(iii) The Institutional Trustee shall have the power and authority, and is hereby authorized, to act on behalf of the Trust with respect to any of the duties, liabilities, powers or the authority of the Administrators set forth in Section 2.6(a)(i)(E) and (F) herein but shall not have a duty to do any such act unless specifically requested to do so in writing by the Sponsor, and shall then be fully protected in acting pursuant to such written request; and in the event of a conflict between the action of the Administrators and the action of the Institutional Trustee, the action of the Institutional Trustee shall prevail.

(b) So long as this Declaration remains in effect, the Trust (or the Trustees or Administrators acting on behalf of the Trust) shall not undertake any business, activities or transaction except as expressly provided herein or contemplated hereby. In particular, neither the Trustees nor the Administrators may cause the Trust to (i) acquire any investments or engage in any activities not authorized by this Declaration, (ii) sell, assign, transfer, exchange, mortgage, pledge, set-off or otherwise dispose of any of the Trust Property or interests therein, including to Holders, except as expressly provided herein, (iii) take any action that would cause (or in the case of the Institutional Trustee, to the actual knowledge of a Responsible Officer would cause) the Trust to fail or cease to qualify as a “grantor trust” for United States federal income tax purposes, (iv) incur any indebtedness for borrowed money or issue any other debt or (v) take or consent to any action that would result in the placement of a lien on any of the Trust Property. The Institutional Trustee shall, at the sole cost and expense of the Trust, defend all claims and demands of all Persons at any time claiming any lien on any of the Trust Property adverse to the interest of the Trust or the Holders in their capacity as Holders.

(c) In connection with the issuance and sale of the Capital Securities, the Sponsor shall have the right and responsibility to assist the Trust with respect to, or effect on behalf of the Trust, the following (and any actions taken by the Sponsor in furtherance of the following prior to the date of this Declaration are hereby ratified and confirmed in all respects):

(i) the taking of any action necessary to obtain an exemption from the Securities Act;

(ii) the determination of the States in which to take appropriate action to qualify or register for sale all or part of the Capital Securities and the determination of any and all such acts, other than actions which must be taken by or on behalf of the Trust, and the advisement of and direction to the Administrators of actions they must take on behalf of the Trust, and the preparation for execution and filing of any documents to be executed and filed by the Trust or on behalf of the Trust, as the Sponsor deems necessary or advisable in order to comply with the applicable laws of any such States in connection with the sale of the Capital Securities; and

(iii) the taking of any other actions necessary or desirable to carry out any of the foregoing activities.

(d) Notwithstanding anything herein to the contrary, the Administrators, the Institutional Trustee and the Holders of a Majority in liquidation amount of the Common Securities are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that (i) the Trust will not be deemed to be an Investment Company (in the case of the Institutional Trustee, to the actual knowledge of a Responsible Officer), and (ii) the Trust will not fail to be classified as a grantor trust for United States federal income tax purposes (in the case of the Institutional Trustee, to the actual knowledge of a Responsible Officer) and (iii) the Trust will not take any action inconsistent with the treatment of the Debentures as indebtedness of the Debenture Issuer for United States federal income tax purposes (in the case of the Institutional Trustee, to the actual knowledge of a Responsible Officer). In this connection, the Institutional Trustee, the Administrators and the Holders of a Majority in liquidation amount of the Common Securities are authorized to take any action, not inconsistent with applicable laws or this Declaration, as amended from time to time, that each of the Institutional Trustee, the Administrators and such Holders determine in their discretion to be necessary or desirable for such purposes, even if such action adversely affects the interests of the Holders of the Capital Securities.

(e) All expenses incurred by the Administrators or the Trustees pursuant to this Section 2.6 shall be reimbursed by the Sponsor, and the Trustees shall have no obligations with respect to such expenses.

(f) The assets of the Trust shall consist of the Trust Property.

(g) Legal title to all Trust Property shall be vested at all times in the Institutional Trustee (in its capacity as such) and shall be held and administered by the Institutional Trustee for the benefit of the Trust in accordance with this Declaration.

(h) If the Institutional Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Declaration and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Institutional Trustee or to such Holder, then and in every such case the Sponsor, the Institutional Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Institutional Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 2.7. Prohibition of Actions by the Trust and the Trustees The Trust shall not, and the Institutional Trustee and the Administrators shall not, and the Administrators shall cause the Trust not to, engage in any activity other than as required or authorized by this Declaration. In particular, the Trust shall not, and the Institutional Trustee and the Administrators shall not cause the Trust to:

(a) invest any proceeds received by the Trust from holding the Debentures, but shall distribute all such proceeds to Holders of the Securities pursuant to the terms of this Declaration and of the Securities;

-
- (b) acquire any assets other than as expressly provided herein;
 - (c) possess Trust Property for other than a Trust purpose;
 - (d) make any loans or incur any indebtedness other than loans represented by the Debentures;
 - (e) possess any power or otherwise act in such a way as to vary the Trust Property or the terms of the Securities;
 - (f) issue any securities or other evidences of beneficial ownership of, or beneficial interest in, the Trust other than the Securities; or

(g) other than as provided in this Declaration (including Annex I), (i) direct the time, method and place of exercising any trust or power conferred upon the Debenture Trustee with respect to the Debentures, (ii) waive any past default that is waivable under the Indenture, (iii) exercise any right to rescind or annul any declaration that the principal of all the Debentures shall be due and payable, or (iv) consent to any amendment, modification or termination of the Indenture or the Debentures where such consent shall be required unless the Trust shall have received a written opinion of counsel experienced in such matters to the effect that such amendment, modification or termination will not cause the Trust to cease to be classified as a grantor trust for United States federal income tax purposes.

SECTION 2.8. Powers and Duties of the Institutional Trustee.

(a) The legal title to the Debentures shall be owned by and held of record in the name of the Institutional Trustee in trust for the benefit of the Trust. The right, title and interest of the Institutional Trustee to the Debentures shall vest automatically in each Person who may hereafter be appointed as Institutional Trustee in accordance with Section 4.7. Such vesting and cessation of title shall be effective whether or not conveyancing documents with regard to the Debentures have been executed and delivered.

(b) The Institutional Trustee shall not transfer its right, title and interest in the Debentures to the Administrators.

(c) The Institutional Trustee shall:

(i) establish and maintain a segregated non-interest bearing trust account (the "Property Account") in the United States (as defined in Treasury Regulations § 301.7701-7), in the name of and under the exclusive control of the Institutional Trustee, and maintained in the Institutional Trustee's trust department, on behalf of the Holders of the Securities and, upon the receipt of payments of funds made in respect of the Debentures held by the Institutional Trustee, deposit such funds into the Property Account and make payments to the Holders of the Capital Securities and Holders of the Common Securities from the Property Account in accordance with Section 5.1. Funds in the Property Account shall be held uninvested until disbursed in accordance with this Declaration;

(ii) engage in such ministerial activities as shall be necessary or appropriate to effect the redemption of the Capital Securities and the Common Securities to the extent the Debentures are redeemed or mature; and

(iii) upon written notice of distribution issued by the Administrators in accordance with the terms of the Securities, engage in such ministerial activities as shall be necessary or appropriate to effect the distribution of the Debentures to Holders of Securities upon the occurrence of certain circumstances pursuant to the terms of the Securities.

(d) The Institutional Trustee shall take all actions and perform such duties as may be specifically required of the Institutional Trustee pursuant to the terms of the Securities.

(e) The Institutional Trustee may bring or defend, pay, collect, compromise, arbitrate, resort to legal action with respect to, or otherwise adjust claims or demands of or against, the Trust (a "Legal Action") which arise out of or in connection with an Event of Default of which a Responsible Officer of the Institutional Trustee has actual knowledge or the Institutional Trustee's duties and obligations under this Declaration or the Trust Indenture Act; provided, however, that if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest or premium, if any, on or principal of the Debentures on the date such interest, premium, if any, or principal is otherwise payable (or in the case of redemption, on the redemption date), then a Holder of the Capital Securities may directly institute a proceeding for enforcement of payment to such Holder of the principal of or premium, if any, or interest on the Debentures having a principal amount equal to the aggregate liquidation amount of the Capital Securities of such Holder (a "Direct Action") on or after the respective due date specified in the Debentures. In connection with such Direct Action, the rights of the Holders of the Common Securities will be subrogated to the rights of such Holder of the Capital Securities to the extent of any payment made by the Debenture Issuer to such Holder of the Capital Securities in such Direct Action; provided, however, that a Holder of the Common Securities may exercise such right of subrogation only if no Event of Default with respect to the Capital Securities has occurred and is continuing.

(f) The Institutional Trustee shall continue to serve as a Trustee until either:

(i) the Trust has been completely liquidated and the proceeds of the liquidation distributed to the Holders of the Securities pursuant to the terms of the Securities and this Declaration (including Annex I) and the certificate of cancellation referenced in Section 7.1(b) has been filed; or

(ii) a Successor Institutional Trustee has been appointed and has accepted that appointment in accordance with Section 4.7.

(g) The Institutional Trustee shall have the legal power to exercise all of the rights, powers and privileges of a holder of the Debentures under the Indenture and, if an Event of Default occurs and is continuing, the Institutional Trustee may, for the benefit of Holders of the Securities, enforce its rights as holder of the Debentures subject to the rights of the Holders pursuant to this Declaration (including Annex I) and the terms of the Securities.

(h) The Institutional Trustee must exercise the powers set forth in this Section 2.8 in a manner that is consistent with the purposes and functions of the Trust set out in Section 2.3, and the Institutional Trustee shall not take any action that is inconsistent with the purposes and functions of the Trust set out in Section 2.3.

SECTION 2.9. Certain Duties and Responsibilities of the Trustees and the Administrators

(a) The Institutional Trustee, before the occurrence of any Event of Default (of which the Institutional Trustee has knowledge (as provided in Section 2.10(m) hereof)) and after the curing of all Events of Default that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Declaration and no implied covenants shall be read into this Declaration against the Institutional Trustee. In case an Event of Default (of which the Institutional Trustee has knowledge (as provided in Section 2.10(m) hereof)), has occurred (that has not been cured or waived pursuant to Section 6.8), the Institutional Trustee shall exercise such of the rights and powers vested in it by this Declaration, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The duties and responsibilities of the Trustees and the Administrators shall be as provided by this Declaration and, in the case of the Institutional Trustee, by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Declaration shall require any Trustee or Administrator to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Declaration relating to the conduct or affecting the liability of or affording protection to the Trustees or the Administrators shall be subject to the provisions of this Article. Nothing in this Declaration shall be construed to release a Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or bad faith. Nothing in this Declaration shall be construed to release an Administrator from liability for its own gross negligent action, its own gross negligent failure to act, or its own willful misconduct or bad faith. To the extent that, at law or in equity, a Trustee or an Administrator has duties and liabilities relating to the Trust or to the Holders, such Trustee or Administrator shall not be liable to the Trust or to any Holder for such Trustee's or Administrator's good faith reliance on the provisions of this Declaration. The provisions of this Declaration, to the extent that they restrict the duties and liabilities of the Administrators or the Trustees otherwise existing at law or in equity, are agreed by the Sponsor and the Holders to replace such other duties and liabilities of the Administrators or the Trustees.

(c) All payments made by the Institutional Trustee or a Paying Agent in respect of the Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Institutional Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees and the Administrators are not

personally liable to it for any amount distributable in respect of any Security or for any other liability in respect of any Security. This Section 2.9(c) does not limit the liability of the Trustees expressly set forth elsewhere in this Declaration or, in the case of the Institutional Trustee, in the Trust Indenture Act.

(d) No provision of this Declaration shall be construed to relieve the Institutional Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or bad faith with respect to matters that are within the authority of the Institutional Trustee under this Declaration, except that:

(i) the Institutional Trustee shall not be liable for any error or judgment made in good faith by a Responsible Officer of the Institutional Trustee, unless it shall be proved that the Institutional Trustee was negligent in ascertaining the pertinent facts;

(ii) the Institutional Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in liquidation amount of the Capital Securities or the Common Securities, as applicable, relating to the time, method and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under this Declaration;

(iii) the Institutional Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Debentures and the Property Account shall be to deal with such property in a similar manner as the Institutional Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Institutional Trustee under this Declaration and the Trust Indenture Act;

(iv) the Institutional Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree in writing with the Sponsor; and money held by the Institutional Trustee need not be segregated from other funds held by it except in relation to the Property Account maintained by the Institutional Trustee pursuant to Section 2.8(c)(i) and except to the extent otherwise required by law; and

(v) the Institutional Trustee shall not be responsible for monitoring the compliance by the Administrators or the Sponsor with their respective duties under this Declaration, nor shall the Institutional Trustee be liable for any default or misconduct of the Administrators or the Sponsor.

SECTION 2.10. Certain Rights of Institutional Trustee. Subject to the provisions of Section 2.9.

(a) the Institutional Trustee may conclusively rely and shall fully be protected in acting or refraining from acting in good faith upon any resolution, written opinion of counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other

certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) if (i) in performing its duties under this Declaration, the Institutional Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Declaration, the Institutional Trustee finds the same ambiguous or inconsistent with any other provisions contained herein, or (iii) the Institutional Trustee is unsure of the application of any provision of this Declaration, then, except as to any matter as to which the Holders of Capital Securities are entitled to vote under the terms of this Declaration, the Institutional Trustee may deliver a notice to the Sponsor requesting the Sponsor's opinion as to the course of action to be taken and the Institutional Trustee shall take such action, or refrain from taking such action, as the Institutional Trustee in its sole discretion shall deem advisable and in the best interests of the Holders, in which event the Institutional Trustee shall have no liability except for its own negligence, willful misconduct or bad faith;

(c) any direction or act of the Sponsor or the Administrators contemplated by this Declaration shall be sufficiently evidenced by an Officers' Certificate;

(d) whenever in the administration of this Declaration, the Institutional Trustee shall deem it desirable that a matter be proved or established before undertaking, suffering or omitting any action hereunder, the Institutional Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Sponsor or the Administrators;

(e) the Institutional Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any rerecording, refiling or reregistration thereof;

(f) the Institutional Trustee may consult with counsel of its selection (which counsel may be counsel to the Sponsor or any of its Affiliates) and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice; the Institutional Trustee shall have the right at any time to seek instructions concerning the administration of this Declaration from any court of competent jurisdiction;

(g) the Institutional Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Declaration at the request or direction of any of the Holders pursuant to this Declaration, unless such Holders shall have offered to the Institutional Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction; provided, that nothing contained in this Section 2.10(g) shall be taken to relieve the Institutional Trustee, upon the occurrence of an Event of Default (of which the Institutional Trustee has knowledge (as provided in Section 2.10(m) hereof)) that has not been cured or waived, of its obligation to exercise the rights and powers vested in it by this Declaration;

(h) the Institutional Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Holders, but the Institutional Trustee may make such further inquiry or investigation into such facts or matters as it may see fit;

(i) the Institutional Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents or attorneys and the Institutional Trustee shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any such agent or attorney appointed with due care by it hereunder;

(j) whenever in the administration of this Declaration the Institutional Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action hereunder, the Institutional Trustee (i) may request instructions from the Holders of the Common Securities and the Capital Securities, which instructions may be given only by the Holders of the same proportion in liquidation amount of the Common Securities and the Capital Securities as would be entitled to direct the Institutional Trustee under the terms of the Common Securities and the Capital Securities in respect of such remedy, right or action, (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received, and (iii) shall be fully protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided in this Declaration, the Institutional Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Declaration;

(l) when the Institutional Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally;

(m) the Institutional Trustee shall not be charged with knowledge of an Event of Default unless a Responsible Officer of the Institutional Trustee has actual knowledge of such event or the Institutional Trustee receives written notice of such event from any Holder, except with respect to an Event of Default pursuant to Sections 5.01(a), 5.01(b) or 5.01(c) of the Indenture (other than an Event of Default resulting from the default in the payment of Additional Interest or premium, if any, if the Institutional Trustee does not have actual knowledge or written notice that such payment is due and payable), of which the Institutional Trustee shall be deemed to have knowledge;

(n) any action taken by the Institutional Trustee or its agents hereunder shall bind the Trust and the Holders of the Securities, and the signature of the Institutional Trustee or its agents alone shall be sufficient and effective to perform any such action and no third party shall be required to inquire as to the authority of the Institutional Trustee to so act or as to its compliance with any of the terms and provisions of this Declaration, both of which shall be conclusively evidenced by the Institutional Trustee's or its agent's taking such action; and

(o) no provision of this Declaration shall be deemed to impose any duty or obligation on the Institutional Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which the Institutional Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Institutional Trustee shall be construed to be a duty.

SECTION 2.11. Execution of Documents. Unless otherwise determined in writing by the Institutional Trustee, and except as otherwise required by the Statutory Trust Act, the Institutional Trustee, or any one or more of the Administrators, as the case may be, is authorized to execute and deliver on behalf of the Trust any documents, agreements, instruments or certificates that the Trustees or the Administrators, as the case may be, have the power and authority to execute pursuant to Section 2.6.

SECTION 2.12. Not Responsible for Recitals or Issuance of Securities. The recitals contained in this Declaration and the Securities shall be taken as the statements of the Sponsor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the value or condition of the property of the Trust or any part thereof. The Trustees make no representations as to the validity or sufficiency of this Declaration, the Debentures or the Securities.

SECTION 2.13. Duration of Trust. The Trust, unless dissolved pursuant to the provisions of Article VII hereof, shall have existence for thirty-five (35) years from the Closing Date.

SECTION 2.14. Mergers.

(a) The Trust may not consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to any corporation or other Person, except as described in this Section 2.15 and except with respect to the distribution of Debentures to Holders of Securities pursuant to Section 7.1(a)(iv) of the Declaration or Section 3 of Annex I.

(b) The Trust may, with the consent of the Administrators (which consent will not be unreasonably withheld) and without the consent of the Institutional Trustee or the Holders of the Capital Securities, consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to a trust organized as such under the laws of any state; provided, that:

(i) if the Trust is not the survivor, such successor entity (the "Successor Entity") either:

(A) expressly assumes all of the obligations of the Trust under the Securities; or

(B) substitutes for the Securities other securities having substantially the same terms as the Securities (the "Successor Securities")

so that the Successor Securities rank the same as the Securities rank with respect to Distributions and payments upon Liquidation, redemption and otherwise;

(ii) the Sponsor expressly appoints a trustee of the Successor Entity that possesses the same powers and duties as the Institutional Trustee;

(iii) the Capital Securities or any Successor Securities (excluding any securities substituted for the Common Securities) are listed or quoted, or any Successor Securities will be listed or quoted upon notification of issuance, on any national securities exchange or with another organization on which the Capital Securities are then listed or quoted, if any;

(iv) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the rating, if any, on the Capital Securities (including any Successor Securities) to be downgraded or withdrawn by any nationally recognized statistical rating organization, if the Capital Securities are then rated;

(v) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Securities (including any Successor Securities) in any material respect (other than with respect to any dilution of such Holders' interests in the Successor Entity as a result of such merger, consolidation, amalgamation or replacement);

(vi) such Successor Entity has a purpose substantially identical to that of the Trust;

(vii) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust has received a written opinion of a nationally recognized independent counsel to the Trust experienced in such matters to the effect that:

(A) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Securities (including any Successor Securities) in any material respect (other than with respect to any dilution of the Holders' interests in the Successor Entity);

(B) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, neither the Trust nor the Successor Entity will be required to register as an Investment Company; and

(C) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust (or the Successor Entity) will continue to be classified as a grantor trust for United States federal income tax purposes;

(viii) the Sponsor guarantees the obligations of such Successor Entity under the Successor Securities to the same extent provided by the Guarantee, the Debentures and this Declaration; and

(ix) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Institutional Trustee shall have received an Officers' Certificate of the Administrators and an opinion of counsel, each to the effect that all conditions precedent of this paragraph (b) to such transaction have been satisfied.

(c) Notwithstanding Section 2.15(b), the Trust shall not, except with the consent of Holders of 100% in liquidation amount of the Securities, consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to, any other Person or permit any other Person to consolidate, amalgamate, merge with or into, or replace it if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or Successor Entity to be classified as other than a grantor trust for United States federal income tax purposes.

ARTICLE III SPONSOR

SECTION 3.1. Sponsor's Purchase of Common Securities. On the Closing Date, the Sponsor will purchase all of the Common Securities issued by the Trust, in an amount at least equal to 3% of the capital of the Trust, at the same time as the Capital Securities are sold.

SECTION 3.2. Responsibilities of the Sponsor. In connection with the issue and sale of the Capital Securities, the Sponsor shall have the exclusive right and responsibility and sole decision to engage in, or direct the Administrators to engage in, the following activities:

(a) to determine the States in which to take appropriate action to qualify or register for sale of all or part of the Capital Securities and to do any and all such acts, other than actions which must be taken by the Trust, and advise the Trust of actions it must take, and prepare for execution and filing any documents to be executed and filed by the Trust, as the Sponsor deems necessary or advisable in order to comply with the applicable laws of any such States;

(b) to prepare for filing and request the Administrators to cause the filing by the Trust, as may be appropriate, of an application to the PORTAL system, for listing or quotation upon notice of issuance of any Capital Securities, as requested by the Holders of not less than a Majority in liquidation amount of the Capital Securities; and

(c) to negotiate the terms of and/or execute and deliver on behalf of the Trust, the Placement Agreement and other related agreements providing for the sale of the Capital Securities.

ARTICLE IV
TRUSTEES AND ADMINISTRATORS

SECTION 4.1. Number of Trustees. The number of Trustees initially shall be one, and:

- (a) at any time before the issuance of any Securities, the Sponsor may, by written instrument, increase or decrease the number of Trustees; and
- (b) after the issuance of any Securities, the number of Trustees may be increased or decreased by vote of the Holder of a Majority in liquidation amount of the Common Securities voting as a class at a meeting of the Holder of the Common Securities; provided, however, that there shall always be one Trustee who shall be the Institutional Trustee.

SECTION 4.2. Institutional Trustee; Eligibility.

- (a) There shall at all times be one Trustee which shall act as Institutional Trustee which shall:
 - (i) not be an Affiliate of the Sponsor;
 - (ii) not offer or provide credit or credit enhancement to the Trust; and
 - (iii) be a banking corporation or national association organized and doing business under the laws of the United States of America or any state thereof or of the District of Columbia and authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least fifty million U.S. dollars (\$50,000,000), and subject to supervision or examination by federal, state or District of Columbia authority. If such corporation or national association publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority referred to above, then for the purposes of this Section 4.3(a)(iii), the combined capital and surplus of such corporation or national association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.
- (b) If at any time the Institutional Trustee shall cease to be eligible to so act under Section 4.2(a), the Institutional Trustee shall immediately resign in the manner and with the effect set forth in Section 4.5.
- (c) If the Institutional Trustee has or shall acquire any "conflicting interest" within the meaning of § 310(b) of the Trust Indenture Act, the Institutional Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to this Declaration.
- (d) The initial Institutional Trustee shall be U.S. Bank National Association.

SECTION 4.3. Administrators. Each Administrator shall be a U.S. Person.

There shall at all times be at least one Administrator. Except where a requirement for action by a specific number of Administrators is expressly set forth in this Declaration and except with respect to any action the taking of which is the subject of a meeting of the Administrators, any action required or permitted to be taken by the Administrators may be taken by, and any power of the Administrators may be exercised by, or with the consent of, any one such Administrator acting alone.

SECTION 4.4. Appointment, Removal and Resignation of the Trustees and the Administrators.

(a) No resignation or removal of any Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of this Section 4.4.

(b) Subject to Section 4.4(a), a Trustee may resign at any time by giving written notice thereof to the Holders of the Securities and by appointing a successor Trustee. Upon the resignation of the Institutional Trustee, the Institutional Trustee shall appoint a successor by requesting from at least three Persons meeting the eligibility requirements their expenses and charges to serve as the successor Institutional Trustee on a form provided by the Administrators, and selecting the Person who agrees to the lowest reasonable expense and charges (the "Successor Institutional Trustee"). If the instrument of acceptance by the successor Trustee required by this Section 4.4 shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation or delivery of the instrument of removal, the Trustee may petition, at the expense of the Trust, any federal, state or District of Columbia court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Trustee. The Institutional Trustee shall have no liability for the selection of such successor pursuant to this Section 4.4.

(c) Unless an Event of Default shall have occurred and be continuing, any Trustee may be removed at any time by an act of the Holders of a Majority in liquidation amount of the Common Securities. If any Trustee shall be so removed, the Holders of the Common Securities, by act of the Holders of a Majority in liquidation amount of the Common Securities delivered to the Trustee, shall promptly appoint a successor Trustee, and such successor Trustee shall comply with the applicable requirements of this Section 4.4. If an Event of Default shall have occurred and be continuing, the Institutional Trustee may be removed by the act of the Holders of a Majority in liquidation amount of the Capital Securities, delivered to the Trustee (in its individual capacity and on behalf of the Trust). If any Trustee shall be so removed, the Holders of Capital Securities, by act of the Holders of a Majority in liquidation amount of the Capital Securities then outstanding delivered to the Trustee, shall promptly appoint a successor Trustee or Trustees, and such successor Trustee shall comply with the applicable requirements of this Section 4.4. If no successor Trustee shall have been so appointed by the Holders of a Majority in liquidation amount of the Capital Securities and accepted appointment in the manner required by this Section 4.4 within 30 days after delivery of an instrument of removal, the Trustee or any Holder who has been a Holder of the Securities for at least six months may, on

behalf of himself and all others similarly situated, petition any federal, state or District of Columbia court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a successor Trustee or Trustees.

Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Administrators shall notify the Depositary and instruct the Depositary to notify all Owners of Book-Entry Capital Securities and the Institutional Trustee of the occurrence of such event and of the availability of Definitive Capital Securities Certificates to Owners of the Capital Securities requesting the same. Upon the issuance of Definitive Capital Securities Certificates, the Administrators and the Institutional Trustee shall recognize the Holders of the Definitive Capital Securities Certificates as Holders. Notwithstanding the foregoing, if an Owner of a beneficial interest in a Global Capital Security wishes at any time to transfer an interest in such Global Capital Security to a Person other than a QIB, such transfer shall be effected, subject to the Applicable Depositary Procedures, in accordance with the provisions of this Section 6.4 and Article VIII, and the transferee shall receive a Definitive Capital Securities Certificate in connection with such transfer. A holder of a Definitive Capital Securities Certificate that is a QIB may upon request, and in accordance with the provisions of this Section 6.4 and Article VIII, exchange such Definitive Capital Securities Certificate for a beneficial interest in a Global Capital Security.

(b) If any Global Capital Security is to be exchanged for Definitive Capital Securities Certificates or canceled in part, or if any Definitive Capital Securities Certificate is to be exchanged in whole or in part for any Global Capital Security, then either (i) such Global Capital Security shall be so surrendered for exchange or cancellation as provided in this Section 6.4 and Article VIII or (ii) the aggregate liquidation amount represented by such Global Capital Security shall be reduced, subject to Section 6.3, or increased by an amount equal to the liquidation amount represented by that portion of the Global Capital Security to be so exchanged or canceled, or equal to the liquidation amount represented by such Definitive Capital Securities Certificates to be so exchanged for any Global Capital Security, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Institutional Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender to the Administrators or the Registrar of any Global Capital Security or Securities by the Depositary, accompanied by registration instructions, the Administrators, or any one of them, shall execute the Definitive Capital Securities Certificates in accordance with the instructions of the Depositary. None of the Registrar, Administrators, or the Institutional Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(c) Every Definitive Capital Securities Certificate executed and delivered upon registration or transfer of, or in exchange for or in lieu of, a Global Capital Security or any portion thereof shall be executed and delivered in the form of, and shall be, a Global Capital Security, unless such Definitive Capital Securities Certificate is registered in the name of a Person other than the Depositary for such Global Capital Security or a nominee thereof.

(d) The Depositary or its nominee, as registered owner of a Global Capital Security, shall be the Holder of such Global Capital Security for all purposes under this Declaration and the Global Capital Security, and Owners with respect to a Global Capital Security shall hold such interests pursuant to the Applicable Depositary Procedures. The Registrar, the Administrators and the Institutional Trustee shall be entitled to deal with the Depositary for all purposes of this Declaration relating to the Global Capital Securities (including the payment of the liquidation amount of and Distributions on the Book-Entry Capital Securities represented thereby and the giving of instructions or directions by Owners of Book-Entry Capital Securities represented thereby and the giving of notices) as the sole Holder of the Book-Entry Capital Securities represented thereby and shall have no obligations to the Owners thereof. None of the Administrators, the Institutional Trustee nor the Registrar shall have any liability in respect of any transfers effected by the Depositary.

(e) The rights of the Owners of the Book-Entry Capital Securities shall be exercised only through the Depositary and shall be limited to those established by law, the Applicable Depositary Procedures and agreements between such Owners and the Depositary and/or the Depositary Participants; *provided*, solely for the purpose of determining whether the Holders of the requisite amount of Capital Securities have voted on any matter provided for in this Declaration, to the extent that Capital Securities are represented by a Global Capital Security, the Administrators and the Institutional Trustee may conclusively rely on, and shall be fully protected in relying on, any written instrument (including a proxy) delivered to the Institutional Trustee by the Depositary setting forth the Owners' votes or assigning the right to vote on any matter to any other Persons either in whole or in part. To the extent that Capital Securities are represented by a Global Capital Security, the initial Depositary will make book-entry transfers among the Depositary Participants and receive and transmit payments on the Capital Securities that are represented by a Global Capital Security to such Depositary Participants, and none of the Sponsor, the Administrators or the Institutional Trustee shall have any responsibility or obligation with respect thereto.

(f) To the extent that a notice or other communication to the Holders is required under this Declaration, for so long as Capital Securities are represented by a Global Capital Security, the Administrator and the Institutional Trustee shall give all such notices and communications to the Depositary, and shall have no obligations to the Owners.

SECTION 6.5. Mutilated, Destroyed, Lost or Stolen Certificates. If: (a) any mutilated Certificates should be surrendered to the Registrar, or if the Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Certificate; and (b) there shall be delivered to the Registrar, the Administrators and the Institutional Trustee such security or indemnity as may be required by them to hold each of them harmless; then, in the absence of notice that such Certificate shall have been acquired by a bona fide purchaser, an Administrator on behalf of the Trust shall execute (and in the case of a Capital Security Certificate, the Institutional Trustee

shall authenticate) and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like denomination. In connection with the issuance of any new Certificate under this Section 6.5, the Registrar or the Administrators may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section shall constitute conclusive evidence of an ownership interest in the relevant Securities, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 6.6. Temporary Securities. Until definitive Securities are ready for delivery, the Administrators may prepare and, in the case of the Capital Securities, the Institutional Trustee shall authenticate, temporary Securities. Temporary Securities shall be substantially in form of definitive Securities but may have variations that the Administrators consider appropriate for temporary Securities. Without unreasonable delay, the Administrators shall prepare and, in the case of the Capital Securities, the Institutional Trustee shall authenticate definitive Securities in exchange for temporary Securities.

SECTION 6.7. Cancellation. The Administrators at any time may deliver Securities to the Registrar for cancellation. The Registrar shall forward to the Institutional Trustee any Securities surrendered to it for registration of transfer, redemption or payment. The Institutional Trustee shall promptly cancel all Securities surrendered for registration of transfer, payment, replacement or cancellation and shall dispose of such canceled Securities in accordance with its standard procedures or otherwise as the Administrators direct. The Administrators may not issue new Securities to replace Securities that have been paid or that have been delivered to the Institutional Trustee for cancellation.

SECTION 6.8. Rights of Holders; Waivers of Past Defaults.

(a) The legal title to the Trust Property is vested exclusively in the Institutional Trustee (in its capacity as such) in accordance with Section 2.5, and the Holders shall not have any right or title therein other than the undivided beneficial interest in the assets of the Trust conferred by their Securities and they shall have no right to call for any partition or division of property, profits or rights of the Trust except as described below. The Securities shall be personal property giving only the rights specifically set forth therein and in this Declaration. The Securities shall have no, and the issuance of the Securities shall not be subject to, preemptive or other similar rights and when issued and delivered to Holders against payment of the purchase price therefor, the Securities will be fully paid and nonassessable by the Trust.

(b) For so long as any Capital Securities remain outstanding, if, upon an Indenture Event of Default under paragraphs (c), (e), (f) or (g) of Section 5.01 of the Indenture, the Debenture Trustee fails or the holders of not less than 25% in principal amount of the outstanding Debentures fail to declare the principal of all of the Debentures to be immediately due and payable, the Holders of not less than a Majority in liquidation amount of the Capital Securities then outstanding shall have the right to make such declaration by a notice in writing to the Institutional Trustee, the Sponsor and the Debenture Trustee.

(c) Upon an Indenture Event of Default under paragraphs (c), (e), (f) or (g) of Section 5.01 of the Indenture at any time after a declaration of acceleration of maturity of the

Debentures has been made and before a judgment or decree for payment of the money due has been obtained by the Debenture Trustee as provided in the Indenture, if the Institutional Trustee, subject to the provisions hereof, fails to annul any such declaration and waive such default, the Holders of not less than a Majority in liquidation amount of the Capital Securities, by written notice to the Institutional Trustee, the Sponsor and the Debenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Sponsor has paid or deposited with the Debenture Trustee a sum sufficient to pay

(A) all overdue installments of interest on all of the Debentures;

(B) any accrued Deferred Interest on all of the Debentures;

(C) all payments on any Debentures that have become due otherwise than by such declaration of acceleration and interest and Deferred Interest thereon at the rate borne by the Debentures; and

(D) all sums paid or advanced by the Debenture Trustee under the Indenture and the reasonable compensation, documented expenses, disbursements and advances of the Debenture Trustee and the Institutional Trustee, their agents and counsel; and

(ii) all Events of Default with respect to the Debentures, other than the non-payment of the principal of or premium, if any, on the Debentures that has become due solely by such acceleration, have been cured or waived as provided in Section 5.07 of the Indenture.

(d) The Holders of not less than a Majority in liquidation amount of the Capital Securities may, on behalf of the Holders of all the Capital Securities, waive any past default or Event of Default, except a default or Event of Default in the payment of principal or interest (unless such default or Event of Default has been cured and a sum sufficient to pay all matured installments of interest and principal due otherwise than by acceleration has been deposited with the Debenture Trustee) or a default or Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Debenture. No such rescission shall affect any subsequent default or impair any right consequent thereon.

(e) Upon receipt by the Institutional Trustee of written notice declaring such an acceleration, or rescission and annulment thereof, by Holders of any part of the Capital Securities, a record date shall be established for determining Holders of outstanding Capital Securities entitled to join in such notice, which record date shall be at the close of business on the day the Institutional Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is 90 days after such record date, such notice of declaration of acceleration, or rescission and

annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.8.

(f) Except as otherwise provided in this Section 6.8, the Holders of not less than a Majority in liquidation amount of the Capital Securities may, on behalf of the Holders of all the Capital Securities, waive any past default or Event of Default and its consequences. Upon such waiver, any such default or Event of Default shall cease to exist, and any default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Declaration, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

(c) The provisions of Section 2.9 and Article IX shall survive the termination of the Trust.

ARTICLE VIII TRANSFER OF INTERESTS

Any Security issued upon any registration of transfer or exchange pursuant to the terms of this Declaration shall evidence the same Security and shall be entitled to the same benefits under this Declaration as the Security surrendered upon such registration of transfer or exchange. Every Security surrendered for registration of transfer shall be

(e) Neither the Trust nor the Registrar shall be required (i) to issue, register the transfer of, or exchange any Securities during a period beginning at the opening of business 15 days before the day of any selection of Securities for redemption and ending at the close of business on the earliest date on which the relevant notice of redemption is deemed to have been given to all Holders of the Securities to be redeemed, or (ii) to register the transfer or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Upon provision of such satisfactory evidence, the Institutional Trustee, at the written direction of the Administrators, shall authenticate and deliver Capital Securities that do not bear the Restricted Securities Legend (other than the legend contemplated by Section 8.2(d)).

ARTICLE IX
LIMITATION OF LIABILITY OF HOLDERS
OF SECURITIES, TRUSTEES OR OTHERS

SECTION 9.1. Liability.

(a) Except as expressly set forth in this Declaration, the Guarantee and the terms of the Securities, the Sponsor shall not be:

(i) personally liable for the return of any portion of the capital contributions (or any return thereon) of the Holders of the Securities which shall be made solely from assets of the Trust; and

(ii) required to pay to the Trust or to any Holder of the Securities any deficit upon dissolution of the Trust or otherwise.

(b) The Holder of the Common Securities shall be liable for all of the debts and obligations of the Trust (other than with respect to the Securities) to the extent not satisfied out of the Trust's assets.

(c) Except to the extent provided in Section 9.1(b), and pursuant to § 34-523(a) of the Statutory Trust Act, the Holders of the Securities shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the Connecticut Business Corporation Act, Chapter 601 of the Connecticut General Statutes, Section 33-600 et seq., except as otherwise specifically set forth herein.

SECTION 9.2. Exculpation.

(a) No Indemnified Person shall be liable, responsible or accountable in damages or otherwise to the Trust or any Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Indemnified Person in good faith on behalf of the Trust and in a manner such Indemnified Person reasonably believed to be within the scope of the authority conferred on such Indemnified Person by this Declaration or by law, except that an Indemnified Person (other than an Administrator) shall be liable for any such loss, damage or claim incurred by reason of such Indemnified Person's negligence or willful misconduct or bad faith with respect to such acts or omissions and except that an Administrator shall be liable for any such loss, damage or claim incurred by reason of such Administrator's gross negligence or willful misconduct or bad faith with respect to such acts or omissions.

(b) An Indemnified Person shall be fully protected in relying in good faith upon the records of the Trust and upon such information, opinions, reports or statements presented to the Trust by any Person as to matters the Indemnified Person reasonably believes are within such other Person's professional or expert competence and, if selected by such Indemnified Person, has been selected by such Indemnified Person with reasonable care by or on behalf of the Trust, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses or any other facts pertinent to the existence and amount of assets from which Distributions to Holders of Securities might properly be paid.

(c) It is expressly understood and agreed by the parties hereto that insofar as any document, agreement or certificate is executed on behalf of the Trust by any Trustee (i) such document, agreement or certificate is executed and delivered by such Trustee, not in its individual capacity, but solely as Trustee under this Declaration in the exercise of the powers and authority conferred and vested in it, (ii) each of the representations, undertakings and agreements made on the part of the Trust is made and intended not as representations, warranties, covenants, undertakings and agreements by any Trustee in its individual capacity, but is made and intended for the purpose of binding only the Trust and (iii) under no circumstances shall any Trustee in its individual capacity be personally liable for the payment of any indebtedness or expenses of the Trust or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under this Declaration or any other document, agreement or certificate.

SECTION 9.3. Fiduciary Duty.

(a) To the extent that, at law or in equity, an Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Trust or to any other Covered Person, an Indemnified Person acting under this Declaration shall not be liable to the Trust or to any other Covered Person for its good faith reliance on the provisions of this Declaration. The provisions of this Declaration, to the extent that they restrict the duties and liabilities of an Indemnified Person otherwise existing at law or in equity (other than the duties imposed on the Institutional Trustee under the Trust Indenture Act), are agreed by the parties hereto to replace such other duties and liabilities of the Indemnified Person.

(b) Whenever in this Declaration an Indemnified Person is permitted or required to make a decision:

(i) in its “discretion” or under a grant of similar authority, the Indemnified Person shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Trust or any other Person; or

(ii) in its “good faith” or under another express standard, the Indemnified Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Declaration or by applicable law.

SECTION 9.4. Indemnification.

(a) (i) The Sponsor shall indemnify, to the fullest extent permitted by law, any Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Trust) by reason of the fact that such Person is or was an Indemnified Person against expenses (including attorneys’ fees and expenses), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Person

in connection with such action, suit or proceeding if such Person acted in good faith and in a manner such Person reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Indemnified Person did not act in good faith and in a manner which such Person reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful.

(ii) The Sponsor shall indemnify, to the fullest extent permitted by law, any Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Trust to procure a judgment in its favor by reason of the fact that such Person is or was an Indemnified Person against expenses (including attorneys' fees and expenses) actually and reasonably incurred by such Person in connection with the defense or settlement of such action or suit if such Person acted in good faith and in a manner such Person reasonably believed to be in or not opposed to the best interests of the Trust and except that no such indemnification shall be made in respect of any claim, issue or matter as to which such Indemnified Person shall have been adjudged to be liable to the Trust, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such Person is fairly and reasonably entitled to indemnity for such expenses which such Court of Chancery or such other court shall deem proper.

(iii) To the extent that an Indemnified Person shall be successful on the merits or otherwise (including dismissal of an action without prejudice or the settlement of an action without admission of liability) in defense of any action, suit or proceeding referred to in paragraphs (i) and (ii) of this Section 9.4(a), or in defense of any claim, issue or matter therein, such Person shall be indemnified, to the fullest extent permitted by law, against expenses (including attorneys' fees and expenses) actually and reasonably incurred by such Person in connection therewith.

(iv) Any indemnification of an Administrator under paragraphs (i) and (ii) of this Section 9.4(a) (unless ordered by a court) shall be made by the Sponsor only as authorized in the specific case upon a determination that indemnification of the Indemnified Person is proper in the circumstances because such Person has met the applicable standard of conduct set forth in paragraphs (i) and (ii). Such determination shall be made (A) by the Administrators by a majority vote of a Quorum consisting of such Administrators who were not parties to such action, suit or proceeding, (B) if such a Quorum is not obtainable, or, even if obtainable, if a Quorum of disinterested Administrators so directs, by independent legal counsel in a written opinion, or (C) by the Common Security Holder of the Trust.

(v) To the fullest extent permitted by law, expenses (including attorneys' fees and expenses) incurred by an Indemnified Person in defending a civil, criminal, administrative or investigative action, suit or proceeding referred to in paragraphs (i) and (ii) of this Section 9.4(a) shall be paid by the Sponsor in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that such Person is not entitled to be indemnified by the Sponsor as authorized in this Section 9.4(a). Notwithstanding the foregoing, no advance shall be made by the Sponsor if a determination is reasonably and promptly made (1) in the case of a Company Indemnified Person (A) by the Administrators by a majority vote of a Quorum of disinterested Administrators, (B) if such a Quorum is not obtainable, or, even if obtainable, if a Quorum of disinterested Administrators so directs, by independent legal counsel in a written opinion or (C) by the Common Security Holder of the Trust, that, based upon the facts known to the Administrators, counsel or the Common Security Holder at the time such determination is made, such Indemnified Person acted in bad faith or in a manner that such Person either believed to be opposed to or did not believe to be in the best interests of the Trust, or, with respect to any criminal proceeding, that such Indemnified Person believed or had reasonable cause to believe such conduct was unlawful, or (2) in the case of a Fiduciary Indemnified Person, by independent legal counsel in a written opinion that, based upon the facts known to the counsel at the time such determination is made, such Indemnified Person acted in bad faith or in a manner that such Indemnified Person either believed to be opposed to or did not believe to be in the best interests of the Trust, or, with respect to any criminal proceeding, that such Indemnified Person believed or had reasonable cause to believe such conduct was unlawful. In no event shall any advance be made (i) to a Company Indemnified Person in instances where the Administrators, independent legal counsel or the Common Security Holder reasonably determine that such Person deliberately breached such Person's duty to the Trust or its Common or Capital Security Holders or (ii) to a Fiduciary Indemnified Person in instances where independent legal counsel promptly and reasonably determines in a written opinion that such Person deliberately breached such Person's duty to the Trust or its Common or Capital Security Holders.

(b) The Sponsor shall indemnify, to the fullest extent permitted by applicable law, each Indemnified Person from and against any and all loss, damage, liability, tax (other than taxes based on the income of such Indemnified Person), penalty, expense or claim of any kind or nature whatsoever incurred by such Indemnified Person arising out of or in connection with or by reason of the creation, administration or termination of the Trust, or any act or omission of such Indemnified Person in good faith on behalf of the Trust and in a manner such Indemnified Person reasonably believed to be within the scope of authority conferred on such Indemnified Person by this Declaration, except that no Indemnified Person shall be entitled to be indemnified in respect of any loss, damage, liability, tax, penalty, expense or claim incurred by such Indemnified Person by reason of negligence, willful misconduct or bad faith with respect to such acts or omissions.

(c) The indemnification and advancement of expenses provided by, or granted pursuant to, the other paragraphs of this Section 9.4 shall not be deemed exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any agreement, vote of stockholders or disinterested directors of the Sponsor or Capital Security Holders of the Trust or otherwise, both as to action in such Person's official capacity and as to action in another capacity while holding such office. All rights to indemnification under this Section 9.4 shall be deemed to be provided by a contract between the Sponsor and each Indemnified Person who serves in such capacity at any time while this Section 9.4 is in effect. Any repeal or modification of this Section 9.4 shall not affect any rights or obligations then existing.

(d) The Sponsor or the Trust may purchase and maintain insurance on behalf of any Person who is or was an Indemnified Person against any liability asserted against such Person and incurred by such Person in any such capacity, or arising out of such Person's status as such, whether or not the Sponsor would have the power to indemnify such Person against such liability under the provisions of this Section 9.4.

(e) For purposes of this Section 9.4, references to "the Trust" shall include, in addition to the resulting or surviving entity, any constituent entity (including any constituent of a constituent) absorbed in a consolidation or merger, so that any Person who is or was a director, trustee, officer or employee of such constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee or agent of another entity, shall stand in the same position under the provisions of this Section 9.4 with respect to the resulting or surviving entity as such Person would have with respect to such constituent entity if its separate existence had continued.

(f) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9.4 shall, unless otherwise provided when authorized or ratified, continue as to a Person who has ceased to be an Indemnified Person and shall inure to the benefit of the heirs, executors and administrators of such a Person.

(g) The provisions of this Section 9.4 shall survive the termination of this Declaration or the earlier resignation or removal of the Institutional Trustee. The obligations of the Sponsor under this Section 9.4 to compensate and indemnify the Trustees and to pay or reimburse the Trustees for expenses, disbursements and advances shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustees as such, except funds held in trust for the benefit of the holders of particular Capital Securities, provided, that the Sponsor is the holder of the Common Securities.

SECTION 9.5. Outside Businesses. Any Covered Person, the Sponsor and the Institutional Trustee (subject to Section 4.3(c)) may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Trust, and the Trust and the Holders of Securities shall have no rights by virtue of this Declaration in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the business of the Trust, shall not be deemed wrongful or improper. None of any Covered Person, the Sponsor or

the Institutional Trustee shall be obligated to present any particular investment or other opportunity to the Trust even if such opportunity is of a character that, if presented to the Trust, could be taken by the Trust, and any Covered Person, the Sponsor and the Institutional Trustee shall have the right to take for its own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment or other opportunity. Any Covered Person and the Institutional Trustee may engage or be interested in any financial or other transaction with the Sponsor or any Affiliate of the Sponsor, or may act as depositary for, trustee or agent for, or act on any committee or body of holders of, securities or other obligations of the Sponsor or its Affiliates.

SECTION 9.6. Compensation: Fee.

(a) Subject to the provisions set forth in the Fee Agreement between the Institutional Trustee, Cohen & Company and the Company of even date herewith, the Sponsor agrees:

(i) to pay to the Trustees from time to time such compensation for all services rendered by them hereunder as the parties shall agree in writing from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust); and

(ii) except as otherwise expressly provided herein, to reimburse the Trustees upon request for all reasonable, documented expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Declaration (including the reasonable compensation and the expenses and disbursements of their respective agents and counsel), except any such expense, disbursement or advance attributable to their negligence or willful misconduct.

(b) The provisions of this Section 9.6 shall survive the dissolution of the Trust and the termination of this Declaration and the removal or resignation of any Trustee.

SECTION 10.1. Fiscal Year. The fiscal year (the "Fiscal Year") of the Trust shall be the calendar year, or such other year as is required by the Code.

SECTION 10.2. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrators shall keep, or cause to be kept at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations § 301.7701-7, full books of account, records and supporting documents, which shall reflect in reasonable detail each transaction of the Trust. The books of account shall be maintained on the accrual method of accounting, in accordance with generally accepted accounting principles, consistently applied.

(b) The Administrators shall either (i) cause each Form 10-K and Form 10-Q prepared by the Sponsor and filed with the Commission in accordance with the Exchange Act to

be delivered directly to each Holder of Securities, within 90 days after the filing of each Form 10-K and within 30 days after the filing of each Form 10-Q or (ii) cause to be prepared at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations § 301.7701-7, and delivered directly to each of the Holders of Securities, within 90 days after the end of each Fiscal Year of the Trust, annual financial statements of the Trust, including a balance sheet of the Trust as of the end of such Fiscal Year, and the related statements of income or loss.

(c) The Administrators shall cause to be duly prepared and delivered to each of the Holders of Securities Form 1099 or such other annual United States federal income tax information statement required by the Code, containing such information with regard to the Securities held by each Holder as is required by the Code and the Treasury Regulations. Notwithstanding any right under the Code to deliver any such statement at a later date, the Administrators shall endeavor to deliver all such statements within 30 days after the end of each Fiscal Year of the Trust.

(d) The Administrators shall cause to be duly prepared in the United States, as defined for purposes of Treasury Regulations § 301.7701-7, and filed an annual United States federal income tax return on a Form 1041 or such other form required by United States federal income tax law, and any other annual income tax returns required to be filed by the Administrators on behalf of the Trust with any state or local taxing authority.

(e) The Administrators will cause the Sponsor's regulatory reports to be delivered to the Holder promptly following their filing with the Federal Reserve.

SECTION 10.3. Banking. The Trust shall maintain one or more bank accounts in the United States, as defined for purposes of Treasury Regulations § 301.7701-7, in the name and for the sole benefit of the Trust; provided, however, that all payments of funds in respect of the Debentures held by the Institutional Trustee shall be made directly to the Property Account and no other funds of the Trust shall be deposited in the Property Account. The sole signatories for such accounts (including the Property Account) shall be designated by the Institutional Trustee.

SECTION 10.4. Withholding. The Institutional Trustee or any Paying Agent and the Administrators shall comply with all withholding requirements under United States federal, state and local law. As a condition to the payment of any principal of or interest on any Debt Security without the imposition of withholding tax, the Institutional Trustee or any Paying Agent shall require the previous delivery of properly completed and signed applicable U.S. federal income tax certifications (generally, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or an Internal Revenue Service Form W-8 (or applicable successor form) in the case of a person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) and any other certification acceptable to it to enable the Institutional Trustee or any Paying Agent and the Trustee to determine their respective duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold in respect of such Debt Security or the holder of such Debt Security under any present or future law or regulation of the United States or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Administrators shall file required forms with applicable jurisdictions and, unless an exemption

from withholding is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Institutional Trustee or any Paying Agent is required to withhold and pay over any amounts to any authority with respect to distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution to the Holder in the amount of the withholding. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Institutional Trustee or any Paying Agent may reduce subsequent Distributions by the amount of such withholding.

provided, however, that no such modification, elimination or addition referred to in clauses (i), (ii), (iii) or (iv) shall adversely affect the powers, preferences or rights of Holders of Capital Securities.

SECTION 11.2. Meetings of the Holders of the Securities; Action by Written Consent

(a) Meetings of the Holders of any class of Securities may be called at any time by the Administrators (or as provided in the terms of the Securities) to consider and act on any matter on which Holders of such class of Securities are entitled to act under the terms of this Declaration, the terms of the Securities or the rules of any stock exchange on which the Capital Securities are listed or admitted for trading, if any. The Administrators shall call a meeting of the Holders of such class if directed to do so by the Holders of not less than 10% in liquidation amount of such class of Securities. Such direction shall be given by delivering to the Administrators one or more notices in a writing stating that the signing Holders of the Securities wish to call a meeting and indicating the general or specific purpose for which the meeting is to be called. Any Holders of the Securities calling a meeting shall specify in writing the Certificates held by the Holders of the Securities exercising the right to call a meeting and only those Securities represented by such Certificates shall be counted for purposes of determining whether the required percentage set forth in the second sentence of this paragraph has been met.

(b) Except to the extent otherwise provided in the terms of the Securities, the following provisions shall apply to meetings of Holders of the Securities:

(i) notice of any such meeting shall be given to all the Holders of the Securities having a right to vote thereat at least 7 days and not more than 60 days before the date of such meeting. Whenever a vote, consent or approval of the Holders of the Securities is permitted or required under this Declaration or the rules of any stock exchange on which the Capital Securities are listed or admitted for trading, if any, such vote, consent or approval may be given at a meeting of the Holders of the Securities. Any action that may be taken at a meeting of the Holders of the Securities may be taken without a meeting if a consent in writing setting forth the action so taken is signed by the Holders of the Securities owning not less than the minimum amount of Securities that would be necessary to authorize or take such action at a meeting at which all Holders of the Securities having a right to vote thereon were present and voting. Prompt notice of the taking of action without a meeting shall be given to the Holders of the Securities entitled to vote who have not consented in writing. The Administrators may specify that any written ballot submitted to the Holders of the Securities for the purpose of taking any action without a meeting shall be returned to the Trust within the time specified by the Administrators;

(ii) each Holder of a Security may authorize any Person to act for it by proxy on all matters in which a Holder of Securities is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Holder of the Securities executing it. Except as otherwise provided herein, all matters relating to the giving, voting or validity of proxies shall be governed by the General Corporation Law of the State of Connecticut relating to proxies, and judicial interpretations thereunder, as if the Trust were a Connecticut corporation and the Holders of the Securities were stockholders of a Connecticut corporation; each meeting of the Holders of the Securities shall be conducted by the Administrators or by such other Person that the Administrators may designate; and

(iii) unless the Statutory Trust Act, this Declaration, the terms of the Securities, the Trust Indenture Act or the listing rules of any stock exchange on which the Capital Securities are then listed for trading, if any, otherwise provides, the Administrators, in their sole discretion, shall establish all other provisions relating to meetings of Holders of Securities, including notice of the time, place or purpose of any meeting at which any matter is to be voted on by any Holders of the Securities, waiver of any such notice, action by consent without a meeting, the establishment of a record date, quorum requirements, voting in person or by proxy or any other matter with respect to the exercise of any such right to vote; provided, however, that each meeting shall be conducted in the United States (as that term is defined in Treasury Regulations § 301.7701-7).

SECTION 13.7. Partial Enforceability. ANNEX I

TERMS OF
CAPITAL SECURITIES AND
COMMON SECURITIES

Pursuant to Section 6.1 of the Amended and Restated Declaration of Trust, dated as of November 9, 2007 (as amended from time to time, the “Declaration”), the designation, rights, privileges, restrictions, preferences and other terms and provisions of the Capital Securities and the Common Securities are set out below (each capitalized term used but not defined herein has the meaning set forth in the Declaration):

1. Designation and Number.

(a) Capital Securities. 12,000 Capital Securities of IBERIABANK Statutory Trust VI (the “Trust”), with an aggregate stated liquidation amount with respect to the assets of the Trust of Twelve Million Dollars (\$12,000,000) and a stated liquidation amount with respect to the assets of the Trust of \$1,000 per Capital Security, are hereby designated for the purposes of identification only as the “TP Securities” (the “Capital Securities”). The Capital Security Certificates evidencing the Capital Securities shall be substantially in the form of Exhibit A-1 to the Declaration, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice or to conform to the rules of any stock exchange on which the Capital Securities are listed, if any.

(b) Common Securities. 372 Common Securities of the Trust (the “Common Securities”) will be evidenced by Common Security Certificates substantially in the form of Exhibit A-2 to the Declaration, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice. The Common Securities will have an aggregate stated liquidation amount with respect to the assets of the Trust of Three Hundred Seventy Two Thousand Dollars (\$372,000) and a stated liquidation amount with respect to the assets of the Trust of \$1,000 per Common Security.

2. Distributions.

(a) Distributions payable on each Security will be payable at a variable per annum rate of interest, reset quarterly, equal to LIBOR, as determined on the LIBOR Determination Date for such Distribution Payment Period, plus 2.75% (the “Coupon Rate”) of the stated liquidation amount of \$1,000 per Security (provided, however, that the Coupon Rate for any Distribution Payment Period may not exceed the highest rate permitted by New York law, as the same may be modified by United States law of general applicability), such Coupon Rate being the rate of interest payable on the Debentures to be held by the Institutional Trustee. Except as set forth below in respect of an Extension Period, Distributions in arrears for more than one quarterly period will bear interest thereon compounded quarterly at the applicable Coupon Rate for each such quarterly period (to the extent permitted by applicable law). The term “Distributions” as used herein includes cash distributions, any such compounded distributions and any Additional Interest payable on the Debentures unless otherwise stated. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the

Institutional Trustee and to the extent the Institutional Trustee has funds legally available in the Property Account therefor. The amount of Distributions payable for any Distribution Payment Period will be computed for any full quarterly Distribution Payment Period on the basis of a 360-day year and the actual number of days elapsed in the relevant Distribution period; provided, however, that upon the occurrence of a Special Event redemption pursuant to paragraph 4(a) below the amounts payable pursuant to this Declaration shall be calculated as set forth in the definition of Special Redemption Price.

(b) LIBOR shall be determined by the Calculation Agent in accordance with the following provisions:

(1) On the second LIBOR Business Day provided, that on such day commercial banks are open for business (including dealings in foreign currency deposits) in London (a "LIBOR Banking Day"), and otherwise the next preceding LIBOR Business Day that is also a LIBOR Banking Day) prior to March 15, June 15, September 15 and December 15 (or, with respect to the first Distribution Payment Period, on November 7, 2007), (each such day, a "LIBOR Determination Date") for such Distribution Payment Period), the Calculation Agent shall obtain the rate for three-month U.S. Dollar deposits in Europe, which appears on Reuters Screen LIBOR 01 Page (as defined in the International Swaps and Derivatives Association, Inc. 2000 Interest Rate and Currency Exchange Definitions) or such other page as may replace such page, as of 11:00 a.m. (London time) on such LIBOR Determination Date, as reported by Bloomberg Financial Markets Commodities News or any successor service ("Reuters Screen"), and the rate so obtained shall be LIBOR for such Distribution Payment Period. "LIBOR Business Day" means any day that is not a Saturday, Sunday or other day on which commercial banking institutions in The City of New York or Boston, Massachusetts are authorized or obligated by law or executive order to be closed. If such rate is superseded on Reuters Screen by a corrected rate before 12:00 noon (London time) on the same LIBOR Determination Date, the corrected rate as so substituted will be the applicable LIBOR for that Distribution Payment Period.

(2) If, on any LIBOR Determination Date, such rate does not appear on Reuters Screen, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London Interbank market for three-month U.S. Dollar deposits in Europe (in an amount determined by the Calculation Agent) by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal the arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such a quotation, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that at least two leading banks in the City of New York (as selected by the Calculation Agent) are quoting on the relevant LIBOR Determination Date for three-month U.S. Dollar deposits in Europe at approximately 11:00 a.m. (London time) (in an amount determined by the Calculation Agent). As used herein, "Reference Banks" means four major banks in the London Interbank market selected by the Calculation Agent.

(3) If the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR for the applicable Distribution Payment Period shall be LIBOR in effect for the immediately preceding Distribution Payment Period.

(c) All percentages resulting from any calculations on the Securities will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655)), and all dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward).

(d) As soon as practicable following each LIBOR Determination Date, but in no event later than the 30th day following such LIBOR Determination Date, the Calculation Agent shall notify, in writing, the Sponsor and the Paying Agent of the applicable Coupon Rate in effect for the related Distribution Payment Period. The Calculation Agent shall, upon the request of the Holder of any Securities, provide the Coupon Rate then in effect. All calculations made by the Calculation Agent in the absence of manifest error shall be conclusive for all purposes and binding on the Sponsor and the Holders of the Securities. Any error in a calculation of the Coupon Rate by the Calculation Agent may be corrected at any time by the delivery of notice of such corrected Coupon Rate as provided above. The Paying Agent shall be entitled to rely on information received from the Calculation Agent or the Sponsor as to the Coupon Rate. The Sponsor shall, from time to time, provide any necessary information to the Paying Agent relating to any original issue discount and interest on the Securities that is included in any payment and reportable for taxable income calculation purposes. Failure to notify the Sponsor or the Paying Agent of the applicable Coupon Rate shall not affect the obligation of the Sponsor to make payment on the Debentures at such Coupon Rate.

(e) Distributions on the Securities will be cumulative, will accrue from the date of original issuance, and will be payable, subject to extension of Distribution payment periods as described herein, quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, commencing December 15, 2007 (each, a "Distribution Payment Date"). Subject to prior submission of Notice (as defined in the Indenture), and so long as no Event of Default pursuant to paragraphs (c), (e), (f) or (g) of Section 5.01 of the Indenture has occurred and is continuing, the Debenture Issuer has the right under the Indenture to defer payments of interest on the Debentures by extending the interest distribution period for up to 20 consecutive quarterly periods (each, an "Extension Period") at any time and from time to time on the Debentures, subject to the conditions described below, during which Extension Period no interest shall be due and payable (except any Additional Interest that may be due and payable). During any Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest (such accrued interest and interest thereon referred to herein as "Deferred Interest") will accrue at an annual rate equal to the Coupon Rate in effect for each such Extension Period, compounded quarterly from the date such Deferred Interest would have been payable were it not for the Extension Period, to the extent permitted by law. No Extension Period may end on a date other than a Distribution Payment Date. At the end of any such Extension Period, the Debenture

Issuer shall pay all Deferred Interest then accrued and unpaid on the Debentures; provided, however, that no Extension Period may extend beyond the Maturity Date, Redemption Date (to the extent redeemed) or Special Redemption Date; and provided, further, that, during any such Extension Period, the Debenture Issuer may not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Debenture Issuer's capital stock or (ii) make any payment of principal or premium or interest on or repay, repurchase or redeem any debt securities of the Debenture Issuer that rank *pari passu* in all respects with or junior in interest to the Debentures or (iii) make any payment under any guarantees of the Debenture Issuer that rank in all respects *pari passu* with or junior in interest to the Guarantee (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Debenture Issuer (A) in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, (B) in connection with a dividend reinvestment or stockholder stock purchase plan or (C) in connection with the issuance of capital stock of the Debenture Issuer (or securities convertible into or exercisable for such capital stock), as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of any exchange, reclassification, combination or conversion of any class or series of the Debenture Issuer's capital stock (or any capital stock of a subsidiary of the Debenture Issuer) for any class or series of the Debenture Issuer's capital stock or of any class or series of the Debenture Issuer's indebtedness for any class or series of the Debenture Issuer's capital stock, (c) the purchase of fractional interests in shares of the Debenture Issuer's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any stockholder's rights plan, or the issuance of rights, stock or other property under any stockholder's rights plan, or the redemption or repurchase of rights pursuant thereto, or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock. Prior to the termination of any Extension Period, the Debenture Issuer may further extend such period; provided, that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date, Redemption Date (to the extent redeemed) or Special Redemption Date. Upon the termination of any Extension Period and upon the payment of all Deferred Interest, the Debenture Issuer may commence a new Extension Period, subject to the foregoing requirements. No interest or Deferred Interest shall be due and payable during an Extension Period, except at the end thereof, but Deferred Interest shall accrue upon each installment of interest that would otherwise have been due and payable during such Extension Period until such installment is paid. If Distributions are deferred, the Distributions due shall be paid on the date that the related Extension Period terminates to Holders of the Securities as they appear on the books and records of the Trust on the record date immediately preceding such date. Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds legally available for the payment of such distributions in the Property Account of the Trust. The Trust's funds available for Distribution to the Holders of the Securities will be limited to payments received from the Debenture Issuer. The payment of Distributions out of moneys held by the Trust is guaranteed by the Guarantor pursuant to the Guarantee.

(f) Distributions on the Securities will be payable to the Holders thereof as they appear on the books and records of the Registrar on the relevant record dates. The relevant record dates shall be 15 days before the relevant Distribution Payment Date. Distributions payable on any Securities that are not punctually paid on any Distribution Payment Date, as a result of the Debenture Issuer having failed to make a payment under the Debentures, as the case may be, when due (taking into account any Extension Period), will cease to be payable to the Person in whose name such Securities are registered on the relevant record date, and such defaulted Distribution will instead be payable to the Person in whose name such Securities are registered on the special record date or other specified date determined in accordance with the Indenture. Notwithstanding anything to the contrary contained herein, if any Distribution Payment Date, other than on the Maturity Date, any Redemption Date or the Special Redemption Date, falls on a day that is not a Business Day, then any Distributions payable will be paid on, and such Distribution Payment Date will be moved to, the next succeeding Business Day, and additional Distributions will accrue for each day that such payment is delayed as a result thereof. If the Maturity Date, Redemption Date or Special Redemption Date falls on a day that is not a Business Day, then the principal, premium, if any, and/or interest payable on such date will be paid on the next succeeding Business Day, and no additional interest will accrue (except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day).

(g) In the event that there is any money or other property held by or for the Trust that is not accounted for hereunder, such property shall be distributed pro rata (as defined herein) among the Holders of the Securities.

3. Liquidation Distribution Upon Dissolution. In the event of the voluntary or involuntary liquidation, dissolution, winding-up or termination of the Trust (each, a "Liquidation") other than in connection with a redemption of the Debentures, the Holders of the Securities will be entitled to receive out of the assets of the Trust available for distribution to Holders of the Securities, after satisfaction of liabilities to creditors of the Trust (to the extent not satisfied by the Debenture Issuer), distributions equal to the aggregate of the stated liquidation amount of \$1,000 per Security plus accrued and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"), unless in connection with such Liquidation, the Debentures in an aggregate stated principal amount equal to the aggregate stated liquidation amount of such Securities, with an interest rate equal to the Coupon Rate of, and bearing accrued and unpaid interest in an amount equal to the accrued and unpaid Distributions on, and having the same record date as, such Securities, after paying or making reasonable provision to pay all claims and obligations of the Trust shall be distributed on a Pro Rata basis to the Holders of the Securities in exchange for such Securities.

The Sponsor, as the Holder of all of the Common Securities, has the right at any time to, upon receipt of an opinion of nationally recognized tax counsel that Holders will not recognize any gain or loss for United States federal income tax purposes as a result of the distribution Debentures, dissolve the Trust (including without limitation upon the occurrence of a Tax Event, an Investment Company Event or a Capital Treatment Event), subject to the receipt by the Debenture Issuer of prior approval from any regulatory authority having jurisdiction over the Sponsor that is primarily responsible for regulating the activities of the Sponsor if such approval is then required under applicable capital guidelines or policies of such regulatory authority, and,

after satisfaction of liabilities to creditors of the Trust, cause the Debentures to be distributed to the Holders of the Securities on a Pro Rata basis in accordance with the aggregate stated liquidation amount thereof.

The Trust shall dissolve on the first to occur of (i) December 15, 2042, the expiration of the term of the Trust, (ii) a Bankruptcy Event with respect to the Sponsor, the Trust or the Debenture Issuer, (iii) (other than in connection with a merger, consolidation or similar transaction not prohibited by the Indenture, this Declaration or the Guarantee, as the case may be) the filing of a certificate of dissolution or its equivalent with respect to the Sponsor or upon the revocation of the charter of the Sponsor and the expiration of 90 days after the date of revocation without a reinstatement thereof, (iv) the distribution to the Holders of the Securities of the Debentures, upon exercise of the right of the Holder of all of the outstanding Common Securities to dissolve the Trust as described above, (v) the entry of a decree of a judicial dissolution of the Sponsor or the Trust, or (vi) when all of the Securities shall have been called for redemption and the amounts necessary for redemption thereof shall have been paid to the Holders in accordance with the terms of the Securities. As soon as practicable after the dissolution of the Trust and upon completion of the winding up of the Trust, the Trust shall terminate upon the filing of a certificate of cancellation with the Secretary of State of the State of Connecticut.

If a Liquidation of the Trust occurs as described in clause (i), (ii), (iii) or (v) in the immediately preceding paragraph, the Trust shall be liquidated by the Institutional Trustee of the Trust as expeditiously as such Trustee determines to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to the Holders of the Securities, the Debentures on a Pro Rata basis to the extent not satisfied by the Debenture Issuer, unless such distribution is determined by the Institutional Trustee not to be practical, in which event such Holders will be entitled to receive out of the assets of the Trust available for distribution to the Holders, after satisfaction of liabilities to creditors of the Trust to the extent not satisfied by the Debenture Issuer, an amount equal to the Liquidation Distribution. An early Liquidation of the Trust pursuant to clause (iv) of the immediately preceding paragraph shall occur if the Institutional Trustee determines that such Liquidation is possible by distributing, after satisfaction of liabilities to creditors of the Trust, to the Holders of the Securities on a Pro Rata basis, the Debentures, and such distribution occurs.

If, upon any such Liquidation, the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then the amounts payable directly by the Trust on such Capital Securities shall be paid to the Holders of the Securities on a Pro Rata basis, except that if an Event of Default has occurred and is continuing, the Capital Securities shall have a preference over the Common Securities with regard to such distributions.

Upon any such Liquidation of the Trust involving a distribution of the Debentures, if at the time of such Liquidation, the Capital Securities were rated by at least one nationally-recognized statistical rating organization, the Debenture Issuer will use its reasonable best efforts to obtain from at least one such or other rating organization a rating for the Debentures.

After the date for any distribution of the Debentures upon dissolution of the Trust, (i) the Securities of the Trust will be deemed to be no longer outstanding, (ii) any certificates representing the Capital Securities will be deemed to represent undivided beneficial interests in such of the Debentures as have an aggregate principal amount equal to the aggregate stated liquidation amount of, with an interest rate identical to the distribution rate of, and bearing accrued and unpaid interest equal to accrued and unpaid distributions on, the Securities until such certificates are presented to the Debenture Issuer or its agent for transfer or reissuance (and until such certificates are so surrendered, no payments of interest or principal shall be made to Holders of Securities in respect of any payments due and payable under the Debentures) and (iii) all rights of Holders of Securities under the Capital Securities or the Common Securities, as applicable, shall cease, except the right of such Holders to receive Debentures upon surrender of certificates representing such Securities.

4. Redemption and Distribution.

(a) The Debentures will mature on December 15, 2037. The Debentures may be redeemed by the Debenture Issuer, in whole or in part, on any March 15, June 15, September 15 or December 15 on or after December 15, 2012 at the Redemption Price, upon not less than 30 nor more than 60 days' notice to Holders of such Debentures. In addition, upon the occurrence and continuation of a Tax Event, an Investment Company Event or a Capital Treatment Event, the Debentures may be redeemed by the Debenture Issuer in whole or in part, at any time within 90 days following the occurrence of such Tax Event, Investment Company Event or Capital Treatment Event, as the case may be (the "Special Redemption Date"), at the Special Redemption Price, upon not less than 30 nor more than 60 days' notice to Holders of the Debentures so long as such Tax Event, Investment Company Event or Capital Treatment Event, as the case may be, is continuing. In each case, the right of the Debenture Issuer to redeem the Debentures is subject to the Debenture Issuer having received prior approval from any regulatory authority having jurisdiction over the Debenture Issuer, if such approval is then required under applicable capital guidelines or policies of such regulatory authority.

"Tax Event" means the receipt by the Debenture Issuer and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of any amendment to or change (including any announced prospective change) in the laws or any regulations thereunder of the United States or any political subdivision or taxing authority thereof or therein, or as a result of any official administrative pronouncement (including any private letter ruling, technical advice memorandum, regulatory procedure, notice or announcement) (an "Administrative Action") or judicial decision interpreting or applying such laws or regulations, regardless of whether such Administrative Action or judicial decision is issued to or in connection with a proceeding involving the Debenture Issuer or the Trust and whether or not subject to review or appeal, which amendment, clarification, change, Administrative Action or decision is enacted, promulgated or announced, in each case on or after the date of original issuance of the Debentures, there is more than an insubstantial risk that: (i) the Trust is, or will be within 90 days of the date of such opinion, subject to United States federal income tax with respect to income received or accrued on the Debentures; (ii) if the Debenture Issuer is organized and existing under the laws of the United States or any state thereof or the District of Columbia, interest payable by the Debenture Issuer on the Debentures is not, or within 90 days of the date of such opinion, will not be, deductible by the Debenture Issuer, in whole or in part, for United States

federal income tax purposes; or (iii) the Trust is, or will be within 90 days of the date of such opinion, subject to more than a de minimis amount of other taxes (including withholding taxes), duties, assessments or other governmental charges.

“Investment Company Event” means the receipt by the Debenture Issuer and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of a change in law or regulation or written change in interpretation or application of law or regulation by any legislative body, court, governmental agency or regulatory authority, there is more than an insubstantial risk that the Trust is or, within 90 days of the date of such opinion will be, considered an “investment company” that is required to be registered under the Investment Company Act, which change or prospective change becomes effective or would become effective, as the case may be, on or after the date of the original issuance of the Debentures.

“Capital Treatment Event” means, if the Debenture Issuer is organized and existing under the laws of the United States or any state thereof or the District of Columbia, the receipt by the Debenture Issuer and the Trust of an Opinion of Counsel experienced in such matters to the effect that, as a result of (a) any amendment to, or change in, the laws, rules or regulations of the United States or any political subdivision thereof or therein, or any rules, guidelines or policies of any applicable regulatory authority for the Debenture Issuer or (b) any official or administrative pronouncement or action or decision interpreting or applying such laws, rules or regulations, which amendment or change is effective or which pronouncement, action or decision is announced on or after the date of original issuance of the Debentures, there is more than an insubstantial risk that, within 90 days of the receipt of such opinion, the aggregate Liquidation Amount of the Capital Securities will not be eligible to be treated by the Debenture Issuer as “Tier 1 Capital” (or the then equivalent thereof) for purposes of the capital adequacy guidelines of the Federal Reserve (or any successor regulatory authority with jurisdiction over bank or financial holding companies), as then in effect and applicable to the Debenture Issuer (or if the Debenture Issuer is not a bank holding company, such guidelines applied to the Debenture Issuer as if the Debenture Issuer were subject to such guidelines); provided, however, that the inability of the Debenture Issuer to treat all or any portion of the aggregate Liquidation Amount of the Capital Securities as Tier 1 Capital shall not constitute the basis for a Capital Treatment Event, if such inability results from the Debenture Issuer having cumulative preferred stock, minority interests in consolidated subsidiaries, or any other class of security or interest which the Federal Reserve or OTS, as applicable, may now or hereafter accord Tier 1 Capital treatment in excess of the amount which may now or hereafter qualify for treatment as Tier 1 Capital under applicable capital adequacy guidelines; provided further, however, that the distribution of the Debentures in connection with the liquidation of the Trust by the Debenture Issuer shall not in and of itself constitute a Capital Treatment Event unless such liquidation shall have occurred in connection with a Tax Event or an Investment Company Event.

“Special Event” means any of a Capital Treatment Event, a Tax Event or an Investment Company Event.

“Special Redemption Price” means, with respect to the redemption of any Debentures following a Special Event, an amount in cash equal to 103.525% of the principal amount of Debentures to be redeemed prior to December 15, 2008 and thereafter equal to the percentage of the principal amount of the Debentures that is specified below for the Special Redemption Date plus, in each case, unpaid interest accrued thereon to the Special Redemption Date:

Special Redemption During the 12-Month Period Beginning December 15	Percentage of Principal Amount
2008	103.140%
2009	102.355%
2010	101.570%
2011	100.785%
2012 and thereafter	100.000%

“Redemption Date” means the date fixed for the redemption of Capital Securities, which shall be any March 15, June 15, September 15 or December 15 on or after December 15, 2012.

“Redemption Price” means 100% of the principal amount of the Debentures being redeemed plus accrued and unpaid interest on such Debentures to the Redemption Date.

(b) Upon the repayment in full at maturity or redemption in whole or in part of the Debentures (other than following the distribution of the Debentures to the Holders of the Securities), the proceeds from such repayment or payment shall concurrently be applied to redeem Pro Rata at the applicable Redemption Price, Securities having an aggregate liquidation amount equal to the aggregate principal amount of the Debentures so repaid or redeemed; provided, however, that holders of such Securities shall be given not less than 30 nor more than 60 days’ notice of such redemption (other than at the scheduled maturity of the Debentures).

(c) If fewer than all the outstanding Securities are to be so redeemed, the Common Securities and the Capital Securities will be redeemed Pro Rata and the Capital Securities to be redeemed will be as described in Section 4(e)(ii) below.

(d) The Trust may not redeem fewer than all the outstanding Capital Securities unless all accrued and unpaid Distributions have been paid on all Capital Securities for all quarterly Distribution periods terminating on or before the date of redemption.

(e) Redemption or Distribution Procedures.

(i) Notice of any redemption of, or notice of distribution of the Debentures in exchange for, the Securities (a “Redemption/Distribution Notice”) will be given by the Trust by mail to each Holder of Securities to be redeemed or exchanged not fewer than 30 nor more than 60 days before the date fixed for redemption or exchange thereof which, in the case of a redemption, will be the date fixed for redemption of the Debentures. For purposes of the calculation of the date of redemption or exchange and the dates on which notices are given pursuant to this Section 4(e)(i), a Redemption/Distribution Notice shall be deemed to be given on the day such notice is first mailed by first-class mail, postage prepaid, to Holders of such Securities. Each Redemption/Distribution Notice shall be addressed to the Holders of such Securities at the address of each such Holder

appearing on the books and records of the Registrar. No defect in the Redemption/Distribution Notice or in the mailing thereof with respect to any Holder shall affect the validity of the redemption or exchange proceedings with respect to any other Holder.

(ii) In the event that fewer than all the outstanding Securities are to be redeemed, the Securities to be redeemed shall be redeemed Pro Rata from each Holder of Capital Securities.

(iii) If the Securities are to be redeemed and the Trust gives a Redemption/Distribution Notice, which notice may only be issued if the Debentures are redeemed as set out in this Section 4 (which notice will be irrevocable), then, provided, that the Institutional Trustee has a sufficient amount of cash in connection with the related redemption or maturity of the Debentures, the Institutional Trustee will, with respect to Book-Entry Capital Securities, on the Redemption Date or Special Redemption Date, as applicable, irrevocably deposit with the Depositary for such Book-Entry Capital Securities, to the extent available therefor, funds sufficient to pay the relevant Redemption Price or Special Redemption Price, as applicable, and will give such Depositary irrevocable instructions and authority to pay the Redemption Price or Special Redemption Price, as applicable, to the Owners of the Capital Securities. With respect to Capital Securities that are not Book-Entry Capital Securities, the Institutional Trustee will pay, to the extent available therefor, the relevant Redemption Price or Special Redemption Price, as applicable, to the Holders of such Securities by check mailed to the address of each such Holder appearing on the books and records of the Trust on the redemption date. If a Redemption/Distribution Notice shall have been given and funds deposited as required, then immediately prior to the close of business on the date of such deposit, Distributions will cease to accrue on the Securities so called for redemption and all rights of Holders of such Securities so called for redemption will cease, except the right of the Holders of such Securities to receive the applicable Redemption Price or Special Redemption Price, as applicable, specified in Section 4(a). If any date fixed for redemption of Securities is not a Business Day, then payment of any such Redemption Price or Special Redemption Price, as applicable, payable on such date will be made on the next succeeding day that is a Business Day except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. If payment of the Redemption Price or Special Redemption Price, as applicable, in respect of any Securities is improperly withheld or refused and not paid either by the Trust or by the Debenture Issuer as guarantor pursuant to the Guarantee, Distributions on such Securities will continue to accrue at the then applicable rate from the original redemption date to the actual date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the Redemption Price or Special Redemption Price, as applicable. In the event of any redemption of the Capital Securities issued by the Trust in part, the Trust shall not be required to (i) issue,

register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before any selection for redemption of the Capital Securities and ending at the close of business on the earliest date on which the relevant notice of redemption is deemed to have been given to all Holders of the Capital Securities to be so redeemed or (ii) register the transfer of or exchange any Capital Securities so selected for redemption, in whole or in part, except for the unredeemed portion of any Capital Securities being redeemed in part.

(iv) Redemption/Distribution Notices shall be sent by the Administrators on behalf of the Trust (A) in respect of the Capital Securities, to the Holders thereof, and (B) in respect of the Common Securities, to the Holder thereof.

(v) Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), and provided, that the acquiror is not the Holder of the Common Securities or the obligor under the Indenture, the Sponsor or any of its subsidiaries may at any time and from time to time purchase outstanding Capital Securities by tender, in the open market or by private agreement.

5. Voting Rights - Capital Securities.

(a) Except as provided under Sections 5(b) and 7 and as otherwise required by law and the Declaration, the Holders of the Capital Securities will have no voting rights. The Administrators are required to call a meeting of the Holders of the Capital Securities if directed to do so by Holders of not less than 10% in liquidation amount of the Capital Securities.

(b) Subject to the requirements of obtaining a tax opinion by the Institutional Trustee in certain circumstances set forth in the last sentence of this paragraph, the Holders of a Majority in liquidation amount of the Capital Securities, voting separately as a class, have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under the Declaration, including the right to direct the Institutional Trustee, as holder of the Debentures, to (i) exercise the remedies available under the Indenture as the holder of the Debentures, (ii) waive any past default that is waivable under the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable or (iv) consent on behalf of all the Holders of the Capital Securities to any amendment, modification or termination of the Indenture or the Debentures where such consent shall be required; provided, however, that, where a consent or action under the Indenture would require the consent or act of the holders of greater than a simple majority in principal amount of Debentures (a "Super Majority") affected thereby, the Institutional Trustee may only give such consent or take such action at the written direction of the Holders of not less than the proportion in liquidation amount of the Capital Securities outstanding which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. If the Institutional Trustee fails to enforce its rights under the Debentures after the Holders of a Majority or Super Majority, as the case may be, in liquidation amount of such Capital Securities have so directed the Institutional Trustee, to the fullest extent permitted by law, a Holder of the Capital Securities

may institute a legal proceeding directly against the Debenture Issuer to enforce the Institutional Trustee's rights under the Debentures without first instituting any legal proceeding against the Institutional Trustee or any other person or entity. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest or premium, if any, on or principal of the Debentures on the date such interest, premium, if any, on or principal is payable (or in the case of redemption, the redemption date), then a Holder of record of the Capital Securities may directly institute a proceeding for enforcement of payment, on or after the respective due dates specified in the Debentures, to such Holder directly of the principal of or premium, if any, or interest on the Debentures having an aggregate principal amount equal to the aggregate liquidation amount of the Capital Securities of such Holder. The Institutional Trustee shall notify all Holders of the Capital Securities of any default actually known to the Institutional Trustee with respect to the Debentures unless (x) such default has been cured prior to the giving of such notice or (y) the Institutional Trustee determines in good faith that the withholding of such notice is in the interest of the Holders of such Capital Securities, except where the default relates to the payment of principal of or interest on any of the Debentures. Such notice shall state that such Indenture Event of Default also constitutes an Event of Default hereunder. Except with respect to directing the time, method and place of conducting a proceeding for a remedy, the Institutional Trustee shall not take any of the actions described in clause (i), (ii) or (iii) above unless the Institutional Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action, the Trust will not be classified as other than a grantor trust for United States federal income tax purposes.

In the event the consent of the Institutional Trustee, as the holder of the Debentures is required under the Indenture with respect to any amendment, modification or termination of the Indenture, the Institutional Trustee may request the written direction of the Holders of the Securities with respect to such amendment, modification or termination and shall vote with respect to such amendment, modification or termination as directed by a Majority in liquidation amount of the Securities voting together as a single class; provided, however, that where a consent under the Indenture would require the consent of a Super Majority, the Institutional Trustee may only give such consent at the written direction of the Holders of not less than the proportion in liquidation amount of such Securities outstanding which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. The Institutional Trustee shall not take any such action in accordance with the written directions of the Holders of the Securities unless the Institutional Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action, the Trust will not be classified as other than a grantor trust for United States federal income tax purposes.

A waiver of an Indenture Event of Default will constitute a waiver of the corresponding Event of Default hereunder. Any required approval or direction of Holders of the Capital Securities may be given at a separate meeting of Holders of the Capital Securities convened for such purpose, at a meeting of all of the Holders of the Securities in the Trust or pursuant to written consent. The Institutional Trustee will cause a notice of any meeting at which Holders of the Capital Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of record of the Capital Securities. Each such notice will include a statement setting forth the following information (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution

proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents. No vote or consent of the Holders of the Capital Securities will be required for the Trust to redeem and cancel Capital Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

Notwithstanding that Holders of the Capital Securities are entitled to vote or consent under any of the circumstances described above, any of the Capital Securities that are owned by the Sponsor or any Affiliate of the Sponsor shall not entitle the Holder thereof to vote or consent and shall, for purposes of such vote or consent, be treated as if such Capital Securities were not outstanding.

In no event will Holders of the Capital Securities have the right to vote to appoint, remove or replace the Administrators, which voting rights are vested exclusively in the Sponsor as the Holder of all of the Common Securities of the Trust. Under certain circumstances as more fully described in the Declaration, Holders of Capital Securities have the right to vote to appoint, remove or replace the Institutional Trustee.

6. Voting Rights - Common Securities

(a) Except as provided under Sections 6(b), 6(c) and 7 and as otherwise required by law and the Declaration, the Common Securities will have no voting rights.

(b) The Holders of the Common Securities are entitled, in accordance with Article IV of the Declaration, to vote to appoint, remove or replace any Administrators.

(c) Subject to Section 6.8 of the Declaration and only after each Event of Default (if any) with respect to the Capital Securities has been cured, waived or otherwise eliminated and subject to the requirements of the second to last sentence of this paragraph, the Holders of a Majority in liquidation amount of the Common Securities, voting separately as a class, may direct the time, method, and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under the Declaration, including (i) directing the time, method, place of conducting any proceeding for any remedy available to the Debenture Trustee, or exercising any trust or power conferred on the Debenture Trustee with respect to the Debentures, (ii) waiving any past default and its consequences that are waivable under the Indenture, or (iii) exercising any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable, provided, however, that, where a consent or action under the Indenture would require a Super Majority, the Institutional Trustee may only give such consent or take such action at the written direction of the Holders of not less than the proportion in liquidation amount of the Common Securities which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. Notwithstanding this Section 6(c), the Institutional Trustee shall not revoke any action previously authorized or approved by a vote or consent of the Holders of the Capital Securities. Other than with respect to directing the time, method and place of conducting any proceeding for any remedy available to the Institutional Trustee or the Debenture Trustee as set forth above, the Institutional Trustee shall not take any action described in clause (i), (ii) or (iii) above, unless the Institutional Trustee has obtained an opinion of tax counsel to the effect

that for the purposes of United States federal income tax the Trust will not be classified as other than a grantor trust on account of such action. If the Institutional Trustee fails to enforce its rights under the Declaration, to the fullest extent permitted by law any Holder of the Common Securities may institute a legal proceeding directly against any Person to enforce the Institutional Trustee's rights under the Declaration, without first instituting a legal proceeding against the Institutional Trustee or any other Person.

Any approval or direction of Holders of the Common Securities may be given at a separate meeting of Holders of the Common Securities convened for such purpose, at a meeting of all of the Holders of the Securities in the Trust or pursuant to written consent. The Administrators will cause a notice of any meeting at which Holders of the Common Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of the Common Securities. Each such notice will include a statement setting forth (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents.

No vote or consent of the Holders of the Common Securities will be required for the Trust to redeem and cancel Common Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

7. Amendments to Declaration and Indenture.

(a) In addition to any requirements under Section 11.1 of the Declaration, if any proposed amendment to the Declaration provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect the powers, preferences or special rights of the Securities, whether by way of amendment to the Declaration or otherwise, or (ii) the Liquidation of the Trust, other than as described in Section 7.1 of the Declaration, then the Holders of outstanding Securities, voting together as a single class, will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of not less than a Majority in liquidation amount of the Securities affected thereby; provided, however, if any amendment or proposal referred to in clause (i) above would adversely affect only the Capital Securities or only the Common Securities, then only the affected class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of a Majority in liquidation amount of such class of Securities.

(b) In the event the consent of the Institutional Trustee as the holder of the Debentures is required under the Indenture with respect to any amendment, modification or termination of the Indenture or the Debentures, the Institutional Trustee shall request the written direction of the Holders of the Securities with respect to such amendment, modification or termination and shall vote with respect to such amendment, modification, or termination as directed by a Majority in liquidation amount of the Securities voting together as a single class; provided, however, that where a consent under the Indenture would require a Super Majority, the Institutional Trustee may only give such consent at the written direction of the Holders of not less than the proportion in liquidation amount of the Securities which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding.

(c) Notwithstanding the foregoing, no amendment or modification may be made to the Declaration if such amendment or modification would (i) cause the Trust to be classified for purposes of United States federal income taxation as other than a grantor trust, (ii) reduce or otherwise adversely affect the powers of the Institutional Trustee or (iii) cause the Trust to be deemed an “investment company” which is required to be registered under the Investment Company Act.

(d) Notwithstanding any provision of the Declaration, the right of any Holder of the Capital Securities to receive payment of distributions and other payments upon redemption or otherwise, on or after their respective due dates, or to institute a suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder. For the protection and enforcement of the foregoing provision, each and every Holder of the Capital Securities shall be entitled to such relief as can be given either at law or equity.

8. Pro Rata. A reference in these terms of the Securities to any payment, distribution or treatment as being “Pro Rata” shall mean pro rata to each Holder of the Securities according to the aggregate liquidation amount of the Securities held by the relevant Holder in relation to the aggregate liquidation amount of all Securities outstanding unless, in relation to a payment, an Event of Default has occurred and is continuing, in which case any funds available to make such payment shall be paid first to each Holder of the Capital Securities Pro Rata according to the aggregate liquidation amount of the Capital Securities held by the relevant Holder relative to the aggregate liquidation amount of all Capital Securities outstanding, and only after satisfaction of all amounts owed to the Holders of the Capital Securities, to each Holder of the Common Securities Pro Rata according to the aggregate liquidation amount of the Common Securities held by the relevant Holder relative to the aggregate liquidation amount of all Common Securities outstanding.

9. Ranking. The Capital Securities rank pari passu with, and payment thereon shall be made Pro Rata with, the Common Securities except that, where an Event of Default has occurred and is continuing, the rights of Holders of the Common Securities to receive payment of Distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights of the Holders of the Capital Securities with the result that no payment of any Distribution on, or Redemption Price or Special Redemption Price of, any Common Security, and no other payment on account of redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions on all outstanding Capital Securities for all distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price or Special Redemption Price the full amount of such Redemption Price or the Special Redemption Price on all outstanding Capital Securities then called for redemption, shall have been made or provided for, and all funds immediately available to the Institutional Trustee shall first be applied to the payment in full in cash of all Distributions on, or the Redemption Price or the Special Redemption Price of, the Capital Securities then due and payable.

10. Acceptance of Guarantee and Indenture. Each Holder of the Capital Securities and the Common Securities, by the acceptance of such Securities, agrees to the provisions of the Guarantee, including the subordination provisions therein and to the provisions of the Indenture.

11. No Preemptive Rights. The Holders of the Securities shall have no, and the issuance of the Securities is not subject to, preemptive or similar rights to subscribe for any additional securities.

12. Miscellaneous. These terms constitute a part of the Declaration. The Sponsor will provide a copy of the Declaration, the Guarantee, and the Indenture to a Holder without charge on written request to the Sponsor at its principal place of business.

Distributions payable on each Capital Security will be payable at a variable per annum rate of interest, reset quarterly, equal to LIBOR (as defined in the Declaration) plus 2.75% (the "Coupon Rate") of the stated liquidation amount of \$1,000 per Capital Security (provided, however, that the Coupon Rate for any Distribution Payment Period may not exceed the highest rate permitted by New York law, as the same may be modified by United States law of general applicability), such Coupon Rate being the rate of interest payable on the Debentures to be held by the Institutional Trustee. Distributions in arrears for more than one quarterly period will bear interest thereon compounded quarterly at the then applicable Coupon Rate for each such quarterly period (to the extent permitted by applicable law). The term "Distributions" as used herein includes cash distributions, any such compounded distributions and any Additional Interest payable on the Debentures unless otherwise stated. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Institutional Trustee and to the extent the Institutional Trustee has funds legally available in the Property Account therefor. The amount of Distributions payable for any period shall be computed for any full quarterly Distribution period on the basis of a 360-day year and the actual number of days elapsed in the relevant Distribution Payment Period.

Except as otherwise described below, Distributions on the Capital Securities will be cumulative, will accrue from the date of original issuance and will be payable quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, commencing on December 15, 2007 (each, a "Distribution Payment Date"). Subject to prior submission of Notice (as defined in the Indenture), and so long as no Event of Default pursuant to paragraphs (c), (e), (f) or (g) of Section 5.01 of the Indenture has occurred and is continuing, the Debenture Issuer has the right under the Indenture to defer payments of interest on the Debentures by extending the interest distribution period for up to 20 consecutive quarterly periods (each, an "Extension Period") at any time and from time to time on the Debentures, subject to the conditions described below, during which Extension Period no interest shall be due and payable (except any Additional Interest that may be due and payable). During any Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest (such accrued interest and interest thereon referred to herein as "Deferred Interest") will accrue at an annual rate equal to the Coupon Rate in effect for each such Extension Period, compounded quarterly from the date such Deferred Interest would have been payable were it not for the Extension Period, to the extent permitted by law. No Extension Period may end on a date other than a Distribution Payment Date. At the end of any such Extension Period, the Debenture Issuer shall pay all Deferred Interest then accrued and unpaid on the Debentures; provided, however, that no Extension Period may extend beyond the Maturity Date, Redemption Date (to the extent redeemed) or Special Redemption Date. Prior to the termination of any Extension Period, the Debenture Issuer may further extend such period; provided, that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date, Redemption Date (to the extent redeemed) or Special Redemption Date. Upon the termination of any Extension Period and upon the payment of all Deferred Interest, the Debenture Issuer may commence a new Extension Period, subject to the foregoing requirements. No interest or Deferred Interest (except any Additional Amounts that may be due and payable) shall be due and payable during an Extension Period, except at the end thereof, but Deferred Interest shall accrue upon each installment of

interest that would otherwise have been due and payable during such Extension Period until such installment is paid. If Distributions are deferred, the Distributions due shall be paid on the date that the related Extension Period terminates to Holders of the Securities as they appear on the books and records of the Trust on the record date immediately preceding such date. Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds legally available for the payment of such distributions in the Property Account of the Trust. The Trust's funds available for Distribution to the Holders of the Securities will be limited to payments received from the Debenture Issuer. The payment of Distributions out of moneys held by the Trust is guaranteed by the Guarantor pursuant to the Guarantee.

The Capital Securities shall be redeemable as provided in the Declaration.
