C. In accordance with that certain Agreement for Medical Technology Research, Development, Innovation, and Commercialization Alliance, effective as of May 1, 2015, between Landlord and Tenant ("Alliance Agreement"), Landlord desires to sublease to Tenant and Tenant desires to sublease from Landlord the Leased Premises on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and of the representations and agreements contained in this Sublease Agreement, the parties agree as follows:

1. **Leased Premises.** Landlord hereby leases to Tenant and Tenant agrees to lease from Landlord approximately Fifty-One Thousand (51,000) rentable square feet (the "Leased Premises"), including 14,000 square feet for a formulation testing lab and pilot plan, 2,000 square feet for a chemistry lab for a biological and analytical testing lab, 24,000 square feet for office and training space, 3,000 square feet for mechanicals, and related infrastructure, located on the sixth (6th) floor of the building ("Building") located on the Property, upon the terms and conditions set forth in this Sublease Agreement, which Leased Premises are depicted with more particularity on **Exhibit B** attached hereto.

The net rentable area shall include a common area factor which shall be included in the calculation of Base Rent (hereinafter defined), and Additional Rent (hereinafter defined) for the Leased Premises.

In determining the number of rentable or useable square feet, all measurements shall be performed pursuant to the standards and methods of measurement set forth by the Building Owners and Managers Association International (BOMA) Office Buildings: Standard Methods of Measurement and Calculating Rentable Area (2010) ("BOMA 2010"). If the amount of rentable square feet of the Leased Premises is adjusted by Landlord and Prime Landlord under the Prime Lease, then Landlord and Tenant shall amend this Sublease Agreement in accordance with the adjustment under the Prime Lease.

2. **Landlord's Work.** Consistent with Sections 5.1(e)-(f) and Exhibit C of the Alliance Agreement, Landlord's obligation with respect to the Leased Premises shall be as set forth on **Exhibit C**, attached hereto and incorporated herein. Landlord will use its best efforts to have the office space included within the Leased Premises substantially completed no later than October 1, 2015 and the lab/technical space included within the Leased Premises substantially completed no later than March 31, 2016. In accordance with Section 5.1(g) of the Alliance Agreement, under no circumstances will Landlord's costs for the Premises and the Laboratory Equipment identified in **Exhibit C** exceed \$25 million in the aggregate.

3. **Term.** The term of this Sublease Agreement shall be for ten (10) Lease Years (the "Term"), commencing on August 1, 2015 ("Commencement Date") and ending on the last day of the tenth (10th) Lease Year unless sooner terminated as permitted in this Lease. Tenant shall begin to pay Landlord Base Rent and Additional Rent for the Leased Premises on August 1, 2015 (the "Rent Commencement Date"). If fit-up for the Leased Premises is not completed by August 1, 2015, then Tenant will be allowed to begin moving into the Leased Premises while fit-up is being finalized. The term "Lease Year" as used herein shall mean a period of twelve (12) consecutive full calendar months (except for the first Lease Year, which may be longer). The first Lease Year shall commence on the Commencement Date. The first Lease Year shall expire at midnight on the last day of the twelfth (12th) full month following Rent Commencement Date. Succeeding Lease Years shall each commence on the first (1st) day following the end of the preceding Lease Year. Tenant shall have the option to extend the Term of the Sublease Agreement for an additional ten (10) year period. This option to extend the Term may be exercised by Tenant by providing written notice to Landlord at least forty-eight months prior to the end of the Term. If Tenant does not timely exercise its option to extend the Term of this Sublease Agreement, or if an event of default has occurred and remains uncured by Tenant, then such option is null and void and be of no further force or effect. In no event shall the Term of this Sublease Agreement extend beyond the term of the Prime Lease.

4. **Use.**

Tenant shall occupy, use and operate the Leased Premises solely for uses permitted under the terms of the Ground Lease (as hereinafter defined), and no other purposes (collectively the "Permitted Uses"). Tenant shall not use or allow the Leased Premises or any part thereof to be used or occupied for an unlawful purpose or in violation of any certificate of occupancy or completion affecting the Leased Premises or in any manner which may constitute a nuisance, public or private, or make void or voidable any insurance then in force with respect thereto.

Tenant shall at its own cost and expense promptly observe and comply with all laws, ordinances, requirements, orders, directives, rules and regulations of the federal, state, county, or municipal governments and of all governmental authorities (collectively, "Laws") affecting its occupancy of and conduct of its business at the Leased Premises, whether the same are in force at the commencement of the term of this Sublease Agreement or may be in the future passed, enacted or directed.

5. Rent.

Tenant covenants and agrees to pay to Landlord base rent ("Base Rent") as follows:

<u>Lease Years</u>	<u>Base Rent Per Rentable Square Foot Per Lease Year</u>	
1-3	\$	8.15
4-10	\$	25.30

If Tenant's option to extend the term is exercised Tenant covenants and agrees to pay to Landlord base rent ("Base Rent") as follows:

11-15	\$27.32
16-20	\$29.35

One-twelfth of annual Base Rent and Additional Rent shall be paid in advance by Tenant to Landlord without notice on the first day of each month without offset or deduction to Landlord, in its name, at 257 Fuller Road, Albany, New York 12203, or to such other address or payee as Landlord may designate in writing. In the event that the Commencement Date is other than on the first of the month, then Base Rent and Additional Rent for the balance of the month shall be pro-rated accordingly and paid on or prior to the Commencement Date and the full term of the Lease shall commence on the first day of the following month.

Tenant shall be required to pay any applicable taxes levied against rental payments made hereunder including, but not limited to, any sales, use or similar tax imposed on rent, if any.

Tenant agrees to pay all rents and other charges under the terms of this Lease when they are due and payable. Any Base Rent or Additional Rent or other sums due and payable pursuant to this Lease remaining unpaid five (5) days after due date or any other charges remaining unpaid ten (10) days after receipt of invoice shall accrue interest at the Interest Rate as defined in **Section 12** below from such tenth (10th) day, until paid.

6. Tenant's Pro Rata Share of Operating Costs

(a) Beginning effective as of the Rent Commencement Date, Tenant shall pay to Landlord as Additional Rent its pro rata share of (i) all state and local real estate taxes and assessments (including any sewer charges included in the tax bill), and payments in lieu thereof, and all other charges and assessments imposed upon the Property, (ii) premiums for fire, casualty, rent, liability and other insurance maintained by Landlord, including, without limitation, coverage for such perils as may be reasonably required by Landlord's lender as may exist from time to time ("Mortgagee") or as is desired by Landlord and is, in Landlord's opinion, prudent for the Building and Property and (iii) the costs of all services performed by Landlord, including, without limitation, those set forth in **Exhibit D** [(i), (ii) and (iii) collectively being "Operating Costs"]. Operating Costs shall include a management fee of not more than five percent (5%). If Landlord or Tenant secures a reduction or exemption from real property taxes related solely to the Leased Premises, Tenant will be solely entitled to such reduction or abatement. Any other reduction or abatement shall be allocated among all tenants of the Building proportionately in accordance with their respective rentable square footage.

(b) Beginning effective as of the Commencement Date and thereafter prior to December 15th of each calendar year Landlord shall deliver to Tenant Landlord's reasonable estimate of the aggregate amount which will be incurred by Landlord for the Operating Costs during the forthcoming calendar year or, in the first or last year of the term, the applicable part thereof. Tenant shall pay as Additional Rent by the first day of each month of a full or partial calendar year during the term of this Sublease Agreement, that fraction of Tenant's pro rata share for such full or partial calendar year, the numerator of which shall be one (1) and the denominator of which shall be twelve or the number of months in the term occurring in such year. As soon as reasonably possible after the completion of each year, but in no event later than April 1st, or, in the final year of the term, as soon as reasonably possible after completion of the term, Landlord shall deliver to Tenant a statement of the actual Operating Costs incurred during such year or applicable part thereof and Tenant shall remit to Landlord within thirty (30) days thereafter the amount, if any, by which Tenant's pro rata share thereof exceeds the aggregate amount paid by Tenant toward the Operating Costs during such year or applicable part thereof. In the event that the aggregate amount paid by Tenant exceeds its actual pro rata share, Landlord shall credit such excess against Tenant's estimated payments toward its pro rata share of the Operating Costs for the next year or, except that if in the final Lease Year, the amount paid by Tenant as estimated Operating Costs for such final Lease Year exceeds the actual Operating Costs for such Lease Year, Landlord shall remit such excess to Tenant no later than thirty (30) days after expiration of the final Lease Year.

(c) For purposes of this **Section 6**, Tenant's pro rata share of each component of Operating Costs shall be that fraction, the numerator of which is the number of rentable square feet leased by Tenant and the denominator of which is the number of rentable square feet of space in the Building or (if any service is not applicable to all tenants), in that portion of the Building to which such component is applicable. Not less than thirty (30) days prior to the Commencement Date, Landlord shall provide Tenant with written confirmation as to the rentable square footage.

The obligations of the parties relating to Tenant's payment of its pro rata share of the Operating Costs for the year in which this Sublease Agreement expires shall survive the expiration of this Sublease Agreement.

7. **Landlord's Services.** Provided that Tenant is not in default of any of the terms, conditions or provisions contained in this Sublease Agreement, Prime Landlord shall, during the Term of this Sublease Agreement, and subject to Tenant's obligation to pay its pro rata share thereof in accordance with **Section 6**, provide those services listed in **Exhibit D** attached hereto and made a part hereof. Unless otherwise specified, such services shall be provided from 8:00 a.m. to 6:00 p.m. Mondays through Fridays and from 9:00 a.m. to 1:00 p.m. on Saturdays, holidays excluded ("Normal Business Hours"). Prime Landlord shall generally provide janitorial services after Normal Business Hours. Landlord shall not be required to provide or perform any services except as specifically set forth herein and in **Exhibit D**.

8. **Utilities.** Tenant shall be responsible for obtaining and shall pay for all gas, water, telephone service, information technology services, sewer (to the extent not included in the tax bill as sewer rent), electricity and other utility services used in or to be supplied for the Leased

Premises, including any deposits for meters and/or service. Prime Landlord will install a "check" or "sub" meter at Prime Landlord's expense to measure Tenant's water and/or other utility usage within the Leased Premises. Tenant shall pay for water and/or other utility usage as Additional Rent within thirty (30) days after receipt of an invoice from Landlord. Electricity usage by Tenant shall be pursuant to the terms and conditions set forth in the Electricity Rider attached hereto as **Exhibit E**.

9. Maintenance and Repairs.

(a) Tenant shall, at its sole expense, be responsible for maintaining the Leased Premises in a good, orderly and safe condition and shall notify Landlord of all repairs required to be made thereto.

(b) Prime Landlord or Landlord shall, at Tenant's sole expense: (i) make all repairs required to the Leased Premises, including, without limitation, repairs to those components of the heating, ventilating and air-conditioning ("HVAC"), plumbing, water, electrical, and sprinkler (if any) systems which are located within the Leased Premises or serve the Leased Premises exclusively; and (ii) repair any damage to the Property, the Leased Premises, the Building or any appurtenances thereto caused by the misuse or negligence of Tenant, its employees or invitees. The cost of any services provided by Landlord or Prime Landlord at Tenant's expense shall be payable by Tenant as Additional Rent within 30 days after receipt of a statement for same.

(c) Prime Landlord shall, at Prime Landlord's sole expense, provide structural repairs to the foundation roof, loadbearing walls, exterior walls, loadbearing columns of the Building and the common areas of the Property as needed in its reasonable judgment, unless caused by the misuse or negligence of Tenant, its employees or invitees.

(d) Subject to Tenant's obligation to pay its pro rata share of Operating Costs, Prime Landlord shall provide the maintenance and repairs listed on **Exhibit D**.

(e) Tenant shall not be entitled to any partial or total abatement of Base Rent for periods during which repairs are required to be made pursuant to **Section 9**, whether such repairs are the responsibility of Landlord or Tenant.

10. Access to the Leased Premises. Tenant agrees that Landlord or Prime Landlord and their agents shall have the right to enter the Leased Premises: (a) during normal business hours upon giving Tenant least 24 hours advance notice to inspect, show to existing or prospective mortgagees, purchasers or, during the last nine (9) months of the Term hereof, tenants; (b) in the event of a bona fide emergency at any time and without notice; and (c) at such times as may be necessary or desirable to provide repairs or janitorial services, if applicable.

11. Quiet Enjoyment. Landlord covenants that so long as Tenant is not in default hereunder, it shall and may peaceably and quietly have, hold and enjoy the Leased Premises during the Term of this Sublease Agreement and any renewal or extension hereof, subject to the provisions hereof, and any easements, restrictions or agreements to which the Leased Premises are now or shall hereafter be subject.

12. **Alterations.** Except for normal office decorations which do not damage the Leased Premises (whether upon their installation, removal or otherwise), Tenant shall make no alterations, additions or improvements (collectively, "Alterations") in or to the Leased Premises without Landlord's prior written consent. Landlord shall not unreasonably condition, withhold or delay its consent to any Alteration subject to Prime Landlord and/or Mortgagee approval (if such consent is required). In the event that Landlord consents to any Alterations they shall be made at Tenant's sole expense, and Tenant shall, before making any such Alterations, obtain all permits, approvals and certificates required by any governmental body or agency, and certificates of final approval thereof, and shall deliver promptly duplicates of all such permits, approvals and certificates to Landlord. Tenant agrees to carry, or to cause its contractor and subcontractors to carry, such workers' compensation, general liability, personal and property damage insurance as Landlord may require. Tenant shall compensate Landlord for Landlord's reasonable out-of-pocket expenses in reviewing any plans and/or specifications for any proposed Alteration, whether or not Landlord consents to the making of same. Any amounts due from Tenant and not paid within thirty (30) days of when invoiced shall incur interest at a rate that is the greater of five percent (5%) above the then prime interest rate or twelve percent (12%) per annum (the "Interest Rate").

Notwithstanding anything to the contrary in this Sublease Agreement, Tenant agrees to defend, indemnify and hold Landlord harmless from and against all losses, expenses, costs (including reasonable attorneys' fees), claims, fines, penalties, suits, causes of action and damages, including, without limitation, personal injury or death, arising from or connected with any Alterations or other work done by Tenant or any contractor or subcontractor retained by or on behalf of Tenant, regardless of whether such Alteration or other work was performed with Landlord's consent, except to the extent caused by the gross negligence or willful misconduct of Landlord.

Tenant has no authority or power to cause or permit any lien or encumbrance, created by act or omission of Tenant to be attached to or be placed upon the Property, and any and all liens and encumbrances created by Tenant shall be attached only to its interest in the Leased Premises. Any lien or claim of lien filed against the Leased Premises for work claimed to have been done for, or for materials claimed to have been furnished to, Tenant shall, within thirty (30) days thereafter, be discharged by Tenant, or, at the discretion of Tenant, be bonded pursuant to the New York Lien Law, at Tenant's expense. If Tenant fails to discharge (or, if permitted, bond) any such liens, then Landlord may, at its option, bond or discharge such lien, and the costs incurred by it in such discharge or bonding shall be due from Tenant on demand and shall bear interest at the Interest Rate.

13. **Liability.** Tenant shall defend, indemnify and hold harmless Landlord, Prime Landlord, each Mortgagee, the State University of New York Polytechnic Institute, The Research Foundation for the State University of New York (collectively the "Landlord Parties") and their respective members, agents and employees (collectively, together with the Landlord Parties, the "Indemnified Parties") from and against all causes of action, claims, damages, losses and expenses, including reasonable attorneys' fees, resulting from or arising out of bodily injury or death, or damage to or destruction of property, in connection with Tenant's use or occupancy of the Leased Premises, whether the same be asserted by third parties, Tenant or Tenant's agents, contractors, employees, invitees or licensees, except, as to Landlord Parties, to the extent caused by Landlord Parties or Landlord Parties' agents, contractors, employees, invitees or licensees

negligence or intentional misconduct and except, as to a Mortgagee, to the extent caused by the gross negligence or intentional misconduct of such Mortgagee or its agents, contractors, employees, invitees or licensees.

Moreover, Landlord Parties shall not be liable for any damage or injury to any improvements to the Leased Premises made by Tenant, to any property in the Leased Premises, or to Tenant, its agents, contractors, employees, invitees or licensees, arising from any use or condition of the Leased Premises including, without limitation, any injury or damage to persons or property resulting from fire, explosion, collapse, falling plaster, steam, gas, electricity, water, rain or snow or leaks from any part of the Leased Premises or from the pipes, sprinklers, appliances or plumbing works or from the roof, street or subsurface or from any other place or by dampness or by any other cause whatsoever, except, as to Landlord or Prime Landlord, to the extent caused by Landlord or Prime Landlord or their agents, contractors, employees, invitees or licensees negligence or intentional misconduct.

In no event shall Landlord Parties be responsible for consequential or indirect damages.

14. Insurance.

(a) Tenant shall, at its expense, at all times during the Term of this Sublease Agreement maintain in force a policy or policies with insurance carriers acceptable to Mortgagee of (i) commercial general liability insurance, including contractual liability for Tenant's obligations of indemnity hereunder and liability for both bodily injury and property damage, against claims for loss of life, bodily injury and property damage occurring in, on or about the Leased Premises or with respect to the operations of Tenant in the Leased Premises, in which the limit of public liability coverage shall be not less than Five Million Dollars (\$5,000,000) for combined single limit bodily injury, death, and property damage liability (the "CGL Policy"), (ii) fire, casualty and extended risk insurance covering Tenant's property and inventory used or stored at the Leased Premises and (iii) worker's compensation and employer's liability coverage providing statutorily required benefits. The CGL Policy shall be written on ISO Occurrence form CG 00 01 10/01 or a substitute form providing equivalent coverage and shall cover liability arising from premises and operations, independent contractors, [products-completed operations and personal and advertising injury] and liability assumed under an insured contract (including tort liability of another assumed in a business contract). If the CGL Policy contains a General Aggregate limit, such General Aggregate limit shall apply separately to each location. Landlord Parties shall be included as additional insureds, using ISO Additional Insured Endorsement CG 20 10 11/85 or both CG 20 10 10/01 and CG 20 37 10/01 or equivalent coverage to the additional insured. Coverage for Landlord and each other additional insured shall be as broad as the coverage for Tenant and shall apply as primary insurance on a non-contributory basis before any other insurance or self-insurance, including any deductible, maintained by or provided to Landlord or such other additional insured. Each such policy of insurance shall be written by one or more insurance companies licensed to do business in the State of New York with an AM Best rating of A-VIII or better, shall name Landlord Parties as additional insureds and as the certificate holders thereof, with express waivers of subrogation against Landlord Parties, and shall provide that if the insurers cancel such insurance for any reason whatsoever, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such

cancellation lapse, expiration, reduction or change shall not be effective as to Landlord Parties until thirty (30) days after receipt by Landlord Parties, as the case may be, of written notice thereof. A copy of each policy and endorsement shall be delivered to Landlord Parties on or before the commencement of the Term of this Sublease Agreement, and copies of all policies and endorsements with respect to all renewals, extensions or replacements thereof shall thereafter be furnished to Landlord Parties at least thirty (30) days prior to the expiration or cancellation of any policies and endorsements which they replace. Tenant shall promptly (and in any event at least five (5) business days prior to the date on which notice is required to be given to the insurer under such policies) notify both Landlord and the insurer in writing of any occurrence which might give rise to a claim under any of the policies required to be maintained by Tenant under this Sublease Agreement. Tenant further agrees to comply in timely fashion with all of the obligations of the insured under each such policy and shall defend, indemnify and hold Landlord Parties harmless from any liability, loss, cost and/or expense suffered or incurred by Landlord Parties as a result of Tenant's failure to comply with the provisions of this **Section 14(a)**.

(b) Subject to Tenant's obligation to pay a portion of the cost thereof as a component of the Operating Costs, Prime Landlord will carry the insurance described in item 5 of **Exhibit D**.

(c) Tenant shall also give Landlord written notice thereof as soon as reasonably practical after it becomes aware of any occurrence or incident which might give rise to a claim against Landlord, including, without limitation, any incident or occurrence within the Leased Premises, the common areas of the Building, the parking lot or elsewhere on the Property.

15. **Fire or Other Casualty.** In the event that the Leased Premises shall be rendered untenantable by fire or other casualty, Landlord shall be entitled to the proceeds of all applicable insurance maintained by Landlord, and shall, at its option, either (a) terminate this Sublease Agreement by giving Tenant written notice thereof within forty-five (45) days from the later to occur of (i) the date of said damage or destruction or (ii) notification from a Mortgagee that it shall not permit the entire insurance proceeds required for restoration of the Building to be used for such purpose (the "Notice Date"), or (b) repair or replace the Leased Premises to substantially the same condition as prior to the damage or destruction (exclusive of Alterations made by Tenant). If Landlord fails to commence to repair the damage or destruction to the Property within seventy-five (75) days following the date of such damage or destruction, or if the Leased Premises shall not have been substantially replaced or repaired as expeditiously as possible, but in no event more than three hundred sixty five (365) days after the date Landlord commences the repair of such damage or destruction, Tenant may at its option, terminate this Sublease Agreement by giving written notice to Landlord within fifteen (15) days after Landlord's failure to commence or substantially complete said repairs within the applicable time period. The Base Rent and Additional Rent herein required to be paid shall abate during the period of such untenantability, to the extent that such abatement is covered by Prime Landlord's rent insurance (or, if Prime Landlord has failed to obtain rent insurance in accordance with item 5 of Exhibit D, to the extent that the abatement would have been covered had Prime Landlord obtained such insurance). Whether or not all or any part of the Leased Premises has been rendered untenantable thereby, Landlord shall also have the option to terminate this Sublease Agreement if such a substantial portion of the Building is damaged by fire or other casualty that Landlord decides not to rebuild. Landlord may exercise its option by giving Tenant written notice thereof on or before the Notice Date.

If the Leased Premises shall be damaged in part by fire or other casualty, but still remain partially tenable, Landlord shall repair the Leased Premises to substantially the same condition as prior to the damage (exclusive of Alterations made by Tenant). Landlord shall commence repair of the damage or destruction within sixty (60) days from the date of occurrence and complete them with reasonable diligence. During the period of such repairs and restorations, this Sublease Agreement shall continue in full force and effect, and Tenant shall be required to pay the Base Rent and Additional Rent herein reserved, abated by the percentage of area the Leased Premises destroyed as compared to the total area of the Leased Premises, to the extent that such abatement is covered by Prime Landlord's rent insurance (or, if Prime Landlord has failed to obtain rent insurance in accordance with item 5 of **Exhibit D**, to the extent that the abatement would have been covered had Prime Landlord obtained such insurance).

16. **Eminent Domain.** In the event that all or any portion of the Building shall be taken by any governmental authority under the exercise of its right of eminent domain or similar right (or by act in lieu thereof), all right, title and interest in and to any award granted (or sums paid in lieu thereof) shall belong entirely to Landlord, and Tenant hereby assigns to Landlord all of its interest, title or claim, if any, in and to such award (or sums paid in lieu thereof), including, but not limited to, any part of such award attributable to Tenant's leasehold interest, if any. Nothing contained herein shall preclude Tenant from seeking a separate award from the condemning authority for its relocation expenses and loss of any trade fixtures. In the event of a partial permanent taking, Base Rent and Additional Rent shall be reduced as of the date of such taking by an amount which shall equitably reflect the portion of the Leased Premises taken. If the taking is permanent and of such a substantial nature that (a) it includes more than 25% of the Leased Premises and (b) Tenant cannot conduct its operations in the Leased Premises, Tenant shall have the option, to be exercised by notice in writing to Landlord within thirty (30) days after such taking, of terminating this Sublease Agreement, or, if such taking be total, this Sublease Agreement shall terminate upon the taking. In the event that this Sublease Agreement is terminated pursuant to this **Section 16**, Tenant shall not have any claim against Landlord for the balance of the unexpired Term of this Sublease Agreement.

17. **Subordination; Non-Disturbance.** This Sublease Agreement is subject and subordinate to each Mortgage which now encumber or shall hereafter encumber the Property. On the Commencement Date, Prime Landlord shall furnish Tenant with an executed, nondisturbance agreement in the form attached hereto as **Exhibit F** from the holder of each mortgage encumbering the Building as of such date.

18. **Estoppel Certificate.** Tenant shall, once annually, upon not less than twenty (20) days' prior written request by Landlord, execute, acknowledge and deliver to Landlord a written estoppel certificate in such form as Landlord may reasonably require, certifying that this Sublease Agreement is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications), the dates to which the Base Rent and Additional Rent have been paid, whether or not to the best of Tenant's knowledge Landlord is in default hereunder (and if so, specifying the nature of the default), and such other matters as may be required by any Mortgagee or purchaser of the Property, it being intended that any such statement delivered pursuant to this **Section 18** may be relied upon by a prospective purchaser of Landlord's interest or by a Mortgagee, prospective Mortgagee or any assignee or prospective assignee of any Mortgage.

19. Default.

(a) Any one or more of the following events shall constitute an "Event of Default" hereunder:

(i) If any representation or warranty made by Tenant herein or in connection with any Mortgage shall prove to be false, misleading or incorrect in any material respect as of the date made; or

(ii) If Tenant fails to pay any installment of Base Rent or Additional Rent or any other sum to be paid by Tenant within ten (10) days after it is due (any monetary amounts due Landlord pursuant to this Sublease Agreement shall be considered to be Additional Rent); or

(iii) If Tenant fails to remedy a default by it with respect to any of the other covenants, conditions and agreements contained herein or in any rider, exhibit or other addendum hereto, within thirty (30) days after notice thereof; provided, however, that if the default is of such a nature that it cannot reasonably be cured within thirty (30) days, the foregoing shall not be an Event of Default provided that Tenant: (A) within said thirty (30) day period delivers to Landlord written notice of its intention to cure; (B) commences the cure within said thirty (30) day period; and (C) diligently continues to prosecute the cure; and (D) completes the cure prior to the expiration of the applicable grace period under any Mortgage; or

(iv) If Tenant abandons or vacates the Leased Premises or ceases to conduct its business therein; provided, however, that the foregoing shall not constitute an Event of Default if and for so long as Tenant (A) notifies Landlord at least thirty (30) days prior to vacating the Leased Premises; and (B) continues to pay all Base Rent and Additional Rent due hereunder and to perform all of its obligations hereunder in timely fashion; and (C) pays increased insurance premiums, if any, occasioned by its vacating the Leased Premises; and (D) provides reasonable security measures for the Leased Premises reasonably satisfactory to Landlord; or

(v) If (A) a petition in bankruptcy is filed by Tenant, any guarantor, or any other person or entity that becomes liable for the performance of the obligations of Tenant (any guarantor or such other person or entity being a "Responsible Party"), or (B) proceedings under any bankruptcy or debtor's relief law or seeking the appointment of a receiver or similar relief are commenced against Tenant or a Responsible Party and are not dismissed within thirty (30) days, or (C) Tenant or a Responsible Party becomes insolvent or admits in writing its inability to pay its debts as they become due, or (D) proceedings are commenced by Tenant or a Responsible Party seeking the appointment of a receiver or similar relief.

(b) If an Event of Default shall occur, Landlord may, in addition to any other right or rights or damages which Landlord may have pursuant to subsection (c) below, serve a written three (3) days' notice of cancellation of this Sublease Agreement upon Tenant, and upon the expiration of said three (3) days, this Sublease Agreement and the Term hereunder shall end and expire as fully and completely as if the date of expiration of such three (3) days period were the day herein definitely fixed for the end and expiration of this Sublease Agreement and the Term thereof, and Tenant shall then quit and surrender the Leased Premises to Landlord, but Tenant shall remain liable as hereinafter provided. If the three (3) day notice of cancellation shall have been

given, and the Term shall expire as aforesaid, or if any execution or attachment shall be issued against Tenant or any of Tenant's property whereupon the Leased Premises shall be taken or occupied by someone other than Tenant, then and in either of such events Landlord may, without notice, re-enter the Leased Premises and dispossess Tenant and the legal representative of Tenant or other occupant of the Leased Premises by summary proceedings or otherwise, and remove their effects and hold the Leased Premises as if this Sublease Agreement had not been made, but Tenant shall remain liable hereunder as hereinafter provided.

(c) Should an Event of Default occur Landlord shall have the following options in addition to any rights or remedies set forth above:

(i) Landlord may collect from Tenant any other loss or damage Landlord may sustain by reason of any breach and any diminished value of the Leased Premises resulting from said breach;

(ii) in the event of a breach by Tenant of any of the covenants or provisions of this Sublease Agreement, Landlord shall have the right to enjoin any such; or

(iii) Landlord may cure such default by Tenant at Tenant's expense, and upon completion of such cure by Landlord Tenant shall, upon demand and as Additional Rent, reimburse Landlord for all costs in connection therewith.

(d) Any and all rights and remedies which Landlord may have under this Sublease Agreement and any rider hereto attached and made a part hereof and at law or in equity shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of such rights and remedies may be exercised at the same time. Notwithstanding anything contained herein to the contrary, Landlord hereby agrees, following the occurrence of an Event of Default, to use commercially reasonable efforts to mitigate its damages.

20. Failure to Insist on Strict Performance The failure of either party to insist, in any one or more instances, upon strict performance of any covenant, term, provision or agreement of this Sublease Agreement shall not be construed as a waiver or relinquishment thereof, but the same shall continue and remain in full force and effect, notwithstanding any law, usage or custom to the contrary. The receipt by Landlord of Base Rent and/or Additional Rent with knowledge of the breach of any covenant or agreement hereunder shall not be deemed a waiver of the rights of Landlord with respect to such breach. No waiver by a party of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the waiving party.

21. Surrender of Leased Premises

(a) Tenant shall, upon the termination of this Sublease Agreement, by lapse of time or otherwise, return the Leased Premises to Landlord in as good condition as when received, loss by fire or other unavoidable casualty and reasonable wear and tear excepted. It is understood and agreed that the exception made as to "loss by fire or other unavoidable casualty" does not include damages, fires or casualties caused or contributed to by the act or neglect of Tenant, its servants, agents, employees, invitees or licensees, and not compensated for by insurance. Tenant shall surrender all keys to the Leased Premises and inform Landlord of all combinations on locks, safes and vaults therein.

(b) All installations, additions, fixtures, and permanent improvements in or upon the Leased Premises, whether placed there by Landlord or Tenant, including, without limitation, paneling, permanent partitions, railings, wall-to-wall carpeting and flooring, shall, at Landlord's option, become the property of Landlord and shall remain upon the Leased Premises at the termination of this Sublease Agreement without compensation, allowance or credit to the Tenant. Notwithstanding the aforesaid, Tenant shall remove any or all installments, additions, fixtures (whether or not trade fixtures) and/or improvements if so directed by Landlord at least thirty (30) days prior to the expiration or termination of the Term and shall repair any damage caused by such removal. Unless Landlord otherwise directs at least thirty (30) days prior to the expiration or termination of the Term, Tenant shall remove all telecommunications and data cabling installed by Tenant and repair all damage caused thereby.

(c) Any furniture, equipment, machinery or movable property owned by Tenant and brought onto the Leased Premises during Tenant's occupancy thereof and not removed at the termination of the Sublease Agreement shall be deemed to have been abandoned by Tenant and shall without any further act by Tenant, be conclusively deemed to have been conveyed by Tenant to Landlord as by bill of sale without further payment or credit by Landlord to Tenant and may be sold by Landlord or disposed of by Landlord as it sees fit. Any amount realized upon any such a sale shall be the property of Landlord. If Landlord directs Tenant to remove any or all of such property, Tenant shall remain liable for the cost of its removal and for the cost of restoring the Leased Premises after such removal.

(d) The provisions of this **Section 21** shall survive the termination or expiration of this Sublease Agreement, for the period of one (1) year.

22. **Holding Over.** Should Tenant fail to vacate the Leased Premises at the termination hereof, such holding over shall operate and be construed to be a tenancy from month to month only, at a base monthly rental equal to the base monthly rental paid for the last month of the Term of this Sublease Agreement plus fifty percent (50%) of such amount, unless otherwise agreed in writing, plus Additional Rent as provided herein and otherwise subject to the conditions, obligations and provisions of this Sublease Agreement. No such holding over or payment or acceptance of Base Rent or Additional Rent resulting therefrom shall constitute or be deemed reconfirmation or renewal of this Sublease Agreement. Nothing in this **Section 22** shall be construed as consent by Landlord to the possession of the Leased Premises after the expiration or termination of this Sublease Agreement.

23. **Expenses and Attorneys' Fees.** Tenant shall pay to Landlord as Additional Rent hereunder all reasonable attorneys' fees and expenses and all other expenses which may be incurred by Landlord (to the extent that same are not paid to Landlord pursuant to any insurance policies maintained by Tenant in accordance with this Sublease Agreement) in enforcing any of the obligations of Tenant under this Sublease Agreement or in any other litigation or dispute in which Landlord shall become involved through or because of Tenant's use or occupancy of the Leased Premises, any action or omission of Tenant, or the breach of any representations, warranties, covenants or agreements of Tenant contained in or relating to this Sublease Agreement.

No attempted assignment or subletting, whether with the consent of Landlord, Prime Landlord and each Mortgagee whose consent is required or in violation of this **Section 24**, shall relieve the original Tenant from liability for payment of rent or other sums due hereunder, or from being bound by any of the terms, conditions, covenants and agreements of this Sublease Agreement. No partial assignment of this Sublease Agreement will be permitted without Landlord's consent, which Landlord may grant or deny in Landlord's sole discretion.

(b) In the event that Landlord consents to any assignment, Tenant shall pay to Landlord 100% of the amount paid by the assignee for the assignment [net of Tenant's actual and reasonable costs for advertising, legal fees and broker's commissions in connection therewith ("Costs")]. In the event that Landlord consents to any sublease, Tenant shall pay to Landlord the amount, if any, by which the rentals thereunder exceed the rentals due from Tenant hereunder (net of Costs). Acceptance of rent from any other person or entity shall not be deemed a waiver of any of the provisions of this Sublease Agreement or to be a consent to the assignment of this Sublease Agreement or to the subletting, encumbrance or use or occupancy by another of the Leased Premises.

(c) In the event that Landlord, Prime Landlord and Mortgagees whose consent is required consent to any proposed assignment, subletting, encumbrance, or granting of a right of use or occupancy, such consent shall not be deemed to be a consent to any other or further assignment, subletting, encumbrance or granting of a right of use or occupancy.

35. **Execution and Delivery of Sublease Agreement.** In order to avoid delay, this Sublease Agreement has been prepared and submitted to Tenant by Landlord with the understanding that it shall not bind Landlord unless and until it is signed by Landlord and thereafter delivered to Tenant.

Landlord shall provide regular updates to Tenant and shall consult with Tenant regarding the planning, design and construction of the Building, it being the intention of the parties hereto that Tenant's input shall be obtained by Landlord in connection with the planning, design and construction of the Building. Accordingly, Kaleid Prime Landlord will have all rights and remedies available at law or in equity to enforce such provisions directly against Tenant or anyone claiming by or through Tenant. Parking

- Building users and tenants will have controlled access to 2 levels of below grade parking immediately below the building at market rates.
- Direct access from parking to the 1st Floor lobby via vertical cores.

Structure

- Occupancy Category II; Seismic Design Category B.
- Resistance to lateral wind and seismic forces will be provided by rigid frame action of the structural steel columns and beams. The lateral load-resisting frames will not extend to the perimeter of the building, but will be limited to the typical 30-foot by 30-foot bays, resulting in a lateral load-resisting “core” measuring approximately 120-feet by 180-feet.
- Floor girders and beams located on the column centerlines will have moment connections to the columns. These connections are anticipated to have field-welded flange-to-column connections and field-bolted single-sided shear connections. To simplify steel fabrication, the building will be designed without special seismic steel detailing.
- Floors 2 through 7 will be designed for a live load of 100 pounds per square foot, with live load reduction to accommodate flexibility in usage of the space. Live load reduction will not be permitted to exceed 35 pounds per square foot, for a minimum live load of 65 pounds per square foot.
- The mechanical penthouse will be designed to safely support a live load of 150 pounds per square foot, or the actual mechanical unit weights, whichever is greater.
- Roofs will be designed for code-required snow loads, including drifted snow, as applicable.
- Additional loads for any green roof areas and roof mechanical units outside the penthouse will be added at the roof above the seventh floor and above the mechanical penthouse.
- Supported floor construction on levels 2 through 7 will consist of 3,5-inch thick lightweight concrete over 2-inch, 20-gauge galvanized composite steel deck.
- The concrete will be reinforced with 6x6 W2.1 x W2.1 welded wire fabric, or Novomesh 850 steel and polypropylene fiber reinforcing, as manufactured by Propex.
- Typically, the floor beams will be 18 to 21 inches deep and spaced at 10-feet on center.
- The girders will be approximately 24 to 27 inches deep and will be located at the column centerlines.
- Estimated steel weight for the typical bay / typical floor construction is 12 pounds per square foot. Sizes and weights will increase somewhat at the mechanical room floor.
- Bar reinforcing will be installed over the floor beams to resist cracking of the slab.
- Beams will require cementitious spray fireproofing to meet anticipated fire-resistance requirements.
- The deck construction will not require fireproofing.
- Column bays will vary within the footprint, with the typical bay measuring 30-feet by 30-feet.
- Columns will be nominally 14-inch deep. At the lower levels, the columns will likely measure approximately 16-inches square.
- Bases will be considered pinned – transferring only axial and shear forces – to simplify coordination with the reinforced concrete columns of the below-grade parking garage. Bases will be exposed above the first floor slab and will likely measure 2-feet square.
- Columns will require cementitious spray fireproofing.
- Column splices are anticipated above the second, fourth, and mechanical penthouse floors.
- Coatless connections (pedestrian bridges) to adjacent building are not in the scope of this building. Criteria for any future coatless connections will be established by the landlord. Loads from any future coatless connections to the north and to the south that comply with the aforementioned criteria will be accommodated by the superstructure of this building at specific designated locations at the 2nd Floor. Any proposed future coatless connections to this building must be approved by the landlord.

Tenant shall, at its sole cost and expense, maintain, repair and replace such electrical meter during the term of the Lease. Tenant shall pay for its own utilities, including electricity, as shown on such meter(s) as and when bills are rendered.

(b) Tenant shall furnish and install all lighting tubes, lamps, bulbs and ballasts required in the Leased Premises, at Tenant’s expense. WHEREAS, Tenant and Mortgagee desire to agree upon the relative priorities of their interests in Landlord’s Premises and their rights and obligations if certain events occur.

NOW, THEREFORE, for good and sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, Tenant and Mortgagee agree as follows:

1. DEFINITIONS.

The following terms shall have the following meanings for purposes of this Agreement:

1.1 “Construction-Related Obligation” means any obligation of Landlord under the Lease to make, pay for, or reimburse Tenant for any alterations, demolition or other improvements or work at Landlord’s Premises, including Tenant’s Premises. Construction-Related Obligations shall not include: (a) reconstruction or repair following fire, casualty or condemnation; or (b) day-to-day maintenance and repairs.

1.2 “Foreclosure Event” means (a) foreclosure under the Mortgage; (b) any other exercise by Mortgagee of rights and remedies (whether under the Mortgage or under applicable law, including bankruptcy law) as holder of the Loan and/or the Mortgage, as a result of which Successor Landlord becomes owner of Landlord’s Premises; or (c) delivery by Landlord to Mortgagee (or its designee or nominee) of a deed or other conveyance of Landlord’s interest in Landlord’s Premises in lieu of any of the foregoing.

1.3 “Former Landlord” means Landlord and any other party that was landlord under the Lease at any time before the occurrence of any attornment under this Agreement.

1.4 “Offset Right” means any right or alleged right of Tenant to any offset, defense (other than one arising from actual payment and performance, which payment and performance would bind a Successor Landlord pursuant to this Agreement), claim, counterclaim, reduction, deduction, or abatement against Tenant’s payment of Rent or performance of Tenants other obligations under the Lease, arising (whether under the Lease or other applicable law) from Landlord’s breach or default under the Lease.

1.5 “Rent” means any fixed rent, base rent or additional rent under the Lease.

1.6 “Successor Landlord” means any party that becomes owner of Landlord’s Premises as the result of a Foreclosure Event.

2. SUBORDINATION. The Lease and all of Tenant’s rights thereunder shall be, and shall at all times remain, subject and subordinate to the Mortgage, the lien imposed by the Mortgage, and all indebtedness secured by the Mortgage.

3. NONDISTURBANCE, RECOGNITION AND ATTORNMENT.

3.1 No Exercise of Mortgage Remedies Against Tenant. So long as the Lease has not been terminated on account of Tenant’s default that has continued beyond applicable cure periods (an “Event of Default”), Mortgagee shall not name or join Tenant as a defendant in any exercise of Mortgagee’s rights and remedies arising upon a default under the Mortgage unless applicable law requires Tenant to be made a party thereto as a condition to proceeding against Landlord or prosecuting such rights and remedies. In the latter case, Mortgagee may join Tenant as a defendant in such action only for such purpose and not to terminate the Lease or otherwise adversely affect Tenant’s rights under the Lease or this Agreement in such action.

3.2 Nondisturbance and Attornment. If the Lease has not been terminated on account of an Event of Default by Tenant, then, when Successor Landlord takes title to Landlord’s Premises (“Attornment Date”): (a) Successor Landlord shall not terminate or disturb Tenant’s possession of Tenant’s Premises under the Lease, except in accordance with the terms of the Lease and this Agreement; (b) Successor Landlord shall be bound to Tenant under all the terms and conditions of the Lease (except as provided in this Agreement); (c) Tenant shall recognize and attorn to Successor Landlord as Tenant’s direct landlord under the Lease as affected by this Agreement; and (d) the Lease shall continue in full force and effect as a direct lease, in accordance with its terms (except as provided in this Agreement), between Successor Landlord and Tenant

3.3 Further Documentation. The provisions of this Article shall be effective and self-operative without any need for Successor Landlord or Tenant to execute any further documents. Tenant and Successor Landlord shall, however, confirm the provisions of this Article in writing upon request by either of them.

4. PROTECTION OF SUCCESSOR LANDLORD. Notwithstanding anything to the contrary in the Lease or the Mortgage, neither Mortgagee nor the Successor Landlord shall be liable for or bound by any of the following matters:

4.1 Claims Against Former Landlord. Any Offset Right that Tenant may have against any Former Landlord relating to any event or occurrence before the Attornment Date, including any claim for damages of any kind whatsoever as the result of any breach by Former Landlord that occurred before the Attornment Date. The foregoing shall not limit either (a) Tenant’s right to exercise against Successor Landlord any Offset Right otherwise available to Tenant because of events occurring after the Attornment Date; or (b) Successor Landlord’s obligation to correct any conditions that existed as of the Attornment Date and violate Successor Landlord’s obligations as Landlord under the Lease.

4.2 Prepayments. Any payment of Rent that Tenant may have made to Former Landlord more than thirty days before the date such Rent was first due and payable under the Lease with respect to any period after the Attornment Date other than, and only to the extent that, the Lease expressly required such a prepayment.

4.3 Payment; Security Deposit. Any obligation: (a) to pay Tenant any sum(s) that any Former Landlord owed to Tenant; or (b) with respect to any security deposited with Former Landlord. This paragraph is not intended to apply to Landlord’s obligation to make any payment that constitutes a “Construction-Related Obligation”.

4.4 A Modification, Amendment, or Waiver. Any modification or amendment of the Lease, or any waiver of any terms of the Lease, made without Mortgagee’s written consent.

4.5 Surrender, Etc. Any consensual or negotiated surrender, cancellation, or termination of the Lease, in whole or in part, agreed upon between Landlord and Tenant, unless effected unilaterally by Tenant pursuant to the express terms of the Lease.

4.6 Construction-Related Obligations. Any Construction-Related Obligation of Former Landlord, except as expressly provided for in Schedule B (if any) attached to this Agreement.

5. EXCULPATION OF SUCCESSOR LANDLORD. Notwithstanding anything to the contrary in this Agreement or the Lease, upon any attornment pursuant to this Agreement, the Lease shall be deemed to have been automatically amended to provide that Successor Landlord's obligations and liability under the Lease shall never extend beyond Successor Landlord's (or its successors' or assigns') interest, if any, in Landlord's Premises from time to time, including insurance and condemnation proceeds, Successor Landlord's interest in the Lease, and the proceeds from any sale or other disposition of Landlord's Premises by Successor Landlord (collectively, "Successor Landlord's Interest"). Tenant shall look exclusively to Successor Landlord's Interest (or that of its successors and assigns) for payment or discharge of any obligations of Successor Landlord under the Lease as affected by this Agreement. If Tenant obtains any money judgment against Successor Landlord with respect to the Lease or the relationship between Successor Landlord and Tenant, then Tenant shall look solely to Successor Landlord's Interest (or that of its successors and assigns) to collect such judgment. Tenant shall not collect or attempt to collect any such judgment out of any other assets of Successor Landlord.

6. MORTGAGEE'S RIGHT TO CURE.

6.1 Notice to Mortgagee. Notwithstanding anything to the contrary in the Lease or this Agreement, before exercising any Termination Right or Offset Right, Tenant shall provide Mortgagee with notice of the breach or default by Landlord giving rise to same (the "Default Notice") and, thereafter, the opportunity to cure such breach or default as provided for below.

6.2 Mortgagee's Cure Period. After Mortgagee receives a Default Notice, Mortgagee shall have a period of thirty (30) days beyond the time available to Landlord under the Lease in which to cure the breach or default by Landlord. Mortgagee shall have no obligation to cure (and shall have no liability or obligation for not curing) any breach or default by Landlord, except to the extent that Mortgagee agrees or undertakes otherwise in writing.

6.3 Extended Cure Period. In addition, as to any breach or default by Landlord the cure of which requires possession and control of Landlord's Premises, provided only that Mortgagee undertakes to Tenant by written notice to Tenant within thirty (30) days after receipt of the Default Notice to exercise reasonable efforts to cure or cause to be cured by a receiver such breach or default within the period permitted by this paragraph, Mortgagee's cure period shall continue for such additional time (the "Extended Cure Period") as Mortgagee may reasonably require to either (a) obtain possession and control of Landlord's Premises and thereafter cure the breach or default with reasonable diligence and continuity; or (b) obtain the appointment of a receiver and give such receiver a reasonable period of time in which to cure the default.

7. CONFIRMATION OF FACTS. Tenant represents to Mortgagee and to any Successor Landlord, in each case as of the date of this Agreement ("Effective Date"):

7.1 Effectiveness of Lease. The Lease is in full force and effect, has not been modified, and constitutes the entire agreement between Landlord and Tenant relating to Tenant's Premises. Tenant has no interest in Landlord's Premises except pursuant to the Lease. No unfulfilled conditions exist to Tenant's obligations under the Lease.

7.2 Rent. Tenant has not paid any Rent that is first due and payable under the Lease after the Effective Date.

7.3 No Landlord Default. To the best of Tenant's knowledge, no breach or default by Landlord exists and no event has occurred that, with the giving of notice, the passage of time, or both, would constitute such a breach or default.

7.4 No Tenant Default. Tenant is not in default under the Lease and has not received any uncured notice of any default by Tenant under the Lease.

7.5 No Termination. Tenant has not commenced any action nor sent or received any notice to terminate the Lease. Tenant has no presently exercisable Termination Right(s) or Offset Right(s).

7.6 Commencement Date. The "Commencement Date" of the Lease was , 19 /20 .

7.7 Acceptance. Except as set forth in Schedule B (if any) attached to this Agreement: (a) Tenant has accepted possession of Tenant's Premises; and (b) Landlord has performed all Construction-Related Obligations related to Tenant's initial occupancy of Tenant's Premises and Tenant has accepted such performance by Landlord.

7.8 No Transfer. Tenant has not transferred, encumbered, mortgaged, assigned, conveyed or otherwise disposed of the Lease or any interest therein, other than sublease(s) made in compliance with the Lease.

7.9 Due Authorization. Tenant has full authority to enter into this Agreement, which has been duly authorized by all necessary actions.

8. TENANT COVENANTS. Tenant covenants with the Mortgagee that now and continuing as long as the Mortgage shall remain unsatisfied of record as follows:

8.1 Rent Payment Notices. From and after Tenant's receipt of written notice from Mortgagee (a "Rent Payment Notice"), Tenant shall pay all Rent to Mortgagee or as Mortgagee shall direct in writing, until such time as Mortgagee directs otherwise in writing. Tenant shall comply with any Rent Payment Notice notwithstanding any contrary instruction, direction or assertion from Landlord. Mortgagee's delivery to Tenant of a Rent Payment Notice, or Tenant's compliance therewith, shall not be deemed to: (a) cause Mortgagee to succeed to or to assume any obligations or responsibilities as Landlord under the Lease, all of which shall continue to be performed and discharged solely by Landlord unless and until any attornment as occurred pursuant to this Agreement; or (b) relieve Landlord of any obligations under the Lease.

8.2 Tenant shall not subordinate the Lease to the lien of any other mortgage other than the Mortgage in favor of the Mortgagee.

8.3 If requested by the Mortgagee or the Successor Landlord, Tenant shall deliver to Mortgagee or the Successor Landlord (as the case may be) the same periodic deliveries (e.g., updated financial reports, updated estoppel certificates) it delivers to Landlord pursuant to the Lease.

9. MISCELLANEOUS.

9.1 Notices. Any demand or notice hereunder or under any applicable law pertaining hereto shall be in writing and duly given if delivered to any party (at the address on page one). Such notice or demand shall be deemed sufficiently given for all purposes when delivered (i) by personal delivery and shall be deemed effective when delivered, or (ii) by mail or courier and shall be deemed effective three (3) business days after deposit in an official depository maintained by the United States Post Office for the collection of mail or one (1) business day after delivery to a nationally recognized overnight courier service (e.g., Federal Express). Notice by e-mail is not valid notice under this agreement.

9.2 Successors and Assigns. This Agreement shall bind and benefit the parties, their successors and assigns, any Successor Landlord, and its successors and assigns, if Mortgagee assigns the Mortgage, then upon delivery to Tenant of written notice thereof accompanied by the assignee's written assumption of all obligations under this Agreement, all liability of the assignor shall terminate.

9.3 Interaction with Lease and with Mortgage. If this Agreement conflicts with the Lease, then this Agreement shall govern as between the parties and any Successor Landlord, including upon any attornment pursuant to this Agreement. This Agreement supersedes, and constitutes full compliance with, any provisions in the Lease that provide for subordination of the Lease to, or for delivery of nondisturbance agreements by the holder of, the Mortgage. Mortgagee confirms that Mortgagee has consented to Landlord's entering into the Lease.

9.4 Mortgagee's Rights and Obligations. Except as expressly provided for in this Agreement, Mortgagee shall have no obligations to Tenant with respect to the Lease. If an attornment occurs pursuant to this Agreement, then all rights and obligations of Mortgagee under this Agreement shall terminate, without thereby affecting in any way the rights and obligations of Successor Landlord provided for in this Agreement.

9.5 Interpretation; Governing Law. The interpretation, validity and enforcement of this Agreement shall be governed by and construed under the internal laws of the State of New York, excluding its principles of conflicts of laws. **TENANT HEREBY IRREVOCABLY CONSENTS TO THE EXCLUSIVE JURISDICTION OF ANY STATE OR FEDERAL COURT IN THE STATE OF NEW YORK IN A COUNTY OR JUDICIAL DISTRICT WHERE THE MORTGAGEE MAINTAINS A BRANCH, AND CONSENTS THAT THE MORTGAGEE MAY EFFECT ANY SERVICE OF PROCESS IN THE MANNER AND AT TENANT'S ADDRESS SET FORTH ABOVE.** Tenant acknowledges and agrees that the venue provided above is the most convenient forum for both the Mortgagee and Tenant. Tenant waives any objection to venue and any objection based on a more convenient forum in any action instituted under this Agreement.

9.6 Miscellaneous. This Agreement constitutes the entire agreement between Mortgagee and Tenant regarding the subordination of the Lease to the Mortgage and the rights and obligations of Tenant and Mortgagee as to the subject matter of this Agreement. This Agreement may be amended, discharged or terminated, or any of its provisions waived, only by a written instrument executed by the party to be charged. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Mortgagee represents that Mortgagee has full authority to enter into this Agreement, and Mortgagee's entry into this Agreement has been duly authorized by all necessary actions. No provisions of this Agreement may be amended, waived or modified except by an instrument in writing signed by the party to be bound. The headings and captions in this Agreement are for convenience of reference only and in no way define, limit or describe the scope or the intent of any provision or section of this Agreement and shall not be deemed to have any substantive effect. Inapplicability or unenforceability of any provisions of this Agreement shall not limit or impair the operation or validity of any other provision of this Agreement.

9.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which, when executed and delivered, shall be an original, but such counterparts shall together constitute one and the same instrument.

9.8 No Agency Relationship. The Mortgagee is not the agent or representative of Landlord and this Agreement shall not make the Mortgagee liable to materialmen, contractors, craftsmen, laborers or others for goods delivered to or services performed by them upon the Landlord=s Premises, or for debts or claims accruing to such parties against Landlord and there is no contractual relationship, either expressed or implied, between the Mortgagee and any materialmen, subcontractors, craftsmen, laborers, or any other person supplying any work, labor or materials for the Improvements.

9.9 WAIVER OF JURY TRIAL. TENANT AND THE MORTGAGEE HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY EACH WAIVE ANY RIGHT TO TRIAL BY JURY THEY MAY HAVE IN ANY ACTION OR PROCEEDING, IN LAW OR IN EQUITY, IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS RELATED THERETO. TENANT REPRESENTS AND WARRANTS THAT NO REPRESENTATIVE OR AGENT OF THE MORTGAGEE HAS REPRESENTED, EXPRESSLY OR OTHERWISE THAT THE MORTGAGEE WILL NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THIS RIGHT TO JURY TRIAL WAIVER. THE TENANT ACKNOWLEDGES THAT THE MORTGAGEE HAS BEEN INDUCED TO ACCEPT THIS AGREEMENT BY, AMONG OTHER THINGS, THE PROVISIONS OF THIS SECTION.

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the first date set forth above.

1. The rights of tenants in the entrances, corridors, elevators and escalators of the Building are limited to ingress and egress for the tenants and their employees, licensees and invitees, and no tenant shall use the entrances, corridors, escalators or elevators for any other purpose. Fire exits and stairways are for emergency use only, and they shall not be used for any other purpose by the tenants, their employees, licensees or invitees. No tenant shall encumber or obstruct, or permit the encumbrance or obstruction of, any of the sidewalks, plazas, entrances, corridors, escalators (if any), elevators, fire exits or stairways of the Building. The Landlord reserves the right to control and operate the public portions of the Building and the public facilities, as well as facilities furnished for the common use of the tenants, in such manner as it deems best for the benefit of the tenants generally.

2. Landlord may refuse admission to the Building outside of Normal Business Hours to any person not known to the watchman, in charge or not having a pass issued by the Landlord or the tenant whose premises are to be entered or not otherwise properly identified, and may require all persons admitted to or leaving the Building outside of ordinary business hours to register. Any person whose presence in the Building at any time shall, in the judgment of Landlord, be prejudicial to the safety, character, reputation and interests of the Building or of its tenants may be denied access to the Building or may be ejected therefrom. In case of invasion, riot, public excitement or other commotion, Landlord may prevent all access to the Building during the continuance of the same, by closing the doors or otherwise, for the safety of the tenants and protection of property in the Building. Landlord may require any person leaving the Building with any package or other object to exhibit a pass from the tenant from whose premises the package or object is being removed, but the establishment and enforcement of such requirement shall not impose any responsibility on Landlord for the protection of any tenant against the removal of property from the premises of the tenant. Landlord shall, in no way, be liable to any tenant for damages or loss arising from the admission, exclusion or ejection of any person to or from the tenant's premises or the Building under the provisions of this rule. Canvassing, soliciting or peddling in the Building is prohibited, and every tenant shall cooperate to prevent the same.

3. No tenant shall obtain or accept for use in its premises towel, barbering, boot blacking, floor polishing, lighting maintenance or other similar services from any persons not authorized by Landlord in writing to furnish such services, provided that the charges for such services by persons authorized by Landlord are not excessive and, where appropriate and consonant with the security and proper operation of the Building, sufficient persons are so authorized for the same service to provide tenants with a reasonable competitive selection. Such services shall be furnished only at such hours, in such places within the tenant's premises and under such reasonable regulations as may be fixed by Landlord.

4. The cost of repairing any damage to the public portions of the Building or the public facilities or to any facilities used in common with other tenants, caused by a tenant or the employees, licensees or invitees of the tenant, shall be paid by such tenant as additional rent.

5. No lettering, sign, advertisement, notice or object shall be displayed in or on, the exterior windows or doors, or on the outside of any tenant's premises without the prior written consent of Landlord. The inscription of the name of the tenant on the door of the tenant's premises shall be done by Landlord at the Tenant's expense; any other listings shall be at the discretion of Landlord.

If, in the judgment of Landlord, it is necessary to distribute the concentrated weight of any heavy object, the work involved in such distribution shall be done at the expense of the tenant and in such manner as Landlord shall determine. The moving of safes and other heavy objects shall take place only outside of ordinary business hours upon previous notice to Landlord, and the persons employed to move the same in and out of the Building shall be reasonably acceptable to Landlord and, if so required by law, shall hold a Master Rigger's license. Freight, furniture, business equipment, merchandise and bulky matter of any description shall be delivered to and removed from the premises only in the freight elevators and through the service entrances and corridors, and only during hours and in a manner approved by Landlord. Arrangements will be made by Landlord with any tenant for moving large quantities of furniture and equipment into or out of the Building.

8. No machines or mechanical equipment of any kind, other than ordinary business machines or equipment related to tenants' medical practice, if applicable, may be installed or operated in any tenant's premises without Landlord's prior written consent, and in no case (even where the same are of a type so excepted or as so consented to by Landlord) shall any machines or mechanical equipment be so placed or operated as to disturb other tenants. Machines and mechanical equipment which may be permitted to be installed and maintained by such tenant shall be installed and maintained so as to prevent any disturbing noise, vibration or electrical or other interference from being transmitted from such premises to any other area of the Building.

9. No noise, including the playing of any musical instruments, radio or television, which, in the judgment of the Landlord, might disturb other tenants in the Building, shall be made or permitted by any tenant, and no cooking (exclusive of microwave ovens) shall be done in any tenant's premises, except as expressly approved by Landlord. Nothing shall be done or permitted in any tenant's premises, and nothing shall be brought into or kept in any tenant's premises, which would impair or interfere

with any of the Building services or the proper and economic heating, cleaning or other servicing of the Building or the premises, or the use or enjoyment by any other tenant of any other premises, nor shall there be installed by any tenant any ventilating, air-conditioning, electrical or other equipment of any kind which, in the judgment of Landlord, might cause any such impairment or interference. No dangerous, flammable, combustible or explosive object or material shall be brought into the Building by any tenant or with the permission of any tenant.

10. No acids, vapors or other materials shall be discharged or permitted to be discharged into the waste lines, vents or flues of the Building which may damage them. The water and wash closets and other plumbing fixtures in or serving any tenant's premises shall not be used for any purpose other than the purpose for which they were designed or constructed, and no sweepings, rubbish, rags, acids or other foreign substances shall be deposited therein.

11. No additional locks or bolts of any kind shall be placed upon any of the doors or windows in any tenant's premises and no lock on any door therein shall be changed or altered in any respect, unless such addition, change or alteration is made at tenant's expense and, upon making same, a key or keys to the additional, changed or altered lock or bolt is delivered to Landlord. Upon the termination of a tenant's lease, all keys of the tenant's premises and toilet rooms shall be delivered to Landlord.

12. All entrance doors in each tenant's premises shall be left locked and all windows shall be left closed by the tenant when the tenant's premises are not in use.

13. Hand trucks not equipped with rubber tires and side guards or other means of protecting against damage to the Building shall not be used within the Building.

14. All windows in each tenant's premises shall be kept closed and all blinds therein above the ground floor shall be closed when and as reasonably required because of the position of the sun, during the operation of the Building air-conditioning system to cool or ventilate the tenant's premises.

15. A directory in a conspicuous place, and containing the names of the tenants in the Building will be provided by Landlord. Changes, alterations or additions in lettering upon the directory, and upon doors within the tenants' respective premises, when required, will be made for the tenants by Landlord at the respective tenant's expense.

16. The Landlord reserves the right to make such other and further reasonable rules and regulations, or make changes in the same, as in its judgment may from time to time be needed for the safety, care and cleanliness of the Building, and for the preservation of good order therein, provided that such additional rules and regulations (a) shall not unreasonably restrict Tenant's use of the Leased Premises or the nature of Tenant's business, (b) shall not limit any of the services already provided by the Landlord and (c) shall be provided to Tenant in writing prior to being implemented or enforced.

17. Except as an aid to the handicapped, no dogs or other animals, reptiles or birds will be allowed in the Building.

18. Landlord shall have the light to designate one or more areas on the Property for smoking. Tenant shall restrict its employees and visitors from smoking in any areas other than those designated by Landlord for such purpose. Landlord may, from time to time, change the designated smoking area(s).

All deliveries must be scheduled and coordinated by the tenant with the Landlord's designated Property Management Representative. The tenant must contact the Landlord's designated property management representative regarding the scheduling of any deliveries between 8:00 a.m. and 6:00 p.m. on weekdays or during established business hours on weekends. Deliveries must be broken down at the loading dock into a size that can be easily transported to the tenant space on a dolly cart approved by the Landlord's designated Property Management Representative. The use of pallet jacks is prohibited. The tenant shall be responsible to provide all necessary protection of finishes for the transport of the delivery from the loading dock to the tenant space. The tenant will be responsible to pay for the repair of any damages caused by the transport of the delivery from the loading dock to the tenant space. The Landlord's designated property management representative will assess any damages and will coordinate any needed repair work.

NAME AND ADDRESS OF LANDLORD:

Kaleida Properties Inc.
726 Exchange Street, Suite 200
Buffalo, New York 14210

NAME AND ADDRESS OF TENANT:

F.L.C. 50 High Street Corporation
350 Essjay Road
Williamsville, New York 14221

DATE OF EXECUTION OF LEASE:

December 2, 2011

DESCRIPTION OF DEMISED PREMISES IN THE FORM CONTAINED IN THE LEASE:

Approximately 61,226 square feet of land more particularly described on Exhibit A attached hereto.

DATE OF COMMENCEMENT OF LEASE TERM:

The original term of the Lease commenced on December 2, 2011.

DATE OF TERMINATION OF LEASE TERM:

The original term of the Lease shall terminate on the last day of the forty ninth lease year after the rent commencement date as set forth the lease.

RENEWAL TERMS: None

USE RESTRICTIONS: The lease contains the following provisions as to uses of the premises:

Tenant may use the Premises for medical office, related services and other ancillary uses, subject to the terms set forth below. Ancillary uses shall include general office use, retail shops, parking facilities, hotel, residential, recreational, child care and restaurants servicing patients, tenants, guests, invitees and the general public.

Notwithstanding the foregoing, Tenant shall not lease retail space to a Subtenant for use as a pharmacy for the retail sale to the public of prescription and non-prescription medications (a "Retail Pharmacy") only for so long as Landlord or a wholly owned subsidiary of Landlord solely owns and operates such Retail Pharmacy and such Retail Pharmacy is open for

business to the general public within the Premises. Landlord must notify Tenant in writing prior to the commencement of construction of the Tenant's Improvements whether or not it intends to operate a Retail Pharmacy within the Premises. In the event the Retail Pharmacy is not owned and operated solely by Landlord or a wholly owned affiliate of Landlord, Landlord's right to operate a Retail Pharmacy within the Premises shall immediately terminate and the Retail Pharmacy operated by Landlord shall immediately close. In the event the Retail Pharmacy otherwise ceases operations for any reason (except to the extent resulting damage or destruction pursuant to Article XXIV below) Landlord's right to operate a Retail Pharmacy within the Premises shall immediately terminate.

Tenant shall not lease space within the Premises: (i) to physicians, physician practice groups or other medical providers ("Competing Medical Providers") employed by, or involved in any contractual relationship with, a hospital corporation directly competing for patients with Landlord or with Kaleida Health, a New York State not for profit corporation ("Kaleida") ("Competing Hospital Provider") unless such Competing Physician Providers are also employed by Kaleida Health, Great Lakes Health, General Physicians, P. C., or any subsidiary professional corporation of General Physicians, P. C. or an affiliate of any of the foregoing, (ii) to a Competing Hospital Provider, (iii) to others providing outpatient medical services ("Outpatient Medical Services") offered by Kaleida within the Medical Campus ("Competing Outpatient Services", as defined below). A prospective Subtenant shall be considered to be providing Competing Outpatient Services to the extent the primary use or any significant ancillary use proposed by such prospective Subtenant is being provided by Kaleida within the Medical Campus at the time a Proposed Use Summary (defined below) is submitted to Landlord for its approval and such primary or ancillary use would be competing directly with the service then being provided by Kaleida. By way of example only, it shall not be considered a significant ancillary use if a physician or medical provider is drawing blood from his/her patients incidental to his/her practice or, if, in the regular course of practice, a physician or medical provider provides limited diagnostic testing through the use of such portable diagnostic tools as a portable sonogram.

The prohibition against Tenant subleasing space within the Premises to Competing Medical Providers, to Competing Hospital Providers, or to others providing Competing Outpatient Services, as set forth in (i) through (iii) above shall terminate if Kaleida does not own or operate a major hospital facility within the Medical Campus, as shall the restrictions set forth below.

Notwithstanding the foregoing, Tenant may sublease space within the Premises to (A) medical providers offering medical services at the Medical Campus as of the Effective Date or, (B) if Landlord or Kaleida (or an affiliate thereof) ceases to sublease at least 85,000 square feet of rentable square feet at the Premises, to any medical provider other than a Competing Medical Provider or a Competing Hospital Provider, but in such case, only for uses other than the following: (i) a diagnostic therapeutic imaging center, (ii) surgery, other than "Outpatient Surgery", as defined below, (iii) urgent care, (iv) emergency services, (v) birthing of babies, (vi) pediatric in-patient invasive services, (vii) dedicated center for performance of gastrointestinal procedures, or (viii) ambulatory surgical centers, being defined as a service organized to provide those surgical procedures which need to be performed for safety reasons in an operating room on anesthetized patients requiring a stay of less than 24 hours. "Outpatient Surgery" is defined as a

procedure which may be performed on an outpatient basis, is a diagnostic test or treatment, including certain surgical procedures, that carries a low patient risk, requires minimal pre- and post-procedure observation and treatment, is not likely to be time consuming or followed by complications, and is not associated with a condition which would require hospitalization.

Provided Kaleida owns, controls or operates a full service hospital facility at the Medical Campus, Tenant shall not sell the Tenant's Improvements or assign its rights pursuant to this Lease to a Competing Medical Provider, a Competing Hospital Provider, or to a party providing Competing Outpatient Services.

Each of the Subleases into which Tenant enters at the Premises will contain the following language: "Tenant agrees that it will not engage in any uses of the premises except as expressly set forth herein, without the prior written consent of Landlord and Prime Landlord, which consent may be withheld or denied in accordance with the Terms of the Prime Lease. Tenant further agrees that Prime Landlord is an intended third party beneficiary of the provisions of this Lease defining and restricting the uses permitted hereunder. Accordingly, Prime Landlord will have all rights and remedies available at law or in equity to enforce such provisions directly against Tenant or anyone claiming by or through Tenant".

IN WITNESS WHEREOF, the parties hereto have respectively executed this Memorandum of Lease as of this 2nd day of December, 2011.
