of the Trust to Lender under the Financing Arrangement Documents, the obligations of the Insured and the Life Insurance Trust and the rights of Lender with respect to the Financing Arrangement Documents and with respect to the Policy shall continue in full force, unaffected by such cancellation.
20. Each of the Insured and the Insured's Spouse is required to take all actions relating to the Financing Arrangement that may be necessary or desirable from time to time in the Life Insurance Trust or Lender's discretion (but at no cost or expense to the Insured or the Insured's Spouse), including, but not limited to, executing all such documents as may be required by the Life Insurance Trust, any life agent or other producer or any insurance company that has issued the Policy and/or beneficiary designation if the Lender enforces its security interest, if any, in the Policy, the Life Insurance Trust accounts and all other assets of the Life Insurance Trust following the occurrence of any event of default under the Loan Agreement or the Financing Arrangement Documents.
21. Any claims, questions or controversies arising under or related to in any manner whatsoever this Disclosure Statement or the transactions contemplated under the Financing Arrangement including, but not limited to, any challenge by the Grantor, the Insured, the Insured's Spouse or the Insured's estate, beneficiaries or subrogees (each, a

“Insured Party”) against the Lender, its designees and/or third party servicers, the Life Insurance Trust, any broker, any insurance company or any other party interested in or related in any way to the Financing Arrangement (each, an “Interested Third Party”, notwithstanding the fact such parties are not signatories hereto) (a “Dispute”) shall be submitted to arbitration conducted before the American Arbitration Association (the “AAA”). Any Insured Party or any interested third party is hereby authorized to invoke this arbitration provision, and any judgment with respect to any award rendered pursuant to this arbitration provision may be entered in any court of competent jurisdiction. Such arbitration will be conducted under the rules of the AAA and the laws of the State of [JURISDICTION] and will be conducted in [TRUST-CITY-STATE]. Each Insured Party understands that claims submitted to arbitration are not heard by a jury and are not subject to the rules governing the courts. Each Insured Party further agrees that no claim may be brought as a class action, and that no Insured Party has the right to act, nor shall they attempt to act, as a class representative or participate as a member of a class of claimants with respect to any claim related to or arising out of the Financing Arrangement. To the extent that this arbitration provision is held unenforceable, the Insured Parties: (i) irrevocably submit to the exclusive jurisdiction of any federal or state court sitting in [TRUST-CITY-STATE] in respect of any action or proceeding arising under or related to in any manner whatsoever this Disclosure Statement or the transactions contemplated under the Financing Arrangement, (ii) agree that this Disclosure Statement and the transactions contemplated by the Financing Arrangement shall in all respects be governed by and construed in accordance with the laws of the State of [JURISDICTION] (without reference to conflicts of laws provisions) and (iii) HEREBY WAIVE THE RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING OUT OF OR IN ANY WAY RELATED TO THIS DISCLOSURE STATEMENT OR (II) IN ANY WAY IN CONNECTION WITH OR PERTAINING OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES TO THIS DISCLOSURE STATEMENT IN CONNECTION WITH THIS DISCLOSURE STATEMENT OR THE EXERCISE OF ANY PARTY’S RIGHTS AND REMEDIES UNDER THIS DISCLOSURE STATEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The sole exception to this requirement for arbitration involves suits brought on behalf of the Lender seeking a temporary restraining order, preliminary injunction, and/or permanent injunction (“injunctive relief) based upon (i) any failure of the Trust to use the proceeds of advanced exclusively as set forth in the Loan Agreement, the Promissory Note, the Financing Documents or any other documents related to the Loan Agreement; (ii) any act by the Trust or any Guarantor to transfer, amend, change ownership, cancel, convey, sell or assign the Policy without the express written consent of the Lender; or (iii) any failure to act by the Trust or any Guarantor that results, directly or indirectly, in the transfer of the Policy or any amendment, change of ownership, cancellation, conveyance, sale or assignment thereof, in the event there is immediate and irreparable injury, loss, or damage (which immediate and irreparable injury, loss, or damage may be presumed by law and/or by agreement of the parties). The parties hereby expressly agree, and each

Interested Third Party in receipt of this Disclosure Statement acknowledges, that the arbitration provisions in this section shall not apply to the Trustee in respect of its rights, duties, protections and immunities.

22. The Grantor, the Insured and the Insured's Spouse acknowledge and understand that various charities, educational institutions and federal, state or local governmental entities or agencies may take into account the Life Insurance Trust's purchase, and the maintenance in force, of the Policy in determining the eligibility of the Insured, the Insured's Spouse or any other family members of the Insured to receive aid under one or more charitable, educational and federal, state or local governmental programs, including without limitation, Medicaid.
23. The Grantor, the Insured and the Insured's Spouse acknowledge and understand that, due to cost of insurance increases or other factors relating to the Policy, it is possible that the amount of funds advanced under the Loan Agreement may not be sufficient to keep the Policy in force during the term of the Loan Agreement.
24. The Grantor, the Insured and the Insured's Spouse are each signing this Disclosure Statement freely and voluntarily and are each of sound mind and not subject to any constraint or undue influence, and neither has ever been the subject of any mental health or mental competency proceeding or any other proceeding or hearing with respect to which such party's competency or capacity to contract is or was an issue.
25. Each of the Grantor, the Insured and the Insured's Spouse has a complete understanding of this Disclosure Statement and has been given the opportunity to ask questions regarding the nature and operation of the Financing Arrangement.
26. As of the Execution Date and the Initial Premium Funding Date, the Insured is an individual residing in the state designated in the Financing Documents.
27. This document and the other Financing Documents to which the Insured is a party have been duly executed and delivered by the Insured, and (assuming due authorization, execution and delivery by the other parties thereto) the Financing Documents constitute legal, valid and binding obligations of the Insured, enforceable against the Insured in accordance with their terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and to equitable principles of general application, regardless of whether such principles are considered in a proceeding in equity or at law).
28. The execution, delivery and performance by the Insured of the Financing Documents to which it is a party do not and will not (i) to the knowledge of the Insured, conflict with or cause a violation by the Insured of (A) any Law or Governmental Order of the Insured's state of residence applicable to the Insured or to any of the Insured's assets, properties or business or (B) to the knowledge of the Insured, any other Law or Governmental Order applicable to the Insured or to any of the Insured's assets, properties or business or (ii) conflict with, result in any breach of, constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, require any consent

under, or give to others any rights of termination, amendment or acceleration pursuant to any Contract to which the Insured is a party.

29. No authorization, approval, consent, franchise, license, covenant, order, ruling, permit, certification, exemption, notice, declaration or similar right, undertaking or other action of, to or by, or any filing, qualification or registration with, any Governmental Authority is required to be obtained by the Insured that has not been obtained or is not in full force and effect, and no registration, declaration, or filing with any Governmental Authority is required to be given or made by the Insured to or with, any Governmental Authority that has not been given or made or the applicable waiting period for which has not expired or terminated, each in connection with the execution and delivery of this Disclosure Statement and the other Financing Documents and the consummation of the transactions contemplated hereby and thereby.
30. No Default or Event of Default with respect to the Insured has occurred and is continuing. The Insured is not in violation of any Law or Governmental Order applicable to it or any of its properties or assets. No judicial, administrative or arbitral proceeding is pending or, to the best knowledge of the Insured, threatened against the Insured, which would have an adverse effect on the Insured's ability to perform under the Financing Documents.
31. To the best of the Insured's knowledge on the Execution Date, and the Initial Premium Funding Date, the Insured does not have a catastrophic or life-threatening illness or condition. The Insured expressly waives any and all rights, claims, interests, powers and privileges that the Insured possesses with respect to the Policy.
32. The Insured has read, understands, and has signed each document in the Closing Package that is required to be executed by the Insured. The Insured has retained his or her own legal counsel, and has obtained his or her own tax, accounting and financial advice, with respect to this Disclosure Statement and the other Financing Documents and any obligations that the Insured will incur or undertake hereunder or thereunder, including any risks associated herewith or therewith, and is relying solely upon his or her own legal, tax, accounting, financial and other advisers in his or her decision to enter into this Disclosure Statement and any related transactions. The Insured has considered other alternatives for financing the Policy, and has satisfied himself or herself that entering into this Disclosure Statement and the other Financing Documents and consummating the transactions contemplated thereby is in his or her best interest. 1.5. Dispute Resolution

(a) All controversies or disputes arising out of, relating to or in connection with this Agreement ("Disputes") shall be resolved pursuant to this Section 1.5.

(b) All Disputes shall in the first instance be discussed amicably between the parties with a view to resolving such Dispute, commencing upon one party giving other parties written notice of such Dispute. In the event that such Dispute is not resolved within thirty (30) days after such notice (or such longer period as the parties may agree in writing with respect to any such Dispute), any party may submit such Dispute to be finally settled by arbitration administered under the Commercial Arbitration Rules of the American Arbitration Association (the "Rules") by a panel of three arbitrators sitting in the State of the Trust Situs. One arbitrator shall be nominated by the party initiating arbitration at the time of the filing of its demand for arbitration, the second arbitrator shall be nominated by the opposing party(ies) at the time of the filing of its answering statement, and the third arbitrator (who shall act as chairman) shall be jointly nominated by party-nominated arbitrators if they are able to agree. If the first two party nominated arbitrators are unable to agree upon a third within thirty (30) days after the nomination of the second, or if either party fails to nominate an arbitrator as set forth herein, an arbitrator shall be appointed pursuant to the Rules. The award of the arbitrators shall be final and binding upon the parties, and shall not be subject to any appeal or review. The parties agree that such award may be recognized and enforced in any court of competent jurisdiction. The parties agree to submit to the personal jurisdiction of the federal and state courts sitting in the State of the Trust Situs, for the sole purpose of enforcing this Agreement (including, where appropriate, issuing injunctive relief), the agreement to arbitrate contained herein and any award resulting from arbitration pursuant to this Section and, to the fullest extent permitted by law, waive any objection which they may have at any time to the laying of venue of any proceedings brought in such court and any claim that such proceedings have been brought in an inconvenient forum.

(c) The Trust further agrees that no claim arising out of, relating to or in connection with this Agreement may be brought as a class action, and that the Insured and Trustee, on behalf of the Trust, do not have the right to act, nor shall they attempt to act, as a class representative or participate as a member of a class of claimants with respect to any claim related to, in connection with or arising out of this Agreement. To the extent that this arbitration provision is held unenforceable, each of the Trust and the Lender: (i) irrevocably submits to the exclusive jurisdiction of any federal or state court sitting in the location of the Trust Situs in respect of any action or proceeding arising under or related to in any manner whatsoever this Agreement or the transactions contemplated under this Agreement, (ii) agrees that this Agreement and the

transactions contemplated by the Financing Documents shall in all respects be governed by and construed in accordance with the laws of the State of the Trust Situs (without reference to conflicts of laws provisions) and (iii) HEREBY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, OR (II) IN ANY WAY IN CONNECTION WITH OR PERTAINING OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES TO THIS AGREEMENT IN CONNECTION WITH THIS DISCLOSURE STATEMENT, REPRESENTATIONS AND WARRANTIES, AND CONSENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The parties hereby agree and acknowledge that this provision is intended to encompass any dispute between any party to this Agreement.

(d) In any arbitral proceeding arising under this Agreement, the parties agree that they will engage in cooperative discovery, to be supervised by the arbitral tribunal. In its discretion, the tribunal may order the exchange of documents in the custody or control of parties to this Agreement, and may order a limited number of party depositions of one (1) day's duration each if requested by the opposing party and if the tribunal finds that such depositions would contribute to the efficient development of evidence.

(e) The sole exception to this Section 1.5 involves suits brought on behalf of the Lender seeking a temporary restraining order, preliminary injunction, and/or permanent injunction ("injunctive relief") based upon (i) any failure of the Borrower to use the proceeds advanced hereunder exclusively as set forth in this Agreement, the Promissory Note, the Financing Documents or any other documents related to this Agreement; (ii) any act by the Borrower or any Guarantor to transfer, amend, change ownership, cancel, convey, sell or assign or grant an encumbrance in the Life Insurance Policy without the express written consent of the Lender; or (iii) any failure to act by the Borrower or any Guarantor that results, directly or indirectly, in the transfer of the Life Insurance Policy or any amendment, change of ownership, cancellation, conveyance, sale or assignment thereof or the creation of any encumbrance therein, in the event there is immediate and irreparable injury, loss, or damage (which immediate and irreparable injury, loss, or damage may be presumed by law and/or by agreement of the Parties).

(f) The parties hereby expressly agree, and each interested third party in receipt of this Agreement acknowledges, that the arbitration provisions in this Section 1.5 shall not apply to the Trustee in respect of its rights, duties, protections and immunities under the Trust Agreement.

The Lender has not provided the Trust or the Insured with any advice regarding the income, estate or gift tax or other effects of this Agreement or the transactions contemplated herein, but has disclosed to the Trust and Insured that there may be adverse tax and/or financial consequences to the Trust and/or the Insured as a result of any foreclosure on the Life Insurance Policy or the beneficial interest in the Trust following an Event of Default. 1. In the event that a Policy Loan is outstanding, is scheduled to mature within 60 days (based upon the maturity date specified in the Loan Application and Agreement and the Promissory Note executed by the Trust) and there are insufficient funds in the Trust to fully satisfy the obligations under the Policy Loan, the Trustee shall deliver written notice to the Grantor⁷ and the beneficiaries of the Trust at the addresses set forth in the Trust Agreement (provided, however, that if beneficiaries are listed by class, the Trustee shall only be required to deliver such notice to the members of such class of beneficiaries identified in a written statement received by the Trustee from the grantor) stating (a) that the Policy Loan is maturing and the amount due (or projected to be due) on the maturity date thereof, as specified to the Trustee in a written notice delivered to the Trustee by the Lender, (b) the amount of funds insufficient in the Trust, or otherwise unavailable, to fully satisfy the obligations under the Policy Loan and (c) that unless the grantor and/or beneficiaries contribute funds to the Trust on or before three (3) Business Days prior to the maturity date sufficient to permit the Trust to pay the Policy Loan in full, that the Trustee is hereby directed to and shall have no discretion not to unconditionally and irrevocably transfer and assign the Policy to the lender under the Policy Loan (the "Lender"⁸) or to a designee of the Lender if such designee is specified by the Lender in a written notice delivered prior to such transfer and assignment to the Trustee (the "Designee"). If on or before three (3) Business Days prior to the maturity date the grantor and/or beneficiaries contribute any funds to the Trust, the Trustee shall, within three (3) Business Days after the receipt of any funds identified as being contributed by the grantor and/or a beneficiary, pay such funds to the Lender. For purposes hereof, the term "Policy Loan" shall refer to the borrowing effected by the Trust under the loan documents referenced in Section [] of this Trust Agreement.

2. Following the maturity of the Policy Loan (whether at stated maturity, by acceleration following an event of default or otherwise), if (a) the grantor and/or beneficiaries have not contributed funds to the Trust on or before three (3) Business Days prior to the maturity date in an amount sufficient to permit the Trustee to pay the amount due on the Policy Loan in full at the maturity date, as specified to the Trustee in a written notice delivered to the Trustee by the Lender, and (b) the Trust does not otherwise have sufficient funds to satisfy the Policy Loan

⁷ 1 Substitute "Settlor" for "Grantor" if state trust law uses Settlor in lieu of Grantor.

⁸ For avoidance of doubt, the term Lender shall include any person that acquires the Policy Loan, either via purchase and assignment or via a participation interest in the loan.

in full, immediately following receipt by the Trustee of a notice of default from the Lender and a written demand for the assignment or transfer of the Policy to the Lender or the Designee, the Trustee is hereby directed to and shall have no discretion not to as soon as is commercially reasonably practicable thereafter unconditionally and irrevocably transfer and assign the Policy and any cash or other assets of the Trust to the Lender or the Designee.

Any funds in the Trust to be transferred shall be transferred by wire transfer of immediately available funds to the account specified in writing by the Lender to the Trustee.

4. At any time following the receipt of a written notice from the Lender stating that an event of default has occurred under the Policy Loan and requesting a delivery to the Lender or the Designee of the original Policy and all amendments and endorsements thereto and any other documents related to such Policy, the Trustee is hereby directed to and shall have no discretion not to unconditionally and irrevocably deliver the original Policy and such other documents to the Lender or the Designee. Upon the completion of such filing and the taking of such actions, the Trust shall, subject to obtaining the consent of the Lender and any Designee, terminate and the Trustee thereafter shall have no further duties, obligations or liabilities whatsoever to the grantor or beneficiaries hereunder or in connection with or relating to such transfer and assignment. 3. From and after the recordation of such transfer of the beneficial interests in the Trust to the Lender or the Designee, the Trustee is directed unconditionally and irrevocably not to take any action with regard to the Trust or the Policy without the prior written consent of the Lender and any such Designee.

The maximum principal that may be advanced to Borrower shall be [MAXIMUM PREMIUMS TO BE ADVANCED PLUS ORIGATION FEE], or such lesser amount as determined in accordance with that certain Loan Application and Agreement (the "Loan Agreement") of even date herewith between Borrower and Lender and Lender shall have no obligation to make any advance in excess of that amount. Any advance shall be made under, and in accordance with, the Loan Agreement. In the event the unpaid balance of this Promissory Note ever is greater than the maximum principal advance, Borrower agrees to repay immediately the excess upon Lender's written demand. Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Loan Agreement.

PAYMENT. The principal amount of this Promissory Note, together with all accrued but unpaid interest and all other charges, shall be due and payable in full in one lump sum on [MATURITY-DATE], or if earlier, either: (a) one (1) Business Day after payment of any proceeds of the Life Insurance Policy to or for the benefit of the Borrower; or (b) if the Life Insurance Policy is rescinded for any reason, one (1) Business Day after the return of any Life Insurance Policy premium. All payments shall be applied in the following order: (i) to any collection costs Lender may have incurred in procuring Borrower's performance on this Promissory Note; (ii) to any fees due under the Loan Agreement; (iii) to the outstanding interest which has accrued on the balance of the Promissory Note; and (iv) to the outstanding principal balance of the Promissory Note. All interest under the Promissory Note shall be calculated on the basis of a 360-day year for the actual number of days elapsed in an interest period (actual/360 method). Determination of a rate of interest by the Lender shall, in the absence of manifest error, be conclusive and binding upon the Borrower. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing. All payments shall be made in lawful money of the United States to Lender at the address set forth above or at such other place as the Lender under this Promissory Note may designate in writing ("Payment Address").

INTEREST RATE. The Interest Rate on this Promissory Note shall be set (or initially set) at [INTEREST-RATE] per annum ~~and shall compound on a monthly basis~~[delete in [GEORGIA and other states not permitting compounding of interest] and substitute "on a simple interest basis"]. The interest rate on this Promissory Note shall be a [FIXED-FLOATING]. If a fixed rate, it shall be fixed at the Interest Rate set forth in the preceding sentence; if a floating or variable rate, it shall be reset periodically as follows. If the interest rate on this Promissory Note is set as variable/floating and not fixed, the Interest Rate shall initially be as set forth in the first sentence of this paragraph and shall be adjusted thereafter on the first day of each month during the term of this Promissory

Note. Each date on which the interest rate could vary or change is called a "Change Date." Beginning with the first Change Date, the Interest Rate will be based on an Index plus the Spread. The "Index" is the [INDEX] on the Change Date which is publicly announced in the "Money Rates" section of The Wall Street Journal, Eastern Edition, or such other similar publication, as is reasonably determined by the Lender. If the Index is no longer available, the Lender will choose a new index which is based upon comparable information. If the Change Date is not a Business Day, the rate as announced on the next Business Day shall be used.

On each Change Date, the Lender will calculate the new interest rate by adding [SPREAD] basis points (the "Spread") to the Index. Subject to the limits set forth herein, this amount will be the new interest rate until the next Change Date. The interest rate the Borrower is required to pay under this Promissory Note will not be greater than 16% or less than 9%. Any new interest rate will become effective on each Change Date.

[At the end of each month, accrued interest as calculated above shall be added to the principal amount due under the Promissory Note, and interest shall accrue thereafter on such increased principal amount.][DELETE IN GA and other states not permitting the compounding of interest]

NOTICE: Under no circumstances will the effective rate of interest on this Promissory Note be more than the maximum rate allowed by applicable law.

PREPAYMENT. Borrower agrees that all loan fees, including the Origination Fee and the Yield Maintenance Premium, and other prepaid finance charges are earned fully as of the date of this Promissory Note and will not be subject to refund upon early payment (whether voluntary or as a result of default), except: (i) in the case of death of the Insured prior to maturity, the Yield Maintenance Premium will be waived, or (ii) as otherwise required by law. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Promissory Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to the Payment Address. No privilege is reserved by Borrower to prepay any principal due hereunder and under the Loan Agreement prior to the Maturity Date, except that the Borrower may after giving five (5) days' prior written notice to Lender, prepay in full, but not in part, all principal and interest to and including the date on which payment is made, along with all sums, amounts, advances, or charges due under the Loan Agreement, this Promissory Note or the other Financing Documents, upon the payment of the Yield Maintenance Premium.

LATE CHARGE. Borrower shall pay to Lender a "late charge" in an amount equal to three percent (3%) of any amounts that are not paid within five (5) days after the due date thereof to cover the extra expense involved in handling delinquent payments. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

THIS PROMISSORY NOTE HAS BEEN ACCEPTED BY LENDER IN THE STATE OF [JURISDICTION-UC]. BORROWER AGREES TO BE SUBJECT TO THE EXCLUSIVE JURISDICTION OF [TRUST-CITY-STATE-UC] CONCERNING ANY DISPUTES ARISING OUT OF OR RELATING TO THIS PROMISSORY NOTE AND HEREBY SUBMITS TO SUCH JURISDICTION.

REQUESTS FOR SPECIAL SERVICES. In general, there are no borrower-paid fees associated with the routine servicing of a loan. Borrower, however, may occasionally find it necessary to request services for which there is a charge. The services that fall outside of routine servicing include, without limitation, providing the following documents upon request: duplicate year-end statements, copies of loan documents or periodic statements, payment histories, and replacement coupon books. Unless and until there has been a valid transfer or assignment of this Promissory Note and of all of the rights hereunder by the Lender in accordance with the terms of this Promissory Note, the Borrower shall deem and treat the Lender as the absolute beneficial owner and holder of this Promissory Note and of all of the rights hereunder for all purposes (including, without limitation, for the purpose of receiving all payments to be made under this Promissory Note). Any attempted transfer or assignment in violation of this paragraph shall be void and of no force and effect.

Subject to the foregoing, as used herein, the terms "Borrower" and "Lender" shall be deemed to include their respective transferees, successors and assigns, whether by voluntary action of the parties or by operation of law.

GENERAL PROVISIONS. If any part of this Promissory Note cannot be enforced, this fact will not affect the rest of this Promissory Note. Any such excess interest or unauthorized fee shall, instead of anything stated to the contrary, be applied first to reduce the principal balance of the amounts due hereunder to the extent of such excess or, at the option of the Borrower, shall be returned to the Borrower. Lender may delay or forgo enforcing any of its rights or remedies under this Promissory Note without losing them. Borrower and any other person who signs, guarantees or endorses this Promissory Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. This Promissory Note is the Promissory Note referred to in, and is entitled to the benefits of, the Loan Agreement and the other Financing Documents.

i. **Proceeds.** Any and all replacement or renewal certificates, instruments, or other benefits or proceeds related to the Collateral that are received by Beneficiary shall be held by Beneficiary in trust for Lender and immediately shall be delivered by Beneficiary to Lender to be held as part of the Collateral.

j. **Location.** Beneficiary's primary office and principal place of business or residence if an individual and the place where Beneficiary keeps Beneficiary's records concerning the Collateral are located at the address set forth in Section 9(i) below. If Beneficiary changes Beneficiary's name or address, or the name or address of any person granting a security interest under this Pledge Agreement changes, Beneficiary will promptly notify the Lender of such change, but in no event later than thirty (30) days following such change.

k. **Further Acts.** Beneficiary will, at its sole expense, promptly execute, acknowledge and deliver all such instruments and take all such actions as Lender from time to time may request in order to ensure to Lender the benefits of its lien in and to the Collateral intended to be created by this Pledge Agreement, including the filing of any necessary financing statements or continuation statements, which may be filed by Lender with or (to the extent permitted by law) without the signature of Beneficiary, and will cooperate with Lender, at Beneficiary's expense, in obtaining all necessary approvals and making all necessary filings under federal, state, local or foreign law in connection with such lien or any sale or transfer of the Collateral.

4. **PERFECTION AND PROTECTION OF SECURITY.** The Beneficiary makes the following representations, warranties and covenants to the Lender from the Execution Date until the Obligations are paid in full:

a. (i) The pledgor's right, title and interest in any Collateral is and shall be free from any Encumbrance except for the security interest and lien created hereby and pursuant to the other Financing Documents; and

(ii) The Pledgor shall not sell or otherwise dispose of, or pledge, mortgage or create, or suffer to exist a lien on, the Collateral in favor of any person other than the Lender (except as permitted in the Loan Agreement).

b. The Beneficiary authorizes the Lender to file financing statements relating to the Collateral under the Uniform Commercial Code ("UCC") containing the information set forth on Schedule B hereto in the jurisdictions indicated in this Pledge Agreement or as otherwise determined by the Lender. Subject to the filing of continuation statements in respect of such financing statements required from time to time under the UCC, (i) the security interest in the Collateral, to the extent the same can be perfected by filing of financing statements under the UCC, constitutes and will constitute a perfected first priority security interest therein, subject to no other Encumbrance which is perfected by filing of financing statements, and (ii) subject further to the Lender's obtaining and maintaining possession or control over Collateral as to which a security interest can be perfected by possession or control under the UCC, the security interest in the Collateral, to the extent the same can be perfected under the UCC, constitutes and will constitute a perfected first priority security interest therein, subject to no other Encumbrance; provided that continuation of such security

interest in the proceeds of the Collateral is limited by the provisions of Sections 9-203, 9-315 and 9-322 of the UCC.

c. There is no financing statement naming the Beneficiary or any of its predecessors in interest as debtor now on file or registered in any public office evidencing any Encumbrance on the Collateral, or intended so to be and the Beneficiary (including any of its predecessors in interest) has not filed or authorized the filing of, any financing statement relating to any of its right, title or interest in or to any of the Collateral, except financing statements filed or to be filed in respect of and covering the security interest and lien of the Lender granted and provided for in this Pledge Agreement and the other Financing Documents.

d. The Beneficiary shall cause the Trust to annotate its books and records to reflect the pledge of the beneficial interests in the Trust effected by this Pledge Agreement.

e. The Beneficiary shall ensure at all times that the Lender has "control" for purposes of Section 8-106 of the UCC of all uncertificated instruments included within the Collateral. The Beneficiary has caused the Trust to execute and deliver to the Lender on the date of this Pledge Agreement a consent in the form attached hereto as Schedule C in order to comply with the requirements of Section 8-106(c)(2) of the UCC to the extent beneficial interests in the Trust constitute uncertificated securities for purposes of Article 8 of the UCC.

5. LENDER'S RIGHTS AND OBLIGATIONS WITH RESPECT TO THE COLLATERAL.

a. While this Pledge Agreement is in effect, Lender shall retain all of Beneficiary's rights, title and interest in the Collateral, together with any and all evidence of the Collateral, and this Pledge Agreement will remain in effect until (a) there no longer are any Obligations owing to Lender; and (b) all other obligations secured by this Pledge Agreement have been fulfilled. In furtherance of the foregoing, the Beneficiary shall execute an Assignment of Beneficial Interests in the form attached hereto as Schedule D contemporaneously with the execution of this Pledge Agreement.

b. Notwithstanding Section 5(a) above, so long as no Event of Default shall have occurred and be continuing, the Beneficiary shall be entitled:

(i) to exercise, as it shall think fit, but in a manner not inconsistent with the terms hereof and the terms of the other Financing Documents, any voting power with respect to the Collateral, and for that purpose the Lender shall (if any securities pledged under this Agreement (each, a "Pledged Security") shall be registered in the name of the Lender or its nominee) execute or cause to be executed from time to time, at the expense of the Beneficiary, such proxies or other instruments in favor of the Beneficiary or its nominee, in such form and for such purposes as shall be reasonably required by the Beneficiary and shall be specified in a written request therefor, to enable it to exercise such voting power with respect to such Pledged Security; and

(ii) except as otherwise provided in Sections 5(c) and 5(d) hereof, to receive and retain for its own account any and all payments, proceeds, dividends, distributions, monies, compensation, property, assets, instruments or rights to the extent such are permitted pursuant to the terms of the Loan Agreement, other than (x) stock or liquidating dividends or (y) extraordinary dividends and dividends or other amounts payable under or in connection with any recapitalization, restructuring, or other non ordinary course event (the dividends and amounts in this clause (y) being "Extraordinary Payments"), paid, issued or distributed from time to time in respect of the Collateral.

c. Extraordinary Payments and Distributions.

(i) In case, upon the dissolution or liquidation (in whole or in part) of any issuer of any Collateral, any sum shall be paid or payable as a liquidating dividend or otherwise upon or with respect to any Pledged Security or, in the event any other Extraordinary Payment is paid or payable, then and in any such event, such sum or Extraordinary Payment shall be paid by the Beneficiary over to the Lender promptly, and in any event within ten (10) days after receipt thereof, to be held by the Lender as additional collateral hereunder.

(ii) In case any stock dividend shall be declared with respect to any Pledged Security, or any shares of stock or fractions thereof shall be issued pursuant to any stock split involving any Pledged Security, or any distribution of capital shall be made on any of the Collateral, or any shares, obligations or other property shall be distributed upon or with respect to the Collateral, in each case pursuant to a recapitalization or reclassification of the capital of the issuer thereof, or pursuant to the dissolution, liquidation (in whole or in part), bankruptcy or reorganization of such issuer, or to the merger or consolidation of such issuer with or into another corporation, the shares, obligations, capital or other property so distributed shall be delivered by the Beneficiary to the Lender promptly, and in any event within ten (10) days after receipt thereof, to be held by the Lender as additional collateral hereunder subject to the terms of this Pledge Agreement, and all of the same shall constitute Collateral for all purposes hereof.

(d) **Voting Rights and Ordinary Payments After an Event of Default.** Upon the occurrence and during the continuance of any Event of Default, all rights of the Beneficiary to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 5(b)(i) hereof and to receive the payments, proceeds, dividends, distributions, monies, compensation, property, assets, instruments or rights that the Beneficiary would otherwise be authorized to receive and retain pursuant to Section 5(b)(ii) hereof shall cease, and thereupon the Lender shall be entitled to exercise all voting power with respect to any Pledged Security and to receive and retain, as additional collateral hereunder, any and all payments, proceeds, dividends, distributions, monies, compensation, property, assets, instruments or rights at any time declared or paid upon any of the Collateral during such an Event of Default and otherwise to act with respect to the Collateral as outright owner thereof.

e. All Payments in Trust. All payments, proceeds, dividends, distributions, monies, compensation, property, assets, instruments or rights that are received by the Beneficiary contrary to the provisions of Section 5 hereof shall be received and held in trust

for the benefit of the Lender, shall be segregated by the Beneficiary from other funds of the Beneficiary and shall be forthwith paid over to the Lender as Collateral in the same form as so received (with any necessary endorsement).

6. LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Beneficiary fails to comply with any provision of this Pledge Agreement or any Financing Documents, including but not limited to Beneficiary's failure to discharge or pay when due any amounts Beneficiary is required to discharge or pay under this Pledge Agreement or any Financing Documents, Lender on Beneficiary's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the Interest Rate from the date incurred or paid by Lender to the date of repayment by Trust. All such expenses will become a part of the Obligations and, at Lender's option, will (A) be payable on demand; (B) be added to the Total Amount Due and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance Life Insurance Policy; or (2) the remaining term of the Loan Agreement; or (C) be treated as a balloon payment which will be due and payable at the Maturity Date. The liens created under this Pledge Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon an Event of Default.

7. LIMITATIONS ON OBLIGATIONS OF LENDER Lender shall use ordinary reasonable care in the physical preservation and custody of the Collateral to the extent in the possession of the Lender but shall have no other obligation to protect the Collateral or its value. In particular, but without limitation, Lender shall have no responsibility (A) for the collection or protection of any income on the Collateral (other than any death benefits paid or payable under the Life Insurance Policy and any interest or payments in the nature of interest which may be paid or become due in respect thereto); (B) for the preservation of rights against issuers of the Collateral or against third persons (other than the Insurer); (C) for ascertaining any maturities, conversions, exchanges, offers, tenders, or similar matters relating to the Collateral other than the Life Insurance Policy; nor (D) for informing the Beneficiary about any of the above, whether or not Lender has or is deemed to have knowledge of such matters.

8. RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default, or at any time thereafter, Lender may exercise any one or more of the following rights and remedies in respect of the Collateral, in addition to any rights or remedies that may be available at law, in equity, or otherwise:

a. Upon the occurrence and during the continuance of any Event of Default, the Lender may exercise, in addition to other rights and remedies provided for herein or otherwise available to it, all rights of voting, exercise and conversion with respect to the Collateral and all of the rights and remedies of a collateral agent upon default under the UCC at that time (whether or not applicable to the affected Collateral) and may also, without obligation to resort to other security, at any time and from time to time sell, resell, assign and deliver, in its sole discretion, all or any of the Collateral, in one or more parcels at the same or different times, and all right, title and interest, claim and demand therein and right of redemption thereof, on any

securities exchange on which any Collateral may be listed, or at public or private sale, for cash, upon credit or for future delivery, and in connection therewith the Lender may grant options.

b. If any of the Collateral is sold upon credit or for future delivery, the Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, the Lender may resell such Collateral. In no event shall the Beneficiary be credited with any part of the proceeds of sale of any Collateral until cash payment therefor has actually been received by the Lender.

c. The Lender may purchase any Collateral at any public sale and, if any Collateral is of a type customarily sold in a recognized market or is of the type that is the subject of widely distributed standard price quotations, the Lender may purchase such Collateral at private sale, and in each case may make payment therefor by any means, including, without limitation, by release or discharge of Obligations in lieu of cash payment.

d. The Beneficiary recognizes that the Lender may be unable to effect a public sale of all or part of the Collateral consisting of securities by reason of certain prohibitions contained in the Securities Act of 1933, as amended (the "Securities Act"), or in applicable Blue Sky or other state securities laws, as now or hereafter in effect, but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. The Beneficiary agrees that any such Collateral sold at any such private sale may be sold at a price and upon other terms less favorable to the seller than if sold at public sale and that each such private sale shall be deemed to have been made in a commercially reasonable manner. The Lender shall have no obligation to delay the sale of any such securities for the period of time necessary to permit the issuer of such securities, even if such issuer would agree, to register such securities for public sale under the Securities Act. The Beneficiary agrees that private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner.

e. No demand, advertisement or notice, all of which are hereby expressly waived, shall be required in connection with any sale or other disposition of any part of the Collateral that threatens to decline speedily in value or that is of a type customarily sold on a recognized market; otherwise the Lender shall give the Beneficiary at least ten (10) days' prior notice of the time and place of any public sale and of the time after which any private sale or other disposition is to be made, which notice the Beneficiary agrees is commercially reasonable.

f. The Lender shall not be obligated to make any sale of Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given. The Lender may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned.

g. The remedies provided herein in favor of the Lender shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in favor of the Lender existing at law or in equity.

h. To the extent that applicable law imposes duties on the Lender to exercise remedies in a commercially reasonable manner, the Beneficiary acknowledges and agrees that it is not commercially unreasonable for the Lender (i) to advertise dispositions of Collateral through publications or media of general circulation; (ii) to contact other persons, whether or not in the same business as the Beneficiary, for expressions of interest in acquiring all or any portion of the Collateral; (iii) to hire one or more professional auctioneers to assist in the disposition of Collateral; (iv) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets; (v) to disclaim disposition warranties, or (vi) to the extent deemed appropriate by the Lender, to obtain the services of brokers, investment bankers, consultants and other professionals to assist the Lender in the disposition of any of the Collateral. The Beneficiary acknowledges that the purpose of this clause (h) is to provide non-exhaustive indications of what actions or omissions by the Lender would not be commercially unreasonable in the Lender's exercise of remedies against the Collateral and that other actions or omissions by the Lender shall not be deemed commercially unreasonable solely on account of not being indicated in this clause (h). Without limiting the foregoing, nothing contained in this clause (h) shall be construed to grant any rights to the Beneficiary or to impose any duties on the Lender that would not have been granted or imposed by this Pledge Agreement or by applicable law in the absence of this clause (h).

i. The Lender's prior recourse to any Collateral shall not constitute a condition of any demand, suit or proceeding for payment or collection of the Obligations.

9. **MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Pledge Agreement:

a. **Amendments.** This Pledge Agreement, together with the Loan Agreement, and all Financing Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Pledge Agreement. No alteration of or amendment to this Pledge Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

b. **Arbitration.** All controversies or disputes arising out of or in connection with this Pledge Agreement ("Disputes") shall be resolved pursuant to this Section 9b.

(i) All Disputes shall in the first instance be discussed amicably between the parties with a view to resolving such Dispute, commencing upon one party giving other parties written notice of such Dispute. In the event that such Dispute is not resolved within thirty (30) days after such notice (or such longer period as the parties may agree in writing with respect to any such Dispute), any party may submit such Dispute to be finally settled by arbitration administered under the Commercial Arbitration Rules of the American Arbitration Association (the "Rules") by a panel of three arbitrators sitting in [_____]. One arbitrator shall be nominated by the party initiating arbitration at the time of the filing of its demand for arbitration, the second arbitrator shall be nominated by the opposing party(ies) at the time of the filing of its answering statement, and the third arbitrator (who shall act as chairman) shall be jointly nominated by party-nominated arbitrators if they are able to agree. If the first two party nominated arbitrators are unable to agree upon a third within thirty (30) days after the

nomination of the second, or if either party fails to nominate an arbitrator as set forth herein, an arbitrator shall be appointed pursuant to the Rules. The award of the arbitrators shall be final and binding upon the parties, and shall not be subject to any appeal or review. The parties agree that such award may be recognized and enforced in any court of competent jurisdiction. The parties agree to submit to the personal jurisdiction of the federal and state courts sitting in [____], for the sole purpose of enforcing this Pledge Agreement (including, where appropriate, issuing injunctive relief), the agreement to arbitrate contained herein and any award resulting from arbitration pursuant to this Section and, to the fullest extent permitted by law, waive any objection which they may have at any time to the laying of venue of any proceedings brought in such court and any claim that such proceedings have been brought in an inconvenient forum.

(ii) The Lender and Beneficiary further agree that no claim may be brought as a class action, and that the Lender and Beneficiary do not have the right to act, nor shall they attempt to act, as a class representative or participate as a member of a class of claimants with respect to any claim related to or arising out of this Pledge Agreement. To the extent that this arbitration provision is held unenforceable, the Lender and Beneficiary: (i) irrevocably submit to the exclusive jurisdiction of any federal or state court sitting in [____] in respect of any action or proceeding arising under or related to in any manner whatsoever this Pledge Agreement or the transactions contemplated under this Pledge Agreement, (ii) agree that this Pledge Agreement and the transactions contemplated by the Financing Arrangement shall in all respects be governed by and construed in accordance with the laws of the State of [____] (without reference to conflicts of laws provisions) and (iii) HEREBY WAIVE THE RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, OR (II) IN ANY WAY IN CONNECTION WITH OR PERTAINING OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES TO THIS AGREEMENT IN CONNECTION WITH THIS PLEDGE AGREEMENT, REPRESENTATIONS AND WARRANTIES, AND CONSENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The Parties hereby agree and acknowledge that this provision is intended to encompass any dispute between any Party to this Pledge Agreement and any interested third party.

(iii) In any arbitral proceeding arising under this Pledge Agreement, the parties agree that they will engage in cooperative discovery, to be supervised by the arbitral tribunal. In its discretion, the tribunal may order the exchange of documents in the custody or control of parties to this Pledge Agreement, and may order a limited number of party depositions of one (1) day's duration each if requested by the opposing party and if the tribunal finds that such depositions would contribute to the efficient development of evidence.

c. **Attorneys' Fees; Expenses.** Beneficiary agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Pledge Agreement.

Lender may hire or pay someone else to help enforce this Pledge Agreement, and Beneficiary shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Beneficiary also shall pay all court costs and such additional fees as may be directed by the court.

d. **Indemnification.** The Beneficiary hereby releases the Lender and its officers, shareholders, directors, employees and agents (each, an "Indemnified Party") from any claims, causes of action and demands at any time arising out of or with respect to this Pledge Agreement, the Obligations, the Collateral and its use and/or any actions taken or omitted to be taken by such Indemnified Party with respect thereto (except such claims, causes of action and demands arising from the bad faith, gross negligence or willful misconduct of such Indemnified Party) and the Beneficiary hereby agrees to hold each Indemnified Party harmless from and with respect to any and all such claims, causes of action and demands (except such claims, causes of action and demands arising from the gross negligence or willful misconduct of such Indemnified Party).

e. **Caption Headings.** Caption headings in this Pledge Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Pledge Agreement.

f. **Governing Law.** THIS PLEDGE AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE STATE OF [] WITHOUT REGARD TO ITS CONFLICTS OF LAW PROVISIONS. LENDER HAS ACCEPTED THIS PLEDGE AGREEMENT IN THE STATE OF [].

g. **Marshalling.** The Lender shall not be required to marshal any present or future collateral security (including but not limited to this Pledge Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may, the Beneficiary hereby agrees that it shall not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Lender's rights under this Pledge Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Beneficiary hereby irrevocably waives the benefits of all such laws.

h. **No Waiver by Lender.** Lender shall not be deemed to have waived any rights under this Pledge Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Pledge Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Pledge Agreement. No prior

waiver by Lender, nor any course of dealing between Lender and Beneficiary, shall constitute a waiver of any of Lender's rights or of any of Beneficiary's obligations as to any future transactions. Whenever the consent of Lender is required under this Pledge Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

i. **Notices.** All demands, notices and communications hereunder will be in writing and will be deemed to have been duly given if personally delivered at, mailed by certified mail, return receipt requested, mailed by a nationally recognized overnight courier or sent via facsimile or email, to each applicable party at the address specified below or, as to any of such parties, at such other address or facsimile number as will be designated by such party in a written notice to the other party. Any party may change its address for notices under this Pledge Agreement by giving written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Beneficiary agrees to keep Lender informed at all times of Beneficiary's current address. Notice shall be provided as follows:

j. **Power of Attorney.** Beneficiary hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (1) to demand, collect, receive, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (2) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (3) to settle or compromise any and all claims arising under the Collateral, and in the place and stead of Beneficiary, to execute and deliver its release and settlement for the claim; (4) to execute and sign any agreements to confirm that ownership of the Collateral has been changed to a third party and (5) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Beneficiary, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. The foregoing power of attorney given as security for the Obligations, being coupled with an interest, shall be irrevocable until the Obligations are indefeasibly paid in full and otherwise satisfied and discharged.

k. **Severability.** If a court of competent jurisdiction finds any provision of this Pledge Agreement to be illegal, invalid, or unenforceable as to any

circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. To the extent permitted by applicable law, the offending provision shall be considered modified so that it becomes legal, valid and enforceable; however, if the offending provision cannot be so modified, it shall be considered deleted from this Pledge Agreement. Unless otherwise required by law, the validity, invalidity, or unenforceability of any provision of this Pledge Agreement shall not affect the legality, validity or enforceability of any other provision of this Pledge Agreement.

l. **Successors and Assigns.** Subject to any limitations stated in this Pledge Agreement on transfer of Beneficiary's interest, this Pledge Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Beneficiary, Lender, without notice to Beneficiary, may deal with Beneficiary's successors with reference to this Pledge Agreement and the Obligations by way of forbearance or extension without releasing Beneficiary from the obligations of this Pledge Agreement or liability under the Obligations.

m. **Survival of Representations and Warranties.** All representations, warranties, and agreements made by Trust in this Pledge Agreement shall survive the execution and delivery of this Pledge Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as the Obligations shall be paid in full.

n. **Time is of the Essence.** Time is of the essence in the performance of this Pledge Agreement.

LIFE INSURANCE TRUST: [TRUST-NAME], a [JURISDICTION] Trust

TRUSTEE OR LIFE INSURANCE TRUSTEE: [TRUSTEE-NAME], [TRUST-ADDRESS], [TRUST-CITY-STATE] [TRUST-ZIP]

[LENDER-NAME] (the "Lender") is offering a life insurance premium financing arrangement (the "Financing Arrangement") which provides trusts settled by individuals, such as the Grantor, with financing to purchase and maintain a life insurance policy (the "Policy") on the life of certain qualifying individuals, such as the Insured. To obtain financing under the Financing Arrangement, the Insured or Grantor must settle (or have settled) a life insurance trust (the "Life Insurance Trust") under [JURISDICTION] law and the Insured must consent (or have consented) to the Life Insurance Trust's application for the Policy. The Grantor must have an insurable interest in the life of the Insured and all beneficiaries of the Life Insurance Trust must be individuals or tax-exempt charities with an insurable interest in the life of the Insured or an estate planning vehicle, all of the owners or beneficiaries of which have an insurable interest in the life of the Insured.

In order to participate in the Financing Arrangement, the Life Insurance Trust was required to execute a Loan Application and Agreement (the "Loan Agreement") and a Promissory Note in favor of the Lender. Pursuant to the Loan Agreement, the Lender will, subject to the terms, provisions and conditions of the Loan Agreement, make an advance of funds to, or for the benefit of, the Life Insurance Trust for the purpose of funding premiums under the Policy. The obligations of the Life Insurance Trust under the Loan Agreement are secured by a collateral assignment of the Life Insurance Trust's interest in the Policy under a collateral assignment agreement between the Life Insurance Trust and the Collateral Agent (the "Collateral Assignment Agreement"). The obligations under the Loan Agreement bear a periodic interest at a [FIXED-FLOATING] subject to a minimum interest rate of nine percent (9%) (in the case of a floating rate) and will be due and payable upon any date that the principal and interest shall become due and payable in full under the Loan Agreement, whether at the scheduled maturity under the Promissory Note, by acceleration, notice of prepayment, or otherwise. The Life Insurance Trust may pre-pay the Loan (including any accrued interest), in full but not in part,

without penalty other than the payment of the Yield Maintenance Premium in some circumstances, as provided under the Loan Agreement.

Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Loan Agreement.

Each of the following are events of default under the Loan Agreement and Financing Documents:

Payment Default. Life Insurance Trust fails to make any payment within three (3) Business Days after the same becomes due and payable under the Loan Agreement, the Promissory Note or any other Financing Document.

Other Defaults. Life Insurance Trust fails to comply with or to perform any other term, obligation, covenant or condition contained in the Promissory Note, the Loan Agreement or in any of the other Financing Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Life Insurance Trust or a default occurs under the Promissory Note, Loan Agreement, Security Agreement or any other Financing Document.

False Statements. Any warranty, representation or statement made or furnished to Lender by the Life Insurance Trust, the Insured or on Life Insurance Trust's behalf under the Promissory Note, the Loan Agreement or any other Financing Document is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Related Agreements. The Policy, Promissory Note, Loan Agreement, Security Agreement or any other Financing Document ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason; the Life Insurance Trust becomes a revocable trust, contests the validity or enforceability of any Financing Document or denies that it has any further liability under any Financing Document to which it is a party, or cancels or terminates, or attempts to cancel or terminate, the Policy; or the Insurer contests the Policy based on the Life Insurance Trust lacking an insurable interest in the life of the Insured.

Indebtedness, Creditor or Forfeiture Proceedings. Any garnishment of any of Life Insurance Trust's accounts, attachment, lien, levy, additional encumbrance or additional security interest being placed upon any of the Collateral, or any commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Life Insurance Trust or by any governmental agency against any Collateral, and which is not discharged in full within one (1) day of the placement thereof. However, this Event of Default shall not apply if there is a good faith dispute by the Life Insurance Trust as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Life Insurance Trust gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture

proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Insolvency or Default of Life Insurance Trust. The Life Insurance Trust is: (i) dissolved, liquidated or terminated; (ii) is unable to pay its debts as they mature; (iii) makes an assignment for the benefit of creditors; (iv) is bankrupt or insolvent; (v) seeks appointment of, or becomes the subject of an order appointing, a trustee, conservator, liquidator or receiver as to all or part of its assets; (vi) commences, approves or consents to, or is the debtor in, any case or proceeding under any bankruptcy, reorganization or similar law, and in the case of an involuntary case or proceeding, such case or proceeding is not dismissed thirty (30) days following its commencement; (vii) is the subject of an order for relief in an involuntary case under federal bankruptcy law; (viii) the Life Insurance Trust defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Life Insurance Trust's property or Life Insurance Trust's ability to repay the Promissory Note or perform Life Insurance Trust's Obligations under the Promissory Note, the Loan Agreement or any of other Financing Documents; or (ix) Life Insurance Trust violates any Law.

Insolvency or Default of Insured or Guarantor. The Insured or any Guarantor: (i) makes an assignment for the benefit of creditors; (ii) is adjudicated a bankrupt or insolvent; (iii) seeks appointment of, or becomes the subject of an order appointing, a trustee, conservator, or receiver as to all or part of his assets; (iv) commences, approves or consents to, or is the debtor in, any case or proceeding under any bankruptcy or similar law and, in the case of an involuntary case or proceeding, such case or proceeding is not dismissed thirty (30) days following its commencement; (v) is the subject of an order for relief in an involuntary case under federal bankruptcy law; (vi) Life Insurance Trust defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Trust's property or Trust's ability to repay the Obligations; or (vii) any Guarantor defaults under the terms of the Guaranty.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness under the Promissory Note or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by the Promissory Note; in the event of a death, Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure any Event of Default.

Adverse Change. A material adverse change occurs in Life Insurance Trust's financial condition, or Lender believes the prospect of payment or performance of the Obligations is materially impaired.

Cure Provisions. Other than as set forth in the preceding clauses of this Section, failure by the Life Insurance Trust or Beneficiary, as applicable, to perform in any material respect any of its obligations under the Promissory Note, Loan Agreement, Security

Agreement or any other Financing Document to which either is a party if such failure is not remedied on or prior to the fifteenth (15th) day after written notice of such failure is given to the Life Insurance Trust or the Beneficiary, respectively, by the Lender.

In connection with, and as a condition precedent to the Life Insurance Trust obtaining a loan from the Lender in connection with the Financing Arrangement, the undersigned on behalf of the Life Insurance Trust hereby acknowledges, represents, warrants, covenants and agrees to the following:

1. The Trustee has not taken any action to dissolve the Life Insurance Trust, and to the actual knowledge of the Trustee, no voluntary, involuntary or judicial actions have been taken to dissolve the Life Insurance Trust.
2. In the event the Trustee receives written notice that the Policy is Contested (as defined below) at any time that any amount remains owing under the Loan Agreement, the Trustee shall, within three (3) business days of its receipt thereof, forward such communications and all documents relating to such Contest to the Lender. The Life Insurance Trust agrees to cooperate fully in a defense against any Contest. "Contested" means, with respect to a Policy, the denial of a claim for benefits under, or the assertion of a right by the issuer of such Policy to cancel or rescind the Policy pursuant to the suicide or contestability provisions thereof or otherwise.
3. The copy of the trust agreement of the Life Insurance Trust (the "Trust Agreement") attached hereto as "Exhibit A" is true, complete and accurate, and has not been amended, revoked or otherwise changed since the date adopted.
4. The execution, performance and delivery of the Financing Arrangement Documents are in accordance with, and do not violate, the Trust Agreement. Amounts received by the Trustee under the Life Insurance Trust may be used or applied only in accordance with the Trust Agreement.
5. There may be federal, state or local income, gift or estate tax effects of participation in the Financing Arrangement to the Life Insurance Trust. Participation in the Financing Arrangement, and termination of participation, could increase the taxable income, taxable gifts or taxable estate of a participant. The Life Insurance Trust has not relied upon any advice from the Lender, any life agent or other producer, any insurance company that has issued the Policy or any other person associated with the Financing Arrangement regarding any such tax effects.
6. The Life Insurance Trust and the Trustee have not been paid, directly or indirectly, any inducement (money, property or otherwise) in connection with the Financing Arrangement or to obtain the Policy other than reasonable and customary fees for services as Trustee.
7. None of the Life Insurance Trust, to the actual knowledge of the Trust, the Grantor, the Insured, the Insured's Spouse or any beneficiary of the Life

Insurance Trust has any present intention to surrender, sell or settle, directly or indirectly, the Policy or any interest therein.

8. To the knowledge of the Life Insurance Trust, the Policy application has been completed accurately and to the knowledge of the Life Insurance Trust there are no material omissions or misstatements in the application.
9. The Lender, or any subsequent owner of the Loan Agreement, may sell, or sell participations in, the Loan Agreement without the consent of, or prior notice to, the Grantor, the Insured, the Insured's Spouse or the Life Insurance Trust and the Life Insurance Trust agrees to take all actions (but at no cost or expense to the Life Insurance Trust) requested by the Lender in connection with any such sale or participation.
10. The Life Insurance Trust (i) has not entered into any contracts or agreements, other than the Policy and the Financing Arrangement Documents and (ii) after the date hereof, will not, without the prior written consent of Lender (such consent not to be unreasonably withheld) enter into any contract or agreement which could be expected to have a material adverse effect on the Life Insurance Trust's ability to perform its obligations under any Financing Arrangement Document or which could adversely effect Lender's rights under any Financing Arrangement Documents (as determined by Lender).
11. Any claims, questions or controversies arising under or related to in any manner whatsoever this Disclosure Statement or the transactions contemplated under the Financing Arrangement including, but not limited to, any challenge by the Life Insurance Trust against the Lender, its designees and/or third party servicers, any broker, any insurance company or any other party interested in or related in any way to the Financing Arrangement (each, an "Interested Third Party", notwithstanding the fact such parties are not signatories hereto) (a "Dispute") shall be submitted to arbitration conducted before the American Arbitration Association (the "AAA"). The Life Insurance Trust is hereby authorized to invoke this arbitration provision, and any judgment with respect to any award rendered pursuant to this arbitration provision may be entered in any court of competent jurisdiction. Such arbitration will be conducted under the rules of the AAA and the laws of the State of [JURISDICTION] and will be conducted in [TRUST-CITY-STATE]. The Life Insurance Trust understands that claims submitted to arbitration are not heard by a jury and are not subject to the rules governing the courts. The Life Insurance Trust further agrees that no claim may be brought as a class action, and that the Life Insurance Trust has no right to act, nor shall attempt to act, as a class representative or participate as a member of a class of claimants with respect to any claim related to or arising out of the Financing Arrangement. To the extent that this arbitration provision is held unenforceable, the Life Insurance Trust: (i) irrevocably submits to the exclusive jurisdiction of any federal or state court sitting in [TRUST-CITY-STATE] in respect of any action or proceeding arising under or related to in any manner whatsoever this Disclosure Statement or the transactions contemplated under the Financing Arrangement, (ii)

agrees that this Disclosure Statement and the transactions contemplated by the Financing Arrangement shall in all respects be governed by and construed in accordance with the laws of the State of [JURISDICTION] (without reference to conflicts of laws provisions) and (iii) HEREBY WAIVES THE RIGHT TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING OUT OF OR IN ANY WAY RELATED TO THIS DISCLOSURE STATEMENT, OR (II) IN ANY WAY IN CONNECTION WITH OR PERTAINING OR RELATED TO OR INCIDENTAL TO ANY DEALINGS TO THIS DISCLOSURE STATEMENT IN CONNECTION WITH THIS DISCLOSURE STATEMENT OR THE EXERCISE OF ANY OF ITS RIGHTS AND REMEDIES UNDER THIS DISCLOSURE STATEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The sole exception to this requirement for arbitration involves suits brought on behalf of the Lender seeking a temporary restraining order, preliminary injunction, and/or permanent injunction ("injunctive relief) based upon (i) any failure of the Life Insurance Trust to use the proceeds of advanced exclusively as set forth in the Loan Agreement, the Promissory Note, the Financing Documents or any other documents related to the Loan Agreement; (ii) any act by the Life Insurance Trust or any Guarantor to transfer, amend, change ownership, cancel, convey, sell or assign the Policy without the express written consent of the Lender; or (iii) any failure to act by the Life Insurance Trust or any Guarantor that results, directly or indirectly, in the transfer of the Policy or any amendment, change of ownership, cancellation, conveyance, sale or assignment thereof, in the event there is immediate and irreparable injury, loss, or damage (which immediate and irreparable injury, loss, or damage may be presumed by law and/or by agreement of the parties). The parties hereby expressly agree and each Interested Third Party in receipt of this Disclosure Statement acknowledges, that the arbitration provisions of this section shall not apply to the Trustee in respect of its rights, duties, protections and immunities under the Trust Agreement.

12. The Lender and any purchaser of the Policy in the event of a disposition of the Policy following the occurrence of an event of default under the Loan Agreement or Financing Arrangement Documents shall be entitled to rely on the acknowledgments, representations, warranties and agreements of the Life Insurance Trust herein and in any other Financing Arrangement Documents.
13. This document and the other Financing Arrangement Documents to which the Life Insurance Trust is a party have been duly executed and delivered by the Life Insurance Trust, and (assuming due authorization, execution and delivery by the other parties thereto) the Financing Arrangement Documents constitute legal, valid and binding obligations of the Life Insurance Trust, enforceable against the Life Insurance Trust in accordance with their terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting

creditors' rights generally and to equitable principles of general application, regardless of whether such principles are considered in a proceeding in equity or at law).

14. No authorization, approval, consent, franchise, license, covenant, order, ruling, permit, certification, exemption, notice, declaration or similar right, undertaking or other action of, to or by, or any filing, qualification or registration with, any Governmental Authority is required to be obtained by the Life Insurance Trust that has not been obtained or is not in full force and effect, and no registration, declaration, or filing with any Governmental Authority is required to be given or made by the Life Insurance Trust to or with, any Governmental Authority that has not been given or made or the applicable waiting period for which has not expired or terminated, each in connection with the execution and delivery of this and the other Financing Arrangement Documents and the consummation of the transactions contemplated hereby and thereby. "Governmental Authority" means any foreign, or U.S. federal, state, regional, local, municipal or other government, or any department, commission, board, bureau, agency, public authority or instrumentality thereof or any entity exercising executive, legislative, judicial, regulatory or administrative functions of or pertaining to government or any court or arbitrator.
15. No Default or Event of Default with respect to the Life Insurance Trust has occurred and is continuing. The Life Insurance Trust is not in violation of any Law or Governmental Order applicable to it or any of its properties or assets. No judicial, administrative or arbitral proceeding is pending or, to the best knowledge of the Life Insurance Trust, threatened against the Life Insurance Trust, which would have an adverse effect on the Life Insurance Trust's ability to perform under the Financing Arrangement Documents. "Law" means any federal, national, supranational, state, provincial or local statute, law, ordinance, regulation, rule, code, order, requirement or rule of law (including, without limitation, common law). "Governmental Order" means any order, writ, judgment, injunction, decree, stipulation, determination or administrative ruling or award entered by or with any Governmental Authority.
16. Following an Event of Default, the Trustee shall accept instructions from the Collateral Agent regarding the disposition of the Policy and any other Collateral or proceeds covered thereby, including instructions to assign ownership of the Policy to the Lender or any third party engaged to dispose of the Collateral, or to dispose of the Collateral in a commercial reasonable fashion or as otherwise directed by the Collateral Agent.
17. For so long as any Indebtedness remains outstanding, the Life Insurance Trust hereby covenants and agrees as follows:
 - (a) The Life Insurance Trust shall take such further action and/or execute and deliver all further assurances, documents and/or instruments as may be reasonably requested by the Lender in order to (i) effect, administer or enforce

the transactions contemplated by this Disclosure Statement and the other Financing Arrangement Documents, and (ii) permit the realization of the benefits of any collateral assignment or pledge of the Policy to the Lender and its assigns.

(b) The Life Insurance Trust shall, immediately upon its discovery thereof, notify the Lender in writing of any breaches of the representations and warranties of the Life Insurance Trust in this document and the other Financing Arrangement Documents.

Notwithstanding anything to the contrary in this Disclosure Statement, this Disclosure Statement and the representations and warranties contained herein shall at all times be subject to the Trustee rights, protections and immunities set forth in the Trust Agreement of the Life Insurance Trust.

Notwithstanding anything to the contrary in this Disclosure Statement, the Life Insurance Trust may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions described in this Disclosure Statement and all materials of any kind (including opinions or other tax analyses) that are provided to the Life Insurance Trust relating to such tax treatment and tax structure. This authorization of tax disclosure is retroactively effective to the commencement of discussions with the Grantor, the Insured and the Insured's Spouse regarding the transactions contemplated herein.

It is expressly understood and agreed by any recipient hereof that (i) in no event shall [Name of Trustee], as Trustee of the Life Insurance Trust, in its individual capacity have any liability for the representations, warranties, covenants, agreements or other obligations of the Life Insurance Trust hereunder or under any schedule, exhibit, appendix or other document in connection with this Disclosure Statement, as to all of which recourse shall be had solely to the assets of the Life Insurance Trust, (ii) under no circumstances shall [Name of Trustee] as Trustee of the Life Insurance Trust be personally liable for the payment of any indebtedness or expenses of the Life Insurance Trust or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by Life Insurance Trust under this Disclosure Statement or under any schedule, exhibit, appendix or other document in connection with this Disclosure Statement, and (iii) the Trustee of the Life Insurance Trust has not reviewed any Financing Arrangement Document on behalf of the Life Insurance Trust or any other Person and shall not be responsible for or in respect of and makes no representation as to the validity or sufficiency of any provision of this Disclosure Statement or any other Financing Arrangement Document.

This opinion is being delivered to you pursuant to Section 5.01(d) of the Financing Agreement. All capitalized terms used and not defined herein have the same meanings herein as set forth in the Financing Agreement.¹

In connection with this opinion, we have reviewed (i) the organization and existence of the Credit Parties, (ii) the proceedings of the Credit Parties in relation to the Loan Documents and the Transaction Documents to which the Credit Parties are parties, (iii) the Loan Documents, (iv) the UCC financing statements which have been prepared by the Collateral Agent pursuant to Section 5.01(d) of the Financing Agreement (the "Financing Statements"), and (v) such certificates and other documents of the public officials, officers and other representatives of the Credit Parties as we have deemed relevant or proper as a basis for our opinions set forth herein. In this regard, we have relied as to factual matters on the representatives of the Credit Parties as we have deemed relevant or proper as a basis for our opinions set forth herein. In this regard, we have relied as to factual matters on the representations and warranties contained in the Loan Documents and the Transaction Documents. In addition, we have assumed the genuineness of signatures on original documents

¹ Note that in addition to these opinions, we will also need full non-consolidation, true sale and true participation opinions.

of all Persons and officers and other representatives of the Credit Parties, and the conformity to the original of all copies submitted to us as photocopies or conformed copies.

Based upon the foregoing and such investigations as we deem advisable and proper, we are of the opinion that:

1. Each of the Borrower and Imperial (i) is a limited liability company duly organized, validly existing and in good standing under the law of the state of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and to consummate the transactions contemplated by the Loan Documents and the Transaction Documents to which it is a party, and (iii) is duly qualified to do business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary or desirable. Each Individual Guarantor has the legal capacity and right to execute, deliver and perform each Loan Document and each Transaction Document to which the Individual Guarantor is a party.

2. The execution, delivery and performance by each Credit Party of each Loan Document and Transaction Document to which it is a party, (i) have been duly authorized by all necessary action, (ii) do not contravene its Governing Documents, any law or regulation (including, without limitation, Regulations T, U, or X of the Board), or any judgment, writ, injunction, decree, order or ruling of which we have knowledge that names such Credit Party and is specifically directed to it or its properties, (iii) do no breach, result in a default under or accelerate, or give any party the right to accelerate, any of the obligations of such Credit Party under any Material Contract, (iv) do not and will not result in or require the creation of any lien, security interest or other charge or encumbrance (other than pursuant to the Loan Documents) upon or with respect to any of its properties, and (v) do not and will not result in any suspension, revocation, impairment, forfeiture or nonrenewal of any permit, licenses, authorization or approval applicable to its operations or any of its properties.

3. No consent, authorization or approval or other action by, and no notice to or filing with, any Governmental Authority or other regulatory body is required (i) in connection with the due execution, delivery and performance by any Credit Party of any Loan Document or Transaction Document to which such Person is a party, (ii) for the grant by any Credit Party pursuant to any Loan Document, or the perfection, of any lien or security interest purported to be created thereby in any Collateral, or (iii) for the exercise by the Agents and the Lenders of any of their rights and remedies under any Loan Document, except for the recordings and filings referred to in paragraph 6 below, all of which have been duly obtained or made and are in full force and effect.

4. Each Loan Document and Transaction Document has been duly executed and delivered by each Credit Party which is a party thereto. Each such Loan Document and Transaction Document constitutes the legal, valid and binding obligation of the Credit Party which is a party thereto, enforceable against such Credit Party in accordance with its terms, except to the extent that the enforceability thereof may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws from time to time in effect affecting generally the enforcement of creditors' rights and remedies and by general principles of equity.

5. The Security Agreement creates a valid security interest in favor of the Collateral Agent for the benefit of the Agents and the Lenders in the Collateral purported to be covered thereby as security for the obligations purported to be secured thereby. Each Individual Guarantor Security Agreement creates a valid security interest in favor of the Collateral Agent for the benefit of the Agents and the Lenders in the Collateral purported to be covered thereby as security for the obligations purported to be secured thereby.

6. The Borrower is a “registered organization” and is “located” in the state where the Borrower is formed as set forth in Schedule A, and the local law of such state governs perfection by the filing of Financing Statements. Each Individual Guarantor resides at the location set forth in Schedule A, and the local law of such state governs perfection by the filing of Financing Statements. Each Financing Statement to be filed in a state set forth on Schedule A hereto (each, a “State”) is in appropriate form and has been duly filed in the offices set forth in Schedule A hereto, which filings result in the perfection of the security interests in the Collateral covered by such Financing Statements to the extent that such Collateral consists of the type of property in which a security interest may be created under Article 9 of the Uniform Commercial Code as currently in effect in such State (the “UCC”) and in which a security interest may be perfected by the filing of a financing statement in such State. The description of the Collateral set forth in the Financing Statements is sufficient to perfect a security interest in the items and types of collateral in which a security interest may be perfected by the filing of financing statements under the UCC currently in effect in the applicable State. Such security interests of the Agents and the Lenders are perfected security interests. Other than nominal recording or filing fees, no fees, taxes or other charges are due or payable in any State in connection with the execution, delivery, filing or recordation of any Financing Statement.

7. Upon the execution and delivery of each cash management agreement by a depository bank that maintains a collection account, the security interest of the Collateral Agent in the applicable collection account maintained with such depository bank will be perfected.

8. Each Credit Party which is a party to the Security Agreement or an Individual Guarantor Security Agreement is the owner of the Pledged Debt (as defined in the Security Agreement or an Individual Guarantor Security Agreement, as applicable) and the Pledge Shares (as defined in the Security Agreement or an Individual Guarantor Security Agreement, as applicable) in existence on the date hereof, free and clear of any Lien except for the security interest created by the Security Agreement or the Individual Guarantor Security Agreement. The Pledged Shares have been duly authorized and validly issued, are fully paid and nonassessable and constitute 100% of the issued and outstanding Equity Interests of the issuer of such Pledged Shares.

9. The Collateral Agent’s having possession of the certificates representing the Pledged Shares and the promissory notes representing the Pledged Debt delivered to the Collateral Agent on the date hereof results in the perfection of such security interest. Such security interest is a perfected, first priority security interest. The Collateral Agent has a perfected security interest in that portion of the Pledged Shares consisting of general intangibles and other items in which a security interest may be perfected by the filing of a financing statement in the applicable State.

10. There is no pending or, to our knowledge, threatened action, suit or proceeding affecting any Credit Party before any court, arbitrator, or Governmental Authority which may materially and adversely affect (i) the financial condition, business, performance, properties, operations or prospects of any Credit Party, (ii) the ability of any Credit Party to perform the obligations of such Person under any Loan Document or Transaction Document to which it is a party, (iii) the legality, validity or enforceability of any Loan Document or Transaction Document, (iv) the rights and remedies of any Agent or any Lender under any Loan Document, or (v) the creation, perfection or priority of the Lien of the Collateral Agent on any of the Collateral securing the Obligations.

11. None of the Credit Parties is an “investment company” or a company “controlled by an “investment company”, as such terms are defined in the Investment Company Act of 1940, as amended.

12. The choice of New York law to govern the Financing Agreement and the other Loan Documents is a valid choice of law and will be upheld in a properly presented case by a court of competent jurisdiction in the States of _____. The Credit Parties’ submission to the jurisdiction of the courts of the State of New York in the county of New York or the United District court for the Southern District of New York is legal, valid and binding under the laws of the applicable state jurisdiction.

13. If a court of the States of _____ were to apply the usury law of such jurisdiction to the Financing Agreement and the other Loan Documents, the Term Loans, as made, would not violate any applicable usury law of such jurisdiction, or other applicable laws regulating the interest rate, fees and other charges that may be collected with respect to the Term Loans.²

14. This opinion letter may not be relied upon or furnished to any other Person, except your attorneys and auditors, any state or federal governmental or other regulatory authority, bank examiners, pursuant to any legal process of any court or governmental or regulatory authority or to your successors, assigns and participants.

Very truly yours,

² For each Credit Party, insert the State of incorporation or organization for such Credit Party, and each State where such Credit Party’s headquarters, chief executive office and principal place of business or personal residence are located.

This **INSURANCE PREMIUM LOAN SALE AND ASSIGNMENT AGREEMENT** ("Assignment Agreement") is entered into as of _____, 20__ between Imperial Premium Finance, LLC, a Florida limited liability company ("Assignor") and Imperial PFC Financing II, LLC, a Georgia limited liability company ("Assignee"). Reference is made to the agreement described in Item 2 of Annex I annexed hereto (as amended, restated, modified or otherwise supplemented from time to time, the "Financing Agreement"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Financing Agreement.

1. Interests. The Assignor hereby sells, transfers and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, all of the Assignor's right, title and interest in and to the Insurance Premium Loan identified on Annex I together with the Loan Documentation Package as of the date hereof with respect to such Insurance Premium Loan originated in an Applicable Non-Licensed State as specified on Annex I.

2. Representations and Warranties of the Assignor. The Assignor hereby represents and warrants to the Assignee as of the Settlement Date (or such other date as expressly provided below) that:

(a) Organization and Good Standing. The Assignor has been duly organized and is validly existing as a limited liability company in good standing under the laws of the state of its incorporation or formation, and has power and authority to own its properties and to conduct its business as such properties shall be currently owned and such business is presently conducted.

(b) Due Qualification. The Assignor is duly qualified to do business (or is exempt from such qualification requirements) and has obtained all necessary licenses and approvals in each jurisdiction in which failure to so qualify or to obtain such licenses or approvals would have a material adverse effect on the Assignor's ability to perform its obligations as an Assignor under this Assignment Agreement.

(c) Due Authorization. The Assignor's execution, delivery and performance of this Assignment Agreement and the other agreements and instruments executed or to be executed by the Assignor contemplated by this Assignment Agreement, and the consummation of the transactions contemplated by this Assignment Agreement, have been duly and validly authorized by all necessary action on the part of the Assignor.

(d) Binding Obligation. This Assignment Agreement constitutes the legal, valid and binding obligation of the Assignor enforceable against the Assignor in accordance with its terms, except as enforceability may be limited by insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general principles of equity whether considered in a suit at law or in equity.

(e) No Conflict. The Assignor's execution and delivery of this Assignment Agreement, its performance of the transactions contemplated hereby and its fulfillment of the

terms hereof applicable to the Assignor do not (i) contravene the Assignor's organizational or governing documents, (ii) conflict with or violate any applicable law, (iii) violate any provision of, or require any filing, registration, consent or approval under, any law presently in effect having applicability to the Assignor, except for such filings, registrations, consents or approvals as have already been obtained or made and are in full force and effect, (iv) conflict with, result in any breach of (A) any of the terms or provisions of, or constitute (with or without notice or lapse of time or both) a default under any Insurance Premium Loan or (B) any of the terms or provisions of, or constitute (with or without notice or lapse of time or both) a default under any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Assignor is a party or by which it or its properties or assets are bound.

(f) No Proceedings. There are no proceedings, injunctions, writs, restraining orders or investigations pending or, to the best knowledge of the Assignor, threatened against the Assignor before any governmental authority (i) asserting the illegality, invalidity or unenforceability, or seeking any determination or ruling that would affect the legality, validity or enforceability, of the Loan Documents, this Assignment Agreement or any other Transaction Document, (ii) seeking to prevent the consummation of any of the transactions contemplated by the Loan Documents, this Assignment Agreement or any other Transaction Document, (iii) seeking any determination or ruling that, if adversely determined, could have a material and adverse effect on the financial condition or operations of the Assignor or the validity or enforceability of, or the performance by the Assignor of its obligations under, this Assignment Agreement or (iv) seeking to affect adversely the income tax attributes or other tax attributes of the Assignor under the U.S. federal or the State of Florida, as applicable, tax systems. There are no proceedings, injunctions, writs, restraining orders or investigations pending with respect to any Insurance Premium Loan an interest in which is being sold to the Assignee, or the related Life Insurance Policy, before any governmental authority asserting the illegality, invalidity or unenforceability, or seeking any determination or ruling that would affect the legality, validity or enforceability, of any such Insurance Premium Loan or the related Life Insurance Policy.

(g) No Consents. No authorization, consent, license, order or approval of, or registration or declaration with, any Person, including any governmental authority, is required for the Assignor in connection with the execution and delivery of this Assignment Agreement by the Assignor or the performance of its obligations under this Assignment Agreement, except for the exercise by the Assignee or its assigns of the rights provided for in this Assignment Agreement or the remedies in respect of any Insurance Premium Loans an interest in which is sold, transferred, assigned or otherwise conveyed by the Assignor to the Assignee pursuant to this Assignment Agreement.

(h) Liens. Each Insurance Premium Loan which has been sold and transferred hereunder is owned by the Assignor free and clear of any Lien, and the Assignor has not either created or consented to the creation of any Lien affecting any Insurance Premium Loan sold and transferred hereunder or any related Life Insurance Policy other than the Liens contemplated by the Transaction Documents.

(i) Valid Transfers. This Assignment Agreement constitutes a valid sale, transfer and assignment to the Assignee of an interest in the Assignor's entire right, title and interest in and to the Insurance Premium Loans sold and transferred hereunder, whether now

existing or hereafter created (including all monies due or to become due with respect to such Insurance Premium Loans, all proceeds (including “proceeds” as defined in the UCC of the jurisdiction whose law governs the perfection of an interest in such Insurance Premium Loans) of such Insurance Premium Loans and all cash proceeds of any related security).

(j) Solvency. The Assignor is solvent and will not become insolvent after giving effect to the transactions contemplated by this Assignment Agreement.

(k) Compliance. The Assignor has complied with all Requirements of Law with respect to it, its business and properties and all Insurance Premium Loans and the Life Insurance Policy related thereto. The Assignor has obtained all applicable permits, certifications and licenses (including all licenses to originate Insurance Premium Loans) necessary with respect to its business and properties and all Insurance Premium Loans and the Life Insurance Policy related thereto.

(l) No Rescission. Neither any Insurance Premium Loans sold hereunder nor the related Life Insurance Policy has been subordinated or rescinded or, except as disclosed in writing to the Assignee, amended in any manner

(m) No Event of Bankruptcy. No Event of Bankruptcy has occurred with respect to the Assignor. An “Event of Bankruptcy” means an Event of Default under Sections 9.01(g) or (h) of the Financing Agreement.

(n) Fraudulent Conveyance. The Assignor is not entering into the transactions contemplated hereby with any intent of hindering, delaying or defrauding creditors.

(o) Insurance Premium Loans.

(i) As of the Settlement Date, each Insurance Premium Loan sold by the Assignor hereunder is an Eligible Insurance Premium Loan and the grant, sale and purchase hereunder of such Insurance Premium Loans and Collections arising thereunder do not conflict with, result in a breach of any of the provisions of, or constitute (with or without notice or lapse of time or both) a default under, any agreements evidencing such Insurance Premium Loan;

(ii) As of the Settlement Date, each Insurance Premium Loan on such date is the valid, binding and enforceable obligation of each obligor thereunder;

(iii) As of the Settlement Date, each Insurance Premium Loan on such date was originated by the Assignor in the ordinary course of the Assignor’s premium finance lending activities and in accordance with all Requirements of Law;

(iv) As of any Settlement Date, the information set forth in this Assignment Agreement with respect to each Insurance Premium Loan therein is correct;

(v) With respect to each Insurance Premium Loan sold by the Assignor, the Assignor represents and warrants that each such Insurance Premium Loans has

been originated in accordance with the applicable criteria set forth in the Transaction Documents;

(vi) As of the Settlement Date, no payment default exists with respect to any Insurance Premium Loan;

(vii) As of the Settlement Date, no event or circumstance under Section V.A or Section V.B of the Collateral Value Policy has occurred;

(viii) As of the Settlement Date, the Assignor (A) has not committed a Prohibited Act (as defined in the Collateral Value Policy) and (B) is not aware that any Prohibited Act has been committed by any Person with respect to an Insurance Premium Loan in which an interest is sold by the Assignor hereunder; and

(ix) As of the Settlement Date, no policy loan, cash withdrawal or surrender has occurred with respect to the Life Insurance Policy related to the Insurance Premium Loan in which an interest is sold by the Assignor hereunder.

(p) Legal Names. As of the Settlement Date, the legal name of the Assignor is as set forth on the signature pages of this Assignment Agreement.

(q) Margin Regulations. The Assignor will not use any of the proceeds of the Purchase Price for any purpose which will conflict with or contravene any of Regulations T, U or X promulgated by the Federal Reserve Board from time to time.

(r) Reasonably Equivalent Value. The Assignee has given reasonably equivalent value to the Assignor in consideration for each purchase under this Assignment Agreement, no such transfer has been made for or on account of an antecedent debt owed by the Assignor to the Assignee, and no such transfer is or may be voidable or subject to avoidance under any applicable bankruptcy, insolvency or other similar law.

(s) Accuracy of Information. All certificates, reports, statements, documents and other information furnished to the Assignee by or on behalf of the Assignor pursuant to any provision of this Assignment Agreement, or in connection with or pursuant to any amendment or modification of, or waiver under, this Assignment Agreement are, and shall, at the time the same are so furnished, be complete and correct in all material respects on the date the same are furnished.

(t) Taxes. The Assignor has filed or has caused to be filed all federal, state and local tax returns which it is required to file and has paid all Taxes, assessments and other governmental charges due in respect of its respective returns, except to the extent that any such Taxes, assessments or other governmental charges are being contested in good faith and as to which the Assignor has set aside on its books adequate reserves and in respect of which no Liens have attached to or been filed against the Assignor or any of its properties. There are no agreements or waivers extending the statutory period of limitations applicable to any federal income tax return of the Assignor for any period.

(u) Investment Company Act. The Assignor is not an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(v) Quality of Title. No effective financing statement or other similar instrument is in effect covering any of the Insurance Premium Loans that have been transferred hereunder or any interest therein that has been filed, authorized, acknowledged or otherwise permitted by the Assignor or any Affiliate thereof in any recording office except for financing statements that may be filed (x) in favor of the Collateral Agent in accordance with the Security Agreement, and/or (y) in favor of the Assignor under the related Loan Document Package.

3. Representations and Warranties of the Assignee. The Assignee hereby represents and warrants to the Assignor as of the Settlement Date that:

(a) Organization and Good Standing. The Assignee has been duly organized and is validly existing as a limited liability company in good standing under the laws of the State of Georgia, and has power and authority to own its properties and to conduct its business as such properties shall be currently owned and such business is presently conducted.

(b) Power and Authority. The Assignee shall have the power and authority to execute and deliver this Assignment Agreement and to carry out its terms; the Assignee shall have full power and authority to purchase the property to be purchased and shall have duly authorized such purchase; and the execution, delivery and performance of this Assignment Agreement shall have been duly authorized by the Assignee by all necessary action.

(c) Binding Obligation. This Assignment Agreement shall constitute a legal, valid and binding obligation of the Assignee enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights generally or by general principles of equity.

The representations and warranties set forth in Section 2 and Section 3 of this Assignment Agreement shall survive the sale of the interests by the Assignor to the Assignee pursuant to this Assignment Agreement. Upon discovery by the Assignor or the Assignee of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other.

4. Remedies.

(a) Repurchase of interests for Certain Breaches. In the event of a breach of any representations and warranties set forth in Section 2(c), (d), (e), (f), (g), (h), (i), (j), (k), (l), (o) or (v), upon the earlier to occur of the discovery of such breach by the Assignor or receipt by the Assignor of written notice of such breach given by or on behalf of the Assignee, the Assignee’s interest in each Insurance Premium Loan relating to such breach shall be repurchased by the Assignor from the Assignee and upon such repurchase shall terminate and be extinguished.

(b) Reconveyed Insurance Premium Loans. Upon the repurchase by the Assignor of any interest under this Assignment Agreement, then, on the date required for such repurchase, the Assignor shall deposit into the Collection Account in immediately available

funds an amount equal to the outstanding principal balance of the affected Insurance Premium Loans on the date of such repurchase, together with accrued and unpaid interest thereon through such date. Such deposit shall be considered payment in full for such interest.

In connection with the preceding paragraph, the Assignee shall execute such documents and instruments of transfer or assignment as shall be prepared by the Assignor, and shall take such other actions as shall reasonably be requested by the Assignor, to effect the repurchase of the interests from the Assignee. Upon repurchase of the interests in Insurance Premium Loans from the Assignee, the Assignee shall automatically and without further action be deemed to transfer, assign, set over and otherwise convey to or upon the order of the Assignor, without recourse, representation or warranty, all the right, title and interest of the Assignee in and to the reconveyed interest and all Collections with respect thereto and all proceeds thereof received after the date of such repurchase.

5. Covenants of the Assignor. The Assignor hereby covenants that:

(a) No Impairment. Except in accordance with, or as contemplated by, the Loan Documents and the Transaction Documents, the Assignor shall take no action, nor omit to take any action, which would impair the rights of the Assignee in any Insurance Premium Loan in which an interest has been transferred hereunder.

(b) Compliance with Law. The Assignor will comply in all material respects with all Requirements of Law with respect to it, its business and properties and the Insurance Premium Loans and related Life Insurance Policies. The Assignor will maintain all applicable permits, certifications and licenses (including all licenses to originate Insurance Premium Loans) necessary with respect to its business and properties and all Insurance Premium Loans and the Life Insurance Policy related thereto.

(c) Preservation of Existence. The Assignor will preserve and maintain its existence, rights, franchises and privileges as a limited liability company or corporation, as applicable, and become and remain licensed in each jurisdiction where the failure to maintain such license would materially and adversely affect (A) the interests of the Assignee hereunder or (B) the collectibility of any Insurance Premium Loans in which an interest has been transferred hereunder or the related Life Insurance Policies; and the Assignor shall not consolidate with or merge into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person without the prior written consent of the Assignee.

(d) Performance and Compliance with Insurance Premium Loans. The Assignor will, at its expense, timely and fully perform and comply with all provisions, covenants and other promises required to be observed by it hereunder. The Assignor shall comply with and perform its obligations with respect to any Insurance Premium Loan.

(e) Collections and Payments. Except as otherwise provided in this Assignment Agreement, the Assignor will cause any Collections received by it to be deposited in the Collection Account no later than the Business Day following the receipt and identification of proceeds.

(f) Arm's-Length Relationship; Separate Existence. The Assignor will maintain an arm's-length relationship with the Assignee. Any transaction between the Assignee on the one hand and the Assignor or any respective Affiliates thereof, on the other hand, will, in the reasonable judgment of the Assignor, be fair and equitable to the Assignee. The Assignor shall not acquire any obligations of the Assignee.

(g) Responsibility of Assignor. The Assignor will not agree to be, or hold itself out to be, responsible for the debts of the Assignee or for the decisions or actions with respect to the daily business and affairs of the Assignee.

(h) Reporting Requirements.

(i) As soon as possible and in any event within ten (10) Business Days after the Assignor obtains knowledge thereof, the Assignor shall notify the Assignee of any litigation, investigation or proceeding that could reasonably be expected to impair in any material respect the ability of the Assignor to perform its obligations under this Assignee Agreement.

(ii) The Assignor shall promptly deliver to the Assignee such other information, documents, records or reports regarding the Insurance Premium Loans in which an interest has been transferred hereunder and related Life Insurance Policies as the Assignee may from time to time reasonably request in order to protect the Assignee's interests under or as contemplated by this Assignment Agreement..

(i) No Bankruptcy Filing Against Assignee. The Assignor will not commence, institute or cause to be commenced or instituted any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law, against the Assignee or join in the commencement of any proceeding against the Assignee under any such law.

6. Sale. It is the intention of the parties that the conveyance of the Insurance Premium Loans hereunder constitute a sale and not pledges of security for a loan and the parties will treat such conveyance as a sale for tax and accounting purposes. The parties acknowledge and agree that the transactions contemplated by this Assignment Agreement shall be, and shall be treated as a purchase by the Assignor and a sale by the Assignee of the Insurance Premium Loans hereunder, and not as a lending transaction or the grant of a security interest in the Insurance Premium Loans hereunder, such that the Insurance Premium Loans hereunder shall not be part of the bankruptcy estate of the Assignor under Section 541 of the Bankruptcy Code or subject to the automatic stay under Section 362 of the Bankruptcy Code or any similar law. However, if the conveyances of such Insurance Premium Loans were not characterized by a court of law as sales of Insurance Premium Loans or a court of law determined that the consideration for the conveyance of the Insurance Premium Loans hereunder did not represent fair value, then such conveyances of such Insurance Premium Loans shall be considered a capital contribution to the Assignee (or, in the case where the consideration for the conveyances of the Insurance Premium Loans did not represent fair value, capital contributions to the extent of any shortfall in fair value).

7. Settlement Date. Following the execution of this Assignment Agreement by the Assignor and the Assignee, it will be delivered by the Assignor to the Collateral Agent and the Insurance Collateral Agent. The effective date of this Assignment Agreement (the "Settlement Date") shall be the latest of (a) the date of the execution hereof by the Assignor and the Assignee, (b) the date this Assignment Agreement has been delivered to the Collateral Agent and the Insurance Collateral Agent, (c) the settlement date specified on Annex I, and (d) the receipt by Assignor of the Purchase Price specified in Annex I.

8. Rights. As of the Settlement Date (a) the Assignee shall be a party to the Loan Documentation Package and, to the extent of the interest assigned pursuant to this Assignment Agreement, have the rights and obligations of a Lender thereunder, and (b) the Assignor shall, to the extent of the interest assigned pursuant to this Assignment Agreement, subject to the provisions of any Servicing Agreement, relinquish its rights and be released from its obligations under the Loan Documentation Package.

9. Adjustments. The Assignor and the Assignee shall make all appropriate adjustments in payments under the Loan Documentation Package for periods prior to the Settlement Date directly between themselves on the Settlement Date.

10. Governing Law. THIS ASSIGNMENT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

11. Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BASED UPON OR ARISING OUT OF THIS ASSIGNMENT AGREEMENT OR ANY OF THE TRANSACTIONS RELATED HERETO, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

12. Counterparts. This Assignment Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Assignment Agreement by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

13. Indemnification. Without limiting any other rights that the Assignee may have hereunder or under any applicable law, the Assignor hereby agrees to indemnify the Assignee and the Indemnitees from and against any and all amounts awarded against or incurred by any of them, and arising out of or resulting from this Assignment Agreement or the activities of the Assignor in connection herewith or in respect of any Insurance Premium Loan in which an interest has been transferred hereunder or related Life Insurance Policy that are sustained as a result of:

- (i) any representation, warranty or covenant made by the Assignor under this Assignment Agreement, or any other document, certificate or report

delivered by the Assignor hereunder that was incorrect in any material respect when made or deemed made or that the Assignor failed to perform;

(ii) the failure by the Assignor to comply with this Assignment Agreement, the Transaction Documents, the Loan Documents, or any Requirement of Law with respect to any Insurance Premium Loan or Life Insurance Policy;

(iii) any commingling by the Assignor of Collections with other funds of the Assignor or any of its Affiliates; or

(iv) any breach by the Assignor of any obligation under any Insurance Premium Loan in which an interest has been transferred hereunder or related Life Insurance Policy.

The foregoing indemnity excludes (a) losses on Insurance Premium Loans in which an interest has been transferred hereunder to the extent reimbursement therefor would constitute credit recourse to the Assignor for nonpayment of any Insurance Premium Loan in which an interest has been transferred hereunder by the related obligor and (b) any income or franchise taxes or similar taxes (or any interest or penalties on them).

14. Amendment. This Assignment Agreement may be amended from time to time by the Assignor and the Assignee in writing with the prior written consent of the Agents and the Required Lenders. Notwithstanding the foregoing, the parties hereby agree that no amendment, modification or waiver of, or consent with respect to, any provision of this Assignment Agreement that (a) prior to the occurrence of a Credit Event (as defined in the Collateral Value Insurance Policy) would, in the reasonable belief of any party hereto, be likely to adversely affect the interests of the Collateral Value Insurer shall in any event be made or become effective unless the same shall be consented to by the Collateral Value Insurer in writing or (b) following the occurrence of a Credit Event, would, in the reasonable belief of any party hereto, be likely to adversely affect the interests of the Contingent Collateral Value Insurer shall in any event be made or become effective unless the same shall be consented to by the Contingent Collateral Value Insurer in writing. In all events, copies of any amendments to this Agreement shall be promptly provided to (x) the Collateral Value Insurer prior to the occurrence of a Credit Event and (y) the Contingent Collateral Value Insurer following the occurrence of a Credit Event, by the Assignee following execution thereof. Each of the parties hereto agrees that the Collateral Value Insurer and the Contingent Collateral Value Insurer are third party beneficiaries solely with respect to this Section 14, and shall have no rights with respect to any other provisions of this Assignment Agreement. Each of the parties hereto agrees that the each of the Agents and the Lenders is a third party beneficiary with respect to this Assignment Agreement.

[Remainder of page left intentionally blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their respective officers thereunto duly authorized, as of the date first above written.

FORM OF MASTER PARTICIPATION AGREEMENT

This MASTER PARTICIPATION AGREEMENT, dated as of _____, 2009 (the "Agreement"), between Imperial Premium Finance, LLC, a Florida limited liability company (the "Originator") and Imperial PFC Financing II, LLC, a Georgia limited liability company (the "Participant").

In consideration of the premises and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties hereto, the parties hereby agree as follows:

ARTICLE I.

DEFINITIONS

SECTION 1.01 Definitions. Capitalized terms used herein and not otherwise defined in this Agreement shall have the respective meanings ascribed to such terms in the Financing Agreement or, if not in the Financing Agreement, in the Glossary of Defined Terms attached hereto as Exhibit A.

SECTION 1.02 Usage of Terms.

(a) The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement, including the Glossary of Defined Terms, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; article, section, subsection, exhibit and schedule references contained in this Agreement are references to articles, sections, subsections, exhibits and schedules in or to this Agreement unless otherwise specified; with respect to all terms in this Agreement, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to "writing" include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all subsequent amendments, amendments and restatements and supplements thereto or changes therein entered into in accordance with their respective terms and not prohibited by this Agreement; references to Persons include their permitted successors and assigns; references to laws include their amendments and supplements, the rules and regulations thereunder and any successors thereto; and the term "including" means "including without limitation."

SECTION 1.03 Computation of Time Periods. Unless otherwise stated in this Agreement, in the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to but excluding."

ARTICLE II.

TRANSFERS OF INTERESTS IN INSURANCE PREMIUM LOANS

SECTION 2.01 Transfers of Interests in Insurance Premium Loans. On the terms and subject to the conditions of this Agreement, the Originator shall, on the Effective Date and from time to time thereafter, sell and transfer to the Participant without recourse, and the Participant shall, on the Effective Date and from time to time thereafter purchase from the Originator (any such sale, transfer, purchase and acquisition is herein referred to as a "Transfer"), a participation interest in each Insurance Premium Loan originated by the Originator in an Applicable Licensed State.

ARTICLE III.

PARTICIPATIONS

SECTION 3.01 Transfers. (a) On the terms and conditions set forth herein, during the Effective Period and on and as of the related Transfer Effective Date, the Originator hereby sells, transfers and assigns to the Participant, and the Participant hereby purchases and acquires from the Originator, with respect to each Insurance Premium Loan made by the Originator in an Applicable Licensed State identified in a Participation Certificate (as defined herein), a participation evidencing a 100% undivided beneficial ownership interest (each, a "Participation") in all of the Originator's right, title and interest in, to and under (i) such Insurance Premium Loan, the related promissory note and all other documents in the Loan Documentation Package for such Insurance Premium Loan and all right, title and interest of the Originator in the Collateral (including any related Life Insurance Policies) and (ii) all Collections thereon received by the Originator on or after the Transfer Effective Date, including all cash proceeds received with respect to such Insurance Premium Loans and all related security (including "proceeds" as defined in the UCC of the jurisdiction whose law governs the perfection of an interest in such Insurance Premium Loans). On each Transfer Effective Date, the Participant and the Originator shall execute a participation certificate in the form of Exhibit B attached hereto (each a "Participation Certificate"). Each Participation Certificate shall be deemed to incorporate in its entirety, the terms and conditions of this Agreement and all representations, warranties, agreements and covenants made hereunder shall be deemed to have been made in respect of the Insurance Premium Loans the subject of the Participation Certificate as of the applicable Transfer Effective Date.

(b) The parties acknowledge and agree that (i) the conveyance of the Insurance Premium Loans is being effected hereunder by Participations instead of outright assignments and (ii) accordingly, the sale, transfer, assignment and conveyance of the Participations in the Insurance Premium Loans hereunder shall have the consequence that the Originator holds legal title and not an equitable interest in such Insurance Premium Loans and the Participant holds 100% of the equitable interest in such Insurance Premium Loans. The Originator acknowledges and agrees that, to the fullest extent permitted by applicable law, it holds legal title to such Insurance Premium Loans as trustee for the benefit of the Participant and its successors and assigns. However, notwithstanding any other provision herein, the Originator and the Participant agree and acknowledge that the Originator shall remain the lender of record

on all Insurance Premium Loans in which a Participation has been transferred hereunder. The parties acknowledge and agree that the transactions contemplated by this Agreement shall be, and shall be treated as a purchase by the Participant and a sale by the Originator of Participations in the Insurance Premium Loans hereunder, and not as a lending transaction or the grant of a security interest in Participations in the Insurance Premium Loans hereunder, such that the Participations in the Insurance Premium Loans hereunder shall not be part of the bankruptcy estate of the Originator under Section 541 of the Bankruptcy Code or subject to the automatic stay under Section 362 of the Bankruptcy Code or any similar law.

(c) Subject to Section 5.03, the Participations sold, transferred, assigned and conveyed hereunder in such Insurance Premium Loans are final and irrevocable from and after the Transfer Effective Date, and neither the Participant nor the Originator shall have any right to require that any such Participation terminate or be repurchased by the Originator from the Participant and be extinguished.

(d) It is the intention of the parties that the conveyance of the Insurance Premium Loans to the Participant effected by this Agreement constitute sales of Participations in such Insurance Premium Loans and not pledges of security for a loan. However, if the conveyances of such Insurance Premium Loans were not characterized by a court of law as sales of Participations or a court of law determined that the consideration for the Participations did not represent fair value, then such conveyances of such Insurance Premium Loans shall be considered a capital contribution to the Participant (or, in the case where the consideration for the Participations did not represent fair value, capital contributions to the extent of any shortfall in fair value).

SECTION 3.02 Payment of Purchase Price. In consideration of the Transfer of each Participation from the Originator to the Participant as provided in Section 3.01, on each Transfer Effective Date the Participant agrees to pay the Originator an amount equal to the Purchase Price for each such Participation purchased by the Participant hereunder.

(a) Initial Purchase Price Payment. On the terms and subject to the conditions set forth in this Agreement, the Participant agrees to pay to the Originator the Purchase Price in cash for the purchase to be made from the Originator on the Effective Date.

(b) Subsequent Purchase Price Payments. On each Transfer Effective Date subsequent to the Effective Date, on the terms and subject to the conditions set forth in this Agreement, the Participant shall pay to the Originator the Purchase Price for the Participations being sold by the Originator on such Transfer Effective Date in cash.

SECTION 3.03 Payments to Participant. Whenever the Originator receives or collects a payment in respect of any Insurance Premium Loan subject to a Participation, it will pay over the same to the Participant in the same funds as received promptly after its receipt thereof and in any event within one Business Day of its receipt thereof.

ARTICLE IV.

CONDITIONS TO EFFECTIVENESS AND PURCHASES

SECTION 4.01 Conditions Precedent to Initial Transfer. The initial Transfer hereunder is subject to the condition precedent that the Participant shall have received, on or before the date hereof, the following, each in form and substance satisfactory to the Participant:

(a) A certified copy of the organizational or governing documents of the Originator.

(b) Evidence reasonably satisfactory to the Participant of (i) due authorization by the Originator of the transactions contemplated by this Agreement and (ii) due execution of this Agreement (including the names and true signatures of the officers of the Originator authorized to execute this Agreement and any other documents contemplated hereunder and appropriate documentation evidencing the incumbency of such officers).

(c) Written search reports certified by a search service acceptable to the Participant, listing all effective financing statements that name the Originator as debtor or assignor and that are filed in the jurisdictions in which filings were made pursuant to clause (d) below and in such other jurisdictions that the Participant shall reasonably request, together with copies of such financing statements (none of which shall cover any Collateral or interests therein or proceeds of any thereof), and tax, ERISA and judgment lien search reports from a Person satisfactory to the Participant showing no evidence of such lien filed against the Originator.

(d) Copies of proper amendment or termination statements, if any, necessary to release all security interests and other rights of any Person in the Collateral previously granted by the Originator.

(e) The Agreement and the other Transaction Documents and all documentation to be delivered in connection therewith shall have been executed and delivered, and all conditions thereto shall have been satisfied.

(f) An opinion of Locke Lord Bissell & Liddell, local counsel to the Participant and an opinion of Foley & Lardner, LLP, counsel to the Participant and the Originator, in form and substance satisfactory to the Agents, and as to such other matters as the Collateral Agent may reasonably request, including, without limitation, non-consolidation, true sale and true participation opinions.

(g) All legal matters incident to the execution and delivery of this Agreement and to the purchases by the Participant of a Participation from the Originator shall be satisfactory to counsel for the Participant.

SECTION 4.02 Conditions Precedent to All Transfers. The Transfer to take place on the initial Transfer Effective Date and each Transfer to take place on a subsequent Transfer Effective Date hereunder shall be subject to the further conditions precedent that:

(a) On or prior to such Transfer Effective Date, the Originator (or the Servicer on its behalf) shall, at its own expense, have marked its records related to each Insurance Premium Loan in which a Participation has been transferred hereunder with a notation, acceptable to the Participant, stating that a Participation in such Insurance Premium Loan, the related promissory note and all other documents in the Loan Documentation Package for such Insurance Premium Loan and Collections with respect thereto and other proceeds thereof, has been sold in accordance with this Agreement, and the Originator further agrees not to alter such file designation with respect to any applicable Insurance Premium Loan in which a Participation has been transferred hereunder during the term of this Agreement;

(b) On each Transfer Effective Date, the following statements shall be true:

(i) all of the Originator's representations and warranties contained in Section 5.01 are correct on and as of such date as though made on and as of such date; and

(ii) no event has occurred and is continuing, or would result from such Transfer, that constitutes an Event of Termination or would constitute an Event of Termination but for the requirement that notice be given or that time elapse or both;

(c) On each Transfer Effective Date, the Originator and the Participant shall have executed a Participation Certificate for each Insurance Premium Loan for which a Participation has been transferred hereunder;

(d) On each Transfer Effective Date, the Originator shall have complied with all of its covenants hereunder and shall have fulfilled in all material respects all of its obligations hereunder;

(e) As of each Transfer Effective Date, no Originator shall be insolvent;

The acceptance by the Originator of the Purchase Price for any Participation shall be deemed to be a representation and warranty by the Originator as to the matters set forth in this Section.

ARTICLE V.

REPRESENTATIONS AND WARRANTIES

SECTION 5.01 Representations and Warranties of the Originator. The Originator hereby represents and warrants as to itself to the Participant as of the Effective Date and each Transfer Effective Date (or such other date as expressly provided below) that:

(a) Organization and Good Standing. The Originator has been duly organized and is validly existing as a limited liability company in good standing under the laws of the state of its incorporation or formation, and has power and authority to own its properties and to conduct its business as such properties shall be currently owned and such business is presently conducted.

(b) Due Qualification. The Originator is duly qualified to do business (or is exempt from such qualification requirements) and has obtained all necessary licenses and approvals in each jurisdiction in which failure to so qualify or to obtain such licenses or approvals would have a material adverse effect on the Originator's ability to perform its obligations as the Originator under this Agreement.

(c) Due Authorization. The Originator's execution, delivery and performance of this Agreement and the other agreements and instruments executed or to be executed by the Originator contemplated by this Agreement, and the consummation of the transactions contemplated by this Agreement, have been duly and validly authorized by all necessary action on the part of the Originator.

(d) Binding Obligation. This Agreement constitutes the legal, valid and binding obligation of the Originator enforceable against the Originator in accordance with its terms, except as enforceability may be limited by insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general principles of equity whether considered in a suit at law or in equity.

(e) No Conflict. The Originator's execution and delivery of this Agreement, its performance of the transactions contemplated hereby and its fulfillment of the terms hereof applicable to the Originator do not (i) contravene the Originator's organizational or governing documents, (ii) conflict with or violate any applicable law, (iii) violate any provision of, or require any filing, registration, consent or approval under, any law presently in effect having applicability to the Originator, except for such filings, registrations, consents or approvals as have already been obtained or made and are in full force and effect, (iv) conflict with, result in any breach of (A) any of the terms or provisions of, or constitute (with or without notice or lapse of time or both) a default under any Insurance Premium Loan or (B) any of the terms or provisions of, or constitute (with or without notice or lapse of time or both) a default under any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Originator is a party or by which it or its properties or assets are bound.

(f) No Proceedings. There are no proceedings, injunctions, writs, restraining orders or investigations pending or, to the best knowledge of the Originator, threatened against the Originator before any governmental authority (i) asserting the illegality, invalidity or unenforceability, or seeking any determination or ruling that would affect the legality, validity or enforceability, of the Loan Documents, this Agreement or any other Transaction Document, (ii) seeking to prevent the consummation of any of the transactions contemplated by the Loan Documents, this Agreement or any other Transaction Document, (iii) seeking any determination or ruling that, if adversely determined, could have a material and adverse effect on the financial condition or operations of the Originator or the validity or enforceability of, or the performance by the Originator of its obligations under, this Agreement or (iv) seeking to affect adversely the income tax attributes or other tax attributes of the Originator under the U.S. federal or the State of Florida, as applicable, tax systems. There are no proceedings, injunctions, writs, restraining orders or investigations pending with respect to any Insurance Premium Loan a Participation in which is being sold to the Participant, or the related Life Insurance Policy, before any governmental authority asserting the illegality, invalidity or unenforceability, or seeking any

determination or ruling that would affect the legality, validity or enforceability, of any such Insurance Premium Loan or the related Life Insurance Policy.

(g) No Consents. No authorization, consent, license, order or approval of, or registration or declaration with, any Person, including any governmental authority, is required for the Originator in connection with the execution and delivery of this Agreement by the Originator or the performance of its obligations under this Agreement, except for (i) the filing of the financing statements or other documents required to have been filed on or prior to the Effective Date or applicable Transfer Effective Date pursuant to Section 4.01, all of which were so filed and are in full force and effect, (ii) the filing from time to time of any amendments, assignments or continuation statements which may become applicable pursuant to this Agreement or (iii) the exercise by the Participant or its assigns of the rights provided for in this Agreement or the remedies in respect of any Insurance Premium Loans a Participation in which is sold, transferred, assigned or otherwise conveyed by the Originator to the Participant pursuant to this Agreement.

(h) Liens. Each Insurance Premium Loan in which a Participation has been transferred hereunder is owned by the Originator free and clear of any Lien (subject to the Participations therein), and the Originator has not either created or consented to the creation of any Lien affecting any Insurance Premium Loan in which a Participation has been transferred hereunder or any related Life Insurance Policy other than the Liens contemplated by this Agreement and the other Transaction Documents.

(i) Location. As of the Effective Date, the chief executive office of the Originator, and the office where the Originator keeps its copy of the Transaction Documents and Records, is located at the Originator's address specified in Section 9.03.

(j) Valid Transfers. This Agreement constitutes a valid sale, transfer and assignment to the Participant of Participations in the Originator's entire right, title and interest in and to the Insurance Premium Loans in which a Participation has been transferred hereunder, whether now existing or hereafter created (including all monies due or to become due with respect to such Insurance Premium Loans, all proceeds (including "proceeds" as defined in the UCC of the jurisdiction whose law governs the perfection of an interest in such Insurance Premium Loans) of such Insurance Premium Loans and all cash proceeds of any related security). If an Event of Bankruptcy were to occur with respect to the Originator, the right to retain the Insurance Premium Loans (including all monies due or to become due with respect to such Insurance Premium Loans, all proceeds of such Insurance Premium Loans and all cash proceeds of any related security) would not be deemed to be property of the Originator. If and to the extent the sale of the Participations in the Insurance Premium Loans under this Agreement is not deemed to be or is not recognized as a sale by a court of law, the conveyance of the interest in the Insurance Premium Loans created on or after the applicable Transfer Effective Date, shall to the extent set forth in Section 3.01(d) be considered a capital contribution to the Participant.

(k) Solvency. The Originator is, solvent and will not become insolvent after giving effect to the transactions contemplated by this Agreement. The Originator is currently repaying all of its indebtedness as such indebtedness becomes due; and, after giving effect to the

transactions contemplated by this Agreement, the Originator will have adequate capital to conduct its business as presently conducted and as contemplated by this Agreement.

(l) Compliance. The Originator has complied, and will comply on each Transfer Effective Date, with all Requirements of Law with respect to it, its business and properties and all Insurance Premium Loans and the Life Insurance Policy related thereto. The Originator has obtained and will maintain all applicable permits, certifications and licenses (including all licenses to originate Insurance Premium Loans) necessary with respect to its business and properties and all Insurance Premium Loans and the Life Insurance Policy related thereto.

(m) No Rescission. Neither any Insurance Premium Loans in which a Participation is sold hereunder nor the related Life Insurance Policy has been subordinated or rescinded or, except as disclosed in writing to the Participant, amended in any manner.

(n) No Event of Bankruptcy. No Event of Bankruptcy has occurred with respect to the Originator.

(o) Fraudulent Conveyance. The Originator is not entering into the transactions contemplated hereby with any intent of hindering, delaying or defrauding creditors.

(p) Insurance Premium Loans.

(i) As of each Transfer Effective Date, each Insurance Premium Loan in which a Participation is granted or sold by the Originator hereunder is an Eligible Insurance Premium Loan and the grant, sale and purchase hereunder of a Participation in such Insurance Premium Loans and Collections arising thereunder do not conflict with, result in a breach of any of the provisions of, or constitute (with or without notice or lapse of time or both) a default under, any agreements evidencing such Insurance Premium Loan;

(ii) As of any Transfer Effective Date, each Insurance Premium Loan on such date is the valid, binding and enforceable obligation of each obligor thereunder;

(iii) As of any Transfer Effective Date, each Insurance Premium Loan on such date was originated by the Originator in the ordinary course of the Originator's premium finance lending activities and in accordance with all Requirements of Law;

(ix) As of any Transfer Effective Date, no policy loan, cash withdrawal or surrender has occurred with respect to the Life Insurance Policy related to the Insurance Premium Loan in which a Participation is granted or sold by the Originator.

(q) Legal Names. As of the Effective Date, the legal name of the Originator is as set forth on the signature pages of this Agreement.

(r) ERISA. With respect to any Plan maintained or participated in during the past six years by the Originator or any of its ERISA Affiliates, (i) such Plan complied and complies in all material respects with all Requirements of Law, (ii) a Reportable Event has not occurred with respect to any such Plan, (iii) such Plan has not been terminated and (iv) no funding deficiency has occurred in respect of any such Plan, except, in each case, where the occurrence of any of the foregoing could not be reasonably expected to result in liability to such Seller or any such ERISA Affiliate in excess of \$50,000 or result in a Lien against the Participations, or any related Insurance Premium Loans or related Life Insurance Policies (or any portion thereof). With respect to any such Plan that is intended to qualify for special tax treatment under Sections 401(a) or 403(a) of the Code, such Plan is in compliance with the applicable requirements of the Code for such qualifications.

(s) Margin Regulations. The Originator will not use any of the proceeds of the Purchase Price for any purpose which will conflict with or contravene any of Regulations T, U or X promulgated by the Federal Reserve Board from time to time.

(t) Reasonably Equivalent Value. The Participant has given reasonably equivalent value to the Originator in consideration for each purchase of a Participation under this Agreement, no such transfer has been made for or on account of an antecedent debt owed by the Originator to the Participant, and no such transfer is or may be voidable or subject to avoidance under any applicable bankruptcy, insolvency or other similar law.

(u) Accuracy of Information. All certificates, reports, statements, documents and other information furnished to the Participant by or on behalf of the Originator pursuant to any provision of this Agreement, or in connection with or pursuant to any amendment or modification of, or waiver under, this Agreement are, and shall, at the time the same are so furnished, be complete and correct in all material respects on the date the same are furnished.

(v) Taxes. The Originator has filed or has caused to be filed all federal, state and local tax returns which it is required to file and has paid all Taxes, assessments and other governmental charges due in respect of its respective returns, except to the extent that any such Taxes, assessments or other governmental charges are being contested in good faith and as to which the Originator has set aside on its books adequate reserves and in respect of which no Liens have attached to or been filed against the Originator or any of its properties. There are no agreements or waivers extending the statutory period of limitations applicable to any federal income tax return of the Originator for any period.

(w) Investment Company Act. The Originator is not an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(x) Quality of Title. No effective financing statement or other similar instrument is in effect covering any of the Insurance Premium Loans in which a Participation has been transferred hereunder or any interest therein that has been filed, authorized, acknowledged or otherwise permitted by the Originator or any Affiliate thereof in any recording office except for financing statements that may be filed (x) in favor of the Collateral Agent in accordance with the Security Agreement, (y) in favor of the Participant under this Agreement, and/or (z) in favor of the Originator under the related Loan Documentation Package.

SECTION 5.02 Representations and Warranties of the Participant. The Participant hereby represents and warrants to the Originator as of the Effective Date and each Transfer Effective Date that:

(a) Organization and Good Standing. The Participant has been duly organized and is validly existing as a limited liability company in good standing under the laws of the State of Illinois, and has power and authority to own its properties and to conduct its business as such properties shall be currently owned and such business is presently conducted.

The representations and warranties set forth in this Section 5.02 and in Section 5.01 shall survive the sale of the Participations by the Originator to the Participant pursuant to this Agreement. Upon discovery by the Originator or the Participant of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other.

SECTION 5.03 Remedies.

(a) Repurchase of Participations for Certain Breaches. In the event of a breach of any representations and warranties set forth in Sections 5.01(e), (f), (g), (h), (l), (p) or (x), upon the earlier to occur of the discovery of such breach by the Originator or receipt by the Originator of written notice of such breach given by or on behalf of the Participant, the Participant's Participation in each Insurance Premium Loan relating to such breach shall be repurchased by the Originator from the Participant and upon such repurchase shall terminate and be extinguished.

Such deposit shall be considered payment in full for such Participation.

In connection with the preceding paragraph, the Participant shall execute such documents and instruments of transfer or assignment as shall be prepared by the Originator, and shall take such other actions as shall reasonably be requested by the Originator, to effect the repurchase of Participations from the Participant. Upon repurchase of Participations in Insurance Premium Loans from the Participant, the Participant shall automatically and without further action be deemed to transfer, assign, set over and otherwise convey to or upon the order of the Originator, without recourse, representation or warranty, all the right, title and interest of the Participant in and to the reconveyed Participations and all Collections with respect thereto and all proceeds thereof received after the date of such repurchase.

SECTION 5.04 Covenants of the Originator. The Originator hereby covenants that:

(a) Security Interests. Except for the Transfers hereunder and the Liens contemplated by the Loan Documents and the Transaction Documents, the Originator will not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien on any Insurance Premium Loan in which a Participation has been transferred hereunder, whether now existing or hereafter created, or any interest therein, the Originator will promptly notify the Participant upon its knowledge of the existence of any such Lien on any such Insurance Premium Loan, and the Originator shall defend the Participation interest of the Participant in the Insurance Premium Loans transferred hereunder, whether now existing or hereafter created, against all claims of third parties claiming through or under the Originator.

(b) No Impairment. Except in accordance with, or as contemplated by, the Loan Documents and the Transaction Documents, the Originator shall take no action, nor omit to take any action, which would impair the rights of the Participant in any Insurance Premium Loan in which a Participation has been transferred hereunder, nor shall the Originator, except as expressly provided in the Servicing Agreement, reschedule, revise or defer payments due on any Insurance Premium Loan in which a Participation has been transferred hereunder.

(c) Compliance with Law. (d) Preservation of Existence. The Originator will preserve and maintain its existence, rights, franchises and privileges as a limited liability company or corporation, as applicable, and become and remain licensed in each jurisdiction where the failure to maintain such license would materially and adversely affect (A) the interests of the Participant hereunder or (B) the collectibility of any Insurance Premium Loans in which a Participation has been transferred hereunder or the related Life Insurance Policies; and the Originator shall not consolidate with or merge into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person without the prior written consent of the Participant.

(e) Keeping of Records and Books of Account. The Originator (or the Servicer on its behalf) will maintain and implement administrative and operating procedures (including, without limitation, the ability to recreate the records related to any items comprising a Loan Documentation Package in the event of the destruction of the originals thereof) and keep and maintain all such records and other documents, books, records and information reasonably necessary or advisable for the collection of the Insurance Premium Loans and related Life Insurance Policies (including, without limitation, records adequate to permit the daily identification of each Insurance Premium Loan and related Life Insurance Policy and all Collections of and adjustments to each such Insurance Premium Loan and related Life Insurance Policy).

(f) Performance and Compliance with Insurance Premium Loans. The Originator will, at its expense, timely and fully perform and comply with all provisions, covenants and other promises required to be observed by it hereunder, The Originator shall comply with and perform its obligations with respect to any Insurance Premium Loan.

(g) Collections and Payments. Except as otherwise provided in this Agreement, the Originator will cause any Collections received by it to be deposited in the Collection Account no later than the Business Day following the receipt and identification of proceeds.

(h) Protection of the Participant's Interest in Insurance Premium Loans.

(i) Except as provided in Article VII, the Originator covenants and agrees that it will not convey, assign, exchange or otherwise transfer its rights under the Insurance Premium Loan in which a Participation has been transferred hereunder to any Person prior to the termination of this Agreement pursuant to Section 7.01.

(ii) The Originator will advise the Participant promptly, in reasonable detail, (A) of any Lien or claim asserted against any of the Insurance Premium Loans in which a Participation has been transferred hereunder or related Life Insurance Policy,

other than the Liens created hereby, (B) of the occurrence of any breach by the Originator of any of its representations, warranties and covenants contained herein, (C) of the occurrence of any other event that would materially and adversely affect the value of any of the Insurance Premium Loans in which a Participation has been transferred hereunder, (D) of the occurrence of any event or circumstance under [Section V.A or Section V.B. of the Collateral Value Policy or Contingent Collateral Value Policy] [discuss], (E) of the occurrence of a Prohibited Act (as defined in the Collateral Value Policy) by the Originator or knowledge of the commission of a Prohibited Act by any Person with respect to an Insurance Premium Loan in which a Participation is granted or sold by the Originator, and (F) of the occurrence of any policy loan, cash withdrawal or surrender with respect to the Life Insurance Policy related to the Insurance Premium Loan in which a Participation is granted or sold by the Originator.

(iii) The Originator will not, without providing 45 days' prior written notice to the Participant and without filing such amendments to any previously filed financing statements as may be required by law to fully preserve and protect the interests of the Participant hereunder in and to the Insurance Premium Loans Participations in which are conveyed hereby, (i) change its jurisdiction of organization, (ii) change the location of its chief executive office in the United States or the location of where records related to the Insurance Premium Loans are kept or (iii) change its name, identity or business structure in any manner that would, could or might make any financing statement or continuation statement filed by the Originator in accordance with this Agreement "seriously misleading" within the meaning of Section 9-402(7) of any applicable enactment of the UCC.

(i) Arm's-Length Relationship; Separate Existence. The Originator will maintain an arm's-length relationship with the Participant. Any transaction between the Participant on the one hand and the Originator or any respective Affiliates thereof, on the other hand, will, in the reasonable judgment of the Originator, be fair and equitable to the Participant. The Originator shall not acquire any obligations of the Participant.

(j) Responsibility of Originator. The Originator will not agree to be, or hold itself out to be, responsible for the debts of the Participant or for the decisions or actions with respect to the daily business and affairs of the Participant.

(k) Reporting Requirements.

(i) As soon as possible and in any event within ten (10) Business Days after the Originator obtains knowledge thereof, the Originator shall notify the Participant of any litigation, investigation or proceeding that could reasonably be expected to impair in any material respect the ability of the Originator to perform its obligations under this Agreement.

Local Counsel Opinion Questions

1. What state's insurable interest laws would a state court (or a federal court) apply to determine whether an irrevocable life insurance trust (or its trustee) has an insurable interest in the life of the insured (assuming that a case would be brought in and remain in either state or federal court in the state where the trustee with authority over the policy and loan was located (the "State"), rather than a state or federal court in the home state of the insured)?
 2. Will the life insurance policy issued in the proposed lending transaction be supported by a valid insurable interest under the law of the State, including, if applicable, does the State's law address or provide that a trustee of a trust, or the trust itself, has an insurable interest in the life of the grantor or settlor of such trust?
 3. Does the State have a usury law that is applicable to the individual lending transactions in the Imperial program; if so, what is the maximum permissible interest rate under the usury law; and if relevant, whether any loan origination fees and any pass-through of the life insurance policy premium and other fees to be charged would be included as part of "interest" under such usury law?
 4. Does the State have an insurance premium finance law and, if so, does such law apply to the individual lending transactions in the Imperial program? If so, would the lending transactions and the related loan documents be in compliance with such premium finance law? If there is not a premium finance law in effect in the State, or if there is not an Imperial entity that is a licensed premium finance company in the State, do the State's general consumer lending laws apply to the Imperial loans and/or to the Imperial lender? If so, would the individual lending transactions and the related Loan Documents be in compliance with the general consumer lending laws?
 5. Does the State have a life or viatical settlement law and, if so, does it apply to the individual lending transactions in the Imperial program?
 6. Are life insurance policies generally assignable to a lender as security under the State's law?

Notwithstanding the foregoing or anything else herein to the contrary, before making a claim or proceeding against the Guarantor under this Guaranty, (a) the Lender shall be obligated to proceed against the Borrower or any other person liable on the Guaranteed Obligations and to proceed against any security held by the Borrower or any other person, or to pursue any other remedy in the Lender's power whatsoever to collect the Term Loans, and an Event of Default involving the failure of the Borrower in paying any interest or principal due under a Term Loan or Tranche (determined without regard to, and by disregarding the effects of,

any acceleration of amounts due under a Term Loan or Tranche prior to the applicable Final Maturity Date) shall have existed for at least thirty (30) consecutive days or (b) there shall be a default in full payment of the Covered Loan Amount under an Eligible Insurance Premium Loan (determined without regard to, and by disregarding the effects of, any acceleration of amounts due under such loan prior to the applicable maturity date) owned actually or beneficially through a participation by the Borrower (a "Client Default") and such Client Default shall have existed for sixty (60) days; provided further, in the event of a Client Default, the amount due under this guaranty as a result of such event shall be limited to the shortfall in collections arising as a consequence thereof (taking into account any payments from the Collateral Value Insurer and Contingent Collateral Value Insurer and any proceeds from the disposition of any collateral for such Eligible Insurance Premium Loan) and the Guarantor shall be subrogated to the Lender's rights to the shortfall in respect to such Client Default following payment.

2. Waiver.

(a) The Guarantor unconditionally and irrevocably waives, to the fullest extent permitted by applicable law: (i) any release, amendment or waiver of or consent to departure from any other guaranty or any document relating to any security for or in respect of the Guaranteed Obligations; (ii) all notices which may be required by statute, rule of law or otherwise to preserve any rights against the Guarantor hereunder, including, without limitation, notice of the acceptance of this Guaranty, or the creation, renewal, extension, modification or accrual of the Guaranteed Obligations or notice of any other matters relating thereto, any presentment, demand, notice of dishonor, protest, nonpayment of any damages or other amounts payable under the Financing Agreement; (iii) any requirement for diligence in collection or protection of or realization upon the Guaranteed Obligations or any part thereof or any collateral therefor; (iv) any requirement of diligence; (v) any requirement to mitigate the damages resulting from a default by the Borrower under the Financing Agreement; (vi) the occurrence of every other condition precedent to which the Guarantor or the Borrower may otherwise be entitled; (vii) any lack of validity or enforceability of the Financing Agreement, (vii) any exchange or release of, or non-perfection of any collateral securing, all or any of the Guaranteed Obligations; (ix) any other circumstances which might otherwise constitute a defense available to, or discharge of, the Guarantor; or (x) any and all rights it may now or hereafter have under any agreement or at law or in equity (including, without limitation, any law subrogating the Guarantor to the rights of the Lender) to assert any claim against or seek contribution, indemnification or any other form of reimbursement from the Borrower or any other party liable for payment of any or all of the Guaranteed Obligations for any payment made by the Guarantor under or in connection with this Guaranty or otherwise.

(b) The Lender may, at its election, exercise any right or remedy it may have against the Borrower without affecting or impairing in any way the liability of the Guarantor hereunder and the Guarantor waives, to the fullest extent permitted by applicable law, any defense arising out of the absence, impairment or loss of any right of reimbursement, contribution or subrogation or any other right or remedy of the Guarantor against the Borrower, whether resulting from such election by the Lender or otherwise. The Guarantor waives any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation for any cause whatsoever of the liability, either in whole or in part, of the Borrower to the Lender for the Guaranteed Obligations.

(c) The Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and agrees that the Lender shall not have any duty to advise the Guarantor of information regarding any condition or circumstance or any change in such condition or circumstance. The Guarantor acknowledges that the Lender has not made any representations to the Guarantor concerning the financial condition of the Borrower. The value of the consideration received and to be received by the Guarantor is reasonably worth at least as much as the liability and obligation of Guarantor incurred or arising under this Guaranty and all related papers and arrangements.

3. **Parties.** This Guaranty shall inure to the benefit of the Lender and its successors, assigns or transferees, and shall be binding upon the Guarantor and his or her respective heirs, successors and assigns; provided, that the Guarantor may not delegate or assign any of the Guarantor's duties or obligations under this Guaranty without the prior written consent of the Lender.

4. **Notices.** All notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by U.S. mail, certified with return receipt requested, or sent by telecopy (with confirmed receipt or followed by overnight delivery) to the addresses (or telecopy numbers) set forth on the signature pages hereto. The Guarantor or the Lender may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given in accordance with the provisions of this Guaranty shall be deemed to have been given on the date of receipt or, if mailed, the fifth (5th) business day following the date so mailed, if earlier, or the next business day if sent by overnight courier.

5. **Right to Deal with the Borrower.** At any time and from time to time, without terminating, affecting or impairing the validity of this Guaranty or the obligations of the Guarantor hereunder, the Lender and/or Agent may deal with the Borrower in the same manner and as fully as if this Guaranty did not exist and shall be entitled, among other things, to grant the Borrower, without notice or demand and without affecting the Guarantor's liability hereunder, such extension or extensions of time to perform, renew, compromise, accelerate or otherwise change the time for payment of or otherwise change the terms of indebtedness or any part thereof contained in or arising under the Financing Agreement or any other document evidencing obligations of the Borrower to the Lender, or to waive any obligation of the Borrower to perform, any act or acts as the Lender and/or Agent may deem advisable.

6. **Subrogation.** Notwithstanding anything to the contrary contained herein, any and all rights and claims of the Guarantor against the Borrower or any of its property or against any other person, arising by reason of any payment by the Guarantor to the Lender pursuant to the provisions, or in respect, of this Guaranty shall be subordinate, junior and subject in right of payment to the prior and indefeasible payment in full of the Guaranteed Obligations to the Lender, and until such time, the Guarantor shall have no right of subrogation, contribution or any similar right and hereby waive any right to enforce any remedy the Lender may now or hereafter have against the Borrower, any endorser or any other guarantor of all or any part of the Guaranteed Obligations and any right to participate in, or benefit from, any security given to the Lender to secure the Guaranteed Obligations. All liens and security interests of the Guarantor,

whether now or hereafter arising and howsoever existing, in assets of the Borrower or any assets securing the Guaranteed Obligations shall be and hereby are subordinated to the rights and interests of the Lender in those assets until the prior and indefeasible final payment in full of all of the Guaranteed Obligations to the Lender and termination of all financing arrangements between the Borrower and the Lender. If any amount shall be paid to the Guarantor contrary to the provisions of this Section 6 at any time when all the Guaranteed Obligations shall not have been indefeasibly paid in full, such amount shall be held in trust for the benefit of the Lender and shall forthwith be turned over in kind in the form received to the Lender (duly endorsed if necessary) to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Financing Documents and this Guaranty.

7. **Representations and Warranties.** The Guarantor hereby represents and warrants as follows:

(a) The Guarantor has the legal capacity and right to execute, deliver and perform this Guaranty to which the Guarantor is a party.

(b) The execution, delivery and performance by the Guarantor of this Guaranty and each other Loan Document to which the Guarantor is a party (i) do not and will not contravene any Requirements of Law or any contractual restriction binding on or otherwise affecting the Guarantor or its properties, (ii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iii) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to any of its properties.

(d) Each of this Guaranty and the other Loan Documents to which the Guarantor is or will be a party, when delivered, will be, a legal, valid and binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws.

(e) There are no pending or written notices threatening any action, suit or proceeding affecting the Guarantor before any court or other Governmental Authority or any arbitrator that (x) if adversely determined could reasonably be expected to have a material adverse effect to the Guarantor's financial condition or (y) relates to this Guaranty or any of the other Loan Documents to which the Guarantor is a party or any transaction contemplated hereby or thereby.

(f) The Guarantor is not in violation of any Requirements of Law or any material term of any agreement or instrument (including, without limitation, any contract) binding on or otherwise affecting him or any of his properties.

(g) The Guarantor is not a party to any agreement or instrument, or subject to any restriction or any judgment, order, regulation, ruling or other requirement of a court or other Governmental Authority, which has, or in the future could have, a material adverse effect to the Guarantor's financial condition.

(h) The Guarantor has filed or caused to be filed all tax returns which it is required to file and has paid all taxes shown to be due and payable on such returns or on any assessments made against the Guarantor or any of his property by any Governmental Authority except to the extent any such taxes are being contested in good faith. No tax Lien has been filed with respect to any material tax liability against the Guarantor, and, to the knowledge of the Guarantor, no tax assessment is pending against the Guarantor.

(i) The Guarantor (i) has read and understands the terms and conditions of the Financing Agreement and the other Loan Documents, and (ii) now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Borrower, and has no need of, or right to obtain from any Agent or any Lender, any credit or other information concerning the affairs, financial condition or business of the Borrower that may come under the control of any Agent or any Lender.

(j) As of the date hereof, the Guarantor has members' equity of an amount not less than \$12,500,000.

(k) All representations and warranties set forth in this Guaranty are true and correct in all respects at the time as of which such representations were made and on the Effective Date.

8. **Survival of Representations, Warranties, and Agreements.** All representations, warranties, covenants and agreements made herein, including representations and warranties deemed made herein, shall survive any investigation or inspection made by or on behalf of the Lender and shall continue in full force and effect until all of the obligations of the Guarantor under this Guaranty shall be fully performed in accordance with the terms hereof, and until the payment in full of the Guaranteed Obligations.

9. **Covenants.** The Guarantor hereby covenants and agrees that, during the term of this Guaranty, the Guarantor will:

(a) Maintain members' equity not less than 5% of the aggregate Guaranteed Obligations. The members' equity shall be determined by the Guarantor's independent accountants in accordance with GAAP.

(b) Not accept or retain any distribution or other payment from the Borrower if the making of such distribution or other payment by the Borrower violates, or may reasonably be expected to result in a violation of, the Financing Agreement or any other Loan Document.

(c) Comply in all material respects with all Requirements of Law (including any settlement of any claim that, if breached, could give rise to any of the foregoing).

(d) Promptly notify the Agents of:

- (i) (A) any breach or non-performance of, or any default under, any Contractual Obligation of such Guarantor which could reasonably be expected to have a material adverse effect to the Guarantor's financial condition, and (B) any action, suit, litigation or proceeding which may exist at any time which could reasonably be expected to have a material adverse effect to the Guarantor's financial condition; and
- (ii) the occurrence of any event or development that could have a material adverse effect to the Guarantor's financial condition;

provided that (A) each notice pursuant to this Section 7(d) shall be accompanied by a written statement signed by such Guarantor, setting forth details of the occurrence referred to therein, and stating what action the Guarantor proposes to take with respect thereto and at what time. Each notice under Section 7(d)(i) shall describe with particularity the provisions of this Guaranty or other Loan Document that have been breached.

(c) Pay all taxes, assessments, governmental charges and other obligations when due, except as may be contested in good faith or those as to which a bona fide dispute may exist.

(f) Execute and deliver to the Agents such further instruments and do such other further acts as the Agent may reasonably request to carry out more effectively the purposes of this Guaranty.

(g) Not knowingly commit, and not knowingly permit any of its Affiliates, including the Borrower, to knowingly commit, a Prohibited Act (as defined in the Collateral Value Policy) or any other act that results in the liability of the Collateral Value Insurer or Contingent Collateral Value Insurer under the Collateral Value Policy or the Contingent Collateral Value Policy, as applicable, being reduced or terminated.

THE GUARANTOR HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT ITS ADDRESS SET FORTH ON THE SIGNATURE PAGE HERETO, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY AGENT AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER

THE GUARANTOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. 11. **WAIVER OF JURY TRIAL, ETC.** THE GUARANTOR HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS GUARANTY OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION HERewith OR THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS GUARANTY OR THE OTHER LOAN DOCUMENTS, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. (b) No amendment of any provision of this Guaranty shall be effective unless it is in writing and signed by the Guarantor and the Collateral Agent, and no waiver of any provision of this Guaranty, and no consent to any departure by the Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Guarantor and the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(c) No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

(d) Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.
