If Hanmi is directly manufacturing the Licensed Product for its own purposes, it shall supply the Licensed Product to Kinex at a purchase price payable by Kinex equal to Hanmi's cost for manufacturing the Licensed Products. For the avoidance of doubt, Kinex shall be responsible for any customs duties. If Kinex elects to directly manufacture its own investigational products containing any Compound, Hanmi shall have the right to purchase such investigational products from Kinex for Clinical Studies and Regulatory Approval outside the Territory at a purchase price payable by Hanmi equal to Kinex's cost for manufacturing the investigational products.

3.4 Regulatory Matters.

(a) Responsibility of Kinex.

From and after the Effective Date:

(i) Kinex shall have sole authority and responsibility for the timely preparation, filing and prosecution of all filings, submissions, authorizations or approvals

with Regulatory Authorities, and shall own and control all such filings, submissions, authorizations and approvals, including any IND, NDA or other Drug Approval Application in the Territory in accordance with reasonable industry standards. Kinex shall provide copies of all such filings, submissions, authorizations and approvals upon reasonable request from Hanmi, at Hanmi's sole cost and expense.

(ii) Kinex shall be the primary contact with each Regulatory Authority in the Territory and shall be solely responsible for all communications with each Regulatory Authority that relate to any IND, NDA, or other Drug Approval Application in the Territory, provided, however, that upon the reasonable request of Kinex, Hanmi shall provide appropriate personnel to participate in discussions with a Regulatory Authority regarding the regulatory review process and shall assist and consult with Kinex in applying for Regulatory Approval at Kinex's cost and expense.

(iii) From and after receipt of each Regulatory Approval, Kinex shall have exclusive authority and responsibility to submit all reports or amendments necessary to maintain Regulatory Approvals and to seek revisions of the conditions of each such Regulatory Approval in the Territory and shall keep Hanmi informed of any such actions. Kinex shall have sole authority and responsibility to seek and/or obtain any necessary approvals for any Product Label, or prescribing information, package inserts, monographs and packaging used in connection with a Licensed Product, in addition to promotional materials used in connection with a Licensed Product in the Territory. Kinex shall determine whether the foregoing items require Regulatory Approval in the Territory.

(b) Responsibility of Hanmi

(i) Hanmi shall fully cooperate and assist Kinex, upon Kinex's request, with respect to Kinex's performance of its obligations under this Agreement. Hanmi shall not be required, however to incur any Third Party costs to meet its obligation to cooperate and assist Kinex under this Section. If Hanmi's cooperation and assistance will be limited due to Third Party costs, Hanmi shall provide Kinex an estimate, including supporting documentation, of such Third Party costs. Unless otherwise agreed herein, or with the prior agreement of Kinex otherwise, Kinex shall not be responsible for any payment to Hanmi in consideration of any cooperation or assistance rendered by Hanmi.

(ii) Regulatory Cooperation. Each Party is responsible for matters concerning adverse drug reactions, safety information and compliance with regulatory requirements. Each Party shall, upon the request of the other Party, provide any such data in each Party's actual possession to the other Party that is required by the United States Regulatory Authority. The Parties hereby agree that they will each make their best Commercially Reasonable Efforts in coordinating their respective regulatory, Development and Commercialization efforts under this Agreement.

3.5 Appointment and Administration of Development and Commercialization Steering Committee for the Territory

(a) As soon as practicable after the execution of this Agreement and in no event later than thirty (30) days after the Effective Date, the Parties will establish a four (4) person steering committee to oversee and review the Development and Commercialization of the Licensed Products in the Territory, which will include two (2) representatives of each of Kinex and Hanmi (the "Development and Commercialization Steering Committee") and will be chaired by one of the representatives of Kinex. All actions, decisions and approvals of the Development and Commercialization Steering Committee shall be determined upon an affirmative majority vote of its members.

*** = Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.

One (1) member appointed by each Party will be a senior officer of such Party who is either (i) responsible for product development or (ii) has substantial experience in product development for similar products who is acceptable to the other Party. Each Party, at its sole discretion, may at any time during the Agreement Term replace either of its appointed members with prior written notice to the other Party. Each Party will use commercially reasonable efforts to cause its respective representatives to attend all meetings of the Development and Commercialization Steering Committee. Each Party will bear its respective travel and out-of-pocket expenses incurred by its members or representatives in connection with the Development and Commercialization Steering Committee's meetings.

(b) The Development and Commercialization Steering Committee will meet at least once every Calendar Quarter or more or less frequently as the Parties mutually deem appropriate, at a time and place agreed by the Parties. The Development and Commercialization Steering Committee may also convene, vote or hold discussions from time to time through other methods of communication, as deemed necessary or appropriate by the Parties, including without limitation, telephone, video conference or email.

(c) In the event there is a disagreement among the members of the Development and Commercialization Steering Committee, the members of the Development and Commercialization Steering Committee shall promptly present such issue in dispute to the relevant executive at Kinex and Hanmi who has the principal responsibility for the work under this Agreement. Once informed, the executives shall meet to discuss each party's view and to clarify the basis for such disagreement. If such executives are unable to resolve such dispute within thirty (30) days of such meeting, (i) such dispute shall be submitted to a panel of three independent experts agreed upon by Hanmi and Kinex if it is a clinical dispute, (ii) such dispute (if other than clinical) shall be submitted to arbitration if it is within the framework of this Agreement, or (iii) Kinex's decision shall be final and binding if such dispute is not clinical or

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

within the framework of this Agreement and is applicable to issues only within the Territory. The arbitration shall be conducted in Singapore in accordance with the Singapore International Arbitration Centre Rules. If a disagreement or dispute under this Section results in a delay in Kinex's ability to meet any timeline provided for in this Agreement, such timeline shall be extended for a period of time equal to the length of such delay.

(d) The Development and Commercialization Steering Committee shall be responsible for (i) approval and amendment, from time to time, of the plan for Development and Commercialization, (ii) the protocols for Clinical Trials of any Licensed Product, (iii) approval of all contracts relating to the Development of any Licensed Product, (iv) the formulation used in respect of any Licensed Product, and (v) contracts relating to the Commercialization of any Licensed Product.

ARTICLE 4

PAYMENTS AND STATEMENTS

4.1 Upfront Fee. Upon execution of this Agreement, Kinex shall pay to Hanmi US\$***. Kinex shall remit all US withholding taxes required to be paid on behalf of Hanmi with respect to such payment and remit the net amount to Hanmi. Hanmi will provide Kinex with US IRS Form W8BEN (with US Employer Identification Number) to reduce withholding to 15% under the US Korean Treaty (and avoid general US withholding rate of 30%).

4.2 Equity Payment.

In further consideration of the rights granted by Hanmi hereunder, Kinex shall pay Hanmi an equity payment upon occurrence of a Liquidity Event at Kinex and Regulatory Approval in the United States (as provided below) if such Liquidity Event occurs during the Agreement Term ("Equity Payment"). Notwithstanding the above sentence, (i) Hanmi can still receive an Equity Payment without Regulatory Approval as set forth in paragraph (c), (ii) any Equity Payment to

23

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

be paid by Kinex upon a Liquidity Event or Regulatory Approval is intended by the parties to be a one-time payment and not apply to any subsequent Liquidity Event or Regulatory Approval, and (iii) for all purposes in this Section 4.2, "Regulatory Approval" shall refer only to the first Licensed Product and only to the first Regulatory Approval in either the United States from the US Federal Drug Administration or the European Union from the European Medicines Agency. The Equity Payment shall be made immediately prior to or on the date of the first Liquidity Event by the issuance by Kinex of its Series A Convertible Preferred Units or, if no shares of Series A Convertible Preferred Units are then currently outstanding, any cash, publicly tradable securities or class of securities to which the Series A Convertible Preferred Units have been exchanged or converted ("Kinex Unit(s)"). As long as Kinex treats Hanmi on the same terms as the holders of Kinex Common Units and all other holders of Series A Convertible Preferred Units regarding the registration rights of their units, and the Kinex Common Unit and Series A Convertible Preferred Units are not registered as of the Liquidity Event, Kinex can issue unregistered Kinex Units to Hanmi with the understanding that Kinex will treat Hanmi on the same terms as all Common Unit holders and all other Series A Convertible Preferred Unitholders regarding registration rights.

The valuation of Kinex Units to be received by Hanmi shall be determined according to the "regulatory bonus" and "exit bonus" schedules set forth in paragraphs (a), (b), and (c) below. The actual number of Kinex Units to be issued or paid to Hanmi upon a Liquidity Event shall be calculated by dividing the "valuation" of the Kinex Units to be received by Hanmi as set forth in paragraphs (a), (b) or (c) by the last price paid for the Kinex Units immediately prior to the Liquidity Event that results in the issuance of the Kinex Units to Hanmi. With respect any cash received by Kinex equity owners in the Liquidity Event in partial or full consideration for their ownership of a Kinex Unit, Kinex shall pay Hanmi cash to the extent that each Kinex Unit to be issued to Hanmi would have received cash in the Liquidity Event. The actual number of Kinex Units to be issued or paid to Hanmi upon a Regulatory Approval following a Liquidity Event

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

shall be calculated (i) based on the last price paid for Kinex Units in the last to occur of (1) a public offering by Kinex (excluding the initial public offering) or any successor entity or (2) a private investment in public entity (PIPE) by Kinex or any successor entity, either of which occurs prior to the Regulatory Approval but after the Liquidity Event, or (ii) if no such follow on public offering or PIPE has occurred prior to the Regulatory Approval but after the Liquidity Event, the average mean price between the highest and lowest quoted selling prices for any publicly traded securities for the sixty (60) business days immediately preceding the date of the Regulatory Approval.

(a) If Regulatory Approval occurs prior to a Liquidity Event, Kinex shall not make any Equity Payment until the occurrence of a Liquidity Event. If no Liquidity Event has occurred after the Regulatory Approval and prior to the date on which Kinex and its Affiliates have accumulated Net Sales of Licensed Product in excess of US\$***, the parties shall meet and negotiate in good faith for a cash payment to Hanmi in lieu of the Equity Payment. In any such negotiations, the parties agree that the maximum cash payment to Hanmi shall not exceed the amount of the Equity Payment. After any such cash payment to Hanmi, Kinex shall have no further obligations to Hanmi under this Section 4.2 upon the occurrence of a subsequent Liquidity Event.

(b) When a Liquidity Event occurs after Regulatory Approval, Hanmi shall receive the Equity Payment both in a “regulatory bonus” and “exit bonus”. The “regulatory bonus” shall be equal to US\$24,000,000. In addition, Hanmi will receive the “exit bonus” to be calculated as follows:

- US\$*** if the total pre-money valuation of Kinex immediately prior to the Liquidity Event is US\$*** or less, or

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

- US\$*** if the total pre-money valuation of Kinex immediately prior to the Liquidity Event is more than US\$*** but \$*** or less, or
- US\$*** if the total pre-money valuation of Kinex immediately prior to the Liquidity Event is more than US\$*** but \$*** or less, or
- US\$*** if the total pre-money valuation of Kinex immediately prior to the Liquidity Event was more than US\$*** but \$*** or less, or
- US\$*** if the total pre-money valuation of Kinex immediately prior to the Liquidity Event is more than US \$***.

(c) If the Liquidity Event occurs prior to the Regulatory Approval, Hanmi shall receive only an “exit bonus” equal to US\$5,000,000 immediately prior to or on the date of the Liquidity Event. If no Regulatory Approval occurs subsequent to a Liquidity Event, Kinex will have no further Equity Payment obligation to Hanmi. If the Regulatory Approval occurs after the Liquidity Event, Hanmi shall receive a “regulatory bonus” equal to US\$24,000,000.

(d) If, prior to both the Liquidity Event and the Regulatory Approval, Kinex sublicenses (i) all of its Commercialization rights in the Territory, or (ii) sublicenses all of its Development and Commercialization rights in North America or the European Union, Kinex shall immediately pay Hanmi on a one time basis only from the first such sublicense (i) a minimum of US\$*** in cash or (ii) a maximum equal to the lesser of US\$*** in cash or an amount equal to the following percentage, applicable to the development phase of the first Licensed Product as of the date of the sublicense, multiplied by any upfront cash payment received by Kinex from the sublicensee:

Prior to initiation of Phase I Clinical Studies in US	***%
Prior to initiation of Phase II Clinical Studies in US	***%
Prior to initiation of Phase III Clinical Studies in US	***%
Prior to New Drug Approval submission to FDA in US	***%

26

*** = Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.

No payment under this subsection (d) shall be required after the occurrence of either the Liquidity Event or the Regulatory Approval.

Under this paragraph (d), the payment to Hanmi shall not be less than US\$*** regardless of the amount of the upfront cash payment Kinex receives from its sublicensee. The payment to Hanmi shall not be more than US\$*** regardless of the amount of the upfront cash payment Kinex receives from its sublicensee. Any payment Hanmi shall receive under this paragraph (d) shall be credited toward to the “exit bonus” on the date of the Liquidity Event.

(e) If, other than in a transaction that qualifies as a Liquidity Event, Kinex decides to sell all of its Development and Commercial rights in the Licensed Products prior to both the Regulatory Approval and the Liquidity Event, Kinex shall immediately contact Hanmi and negotiate Hanmi for fair compensation. Hanmi shall negotiate, in good faith, for such fair compensation giving consideration to the total value of such sale transaction to Kinex.

(f) If, prior to the Liquidity Event but after the Regulatory Approval, Kinex sublicenses (i) all of its Commercialization rights in the Territory, or (ii) sublicenses all of its Development and Commercialization rights in North America or the European Union, Kinex shall immediately pay Hanmi on a one time basis only from the first such sublicense the greater of (i) US\$*** or (ii) the lesser of US\$24,000,000 or ***% of any upfront payments received by Kinex from the sublicensee. Any such payment would reduce, on a dollar for dollar basis, the “regulatory bonus” payable to Hanmi upon Regulatory Approval.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(g) Kinex's obligation to pay the Equity Payment and issue the Kinex Units shall be contingent upon Hanmi (1) executing such agreements, documents, forms, representations and restrictive covenants as may be required by (i) the Kinex organizational documents, (ii) the SEC or comparable national securities agency, (iii) the applicable taxing authorities, or (iv) any underwriter utilized by Kinex with respect to the Liquidity Event if such underwriter required such agreements or restrictive covenants from all founders and major equity owners of Kinex, and (2) Hanmi providing Kinex with the cash necessary to make all US withholding payments required with respect to the Equity Payment to the extent the Equity Payment consists of securities. Notwithstanding the foregoing, Hanmi shall not be required to consent to any lock-up required by an underwriter or purchaser of the Kinex Units for more than 12 months from the date of issuance of the Kinex Units to Hanmi.

Hanmi shall have 12 months from the date of the Liquidity Event or Regulatory Event, as applicable, to complete all of the requirements set forth above in paragraph (f), including payment of all US withholding tax. If Hanmi fails to complete such requirements within 12 months from the date of the applicable Liquidity Event or Regulatory Approval, Kinex's obligation to make the applicable Equity Payment shall expire and Kinex shall have no further obligation to make such Equity Payment to Hanmi. If a Liquidity Event occurs prior to Regulatory Approval, the expiration of Kinex's obligation to make an Equity Payment after the Liquidity Event as provided in the preceding sentence shall not affect its obligation to make an Equity Payment upon the subsequent Regulatory Approval at which time Hanmi shall again have 12 months after the date of the Regulatory Approval to complete all of the requirements of this paragraph (g) before Kinex's obligation to make the Equity Payment shall expire. The Kinex Units shall be issued to Hanmi within 45 days of the completion by Hanmi of the requirements of this paragraph (g).

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(h) Hanmi and Kinex agree to comply with all US securities laws in connection with the issuance of the Equity Payment. Hanmi understands that any securities included in the Equity Payment may be restricted securities under US securities laws and regulations unless registered under US securities law, and it may be required to retain ownership of such securities until such securities have been registered with the SEC or an exemption from such registration is available. Hanmi is familiar with Regulation S and Rule 144 promulgated under the US Securities Act of 1933, as amended, and conditions on resale imposed thereby. Hanmi agrees to comply with all US securities laws in connection with the resale of any securities received as part of the Equity Payment, and Kinex will cooperate and assist Hanmi in connection with any such resale.

4.3 Royalties.

(a) During each Calendar Quarter during the Agreement Term, Kinex shall, pursuant to Section 4.4(a), pay to Hanmi a royalty on annual (Calendar Year) aggregate Net Sales of Licensed Product by Kinex and its Affiliates based upon the following tiered royalty rates (annual Net Sales is the aggregated total of all sales in the Territory) ("Kinex Royalties"):

- | | | |
|------|---|------|
| (i) | For the amount of such annual Net Sales < US \$***M | ***% |
| (ii) | For the amount of such annual Net Sales > US \$***M | ***% |

For example, if the annual Net Sales for a given year is US \$70M, then Kinex shall pay a royalty of ***% on the first US \$***M and ***% on the remaining US \$***M.

(b) The tiered royalty rates set forth in 4.3(a) shall be (i) reduced by *** percent (***%) for a Licensed Product in each country in which Generic Competition exists and (ii) terminated for a Licensed Product in each country in which Substantial Generic Competition exists; provided, however, that if Substantial Level Generic Competition exists in a country for all Licensed Products, then the Royalty Term and Agreement Term shall terminate with respect to such country, and no further royalties shall be payable by Kinex to Hanmi in the subject country.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(c) If Kinex proposes to consummate a Liquidity Event, Kinex may request, and Hanmi agrees to consider, in good faith, a reduction of the Kinex Royalties to facilitate such transaction, including an increase in the Kinex valuation. It is the intent of the Parties that any reduction in the Kinex Royalties payable to Hanmi would be offset, in whole or in part, in the proposed transaction by an increased valuation of the Kinex Units owned by Hanmi.

(d) During each Calendar Quarter during the Agreement Term, Kinex shall, pursuant to Section 4.3(a), pay to Hanmi a royalty on annual (Calendar Year) aggregate Net Sales of all Licensed Products by all sublicensees equal to the lesser of (i) Fifty Percent (50%) of all royalties payable by the sublicensees to Kinex based on Net Sales of the sublicensee as provided for in the applicable sublicense agreement or (ii) the amount payable if such royalty is calculated under Section 4.3(a) based on the Net Sales of the sublicensee ("Sublicensee Royalties").

4.4 Royalty Reports and Payments.

(a) Royalty Payments. Within sixty (60) days following the end of each Calendar Quarter during the Royalty Term, Kinex shall submit to Hanmi an accounting report for such applicable Calendar Quarter for each relevant country within the Territory, which sets forth the gross sales, Net Sales and the Kinex Royalties and Sublicensee Royalties payable by Kinex to Hanmi for such Calendar Quarter, with a breakdown of all deductions taken in any such calculations, in accordance with the definition of "Net Sales". Any conversion to Dollars shall be calculated in accordance with Section 4.5(c). In the event of any royalty reduction during any Calendar Quarter due to Generic Competition in any country in the Territory, the report for such Calendar Quarter shall also provide the basis for the determination of such Generic Competition. Royalties shown to have accrued by each report shall be due and payable on the date such report is due.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(b) Reports. Kinex shall also furnish Hanmi a written report for each Licensed Product in each relevant country within the Territory during the first four (4) Calendar Quarters commencing after the termination of the royalty obligations for such Licensed Product in that country stating the basis for Net Sales then being free of royalty obligations hereunder. Kinex shall thereafter have no further obligation to include in any written reports the Net Sales of such Licensed Product in such country for purposes of the royalty calculation for any Calendar Quarter. This obligation shall survive the termination or expiration of this Agreement in any such country.

(c) Records. Each Party shall keep and require its Affiliates and sublicensees to keep complete and accurate records in sufficient detail to permit accurate determination of all amounts necessary for calculation and verification of all payment obligations set forth in this Article 4 for a period of thirty six (36) months from the end of the relevant Calendar Quarter.

4.5 General Payment Provisions.

(a) Payment Method. All payments under this Agreement shall be made in Dollars by bank wire transfer in immediately available funds to an account designated by Hanmi.

(b) Withholding Taxes. Kinex may deduct the amount of any taxes imposed on Hanmi which are required to be withheld or collected by Kinex, its Affiliates or sublicensees under the laws, rules or regulations of any country on amounts owing from Kinex to Hanmi hereunder. Any such taxes required to be withheld or collected shall be an expense of Hanmi. To the extent Kinex, its Affiliates or sublicensees pay such withholding taxes to the appropriate governmental authority on behalf of Hanmi; Kinex shall promptly deliver to Hanmi proof of payment of such taxes.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(c) Currency Exchange. For purposes of computing royalties on Net Sales in any country outside the United States, the Net Sales shall be converted to Dollars using the year-to-date average rate of exchange for Dollars used by Kinex for its internal financial accounting purposes provided, however, that if for any reason conversion into Dollars cannot be made in a country in the Territory, then notwithstanding the provisions of Section 4.5(a), payment may be made in the currency of such country by deposit in the name of Hanmi in a bank account designated by it in such country.

(d) Financial Accounting Standards. Except as otherwise defined herein, all financial calculations by either Party under this Agreement shall be calculated in accordance with IFRS. In addition, all calculations shall give pro rata effect to and shall proportionally adjust (by giving effect to the number of applicable days in such Calendar Quarter) (i) for any Calendar Quarter that is shorter than a standard Calendar Quarter or any Calendar Year that is shorter than four (4) consecutive full Calendar Quarters, or (ii) as a result of a determination, in accordance with the terms of this Agreement, that the first or last day of such Calendar Quarter (including as a result of termination of this Agreement) shall be deemed other than the actual first or last day of such Calendar Quarter, or that the first or last day of such Calendar Year shall be deemed other than the actual first or last day of such Calendar Year.

4.6 Audits. Upon the written request of Hanmi, Kinex shall permit an independent certified public accounting firm of recognized standing, selected by Hanmi and acceptable by Kinex (provided that such accounting firm shall not be retained or compensated on a contingency basis and shall have entered into a confidentiality agreement with Hanmi in the form and substance reasonably satisfactory to Kinex), to have access not more than once in any Calendar Year, during normal business hours, to such of the records of Kinex as may be reasonably necessary to

verify the accuracy of the reports under Section 4.4 hereof for any year ending not more than twenty four (24) months prior to the date of such request. The accounting firm shall disclose to Hanmi whether the reports are correct or incorrect, the specific details concerning any discrepancies (including the accuracy of the calculation of Net Sales and the resulting effect of such calculations on the amounts payable by Kinex under this Agreement) and such other information that should properly be contained in a report required under this Agreement (the "Audit Report").

(a) If such accounting firm concludes that additional amounts were owed during such year, and Kinex agrees with such conclusion, then Kinex shall pay the additional payments, together with interest at the Prime Rate on the amount of such additional payments, within thirty (30) days of the date Hanmi delivers the Audit Report to Kinex. In the event that Kinex disagrees with the accounting firm's conclusion, Kinex shall not have the obligation to make any additional payments to Hanmi until there is a mutual agreement of the Parties regarding the amount owed by Kinex. For the avoidance of doubt, Kinex is not obligated to pay any interest for the period during which the Parties were in dispute of the account firm's conclusion and amount owed thereunder. In the event such accounting firm concludes that amounts were overpaid by Kinex during such period, Hanmi shall repay Kinex the amount of such overpayment, together with interest at the Prime Rate on the amount of such overpayment, within thirty (30) days of the date the auditing Party delivers to the audited Party such accounting firm's Audit Report. The fees charged by such accounting firm shall be paid by Hanmi, provided, however, that if an error in favor of the Hanmi of more than five percent (5%) of the payments due hereunder for the period being reviewed is discovered, then the fees and expenses of the accounting firm shall be paid by Kinex.

(b) Upon the expiration of twenty four (24) months following the end of any year for which Kinex or Hanmi has made payment in full of amounts payable with respect to such year, and in the absence of negligence or willful misconduct of Kinex or Hanmi or a contrary finding by an accounting firm pursuant to Section 4.6(a), such calculation shall be binding and conclusive upon Kinex or Hanmi, and Kinex or Hanmi, as applicable, shall be released from any liability or accountability with respect to royalties or other payments for such year.

(ii) Kinex shall have and retain all right, title and interest in or Control over all Intellectual Property (and Patent Rights arising thereunder) which is discovered, made, first conceived, reduced to practice or generated under this Agreement both within and outside the Territory as a result of Development or otherwise during the Agreement Term, solely by Kinex's employees, agents, or other persons acting under or pursuant to its authority.

(iii) Hanmi and Kinex shall jointly own all right, title and interest in or Control over all Intellectual Property (and Patent Rights arising thereunder) which is discovered, made, first conceived, reduced to practice or generated under this Agreement both within and outside the Territory as a result of Development or otherwise during the Agreement Term jointly by Hanmi and Kinex employees, agents, or other persons acting under or pursuant to their authority ("Jointly Owned Intellectual Property"). With respect to Jointly Owned Intellectual Property, both Parties shall have the right to use such Intellectual Property within the Territory subject to the terms of this Agreement. Hanmi shall have the sole right to use the Jointly Owned Intellectual Property in all countries outside the Territory without accounting or payment to Kinex. For the avoidance of doubt, the right, title and interest of a Party in, or control of, the Jointly Owned Intellectual Property shall survive the termination and expiration of this Agreement.

Each Party shall use Commercially Reasonable Efforts to require any Third Parties working on the Phase I Clinical Study or any Development under the Agreement or who receive materials relating to a Licensed Product or Know-How from a Party, to assign or grant a sublicenseable exclusive license on a fully paid-up, royalty-free basis to all inventions and corresponding Patent Rights that are developed, made or conceived by such Third Parties during the Agreement Term to Hanmi and/or Kinex according to the ownership principles described in Section 6.1(a).

6.2 Maintenance and Prosecution

(a) Hanmi Patent Rights. Hanmi shall have the first right to file, prosecute and maintain the Hanmi Patent Rights in Hanmi's name, by retaining patent counsel selected by Hanmi and shall be responsible for the payment of all costs and fees relating to patent prosecution and maintenance. Hanmi agrees to keep Kinex informed of the course of patent prosecution, application or other proceedings and to furnish Kinex, per its request, with copies of office actions received by Hanmi from any Regulatory Authority within the Territory concerning Hanmi Patent Rights. Hanmi shall also have the first right to file, prosecute and maintain all Jointly Owned Intellectual Property in all countries outside the Territory. Kinex may request that Hanmi make additional patent application filings within the Territory for the Hanmi Intellectual Property. If Hanmi elects not to make such filings within a period of thirty (30) days from the date of such request, Kinex shall have the right to make the filing and prosecute the application in the name of and as agent for Hanmi. In such event, Kinex shall be responsible for the payment of all costs and fees relating to patent filing, prosecution and maintenance.

and shall be responsible for the payment of all costs and fees relating to patent prosecution and maintenance. Kinex agrees to keep Hanmi informed of the course of patent prosecution, application or other proceedings and to furnish Hanmi, per its request, with copies of office actions received by Kinex from any Regulatory Authority outside the Territory concerning Kinex Patent Rights. Kinex shall also have the first right to file, prosecute and maintain all Jointly Owned Intellectual Property in all countries in the Territory. Kinex hereby grants a right of first refusal to Hanmi for any Kinex Patent Rights for which Kinex intends to grant any right or license outside the Territory. Kinex shall provide Hanmi with written notice of the terms on which Kinex proposes to license such Kinex Patent Rights outside the Territory, and Hanmi shall have ninety (90) days from the date of receipt of such written notice to send a written reply to Kinex indicating its desire to license such Kinex Patent Rights on the terms contained in Kinex's written notice. If Hanmi does not respond within the ninety (90) days, Kinex shall be free to license such Kinex Patent Rights to third parties outside the Territory on the terms and conditions contained in the written notice sent to Hanmi.

(c) The responsible Party under this Section 6.2 shall solicit the other Party's review of the nature and text of any patent applications within the Territory and important prosecution matters related thereto in reasonably sufficient time prior to the filing thereof, and the responsible Party shall take into account the other Party's reasonable comments related thereto. Each Party shall execute all documents and take all actions as are reasonably requested by the other Party with respect to any filings and registrations.

6.3 Third Party Infringement.

(a) Each Party shall promptly give the other Party notice of any actual or suspected infringement by a Third Party in the Territory of any patent included in the Hanmi Patent Rights relating to the Licensed Products or Jointly Owned Intellectual Property (collectively, the "Parties' Patent Rights"), which comes to such Party's attention. In addition,

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

Kinex shall give Hanmi notice of any actual or suspected infringement which comes to its attention by a Third Party outside the Territory of any patent included in the Hanmi Patent Rights relating to the Licensed Products or the Jointly Owned Intellectual Property. The Parties shall thereafter consult and cooperate to determine a course of action, including the commencement of legal action.

(b) Hanmi shall have the first right to initiate and prosecute such legal action in the Territory at its own expense and in the name of Hanmi and/or Kinex, or to control the defense of any declaratory judgment action in the Territory relating to the Parties' Patent Rights, and Hanmi shall provide Kinex with reasonable notice of any such action it commences and keep Kinex reasonably informed of any significant developments in such action. Kinex shall render, at its expense, all assistance reasonably requested in connection with any action taken by Hanmi or to prevent such infringement (including reasonable attorneys' fees). However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall be under the control of Hanmi; provided that Hanmi shall not settle any such claim or proceeding in a manner that adversely affects Kinex's rights under this Agreement or which results in any monetary payment by or financial loss to Kinex, without Kinex's prior written consent, which consent shall not be unreasonably withheld.

(c) If Hanmi elects not to initiate and prosecute an infringement or defend a declaratory judgment action in any country in the Territory as provided in Section 6.3(b) within sixty (60) days after having become aware of such potential infringement, then Kinex may elect, which election shall be subject to the prior written consent of Hanmi to take such action that is reasonably necessary and appropriate to terminate or prevent such infringement, including instituting an infringement proceeding, provided, however, that Kinex shall not enter into any settlement or compromise of any claim relating to the Parties' Patent Rights licensed hereunder or which results in any material monetary payment by or financial loss to Hanmi, without Hanmi's prior written consent, which consent shall not be unreasonably withheld.

(d) Hanmi shall have the sole right to initiate and prosecute any legal action outside the Territory with respect to the Hanmi Patent Rights relating to the Licensed Products, or the Jointly Owned Intellectual Property at its own expense and in the name of Hanmi and/or Kinex, or to control the defense of any declaratory judgment action outside the Territory relating to such Patent Rights. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of Hanmi.

(e) For any legal action or defense contemplated by this Section 6.3, in the event that any Party is unable to initiate, prosecute, or defend such action solely in its own name, the other Party will join such action voluntarily and will execute all documents necessary for the Party to prosecute, defend and maintain such action. in connection with any such action, the Parties will cooperate fully and will provide each other with any information or assistance that either reasonably may request. Any recovery or award obtained by either Party as a result of any such action or settlement shall be shared as follows:

(i) the Party that initiated and prosecuted, or maintained the defense of, the action shall recoup all of its costs and expenses (including reasonable attorneys' fees) incurred in connection with the action, whether the recovery is by settlement or otherwise;

(ii) the other Party then shall, to the extent possible, recover its reasonably documented costs and expenses (including reasonable outside attorneys' fees) incurred in connection with the action; and

(iii) regardless of the Party initiating the action, each Party shall be entitled to fifty percent (50%) of the remaining recovery amount attributable to the Territory.

6.4 Third Party Intellectual Property.

(a) In the event that a Party becomes aware of any claim that the practice by either Party of Know-How or Patent Rights or manufacture, import, use or sale of any Licensed Product hereunder infringes the intellectual property rights of any Third Party in the Territory, such Party shall promptly notify the other Party. The Parties shall thereafter discuss the situation, and to the extent reasonably necessary, attempt to agree on a course of action.

(b) If within ten (10) Business Days the Parties fail to agree upon an appropriate course of action in the Territory, Kinex shall have the first right, but not the obligation, to defend any action in the Territory related to the intellectual property rights of any Third Party or to initiate and prosecute legal action in the Territory related to the intellectual property rights of any Third Party in the name of Kinex and/or Hanmi. Kinex shall keep Hanmi reasonably informed as to the progress of any such action. Hanmi shall render, all assistance reasonably requested in connection with any action taken by Kinex. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of Kinex; provided that Kinex shall not settle any such claim or proceeding in a manner that materially adversely affects Hanmi's rights under this Agreement or which results in any material monetary payment by or financial loss to Hanmi, without Hanmi's written consent, which consent shall not be unreasonably withheld. Hanmi shall pay for all costs and expenses incurred by Kinex in such defense. In addition, Hanmi shall pay all damages awarded or settlement payments made (including future royalty or similar payments) to such Third Party.

(c) If Kinex elects not to defend an infringement action in any country in the Territory as provided in Section 6.4(b), and Hanmi elects to do so, the cost of any agreed-upon course of action, including the costs of any legal action commenced or any infringement action defended, shall be borne solely by Hanmi, provided, however, that Hanmi shall not enter into

any settlement or compromise of any claim which results in any financial loss to Kinex without the prior written consent of Kinex, which consent shall not be unreasonably withheld, and Hanmi shall pay all damages awarded or settlement payments made (including future royalty or similar payments) to such Third Party. For any such legal action or defense, in the event that any Party is unable to initiate, prosecute, or defend such action solely in its own name, the other Party will join such action voluntarily and will execute all documents necessary for the Party to prosecute, defend and maintain such action. In connection with any such action, the Parties will cooperate fully and will provide each other with any information or assistance that either reasonably may request and all costs incurred in relation to such action shall be borne solely by Hanmi.

(d) Hanmi shall have the sole right, but not the obligation to defend any action related to the intellectual property rights outside the Territory of any Third Party or to initiate and prosecute legal action outside the Territory related to the intellectual property rights of any Third Party in the name of Kinex and/or Hanmi. Kinex shall render, at Hanmi's expense, all assistance reasonably requested in connection with any action taken by Hanmi. However, the control of such action, including whether to initiate any legal proceeding and/or the settlement thereof, shall solely be under the control of Hanmi.

6.5 Patent Term Extensions. The Parties shall cooperate with each other in obtaining patent term extensions or restorations or supplemental protection certificates or their equivalents in any country in the Territory where applicable and where desired by Kinex. Elections with respect to obtaining such extension or supplemental protection certificates shall be made in the same manner and with the same relative priorities between the Parties as is applicable to the prosecution and maintenance of Patent Rights pursuant to Section 6.2.

6.6 Patent Marking. Kinex shall mark, and shall require its Affiliates and sublicensees to mark, all Licensed Products sold or distributed pursuant to this Agreement in accordance with the applicable patent statutes or regulations in the country or countries of manufacture and/or sale thereof.

(d) Certain Disclosures. Except as set forth in this Agreement or as required by law, neither Party shall make any press release or other public announcement or other public disclosure to a Third Party concerning the existence of or terms of this Agreement, the subject matter of this Agreement or the activities contemplated hereunder, without the prior written consent of the other Party, which consent shall include agreement upon the nature and text of such release, announcement, or other disclosure, and shall not be unreasonably withheld or delayed. previously been disclosed unless there have been material developments relating to any Licensed Product since the date of the previous disclosure; provided, further, that each Party shall provide to the other Party reasonable advance notice of any such subsequent disclosure. Without limiting the generality of any of the foregoing, it is understood that the Parties or their Affiliates may make disclosure of this Agreement and the terms hereof in accordance with the rules and regulations of the SEC, other governmental authority, or securities exchange, may file this Agreement as an exhibit to any filing with the SEC, other governmental authority, or securities exchange, and may distribute any such filing in the ordinary course of its business; provided, further, that to the maximum extent allowable by the rules and regulations of the SEC, other governmental authority, or securities exchange, and except as required by applicable Laws, Hanmi and Kinex shall seek to redact any confidential information set forth in such filings, and each Party shall provide a draft of the redacted version of this Agreement to the other Party no less than five (5) Business Days prior to filing with the SEC, other governmental authority, or securities exchange, and give reasonable consideration to the other Party's comments regarding any proposed redaction.

7.3 Publications. Kinex shall not submit for written or oral publication any manuscript, abstract or the like relating to any Compound or any Licensed Product, without the prior approval or written request of Hanmi. If Kinex desires to submit such publication, it shall first deliver to Hanmi, for Hanmi's prior written consent, the proposed publication or an outline of the oral disclosure at least sixty (60) days prior to planned submission or presentation.

7.4 Publicity. ARTICLE 8

TERM AND TERMINATION

8.1 Term and Expiration. This Agreement shall be binding on the Parties as of the Effective Date. Thereafter, unless terminated earlier pursuant to Section 8.2 below, this Agreement shall extend for a period which may expire on a country by country basis upon the earliest to occur of either (i) the expiration of the last of the Hanmi Patent Rights or (ii) invalidation of substantially all of the Hanmi Patent Rights (the "Agreement Term"). Notwithstanding the foregoing, after the occurrence of (i) or (ii) above, the Agreement Term shall automatically be extended for consecutive one (1) year periods subject to the same terms and conditions set forth herein (unless agreed otherwise) unless either Party gives written notice of its intention not to extend the Agreement term: (i) at least ninety (90) days prior to the expiration date of the Hanmi Patent Rights; or (ii) as soon as practically possible in the case of an invalidation claim; and (iii) at least ninety (90) days prior to the then current expiration date of the Agreement thereafter.

8.2 Early Termination of Agreement Term.(a) Termination by Agreement.

This Agreement may be terminated in whole or in part upon mutual written agreement of the Parties.

(b) Termination by Kinex.

Kinex may terminate in whole or in part this Agreement in its sole discretion upon not less than six (6) months prior written notice of termination provided anytime after the

Effective Date (~~provided, however,~~ that no such termination shall be effective until the Completion of any then Ongoing Clinical Studies). The cost involved during the six (6) months on top of completing the Ongoing Clinical Studies will also be borne by Kinex. In addition, if any milestone is met per the Clinical Studies prior to the final termination date, Kinex will also be responsible for the milestone payment.

(c) Termination by Either Party.

Either Party may, without prejudice to any other remedies available to it under this Agreement or at law or in equity, terminate this Agreement prior to expiration of the Agreement Term in the event that any of the following occurs:

(i) The other Party (as used in this subsection, the "**Breaching Party**") shall have materially breached or defaulted in the performance of any of its material obligations hereunder (including a breach of the representations and warranties set forth in this Agreement), and has not cured such breach within (i) thirty (30) days after notice of such breach is provided to the Breaching Party in case the breach is a non-payment of any amount due under this Agreement that is not being disputed in good faith (which shall be deemed a material breach of a material obligation) or (ii) sixty (60) days after notice of such breach is provided to the Breaching Party for other cases of breach (or, if such default cannot be cured within such sixty (60) day period, if the Breaching Party does not commence and diligently continue actions to cure such default during such sixty (60) day period). The termination shall become effective at the end of the (i) thirty (30) day period in case the breach is a non-payment of any amount due under this Agreement that is not being disputed in good faith if the Breaching Party has not cured such breach by such date, or (ii) for other cases of breach, sixty (60) day period unless (a) the Breaching Party cures such breach during such sixty (60) day period, or (b) if such breach is not susceptible to cure within such sixty (60) day period, the

Breaching Party has commenced and is diligently pursuing a cure (unless such breach, by its nature, is incurable, in which case the Agreement may not be terminated unless the Breaching Party fails to use its best commercially reasonable efforts to prevent a similar subsequent breach). The right of either Hanmi or Kinex to terminate this Agreement as provided in this Section 8.2(c)(1) shall not be affected in any way by such Party's waiver or failure to take action with respect to any previous breach or default.

(ii) The other Party stops or suspends payment of all or a class of its debts, becomes insolvent or sells or parts with possession of the whole or a major part of its assets or major undertaking.

(iii) An application or order is made, proceedings are commenced, a resolution is passed or proposed in a notice of meeting or an application to a court or other steps are taken (other than frivolous or vexatious applications, proceedings, notice or steps) for the winding up or dissolution of the other Party or for it to enter an arrangement, compromise or composition with or assignment for the benefit of its creditors, a class of them or any of them.

(iv) The Parties agree in writing to terminate this Agreement.

8.3 Effect of Expiration or Termination: Survival.

(a) Expiration or termination of this Agreement shall not relieve the Parties of any obligation accruing prior to such expiration or termination, including all accrued payment obligations arising under Article 4 hereof. In addition to any other provisions of this Agreement which by their terms continue after the expiration of this Agreement, the provisions of Articles 3.3(h), 6, 7, 9 and 10 shall survive the expiration or termination of this Agreement and shall continue in effect after the date of expiration or termination for the longer of (i) five (5) years or (ii) the respective periods specified therein. Any expiration or early

termination of this Agreement shall be without prejudice to the rights of any Party against the other accrued or accruing under this Agreement prior to termination. Except as expressly set forth herein, the rights to terminate as set forth herein shall be in addition to all other rights and remedies available under this Agreement, at law, or in equity, or otherwise.

(b) Payments of amounts owing to Hanmi under this Agreement as of its expiration or termination shall be due and payable either (i) to the extent such amounts can be calculated and a fixed sum determined at the time of expiration or termination of this Agreement, thirty (30) days after the date of such expiration or termination, or (ii) to the extent such amounts cannot be calculated and a fixed sum determined at the time of expiration or termination of this Agreement, thirty (30) days after the date at which such amounts can be calculated and a fixed sum is mutually determined.

(c) Subject to the payment of all amounts required hereunder, Kinex and its Affiliates shall have the right to sell or otherwise dispose of the stock of any Licensed Product subject to this Agreement on hand or in process of manufacture as of the expiration or termination of this Agreement. Within thirty (30) days after the effective date of termination or expiration of this Agreement, Kinex shall notify Hanmi of the amount of each Licensed Product Kinex and its Affiliates then have on hand or in the process of manufacture and shall have the right to sell in the Territory (except with respect to any country in the Territory in which any Licensed Product has been withdrawn or there is no Regulatory Approval), its remaining stock of Licensed Product until all of it is sold; provided, however, the terms and conditions of this Agreement shall apply to such Licensed Product so sold. Hanmi hereby grants a non-exclusive license to Kinex as necessary to sell such Licensed Product in the Territory, subject to payment of all related amounts due under this Agreement. Any remaining quantities of Licensed Product not sold, at Kinex's election, may be (i) destroyed by Kinex at Kinex's cost, (ii) sold to Hanmi at Kinex's procurement cost for such Licensed Product, or (iii) sold to customers in the Territory.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

(d) Upon the termination or expiration of this Agreement, the following shall also be applicable: (i) at Hanmi's request, Kinex shall promptly transfer and return to Hanmi copies of all Data, reports, records and materials in Kinex's possession or control that relate to all Compounds or Licensed Products and return to Hanmi all relevant records and materials in Kinex's possession or control containing Proprietary Information of Hanmi (provided that Kinex may keep one copy of such Proprietary Information of Hanmi for archival purposes only); (ii) Kinex shall transfer to Hanmi ownership of any INDs, Regulatory Approvals, Drug Approval Applications and any other regulatory filings or submissions made or filed for any Licensed Product by Kinex or its designees; (iii) Hanmi shall promptly return to Kinex all relevant records and materials in Hanmi's possession or control containing Proprietary Information of Kinex (provided that Hanmi may keep one copy of such Proprietary Information of Kinex for archival purposes only); and (iv) all sublicenses between Kinex and Third Parties shall survive the termination or expiration of this Agreement and shall be assigned by Kinex to Hanmi.

(e) If Kinex files for bankruptcy under Chapter 7 of the US bankruptcy laws prior to Regulatory Approval or comparable laws providing for liquidation of Kinex, Hanmi shall have the right to buy back all rights under this Agreement for \$***. If Kinex files for bankruptcy under Chapter 7 of the US bankruptcy laws after Regulatory Approval, Hanmi would have the right to buy back all rights under this Agreement at a price equal to the fair market value. Fair market value would be determined by a US based investment banking firm agreed to by Hanmi and Kinex and approved by the bankruptcy court.

INDEMNIFICATION AND INSURANCE

9.1 Indemnity. For purposes of this Article 9, "Hanmi Indemnified Parties" refers to Hanmi, its Affiliates and the officers, directors, employees, shareholders, agents and successors and assigns of Hanmi and its Affiliates, and "Kinex Indemnified Parties" refers to Kinex, its Affiliates and officers, directors, employees, shareholders, agents and successors and assigns of Kinex and its Affiliates.

52

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

9.2 Kinex Indemnification. Kinex shall defend the Hanmi Indemnified Parties from and against all suits, claims, actions, demands, complaints, lawsuits or other proceedings, (collectively, "Claims"), that are brought by a Third Party, and shall indemnify and hold harmless to the fullest extent permitted by law the Hanmi Indemnified Parties from and against any and all Losses, that arise out of or are attributable to, (i) Kinex's negligence, recklessness or willful misconduct in exercising or performing any of its rights or obligations under this Agreement; or (ii) a material breach by Kinex of any of its obligations, representations, warranties or covenants under this Agreement within the Territory; provided, however, that Kinex shall not be obligated under this Section 9.2, to the extent it is shown by evidence acceptable in a court of law having jurisdiction over the subject matter and meeting the appropriate degree of proof for such Claim that the Claim arose out of the negligence or wrongdoing on the part of Hanmi.

9.3 Hanmi Indemnification. Hanmi shall defend the Kinex Indemnified Parties from and against all Claims, in each case that are brought by a Third Party, and shall indemnify and hold harmless to the fullest extent permitted by law the Kinex Indemnified Parties from and against any and all Losses that arise out of such Claims that are attributable to, (i) Hanmi's negligence, recklessness or willful misconduct in exercising or performing any of its rights or obligations under this Agreement; or (ii) a material breach by Hanmi of any of its obligations, representations, warranties or covenants under this Agreement outside the Territory; provided, however, that Hanmi shall not be obligated under this Section 9.3, to the extent it is shown by evidence acceptable in a court of law having jurisdiction over the subject matter and meeting the appropriate degree of proof for such Claim that the Claim arose out of the negligence or wrongdoing on the part of Kinex.

*** = **Portions of this exhibit have been omitted pursuant to a request for confidential treatment. An unredacted version of this exhibit has been filed separately with the Commission.**

9.4 Indemnification Procedure.

(a) Each Party shall promptly notify the other Party in writing of any Claim. Concurrent with the provision of notice pursuant to this Section 9.4(a), the Indemnified Party shall provide to the other Party copies of any complaint, summons, subpoena or other court filings or correspondence related to such Claim and will give such other information with respect thereto as the other Party shall reasonably request. The Indemnifying Party and Indemnified Party shall meet to discuss how to respond to such Claim. Failure to provide prompt notice shall not relieve any Party of the duty to defend or indemnify unless such failure materially prejudices the defense of any matter. Each Party agrees that it will take reasonable steps to minimize the burdens of the litigation on witnesses and on the ongoing business of the Indemnified Parties including making reasonable accommodations to witnesses' schedules when possible and seeking appropriate protective orders limiting the duration and/or location of depositions.

(b) Should either Party dispute that any Claim or portion of a Claim ("Disputed Claim") of which it receives notice pursuant to Section 9.4(a), is an indemnified Claim, it shall so notify the other Party providing written notice in sufficient time to permit such other Party to retain counsel and timely appear, answer and/or move in any such action. In such event, such other Party shall defend against such Claim; provided, however, that such other Party shall not settle any Claim which it contends is an indemnified Claim without providing the Indemnifying Party ten (10) Business Days' notice prior to any such settlement and an opportunity to assume the defense and indemnification of such Claim pursuant to this Agreement. If it is determined that a Disputed Claim is subject to indemnification, the Indemnifying Party will reimburse the costs and expenses, including reasonable attorneys' fees, of the Indemnified Party.

9.5 Settlement of Indemnified Claims. The Indemnifying Party under Sections 9.2 or 9.3, as applicable, shall have the sole authority to settle any Indemnified Claim without the consent of

the other Party; ~~provided, however,~~ that an Indemnifying Party shall not, without the written consent of the other Party, as part of any settlement or compromise (i) admit to liability on the part of the other Party; (ii) agree to an injunction against the other Party; or (iii) settle any matter in a manner that separately apportions fault to the other Party. The Parties further agree that as part of the settlement of any Indemnified Claim, an Indemnifying Party shall obtain a full, complete and unconditional release from the claimant on behalf of the Indemnified Parties.

9.6 Insurance.

(a) Kinex shall maintain in the Territory, commencing as of the Effective Date, commercial general liability insurance (including coverage for product liability, contractual liability, bodily injury, property damage and personal injury), in form and substance reasonably satisfactory to Hanmi and in accordance with reasonable industry standards, with minimum limits of \$5,000,000 per occurrence or, in case of Clinical Studies, \$5,000,000 per occurrence during the period when such Clinical Studies are being conducted (the "Insurance"). If such Insurance is written on a claims-made form, it shall continue for three (3) years following termination of this Agreement. The Insurance shall have retroactive date to or coinciding with the Effective Date. Notwithstanding the foregoing, Kinex may satisfy the foregoing obligation with respect to the Insurance through self-insurance.

(b) Such Insurance shall insure against all liability arising out of the manufacture, use, sale, distribution, or marketing of all Licensed Products in and for the Territory. During the Agreement Term, Kinex shall not permit such Insurance to be reduced, expired, materially amended or canceled during the period of the Insurance and/or the Agreement without reasonable prior written notice that shall be sent by registered mail to Hanmi. Upon request Kinex shall provide certificates of insurance to Hanmi evidencing the coverage specified herein.

(c) Except as expressly stated herein, a Party's liability to the other is in no way limited to the extent of the Party's insurance coverage.

(d) The Insurance shall contain an explicit clause, stating that each Party and its insurer waive their rights of subrogation against the other Party and its directors, employees and/or any one on its behalf with respect to the Insurance. Such waiver shall not apply in the event of a malicious act.

(e) The Insurance shall be primary to any other insurance maintained by each Party and each Party hereby waives any claim or demand as to participation in any such other insurance.

(f) The Insurance shall be valid in any location worldwide regarding the activities performed by each Party hereunder (including worldwide jurisdictions) for any destination or lawsuit which will be served against the other Party.

9.7 Limitation of Liability. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER OR ANY OF ITS AFFILIATES FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING LOST PROFITS, BUSINESS OR GOODWILL) SUFFERED OR INCURRED BY SUCH OTHER PARTY OR ITS AFFILIATES, WHETHER BASED UPON A CLAIM OR ACTION OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER TORT, OR OTHERWISE, ARISING OUT OF THIS AGREEMENT. THE FOREGOING SENTENCE SHALL NOT LIMIT THE OBLIGATIONS OF EITHER PARTY TO INDEMNIFY THE OTHER PARTY FROM AND AGAINST THIRD PARTY CLAIMS UNDER THIS ARTICLE.

MISCELLANEOUS

10.1 Force Majeure. Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached the Agreement for failure or delay in fulfilling or performing any term of the Agreement during the period of time when such failure or delay is caused by or results from events beyond the reasonable control of a Party, including fire, flood, earthquake, explosion, storm, blockage, embargo, war, acts of war (whether war be declared or not), terrorism, insurrection, riot, civil commotion, strike, lockout or other labor disturbance, failure of public utilities or common carriers, act of God or act, omission or delay in acting by any governmental authority or the other Party. The affected Party shall notify the other Party of such force majeure circumstances as soon as reasonably practicable.

Notwithstanding, any assignment permitted under this Agreement shall not relieve the transferring Party of its responsibilities for performance of its obligations under this Agreement as a primary obligor. This Agreement shall be binding upon and inure to the benefit of the successors and permitted assigns of the Parties. Any assignment not in accordance with this Agreement shall be void.

10.3 Severability. In the event that any of the provisions contained in this Agreement are held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the absence of the invalidated provision(s) adversely affects the substantive rights of the Parties. The award rendered by arbitration shall be final and binding upon the Parties hereto.

10.8 Entire Agreement. This Agreement, including the exhibits and schedules hereto, contains the entire understanding of the Parties with respect to the subject matter. All express or implied agreements and understandings, either oral or written, heretofore made, including any offering letters, letters of intent, or term sheets, are expressly superseded by this Agreement. This Agreement may be amended, or any term hereof modified, only by a written instrument duly executed by all Parties hereto.

10.9 Independent Contractors. It is expressly agreed that the Parties shall be independent contractors and that the relationship between the Parties shall not constitute a partnership, joint venture or agency. Neither Party shall have the authority to make any statements, representations or commitments of any kind, or to take any action, which shall be binding on the other Party, without the prior consent of such other Party.
